## 2022 MOURVÈDRE

Paso Robles, CA | Geneseo District

### WINEMAKING NOTES

After hand-picking in late September, the fruit was destemmed and fermented in small tanks, with regular pumpovers to aid extraction. In order to let the varietal fruit shine through, the wine was aged 14 months in primarily neutral French oak barrels. Following this mantra further, the wine was left unblended in order to let the Mourvèdre speak as a pure, 100% varietal wine.

### TASTING NOTES

This is a medium bodied and richly flavored unique varietal. Aromas of black cherries, plums, mint chocolate, and fresh earth entices the drinker. It fills the palate with flavors of pomegranate, white pepper, and Boysenberries with a velvety tannin structure. Pairs well with wild boar steak and a black cherry truffle sauce.
