## Benefit Chart of Medicare Supplement Plans sold on or after June 1, 2010

This chart shows the benefits included in each of the standard Medicare Supplement plans. Every company must make Plan A available. Some plans may not be available in our state. The plans offered by Asuris Northwest Health are shaded in the chart below. See Outlines of Coverage sections for details about all plans. Plans E, H, I and J are no longer available for sale.

### BASIC BENEFITS:

- Hospitalization:** Part A coinsurance plus coverage for 365 additional days after Medicare benefits end
- Medical Expenses:** Part B coinsurance (generally 20% of the Medicare-approved expenses) or copayments for hospital outpatient services. Plans K, L and N require insured to pay a portion of Part B coinsurance or copayments
- Blood:** First three pints of blood each year
- Hospice:** Part A coinsurance

\*Plan F also has an option called a high deductible plan F. **Asuris does not offer a high deductible Plan F.** The high deductible plan pays the same benefits as Plan F after one has paid a \$2,240 calendar year deductible. Benefits from high deductible plan F will not begin until out-of-pocket expenses exceed \$2,240. Out-of-pocket expenses for this deductible are expenses that would ordinarily be paid by the policy. These expenses include the Medicare deductibles for Part A and Part B, but do not include the plan's separate foreign travel emergency deductible.

## **Right to return policy**

If you find that you are not satisfied with your policy, you may return it to Asuris Northwest Health, 528 E Spokane Falls Blvd., Suite 301, Spokane, WA 99202. If you are replacing another health insurance policy, do NOT cancel it until you have actually received your new policy and are sure you want to keep it.

## **Notice**

This policy may not fully cover all of your medical costs. This outline of coverage does not give all the details of Medicare coverage. Contact your local Social Security office or consult *Medicare and You* for more details. Neither Asuris Northwest Health nor its producers are connected with Medicare.

## **Complete answers are very important**

When you fill out the application for the new policy, be sure to answer truthfully and completely all questions about your medical and health history. The company may cancel your policy and refuse to pay any claims if you leave out or falsify important medical information.
