**THE UGANDA NATIONAL METEOROLOGICAL
AUTHORITY ACT, 2012**

An Act to provide for the establishment of the Uganda National Meteorological Authority, to provide for the functions of the Authority; to provide for the Meteorological Board; for the functions of the Board; to give effect to the Convention on the World Meteorological Organization; the United Nations Framework Convention on Climate Change and other related Conventions, protocols and Memoranda of Understanding to which Uganda is a party; to provide for the control and development of technically sound and scientific meteorological services and to provide for other related matters.

DATE OF ASSENT:

Date of Commencement:

BE IT ENACTED by Parliament as follows—

PART I—PRELIMINARY**1. Commencement.**

This Act shall come into force on a date to be appointed by the Minister by Statutory Instrument.

2. Interpretation.

In this Act, unless the context otherwise requires—

*Uganda National
Meteorological Authority Act* **2012**

Act

“Authority” means the Uganda National Meteorological Authority established by section 3;

“Board” means the Uganda National Meteorological Board established by section 5;

“climate” means the average or mean weather conditions of a place as determined by the day- to- day values of the meteorological or weather elements that affect a locality covering a reasonably long period such as 30 years;

“climate change” means a significant change in the climate with a definite trend in at least one of the weather elements; the change must be recorded over an extended period, typically a decade or longer to differentiate it from climate variability which, although a major meteorological hazard, has no definite trend;

“Congress” means the Congress of the World Meteorological Organisation;

“Constituent body” means a constituent body of the World Meteorological Organization which includes the Executive Council, the Regional Associations or Technical Commissions;

“Convention” means the Convention of the World Meteorological Organization which was concluded in Washington D.C. on 22nd September 1947;

“currency point” has the value assigned to it in the First Schedule;

“Executive Director” means the Executive Director of the Authority;

“Meteorology” means the science of the atmosphere that embraces both weather and climate and is concerned with the physical, dynamical and chemical state of the earth's atmosphere;

*Uganda National
Meteorological Authority Act* 2012

Act

“Meteorological services” means services provided by the Authority;

“Minister” means the Minister responsible for matters relating to meteorology;

“Organisation” means the World Meteorological Organisation;

“weather” is the condition or state of the atmospheric environment over a short period of time such as an instant or a few hours to a number of days or seasons involving various meteorological elements or parameters such as rainfall, wind, temperature, sunshine and atmospheric pressure among others;

“weather modification” means any activity performed with the intention or the ultimate outcome or both of producing artificial change in the composition, behavior and dynamics of the atmosphere.

PART II—THE UGANDA NATIONAL METEOROLOGICAL AUTHORITY

3. Establishment of the Authority.

(1) There is established the Uganda National Meteorological Authority.

(2) The Authority shall be a body corporate with perpetual succession and an official seal and may for the discharge of its functions under this Act—
