"Let all your senses unite"

The owners Abhi & Nana, with corporate background in IT Sales & Marketing, embarked on a culinary journey born out of love for diverse cuisines.

A vision of having an Indian Fusion restaurant that blends different flavours, cultures, and cuisines — no food colours or preservatives, ensuring each dish is crafted with care and authenticity.

Abhi & Nana invite you to savour the essence of their story with each delectable bite, a testament to their passion for bringing people together through the love of food.
