

# Vintage Ted 2017

## Accolades

**SILVER**  
Central Coast  
Wine  
Competition

### Tasting Notes

Savory spice and dried herbs drift from the glass. Turned earth and toasted tobacco elements underscore a fruitiness resembling blackberry balsamic, sugar plum and dried currant. High-toned acidity and fine tannin create structure, while flavors of pressed coffee and star anise feather the palate. The finish offers dimensions of grilled cherry, olive tapenade, sagebrush and mulberry molasses.

## WINEMAKING

Ted chose the best barrels of Cabernet Clone 8 for its earthy character to blend with barrel select Mourvèdre and Petite Verdot. The Mourvèdre softens the impact of the Cabernet and Petite Verdot making a beautiful elegant food wine. Barrel aged for 22 months in French Oak.

Composition: 70% Cabernet Sauvignon,  
25% Mourvèdre,  
5% Petit Verdot

Production: 400 cases  
Alcohol: 14.5% ABV

## CASS VINEYARD

Our DNA is from France...In 2000, we planted wine grape clones certified by ENTAV, the agency that is responsible for certification of wine grape clones in France. Cass Vineyard was among the first vineyards in California to be planted entirely to ENTAV certified clones.

We have 11 varietals on 145 acres, including seven Rhône varietals as well as four big red Bordeaux varietals.

The Cass Estate Vineyard, located southeast of the town of Paso Robles, exemplifies the quality of the Paso Robles region with its warm days, cool coastal breezes, and exceptional soils. Deposited over centuries, the diverse alluvial soils make for an expressive site that produces fruit of incredible quality. A long growing season of warm days and cool evenings give rise to vibrantly ripened fruit with dynamic flavor profiles that translate beautifully in your glass.
