

CAMPTONVILLE COURIER

A COMMUNITY PUBLICATION

COURIER CHANGES ARE ONLY TEMPORARY

If you're a regular Courier subscriber, you are noticing some real big changes with the Courier, and you are probably asking yourself "What's going on here?" Well, on July 10th we held a community meeting at the Camptonville School in hopes of filling some much needed volunteer positions at the Courier. Unfortunately, we were unsuccessful, and the solution to our inability to fill these positions was not only to reduce the size of the Courier by no longer accepting article submissions but also to phase out all advertising. In doing this it is now up to our subscribers and community to help keep what's left of the Courier afloat with much needed donations.

If you've been thinking *Someday I'll do something to help the Courier*, this may be the best time for you to step forward and just Do It!

For 15+ years, The Courier has been run by volunteers - each doing a job for a few years, then stepping aside and another person taking over.

For example, right now, The Courier has no one to manage the Subscriptions. This can all be done from your home computer - a few hours a month! We also have positions open for advertising and bookkeeping.

If we don't have Volunteers, we don't have a Courier. Let this be your time!

VOLUME 17, ISSUE 8

AUGUST 2013

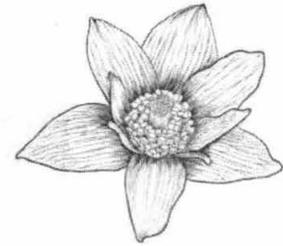

Special points of interest:

- * The Camptonville School has a new bus! Pg.2
- * Camptonville Prepared is looking for volunteers for the Fire Department Picnic Pg.2
- * Back to School information Pg.3
- * New Job Openings in Camptonville Pg.3
- * Calendar of Events Pg.4

CAMPTONVILLE SCHOOL CALENDAR FOR AUGUST

- o Monday, August 12 School Board Meeting (6 p.m.)
- o August 12th & 13th Open enrollment for new students (8 a.m. – 3 p.m.)
- o August 14 **First Day of School**
- o August 15 New Bus Orientation and Drill (All grades)

THE CAMPTONVILLE SCHOOL HAS A NEW BUS

Richard DickKard, C'ville School Board

A grant from the Feather River Air Quality Management District paid for 90% of the total cost (\$135,217.) of this brand-new, 49-passenger, Blue Bird school bus. The school board and Norm Ross, our bus driver, are pleased that the bus meets all current safety and environmental standards: three point seat belts, high backed seats, automatic chains for snow and ice, heating and air conditioning and a powerful, yet very low emission, 260 HP Cummins Diesel engine. This will enable us to transport our students comfortably and safely in all types of weather. This new bus replaces the 1986 bus which lacks the safety features and power of the new bus. The old bus will be sold for scrap. Call Norm at the school, 288-3277, to check it out.

CAMPTONVILLE PREPARED! IS FOR YOU AND YOUR FAMILY

Judy Morris & Stephanie Korney

We need volunteers to assist us on Saturday, September 7th at the annual Fire Department Picnic. We will have a booth to hand out resource materials, and we will be selling T-Shirts and other items. So please help us and volunteer for an hour or two. We are also planning a special activity for the kids to help spread the word on how easy it is for all of us to be prepared.

We will be holding our 2nd E-Waste Drive fundraiser on Saturday, September 14th and again, we need your assistance. We need "greeters and registrars" to work during the event from 8:30am to 1pm. Snacks and beverages will be available for all working staff. Please call 288-1228 or email owlsneagles@inreach.com to sign-up and help our community become free of E-Waste. The money raised at this event goes right back into the community.

If you have E-Waste and can't get to the event site at the Rebel Ridge Market field, you can call the **Resource Center at 288-9355** to schedule a pick-up of your E-Waste items. Remember E-Waste is anything that has an electrical cord or computer circuit board.

2013 Gardeners' Market

Yes, it's true! It's that time again. The fabulous "Camptonville Community Gardeners' Market" begins the 2013 season August 3rd and continues every Saturday through September from 10am till noon at Rebel Ridge Organics, located at 16042 Creekside Trail across from the Rebel Ridge field. You'll find super fresh home-grown produce, delicious baked goodies, the worlds' best pickles, and much much more! Come on down and take advantage of our local bounty and visit with friends and neighbors while you're at it. Gardeners with surplus produce and those with local products to sell are welcome.

Call Jimbo at 288-1001 for information.

Hope to see you there!

