Technical SPECIFICATIONS

CLEANING:

- ❖ To clean the surface, use a clean cotton cloth or sponge and a mild soap or detergent.
- ❖ Coffee or tea stain can be removed using a mild household cleaner/detergent and a soft bristle brush
- ❖ If stains continue, apply a paste of baking soda and water with a soft brush. Light scrubbing with baking soda clean the stain.
- ❖ Tough stains which are difficult to clean may require the use of undiluted household bleach or nail polish remover. Apply the bleach or nail polish remover to the stain and let it stand no longer than two minutes. Rinse thoroughly with warm water and wipe dry. This step may be repeated if the stain appears to be going away and the color of the laminate has not been affected

MAINTENANCE:

- ❖ Abrasive pads, scouring powders or cleansers may permanently damage the laminate surface making it susceptible to staining
- ❖ Oven cleaner, toilet cleaner, or drain cleaner will discolor the decorative surface. Please avoid the contact with these chemical for long time. If any of these products spill over the surface, remove immediately, rinse thoroughly, and wipe dry
- ❖ Please avoid the exposure to temperatures greater than 135°C; it may damage the door skin color. Prolonged exposure to temperatures above 65°C may result in separation of the laminate from the substrate
- ❖ Never use knives or other sharp objects directly on the decorative surface. Use of chopping block or counter saver is recommended
- ❖ Do not drop heavy objects such as cans, dinnerware, or glasses or deliberately hammering directly on the surface

Thickness: 1.00mm | Sizes: 7x3.25 & 8x4 Ft | Finish: Texture, Matt.
