Identify Your Website's Purpose

Most attorney websites act like brochures. How can yours be a client acquisition machine? List three ways.

Understand Your Ideal Client

What specific situations, concerns, and decision-making processes do your ideal clients have when they visit your website?

Strengthen Your Calls-to-Action

Identify three weak calls-to-action on your website and brainstorm stronger, more persuasive alternatives.

Mobile Experience Check

How can you improve the mobile user journey beyond just responsive design? List two specific actions.

Messaging That Connects

Instead of general statements, how can your website speak directly to a visitor's specific legal problem and emotional state?

Trust and Clarity Elements

List three key elements your website needs to build trust and provide clarity for potential clients.

AI Chatbot Benefits

How can AI-driven chat tools help your law firm capture leads and improve user experience, especially outside business hours?

Key Conversion Metrics
