Mettalic

F L O W W A V E

Extending our range of natural metal effects, **EVERGREEN** has introduced an exclusive water effect ripple sheet range.

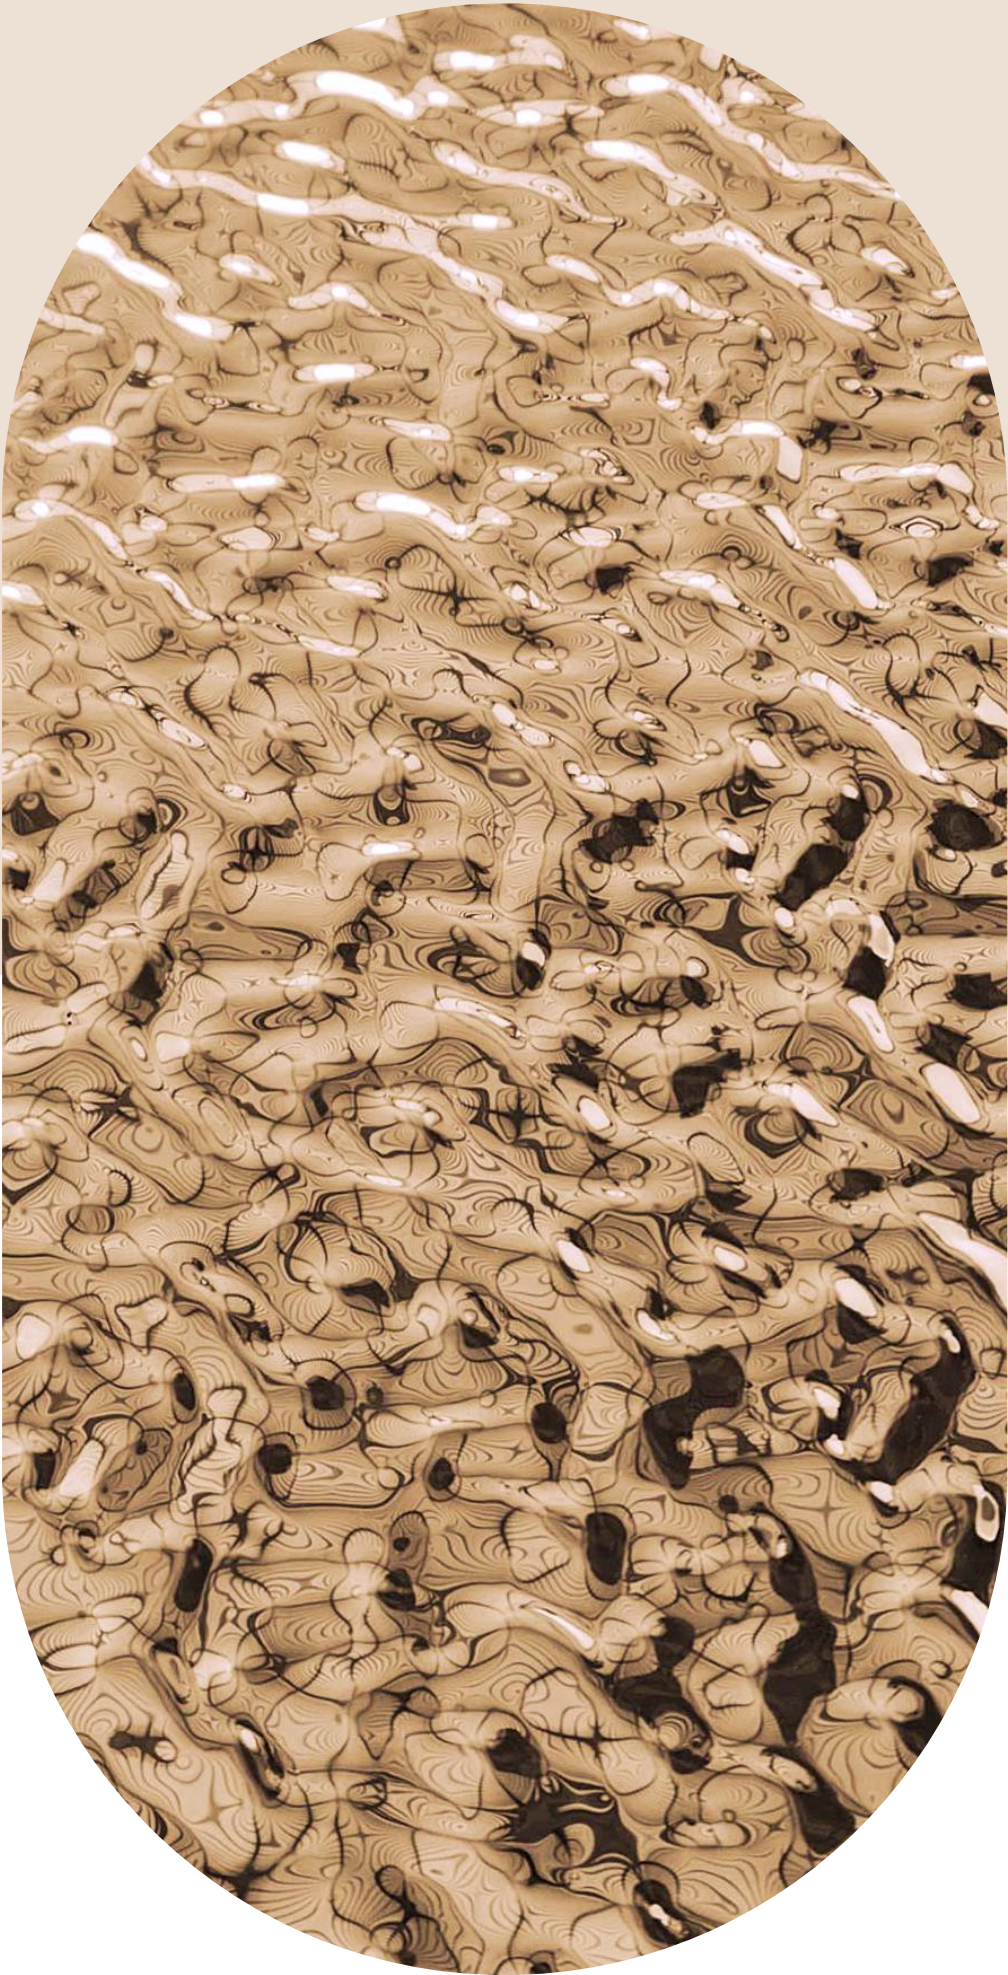

A mettalic ripple sheet is a creative and distinctive architectural material that features a textured surface resembling bubble, ripples, or undulating waves.

METTALIC FLOWWAVE Water Effect Sheet is a brilliant and decorative range of designs, giving an elegant, natural and luxurious quality to any prestigious interior or exterior project.

Size: 8ft x 4ft
