GRADUATION AND EMPLOYMENT RATES DISCLOSURE FOR ACCSC

Federal regulation 34 CFR 668.41(d)(5)(iii) requires that if a school calculates employment rates for any purpose, these rates must be disclosed to prospective students and enrolled students. ACCSC Standards of Accreditation, Section IV (C), Substantive Standards, require a school to disclose minimally, the graduation and graduate employment rates by program as last reported to the Commission. The disclosure of each program’s graduation and graduate employment rate is accurate, not intended to mislead, and includes the program population base and time frame upon which each rate is based.

Central California School of Continuing Education San Luis Obispo, Ca., Main campus and Coalinga, Ca., Branch campus calculates and reports graduation and employment rates to the Accrediting Commission of Career Schools and Colleges (ACCSC) annually. The following information is taken from the 2023 annual Report, submitted in 9/2023.

Graduation rates are calculated by taking the number of starts minus withdrawals divided by total starts (excluding students unavailable for graduation due to death, military duty, incarceration or medical reason) .

Employment rates are calculated by taking the number of graduates employed in the field of study divided by the total number of graduates (excluding graduates unavailable for employment due to further education, death, military duty, incarceration or medical reason.)
