

**Disclosures (continued)**

The information in this report is not intended as a recommendation to invest in any particular asset class or strategy or as a promise of future performance. References to future returns are not promises or even estimates of actual returns a client portfolio may achieve. Statements that are nonfactual in nature, including opinions, projections and estimates, assume certain economic conditions and industry developments. Further, all information, including opinions and facts, expressed herein is current as of the date indicated and is subject to change without notice.

There can be no assurance that any expected rates of return or risk or expected correlations will be achieved. Expected rates of return and risk and expected correlations are subjective determinations by Cliffwater based on a variety of factors, including, among other things, investment strategy, prior performance of similar strategies, and market conditions. Expected rates of return and risk and expected correlations may be based upon assumptions regarding future events and conditions that prove to be inaccurate. Expected rates of return and risk and expected correlations should not be relied upon as an indication of future performance and should not form the primary basis for an investment decision. No representation or assurance is made that the expected rates of return or risk or expected correlations will be achieved.
