2022 CABERNET SAUVIGNON

Paso Robles, CA | Geneseo District

WINEMAKING NOTES

Cabernet Sauvignon comprises the largest planted acreage at Cass, thus we have the ability to choose fruit from a variety of sites, soils, and clones across the vineyard. Picked in early September, the grapes were fermented into 5-ton open top fermenters and pumped over multiple times per day to achieve maximum extraction, which was necessary to match the ripe flavors of the vintage.

TASTING NOTES

NOSE: Violets, baking spices, ripe tomato, and a touch of molasses

PALATE: Spice continues with black cherry, espresso, and leather

FINISH: Drying but well integrated tannin lead to a bright finish of cardamom and lingonberry
