## CENTRIST LIBERAL ZIONISM

### A MOVEMENT FOR THIS MOMENT

The Jewish Future is a movement of proud Jews and Zionist moderates committed to rebuilding and renewing the values that unite us. Drawing inspiration from Israel's Declaration of Independence, we believe in an Israel—and a Jewish world—rooted in freedom, democracy, and classical liberal values, ensuring the flourishing of Jewish communities and the dignity of all.

### OUR PRINCIPLES AND GOALS: THE PATH FORWARD

#### ENGAGING THE NEXT GENERATION

We are dedicated to inspiring young Jews around the globe to see Zionism as the vibrant, living national liberation movement of the Jewish people. Through innovative programs, cultural engagement, and meaningful opportunities, we aim to integrate the next generation into the heart of the Zionist movement.

#### EDUCATION AND PRIDE

By fostering pride in Jewish identity and achievements, we will teach the richness of Jewish history, language, and culture. Central to this mission is promoting the study of Modern Hebrew, the unifying language of the Jewish people, and deepening connections to the Land, State and People of Israel. We will leverage the resources of the Zionist movement to support Zionist, Hebrew and Jewish Peoplehood education for young people in World Jewish communities.

#### COMBATING ANTISEMITISM

We will fight against antisemitism in all its forms—on campuses, in media, and in political discourse—ensuring that Jews worldwide can live with dignity and security and making clear that Anti-Zionism is Antisemitism.

#### DEFENDING ISRAEL

We are unwavering in our defense of Israel's right to exist as a Jewish and democratic state within secure and defensible borders. We strive to preserve a decisive Jewish majority while embracing pluralism and accessibility in all areas of Israeli society.

#### PLURALISM AND INCLUSION

We believe that Jewish unity must transcend denominations and political divides. We champion diversity, accessibility, and respect within the Zionist movement and beyond, creating a space where all voices are heard.

#### REJECTING EXTREMISM

The Jewish Future is resolute in opposing divisive or hateful voices that undermine the values of Zionism and Jewish unity. We will work tirelessly to uphold a movement that reflects dignity, inclusion, and respect.

#### TRANSPARENCY AND ACCOUNTABILITY

Within the World Zionist Organization, we will demand greater accountability, efficiency, and transparency, ensuring that every resource and initiative serves the needs of the Jewish people effectively.
