2024 MARSANNE

Paso Robles, CA | Geneseo District

WINEMAKING NOTES

To preserve the intense fruit flavors and aromatics of the variety, this Marsanne was fermented entirely in stainless steel. Hand-picked in the early morning hours of beginning through mid September, the cold grapes were pressed immediately after harvest. After settling, the juice underwent a 4-6 week cold fermentation.

TASTING NOTES

NOSE: Orange blossoms and white peach

PALATE: Smooth and creamy meringue with lime zest and honeyed almonds

FINISH: Crisp with flavors of kiwi, limequat, and a touch minerality
