Black as night
and hauntingly delicious,
the 2013 Port is everything
it should be, and
nothing it's not.

*Tasting
Notes*

The color of deep
garnet foretells decadent
aromas of candied cherry, stewed
plum, sweet spearmint and star anise.
Lush and layered; Velvety sweetness
reminiscent of blackberry syrup integrate
seamlessly amid notes of fresh rose and
brandy essence. Warm nuances of baking
spice, orange liqueur and crushed clove
endlessly linger.
Enjoy Now Until 2026.

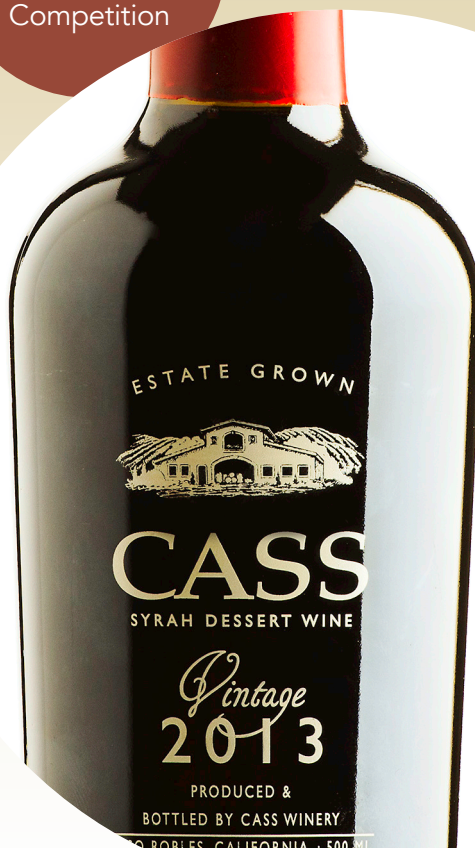

WINEMAKING

Produced from ultra-ripe Syrah

from our estate vineyard, our 2013

Dessert Wine is massive and rich, with flavors and aromatics
that remind us all of wintertime in Paso Robles. Warm notes
of crushed rose petal, dried raspberry, orange-almond liqueur,
potpourri, juniper berry, and cinnamon sticks fill the nose.

The sticky palate is full of rich fruit, with caramel-coated raisin,
candied orange, warm brown spice, and grated chili chocolate
flavors on a backbone of well structured tannins that carry
through on an endless (and we mean endless) finish.

CASS VINEYARD

Our DNA is from France...In 2000, we planted wine grape clones certified by ENTAV, the agency that is responsible for certification of wine grape clones in France. Cass Vineyard was among the first vineyards in California to be planted entirely to ENTAV certified clones.

We have 11 varietals on 145 acres, including seven Rhône varietals as well as four big red Bordeaux varietals.

The Cass Estate Vineyard, located southeast of the town of Paso Robles, exemplifies the quality of the Paso Robles region with its warm days, cool coastal breezes, and exceptional soils.

Deposited over centuries, the diverse alluvial soils make for an expressive site that produces fruit of incredible quality. A long growing season of warm days and cool evenings give rise to vibrantly ripened fruit with dynamic flavor profiles that translate beautifully in your glass.
