*Tasting Notes*

Gaining in popularity, Roussanne is beginning to be featured more as a single varietal wine. As one of the three main white Rhône varietals, this vintage shows off the crisp and fresh side of the flavor profile. Freshly sliced Granny Smith apples and Anjou pears are the first flavors to show both on the nose and palate. The light creamy texture of this wine has a lovely long finish of pineapple and fresh peach. This refreshing Roussanne is like spring in a bottle.

## WINEMAKING

This 100% Roussanne is cold fermented in stainless steel creating a bouquet of stone fruit, honeydew melon, and citrus zest. Creamy meringue with mineral notes on the palate leads to a long finish of Pomelo. This wine pairs beautifully with cobb salad (or salads of any kind), pesto pasta, and creamy cheeses.

Varietal Composition: 100% Roussanne

ABV 14.0%

Ageing Regimen: Cold Fermented in Stainless Steel

Production: 600 cases

## CASS VINEYARD

Our DNA is from France...Established and planted by certified ENTAV clones in 2000, the CASS Estate Vineyard, which is located in the Geneseo District, exemplifies the quality of the Paso Robles region with its warm days, cool coastal breezes, and exceptional soils. Deposited over centuries, the diverse alluvial soils make for an expressive site that produces fruit of incredible quality. A long growing season of warm days and cool evenings give rise to vibrantly ripened fruit with dynamic flavor profiles that translate beautifully in your glass.

As a family-owned 100% estate boutique winery, we are proud to continually push ourselves in the pursuit of excellence. Our tagline **"French DNA + Paso Personality"** is our philosophy: maintaining approachability and a down-to-earth charm, as we strive for excellence in all we do. Throughout history, fine wine has been both celebratory and connecting, as it draws people around the table. At CASS, our 145 acre vineyard of Rhône and Bordeaux varietals has become a place for drawing people together. It is this balance of vineyard and winemaking that has produced many 90+ point wines and the reason CASS was awarded **Winery of Year by the Central Coast Wine Competition in 2015, 2018 and 2020**. Through our Certification of California Sustainable Winegrowing, our farm-to-fork culinary experiences at our Café and elevated dinners, and our eco-friendly GENESEO INN, we look to elevate the Paso Robles wine country experience while maintaining a strong connection to the land.
