Tip Payouts

Instantly pay employee tips

Tip Payouts is a digital tip payment solution that saves managers' time while increasing employee satisfaction with instant compensation.

By automating tip payouts, say good-bye to cash shortages, time-wasting runs to the bank, and delayed tip-outs.

See immediate impact with Tip Payouts from time saved, reduced cost, and happier teams.

Manage tips and your team all in one place

Consolidate your operations to easily pay out tips from the same app that you hire, schedule, and time clock in.

No net-new bank accounts needed

Employees can receive tips into their existing debit accounts, so they won't need to sign up for new fee-ridden accounts or paycards.

Immediate payments create happy teams

Don't make your staff wait after their shift or until payroll to receive their tips. Employees will receive tips within a matter of seconds.

Securely send and track tip payouts

All paid tips are tracked in 7shifts and can easily be viewed in the Tip Payouts Report.
