You will get a chance to campaign and engage your political representatives about a variety of issues, such as the importance for all countries to recover from the pandemic's aftershocks, climate justice, food security, and much more.

If you agree that everyone should lead a life of dignity and opportunity everywhere, then join us to make a difference in the fight against extreme poverty!

What we offer:

- The opportunity to meet MEPs, EU policymakers and high-level decision makers
- To be part of a group of 50 selected Youth Ambassadors in Brussels and our network of 'Global Activists' that spans from Africa to North America & Europe
- Practical skills and a great network to help our volunteers with their future careers and studies in Brussels
- The opportunity to represent ONE and its mission to end extreme poverty at events, conferences, and trainings

What we are looking for:

- A passion for our mission to end extreme poverty and preventable disease, particularly in low-income countries in Africa
- Attendance at the induction of the programme in March 2023
- Willingness to attend monthly meetings (online and/or offline)
- Good communication and teamwork skills
- Ability to build and maintain relationships
- Ability to encourage and support others to take part in ONE campaigns
- Verbal and written proficiency in English is required (French/Dutch is a plus)

Application process:

To apply to become a Youth Ambassador, you will need to submit your application on our website (deadline: 10th of February). If your application is successful, interviews will take place in February and March 2023.

ONE does not discriminate in its selection and volunteer practices. We are an equal opportunity employer and all volunteer applicants will receive consideration to join our Youth Ambassador programme. About the ONE Campaign

ONE is a global movement campaigning to end extreme poverty and preventable disease by 2030, so that everyone, everywhere can lead a life of dignity and opportunity. We believe the fight against poverty isn't about charity, but about justice and equality. Whether lobbying political leaders in world capitals or running cutting-edge grassroots campaigns, ONE pressures governments to do more to fight extreme poverty and preventable disease, particularly in Africa, and empowers citizens to hold their governments to account.

At ONE, we're not asking for your money, we're asking for your voice.
