

SERVEy don't let eternal life pass you by

At Cross Connection we recognize that every follower of Jesus is called to be a disciple and servant of God. While the majority of Christians recognize this truth, they often are not actively involved in serving, not because they don't want to be, but because they don't know how to get involved. This survey is designed to help our ministry team better serve you by helping you find opportunities to use your God given gifts and talents.

The following information is for ministry purposes only, is held securely and confidentially, and is utilized for the purposes of ministry at Cross Connection Escondido.

Complete and return to the church office or take the SERVEy at <http://servey.ccesco.com>