Joan Journey

October 1, 1953—July 11, 2013

Our mother, Joan Journey, touched many lives in this community. She was a sign of light in the darkest times of life and death. She made the passing of loved ones a more peaceful and calming experience. Now it's our turn to take what she has taught us and try to get through this painful time knowing that she is in a better place. My mom was suffering from a back injury that caused multiple strokes which eventually became too much for her to take. She passed away on July 11th at 9pm. She lived her life only to help others. That was the goal of the Journey Home Volunteer Hospice; to make the process of death as serene as possible, for the patients and their families. She lived her life for this cause, and she passed away the same way she helped others go: peaceful and happy. My mom leaves behind an adoring husband, three children, two son-in-laws, three grandchildren, and a community who loved her. I hope everyone can remember her when she was at her best; the strong, independent, selfless woman who lived for the well-being of others.

BACK TO SCHOOL INFORMATION

Sandy Ross

The first day of school for Camptonville students is Wednesday, August 14th and we look forward to greeting returning students and welcoming new faces to our campus. Teachers and staff have been busy all summer making sure that the coming year will bring fresh new ways for students to be engaged and excited about coming to school each day. Field trips plans are underway and 1:1 iPad technology has arrived for the 6-8th grade class. To top it off, we have a brand new safe and more emission-friendly bus (see article) to transport students to and from school.

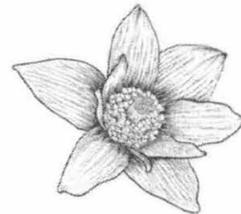

Our search for a K-1-2 classroom teacher resulted in finding a wonderful new addition to our teaching staff. Mrs. Roberta Forest comes to us with a wealth of knowledge in environmental science, early childhood development, and several years of experience teaching a K-2 class in the small community of Berry Creek outside of Oroville. Our hiring committee unanimously felt that she was a perfect match for our school!

Finally, I would like to extend a belated thank you to those who helped to make our 8th grade graduation an incredible and memorable experience. Thank you Barbara, Chelsi, Michelle, Candace, Christina, Wendy, Stephanie, and Rob for the SUPER decorations; Patsy for the amazing capes, Steven for being our awesome DJ, and Ms. Orion for her first and best graduation so far!

CLASSIFIEDS

AmeriCorps Job Opening:

All applications need to be received by Camptonville Community Partnership no later than noon, Thursday August 22nd; Interviews will be scheduled the week of August 26. The AmeriCorps member would be working with children 2-5 years of age and their families and would assist CCP's 123 Grow Program, Camptonville School's Transitional Kindergarten Program, attend scheduled trainings and other activities. To be eligible you must commit to one-year service consisting of 1700 hours. You will receive a living allowance, college award, childcare and medical benefits! If you, or someone you know may be interested or would like to know more, please contact Cathy or Rita at 288-9355. This is a Yuba County Family Resource Center Network Program sponsored by First Five Yuba and the Child Abuse Prevention Center.

CALENDAR OF EVENTS FOR AUGUST 2013

August 3rd:

North Yuba Grown will be hosting its third in a series of six Farm to Fork Dinners at the Historic Cattle Ranch-Oregon House Farms in Oregon House on August 3rd at 5:00PM. The food and wine will be sourced from local farms and wineries. This is a fund raiser for North Yuba Grown to further our cause to educate and encourage local food production in our region.

Tickets can be purchased online or you can mail your check to NYG at PO Box 272, Oregon House, CA 95962 or call Jenny Cavaliere at 530-692-2564. Further information can be found at www.northyubagrown.org.

August 14:

Yuba Watershed Protection & Fire Safe Council meeting 9:30-noon @ the Alcouffe Center, Marysville Rd. Oregon House.

August 20th:

1,2,3 GROW begins Tuesdays/Thursdays 8:30-11; 30 am. For more information or to pre-register, call Camptonville Community Partnership 288-9355.

August TBA:

Bio Energy Facility Community Meeting. 6:30 Camptonville School Gym. CCP and the Yuba Watershed Protection and Fire Safe Council (YWP&FSC) will convene interested community members and potential partners for a project update and to discuss next steps concerning the potential for a 3MW bio-energy facility to be located in Celestial Valley at the old Sierra Mountain Mill site. The project's preliminary vision includes this facility at the hub of a forest-based business center, which would produce electricity from local forest biomass. A new potential partner for this center includes a wood pellet production plant. To find out more first hand, please attend. Watch for the date to be announced in flyers and email updates and don't forget you can always call C.C.P. at 288-9355, ask for Cathy.

AA Meeting in Camptonville

Just a reminder of our own AA meeting here in Camptonville. Thursday evenings from 6:30-7:30pm at the Resource Center behind the school. Call Jimbo 288-1001 for information
Hope to see you there!
