

welcome to the nexus community:

“nexus” is defined as a place of connection or a connected group. We want to help you to be connected and experience all the benefits of community. We define connection using the seven areas listed below. If you can answer, “yes” to each of the following seven questions we consider you fully connected to the community. In an effort to determine where you are in the process please respond to each of the questions below so that we may help you to connect with God and others, grow in Christ, and reach our world with the gospel.

1. are you regularly attending weekend worship services?
2. are you familiar with and can you relate with the church vision?
3. are you involved in a mid-week community group?
4. are you involved in an area of ministry in our church?
5. are you friends with seven or more people at calvary nexus?
6. are you financially committed to this community?
7. are you inviting pre-believers or the unchurched to become part of the community in order to know and grow in Christ?

thanks for taking the time to respond, and please let us know how we can help you fully connect and experience community.

looking forward to growing together,

pastor bruce for the calvary nexus community
