2022 RESERVE

Paso Robles, CA | Geneseo District

WINEMAKING NOTES

Cabernet Sauvignon comprises the largest planted acreage at Cass, thus we have the ability to choose fruit from a variety of sites, soils, and clones across the vineyard. Picked in early September, the grapes were fermented into 5-ton open top fermenters and pumped over multiple times per day to achieve maximum extraction, which was necessary to match the ripe flavors of the vintage.

TASTING NOTES

NOSE: Rich with blackcurrant chutney, lavender, warm oak, with a slight smoke character

PALATE: Boysenberry puree, herbs de Provence, and black tea

FINISH: Lengthy tannin, allspice, and chocolate covered blueberries
