# COVERED BENEFITS

## MEDICARE PART A HOSPITAL COVERAGE

Like all Medicare Supplement insurance plans, the Transamerica Premier Standard Plan pays the \$1,316 Part A (inpatient) deductible for plans F, G & N for each benefit period.

**First 60-days** – After the Part A Deductible, Medicare pays all eligible expenses for services from your first through 60th day of hospital confinement. Services include semi-private room and board, general nursing and miscellaneous hospital services and supplies.

**Co-insurance** – Standard Plans A, F, G & N pay \$329 a day when you are hospitalized from the 61st day through the 90th day. When you are hospitalized from the 91st day through the 150th day, Standard Plans pay \$658 a day for each Lifetime Reserve day used.

**Extended Hospital Coverage** – If you are in the hospital longer than 150 days during a benefit period and you have exhausted your 60 days of Medicare Lifetime Reserve Standard Plans A, F, G & N pay the Part A Medicare eligible expenses for hospitalization, paid at the same rate Medicare would have paid had Medicare Part A hospital days not been exhausted, subject to a lifetime maximum benefit of an additional 365 days.

**Benefit for Blood** – Medicare has one calendar year deductible for blood that is the cost of the first three pints. Standard Plans A, F, G & N pay the deductible.

**Skilled Nursing Facility Care** – Medicare pays all eligible expenses for the first 20 days. Standard Plans F, G & N pay up to \$164.50 from the 21st through the 100th day during which you receive skilled nursing care. You must enter a Medicare certified skilled nursing facility within 30 days of being hospitalized for at least three days.

**Hospice Care** – Medicare pays all but a very limited Co-insurance/Co-payment for outpatient drugs and inpatient respite care. Standard Plans A, F, G & N pay the Co-insurance/Co-payment.

## MEDICARE PART B PHYSICIAN SERVICES AND SUPPLIES

**Deductible** – Standard Plan F pays the \$183 calendar-year deductible.

**Co-insurance** – After the Part B Deductible, Standard Plans A, F, G & N generally pay 20% of eligible expenses for physician's services, supplies, physical and speech therapy and diagnostic tests and durable medical equipment.

After the Part B deductible, Plan N pays balance of the eligible expenses for physician's services, supplies, physical and speech therapy, diagnostic tests and durable medical equipment except up to a \$20 co-payment for office visits and up to a \$50 co-payment for emergency room visits.

For hospital outpatient services, the co-payment amount will be paid under a prospective payment system. If this system is not used, then 20% of eligible expenses will be paid.

**Excess Benefits** – Your bill for Part B services and supplies may exceed the Medicare eligible expense. When that occurs, Standard Plans F and G pays 100% up to the charge limitation established by Medicare.

**Benefit for Blood** – Standard Plans A, F, G & N pay expenses for the first three pints of blood.

## OTHER BENEFITS

**Emergency Care received outside the U.S.** After you pay a \$250 calendar-year deductible, Standard Plans F, G & N pay you 80% of eligible expenses for care which begins during the first 60 days of a trip up to a lifetime maximum of \$50,000. Benefits are payable for health care you need because of a covered injury or illness.

## Premiums and Policy Fee

Utilize the Medicare Supplement Rate Sheet to determine Medicare Supplement premiums:

- Determine ZIP code where the client resides and find the correct rate page for that ZIP code
- Determine Plan
- Determine if non-tobacco or tobacco
- Find Age/Gender – Verify that the age and date of birth are the exact age as of the effective date, this will be your base monthly premium
- Use the Calculate Your Premium form to adjust the monthly premium for different modes and to add the policy fee

There will be a one-time Medicare Supplement application fee of \$25.00 that must be collected with each applicant's initial payment. For a husband and wife written on the same application, \$50 in fees must be collected. This will not affect the renewal premiums and the application fee doesn't apply in AR, MN, WA & WV.

# CALCULATE YOUR PREMIUM TRANSAMERICA PREMIER MEDICARE SUPPLEMENT

Medicare Supplement Plan \_\_\_\_\_

**Before you begin:** If Applicant is not in the open enrollment or guarantee issue period, please see the height and weight chart on following page to determine eligibility for coverage.

