

The background is a dark navy blue with large, sweeping, lighter blue curved bands. It is decorated with numerous golden-yellow circles of various sizes, some with a metallic sheen and others as simple dots. A dense cluster of tiny golden specks is located on the right side. In the top-left corner, there are three horizontal golden lines, with a large golden circle positioned between the middle and bottom lines. In the bottom-right corner, there are three horizontal golden lines.
