Tasting Notes

An alluring hue of rose gold presents through the glass with youthful aromas of white raspberry, tart cherry, watermelon rind, and faint whispers of hibiscus blossom. Bone dry, with an acidic zest enlivens the palate through ruby red grapefruit and citrus twists entangled with juicy orchard fruit and a surprising sunburst of wild strawberries. The refreshing finish elicits playful memories of spring flings and warm summer evenings.

Our winemaker uses direct press method to produce this Provençal style, dry Rosé. Hand-picked in the early morning, the cold grapes were pressed within moments after coming off the vine. Malolactic fermentation was inhibited to preserve acidity, keeping the wine fresh and crisp.

CASS VINEYARD

Our DNA is from France...Established and planted by certified ENTAV clones in 2000, the CASS Estate Vineyard, which is located in the Geneseo District, exemplifies the quality of the Paso Robles region with its warm days, cool coastal breezes, and exceptional soils. Deposited over centuries, the diverse alluvial soils make for an expressive site that produces fruit of incredible quality. A long growing season of warm days and cool evenings give rise to vibrantly ripened fruit with dynamic flavor profiles that translate beautifully in your glass.

As a family-owned 100% estate boutique winery, we are proud to continually push ourselves in the pursuit of excellence. Our tagline **"French DNA + Paso Personality"** is our philosophy: maintaining approachability and a down-to-earth charm, as we strive for excellence in all we do. Throughout history, fine wine has been both celebratory and connecting, as it draws people around the table. At CASS, our 145 acre vineyard of Rhône and Bordeaux varietals has become a place for drawing people together. It is this balance of vineyard and winemaking that has produced many 90+ point wines and the reason CASS was awarded **Winery of Year by the Central Coast Wine Competition in 2015, 2018 and 2020**. Through our Certification of California Sustainable Winegrowing, our farm-to-fork culinary experiences at our Café and elevated dinners, and our eco-friendly GENESEO INN, we look to elevate the Paso Robles wine country experience while maintaining a strong connection to the land.
