Technical Specification		
Properties	Specified values as per IS:2046-1995, Type S, HGS	Vibron from Dorby Conforms
Thickness	1.00 mm (± 10%)	√
Resistance to surface wear	350 (revolutions)	√
Resistance to immersion in boiling water • Mass increase (%) • Thickness increase (%) • Appearance	10.0 (Max) 11.8 (Max) Not worse than 4	√
Resistance to dry heat 180° c	Not worse than 4	√
Dimensional stability at deviated temperature • Longitudinal (%) • Transverse (%)	0.55 (Max) 1.025 (Max)	√
Dimensional stability at 20° c • Longitudinal (%) • Transverse (%)	0.375 (Max) 0.60 (Max)	√
Resistance to impact by small diameter ball	20 N (Mini)	√
Resistance to cracking	Not worse than 4	√
Resistance to scratching	2 N (Mini)	√
Resistance to staining	Not worse than 5	√
Resistance to colour change (wool standards) • In xenon arc light • In enclosed carbon arc light	Not worse than 6 Not worse than 5	√
Resistance to cigarette burns	Not worse than 3	√
Resistance to steam	Not worse than 4	√
Appearance	Should be free from foreign particles	√

Vibron comprises of layers of specially selected paper, impregnated with melamine and phenolic resins pressed and hardened under heat and pressure. The process ensures strong bonding, resistance to boiling water and chemicals, and increases dimensional stability. Surface protection through special treatment renders all Vibron products. It is suitable for a wide range of applications such as wall lining, column claddings, doors, shelves, tabletops, worktops, counters, vanity units, cubicles, lift linings, store fittings, displays, checkout desks etc.

Cutting a laminate sheet at an angle of 90° leads to the development of cracks in the corner after pasting. Therefore, it is advisable to avoid cutting it at an angle of 90°. Bonding of laminate under high humidity, plywood with high moisture content, and uneven surfaces, inferior quality adhesive and insufficient pressure may lead to delamination/ air bubbles in between ply and laminates.

Below are the textures used in this catalogue:

Artistica(AT), Bamboo Flute(BF), Chicklets(CT), Cloudy(CO), Forty-five° Flutes(FF), Glazing (GL), High Gloss (HG), High Gloss Flutes(HGF), Leather (LT), Neolith (NL), Sections (SC), Suede Finish (SF), Super Matte (SM), Zero Matte (ZM).

Size: 2440 mm X 1220 mm (8' X 4')

Thickness: 1.00 mm (other thickness available on request)

Disclaimer: Prices may vary with respect to type, finish, thickness, size and colour. Samples presented are indicative of colour, pattern and surface finish but not of actual thickness. Please consult with our dealers/ distributors/ branches/ factory before quoting. Advance notice of our intended discontinued items will be made known to our regular customers. Our company shall not be held liable for any consequences resulting from disruption of supply. High pressure laminates are meant for indoor use unless they are of exterior grade that are strictly on intent basis only. Avoid using areas exposed to direct sunlight or light reflective areas.

Limited Warranty*: Pegasus Panels Pvt Ltd warrants that under normal use and services, the material and workmanship of their products shall conform to standards set forth on the applicable technical data sheet for a period of 12 months from the date of sale to the first consumer purchaser. Dealers and distributors are provided with technical data sheets, which contain specific standards of performance for the products. In the event that a Pegasus Panels Pvt Ltd. product does not perform as warranted the first purchaser's sole remedy shall be limited to repair or replacement of all or any part of the product, which is defective, at the manufacturer's sole discretion. This warranty is not transferable and expires upon resale or transfer by the first consumer purchaser. This warranty shall not apply to defects or damage arising from any of the following: Accidents, abuse or misuse, exposure to extreme temperature, improper fabrication or installation, improper maintenance. No other warranties, expressed or implied, are made. Under no circumstances shall the manufacturer be liable for any loss or damage arising from the purchase, use, or inability to use this product, or for any special, indirect, incidental or consequential damages. No fabricator, installer, dealer, agent, or employee of Pegasus Panels Pvt Ltd has the authority to modify the obligation or limitation of this warranty.