Steps	Example Rate displayed is used for calculation purposes only.	Applicant's premium	Applicant B's premium
<b>Premium</b> Write in Medicare Supplement Plan's premium from the Outline of Coverage table.	\$128.52		
<b>Risk Class Adjustment</b> Refer to the Height/Weight Chart in order to determine risk class adjustment factor. Multiply rate by applicable factor below: Standard = 1.0 Tier 1 = 1.1 Tier 2 = 1.2	$\$128.52 \times 1.0 = \$128.52$		
<b>Payment Options</b> To determine other payment schedules, multiply monthly premium by: 3 to pay four times a year (quarterly) 6 to pay twice a year (semi-annually) 12 to pay once a year (annually)	$\$128.52$ Monthly payment $\$385.56$ Quarterly payment $\$771.12$ Semi-annual payment $\$1,542.24$ Annual payment		
<b>Enrollment/Policy fee</b> There is a one-time application fee of \$25.00 (Not Applicable in AR, MN, WA & WV)	$\$128.52 + \$25.00 = \$153.52$		
<b>This will be collected with initial payment and will NOT affect renewal premium.</b>	Example shows initial payment (monthly schedule)		

# HEIGHT AND WEIGHT CHART

## Eligibility (If Applicant is not in open enrollment or guarantee issue period)

To determine whether Applicant is eligible to purchase coverage, locate height, then weight in the chart below. If weight is in the Decline column, Applicant is not eligible for coverage at this time. If an applicant's weight is in the decline column our guideline is that they would need to lose weight and have their weight stabilize for a period of 6 months to 1 year before we could reconsider them.

## Rate Adjustment:

The column heading above weight will indicate appropriate rate adjustment, if any (risk class).

You must request this suspension within 90 days of becoming eligible for Medicaid. If you are no longer entitled to Medicaid, your suspended Medicare supplement policy (or, if that is no longer available, a substantially equivalent policy) will be reinstated if requested with 90 days of losing Medicaid eligibility. If the Medicare supplement policy provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your policy was suspended, the reinstated policy will not have outpatient prescription drug coverage, but will otherwise be substantially equivalent to your coverage before the date of the suspension.
- If you are eligible for, and have enrolled in a Medicare supplement policy by reason of disability and you later become covered by an employer or union-based group health plan, the benefits and premiums under your Medicare supplement policy can be suspended, if requested, while you are covered under the employer or union-based group health plan. If you suspend your Medicare supplement policy under these circumstances, and later lose your employer or union-based group health plan, your suspended Medicare supplement policy (or, if that is no longer available, a substantially equivalent policy) will be reinstated if requested within 90 days of losing your employer or union-based group health plan. If the Medicare supplement policy provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your policy was suspended, the reinstated policy will not have outpatient prescription drug coverage, but will otherwise be substantially equivalent to your coverage before the date of the suspension.
- Counseling services may be available in your state to provide advice concerning your purchase of Medicare supplement insurance and concerning medical assistance through the state Medicaid program, including benefits as a qualified Medicare Beneficiary (QMB) and a Specified Low-Income Medicare Beneficiary (SLMB).

**SAVE THIS NOTICE! IT MAY BE IMPORTANT TO YOU IN THE FUTURE.**

According to your application, you intend to terminate existing Medicare supplement or Medicare Advantage insurance and replace it with the enclosed Medicare Supplement coverage issued by Transamerica Premier Life Insurance Company. Your new policy will provide thirty (30) days within which you may decide, without cost, whether you desire to keep the policy.

You should review this new coverage carefully. Compare it with all accident and sickness coverage you now have. If after due consideration, you find that purchase of this Medicare supplement coverage is a wise decision, you should terminate your present Medicare supplement or Medicare Advantage coverage. You should evaluate the need for other accident and sickness coverage you have that may duplicate this policy.

**Statement to Applicant by Issuer - Agent, Broker or other Representative:**

I have reviewed your current medical or health insurance coverage. To the best of my knowledge, this Medicare supplement policy will not duplicate your existing Medicare supplement or, if applicable Medicare Advantage coverage because you intend to terminate your existing Medicare supplement coverage or leave your Medicare Advantage plan. The replacement policy is being purchased for the following reason(s) (*check one*):

- Additional benefits.
- No change in benefits, but lower premiums.
- Fewer benefits and lower premiums.
- My plan has outpatient prescription drug coverage and I am enrolling in Part D.
- Disenrollment from a Medicare Advantage plan. Please explain reason for disenrollment \_\_\_\_\_
- Other (*please specify*) \_\_\_\_\_

1. Health conditions which you may presently have may not be immediately or fully covered under the new Medicare Supplement coverage. This could result in denial or delay of a claim for benefits under the new policy, whereas a similar claim might have been payable under your present coverage.

2. State law provides that your replacement coverage may not contain new waiting periods, elimination periods or probationary periods. We will waive any time periods applicable to waiting periods, elimination periods or probationary periods in your new coverage for similar benefits to the extent such time was spent under your original coverage.
3. If, you still wish to terminate your present policy and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical and health history, if any. Failure to include all material medical information on an application may provide a basis for the company to deny any future claims and to refund your premium as though your policy had never been in force. After the application has been completed and before you sign it, review it carefully to be certain that all information has been properly recorded.

**Do not cancel your present policy until you have received your new policy and are sure you want to keep it.**
