# Health, Safety & Environment Policy

DLF (RENTCO) upholds Health, Safety & Environment (HSE) as a core value in the conduct of its business. We are committed to create and maintain a safe, healthy and environment friendly work places conforming and, if possible, exceeding to all relevant codes and standards. We believe that all injuries and incidents are preventable.

We are committed to continually improve our performance in HSE by:

- ✓ Complying or exceeding with all applicable legislative, statutory and regulatory requirements.
- ✓ Identifying and providing adequate control of the health and safety risks arising from work activities to prevent incidents and cases of work related ill health.
- ✓ Encouraging communication and participation with employees including employees of our service providers on matters affecting their health and safety and improving the same.
- ✓ Providing information, instructions, supervision and training to employees and service providers to carry out their tasks in a safe manner.
- ✓ Continually improving HSE performance by setting objectives and targets and identifying opportunities for improvement.
- ✓ Providing adequate resources and integrating HSE requirements in procurement decisions.
- ✓ Optimizing the consumption of energy, conserving natural resources and minimizing pollution by adopting appropriate environmental measures.
- ✓ Reviewing and revising the HSE Policy as necessary at regular intervals.

All employees should be committed to achieve highest standards of HSE and ensuring effective compliance of this HSE Policy.
