

OUR STORY

Giving Your Spaces an Artistic Transformation

Established in 1984 by Mr. Vinod Goel, the TCS Group embarked on its journey as a plywood trading venture nestled within the Delhi NCR region. Today, operating under the esteemed umbrella of Trend PVC, a distinguished member of the TCS conglomerate, we have transcended into a preeminent brand celebrated for its ingenuity. Trend PVC stands as a beacon of architectural advancement, acclaimed nationwide for our unparalleled quality external louvers, PVC laminates, HD Acrylic Laminates, and charcoal panels.

Central to Trend's ethos lies an unwavering commitment to product development, seamlessly bringing together cutting-edge production technologies with pragmatic solutions tailored for architectural and industrial applications. Our fervor for crafting innovative, aesthetically captivating, and high-performance products is underpinned by a profound comprehension of market dynamics, challenges, and aspirations.

A VISION BROUGHT TO LIFE

"From our hands to your home; transforming the essence of spaces with passion and precision."

During the founding years of Trend, the vision was clear: to enrich spaces with the beauty and durability of our exquisitely designed laminates. Every piece we create is a testament to our commitment to excellence. We believe that every individual deserves to live in a space that inspires, comforts, and reflects their unique identity, and to deliver that, we meticulously craft innovative designs and relentlessly pursue top-notch quality. Our products are more than just materials; they are the canvas upon which life's precious moments unfold. It is our firm belief that by decorating the world with our laminates, we are not just enhancing spaces; we are enriching lives, fostering creativity, and building legacies. This is our mission, our promise, and our contribution to a more beautiful world.
