2023 MR BLANC

Paso Robles, CA | Geneseo District

WINEMAKING NOTES

Aiming to preserve the intense fruit and aromatics of the variety, the Roussanne, Marsanne and Viognier were fermented and aged in 100% stainless steel. Hand-picked in the early morning, the cold grapes were pressed within moments after coming off the vine. Following juice settling, a long, cold fermentation commenced. Malolactic fermentation was inhibited to preserve acidity, keeping the wine fresh and crisp. Approachable, food friendly, and polished.
