Viognier 2020

Fragrant,
Fresh Acidity,
Lingering
Finish

*Tasting
Notes*

A seduction of orange blossom, poached pear, ripe apricot, and clove honey drift from the glass. Sultry essence of exotic spice, fresh pineapple, and crushed coconut evoke memories of a lush tropical isle. A lifted acidity highlights elements of lemon verbena, herbal tea, ripe melon, and flowering jasmine.

WINEMAKING

Aiming to preserve the intense fruit and aromatics of the variety, this Viognier was fermented and aged in 100% stainless steel. Hand-picked in the early morning, the cold grapes were pressed within moments after coming off the vine. Following juice settling, a long, cold fermentation commenced. Malolactic fermentation was inhibited to preserve acidity, keeping the wine fresh and crisp.

Composition: 100% Viognier

Aging: Cold fermented in stainless steel

Alcohol: 14.5%

Production: 1,175 cases produced

CASS VINEYARD

Our DNA is from France...In 2000, we planted wine grape clones certified by ENTAV, the agency that is responsible for certification of wine grape clones in France. Cass Vineyard was among the first vineyards in California to be planted entirely to ENTAV certified clones.

We have 11 varietals on 145 acres, including seven Rhône varietals as well as four big red Bordeaux varietals.

The Cass Estate Vineyard, located southeast of the town of Paso Robles, exemplifies the quality of the Paso Robles region with its warm days, cool coastal breezes, and exceptional soils. Deposited over centuries, the diverse alluvial soils make for an expressive site that produces fruit of incredible quality. A long growing season of warm days and cool evenings give rise to vibrantly ripened fruit with dynamic flavor profiles that translate beautifully in your glass.
