GOD IS MIGHTY ■ EXODUS 14:13-15:21

In an effort to gain control, the king of Egypt enslaved God's people. The people cried out to God for rescue. He sent Moses to lead the people out of Egypt. When the Israelites reached the Red Sea there was no place to go. God is mighty. He sent a great wind to part the Red Sea. When the sea parted, the people were able to cross safely through on the dry seabed.

GOD CARES FOR ME ■ EXODUS 16; NUMBERS 11:7-9

After leaving Egypt, the Israelites had a long road ahead of them. The people started complaining early in the journey. God heard their grumbling and told Moses He would send food from heaven. He also gave special instructions about taking only enough food for each day. When the people woke up the ground was covered in manna. God cares for His people.

2s/3s BLESSINGS

OCTOBER 2018

When you go in your child's room this month say this blessing over them: "[Insert child's name], God is mighty. You can always trust Him. May you praise and thank Him for who He is.

As you drive this month, take the opportunity to remind your child how much God cared for the Israelites and how much He cares for us. List ways God cares for us.

Cuddle up with your child this month and remind them our God is mightier than anyone or anything! Read Exodus 14:10-14; 15:19

During bath time this month bless your child by saying, "[Insert child's name], God loves you and takes care of you."

Remember your child needs consistent provision and love. Your consistency is the building block upon which your child learns that God cares for him.
