

THE FUTURE OF ISRAEL and the Jewish people lies in our unity and connection to our heritage. Despite varying viewpoints and backgrounds, we must strive to see our shared destiny as a people and foster an environment that invites every Jew to embrace the beauty of Judaism, Israel, and the Jewish People.

AISH HA'AM is a movement dedicated to igniting Jewish passion, sharing Jewish wisdom, and creating Jewish unity. With a global presence, on university campuses, and online, we work to ensure every Jew feels part of the vibrant tapestry of Jewish life. Our platform is built on the pillars of Jewish unity, supporting Israel, combating anti-Semitism, and ensuring Jewish education for all, envisioning a world that is united, strong, educated, and deeply connected to our people and ancestral homeland. Our slate comprises an impressive group of leading Jewish educators, student leaders from college campuses, social media influencers advocating for Israel, and dedicated lay leaders who champion our values and actively shape the Jewish future.

OUR CORE BELIEFS ARE

EDUCATION FOR EVERY JEW

We believe that Jewish wisdom and values possess the transformative power to enrich lives. We maintain that every Jew, irrespective of their religious background or level of Jewish schooling, inherently deserves the gift of Jewish knowledge.

Recognizing the enduring relevance and beauty of our timeless Jewish wisdom, we are dedicated to finding innovative ways to showcase its significance in today's world. Our goal is to utilize digital tools to ensure that Jewish education is accessible to every Jew, thereby strengthening our collective identity and mission as a light unto the nations.

JEWISH UNITY

At the heart of our platform lies the belief in the unbreakable bond that connects all Jews. We believe that every Jew has a part in the mission of the Jewish People.

Our enemies view us simply as Jews, regardless of our religious connection, political stance, ethnic background, or geographical location. Thus, we too must see every Jew as a vital member of the Jewish people, refusing to let our differences fracture us.

FIGHTING ANTISEMITISM

In a world where Anti-Semitism is reaching levels surpassing anything we have seen since the Holocaust, we stand at the forefront of the battle against all forms of Jew hatred.

Our core focus is educating and empowering young Jews on University campuses, as well as millions of followers online, instilling them with pride in their identity, and equipping them with tools to confront anti-Israel propaganda and anti-Semitism. We believe that an educated and proud Jew, deeply rooted in our history and tradition, possesses the resilience to stand up against any degree of hate.

SUPPORTING ISRAEL

Israel is not just a country; it's a testament to the resilience and spirit of the Jewish people. For millennia, Israel has been the focal point of Jewish yearning and prayer, and today it serves as the fulfillment of our shared destiny. Israel serves as a beacon of values and morality, connecting us to our rich tradition but also sparking advancement in countless fields. We strongly advocate for supporting Israel, emphasizing its right to defend itself against countless enemies and providing much needed support for our brothers & sisters affected by the war.
