This is a brief description of the Student Health Plan. The plan is available for California College of the Arts students and their eligible dependents. The plan is insured by Aetna Life Insurance Company (Aetna). The exact provisions, including definitions, governing this insurance are contained in the Certificate issued to you and may be viewed online at <https://www.aetnastudenthealth.com>. If there is a difference between this Plan Summary and the Certificate, the Certificate will control.

Coverage Periods

Students: Coverage for all insured students enrolled for coverage in the Plan for the following Coverage Periods. Coverage will become effective at 12:01 AM on the Coverage Start Date indicated below and will terminate at 11:59 PM on the Coverage End Date indicated.

Eligible Dependents: Coverage will become effective at 12:01 AM on the Coverage Start Date indicated below and will terminate at 11:59 PM on the Coverage End Date indicated. Coverage for insured dependents terminates in accordance with the Termination Provisions described in the Master Policy.

Student Coverage

Eligibility

All undergraduate and graduate students and dependents, who are enrolled at California College of the Arts, and who actively attend classes for at least the first 31 days, after the date when coverage becomes effective.

Home study, correspondence, Internet classes, and television (TV) courses, do not fulfill the eligibility requirement that the student actively attend classes. If it is discovered that this eligibility requirement has not been met, our only obligation is to refund premium, less any claims paid.

Enrollment

Eligible students will be automatically enrolled in this Plan, unless you submit a completed waiver by visiting www.jcbins.com and selecting your school from the dropdown and registering by the deadline dates listed on the previous page.

Dependent Coverage

Eligibility

Covered students may also enroll their lawful spouse, domestic partner (same-sex, opposite sex), and dependent children up to the age of 26.

Enrollment

To enroll your dependents, please opt into the plan and create your student account at www.jcbins.com.

Exception: A Covered Person entering the armed forces of any country will not be covered under the Policy as of the date of such entry. A pro rata refund of premium will be made for such person, and any covered dependents, upon written request received by Aetna within 90 days of withdrawal from school.

Important note regarding coverage for a newborn infant or newly adopted child:

Your newborn child is covered on your health plan for the first 31-days from the moment of birth. To keep your newborn covered, you must notify us (or our agent) of the birth and pay any required premium contribution during that 31-day period. You must still enroll the child within 31-days of birth even when coverage does not require payment of an additional premium contribution for the newborn. If you miss this deadline, your newborn will not have health benefits after the first 31-days. If your coverage ends during this 31-day period, then your newborn's coverage will end on the same date as your coverage. This applies even if the 31-day period has not ended.

A child that you, or that you and your spouse, civil union partner or domestic partner adopts or is placed with you for adoption, is covered on your plan for the first 31-days after the adoption or the placement is complete. To keep your child covered, we must receive your completed enrollment information within 31-days after the adoption or placement for adoption. You must still enroll the child within 31-days of the adoption or placement for adoption even when coverage does not require payment of an additional **premium** contribution for the child. If you miss this deadline, your adopted child or child placed with you for adoption will not have health benefits after the first 31-days. If your coverage ends during this 31-day period, then coverage for your adopted child or child placed with you for adoption will end on the same date as your coverage. This applies even if the 31-day period has not ended.

If you need information or have general questions on dependent enrollment, call Gallagher Student Health & Special Risk at 510-542-5306.

Medicare Eligibility Notice

You are not eligible to enroll in the student health plan if you have Medicare at the time of enrollment in this student plan. The plan does not provide coverage for people who have Medicare.

Termination and Refunds

All refund requests must be sent to the University who will confirm nonstudent status with Gallagher Student Health & Special Risk and submit the refund request on behalf of the student. Only refunds submitted by the University **before** the refund deadline will be considered. Credit card **refunds** must be requested within **120 days** of the date of purchase and before the refund deadline. No refunds will be considered after the refund deadline. All refunds will be processed back to the original form of payment only, no exceptions. All refunds will be assessed a \$35 processing fee. Please allow 30 business days for us to receive and process the refund request, then an additional 3-5 business days to receive the refund from your financial institution. Pro-rated/partial refunds are not allowed.

NOTE: You can check to see if your return has been processed by [logging in to your Gallagher Student Health & Special Risk account](#).

In-network Provider Network

Aetna Student Health offers Aetna's broad network of In-network Providers. You can save money by seeing In-network Providers because Aetna has negotiated special rates with them, and because the Plan's benefits are better.

If you need care that is covered under the Plan but not available from an In-network Provider, contact Member Services for assistance at the toll-free number on the back of your ID card. In this situation, Aetna may issue a pre-approval for you to receive the care from an Out-of-network Provider. When a pre-approval is issued by Aetna, the benefit level is the same as for In-network Providers.

Service area

Your plan generally pays for eligible health services only within a specific geographic area, called a service area. There are some exceptions, such as for emergency services, urgent care and transplants.

Precertification

You do not need to obtain pre-certification for any services. However, your provider is required to obtain pre-certification for certain Preferred Care services. Refer to the Precertification provisions in the Coverage section of the Certificate of Coverage for a complete description of the precertification programs including the types of services, treatments, procedures, visits or supplies that require precertification. No penalty will be applied to you for a Preferred Care service that was not pre-certified.

Coordination of Benefits (COB)

Some people have health coverage under more than one health plan. If you do, we will work together with your other plan(s) to decide how much each plan pays. This is called coordination of benefits (COB). A complete description of the Coordination of Benefits provision is contained in the certificate issued to you.

Description of Benefits

The Plan excludes coverage for certain services and has limitations on the amounts it will pay. While this Plan Summary document will tell you about some of the important features of the Plan, other features that may be important to you are defined in the Certificate. To look at the full Plan description, which is contained in the Certificate issued to you, go to <https://www.aetnastudenthealth.com>.

This Plan will pay benefits in accordance with any applicable California Insurance Law(s).
