

# Digital Citizenship Training Solution

Training improved knowledge and increased adherence to digital citizenship practices across the organization.

**Knowledge**

**Application**

**Completion**

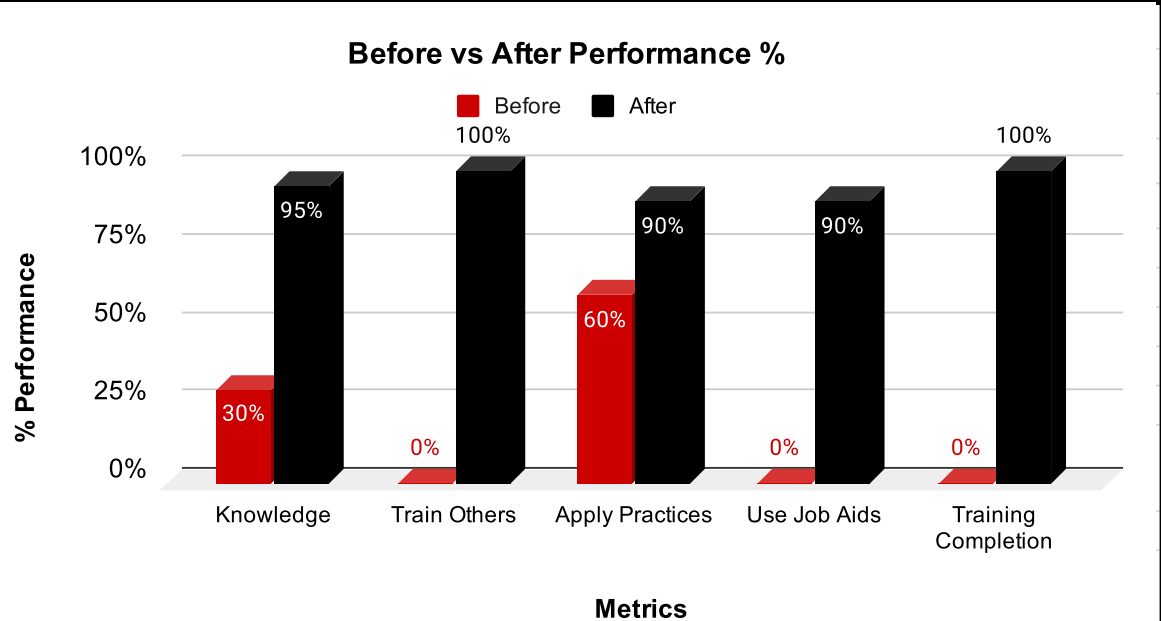

**30% → 95%**

**60% → 90%**

**0% → 100%**

Metric	Before	After
Knowledge	30%	95%
Train Others	0%	100%
Apply Practices	60%	90%
Use Job Aids	0%	90%
Training Completion	0%	100%

**Results Graph**

**Evaluation**

Training effectively closed identified gaps and supported consistent digital citizenship practices.

**Recommendations**

- Provide periodic refresher trainings
- Monitor adherence via audits and observations
- Update job aids as tools and policies evolve
