*Tasting  
Notes*

The 2020 Rockin' Ted is a Châteauneuf-du-Pape style red Rhône blend that brings style and structure to the palate. The flavors build upon the cornerstone cherry and vanilla notes. Earthy notes of tobacco leaves and leather combine with baking spices to give this wine a well-structured foundation. Flavors of toasted anise, new leather, smoky cinders, and braised blackberry are lifted by bright acidity. This finish lingers, offering a dusting of white pepper and hazelnut crunch.

## WINEMAKING

Picked throughout September and October, the grapes were fermented into five-ton open top fermenters and pumped over multiple times per day to achieve maximum extraction. Aged for 28 months in French oak and American oak. During the last 16 months of barrel aging, the blending components were aged together in oak. During the first 12 months they were aged separately by variety.

Varietal Composition: 40% Grenache, 32% Mourvèdre, 21% Syrah, 7% Petite Sirah | Aging Regimen: 28 months in French and American oak | ABV 14.5% | Production: 250 cases

## CASS VINEYARD

Our DNA is from France...Established and planted by certified ENTAV clones in 2000, the CASS Estate Vineyard, which is located in the Geneseo District, exemplifies the quality of the Paso Robles region with its warm days, cool coastal breezes, and exceptional soils. Deposited over centuries, the diverse alluvial soils make for an expressive site that produces fruit of incredible quality. A long growing season of warm days and cool evenings give rise to vibrantly ripened fruit with dynamic flavor profiles that translate beautifully in your glass.

As a family-owned 100% estate boutique winery, we are proud to continually push ourselves in the pursuit of excellence. Our tagline **"French DNA + Paso Personality"** is our philosophy: maintaining approachability and a down-to-earth charm, as we strive for excellence in all we do. Throughout history, fine wine has been both celebratory and connecting, as it draws people around the table. At CASS, our 145 acre vineyard of Rhône and Bordeaux varietals has become a place for drawing people together. It is this balance of vineyard and winemaking that has produced many 90+ point wines and the reason CASS was awarded **Winery of Year by the Central Coast Wine Competition in 2015, 2018 and 2020**. Through our Certification of California Sustainable Winegrowing, our farm-to-fork culinary experiences at our Café and elevated dinners, and our eco-friendly GENESEO INN, we look to elevate the Paso Robles wine country experience while maintaining a strong connection to the land.
