## KG 1 Activities

## NAME OF ACTIVITY- **Alphabet Sound Game**

**Activity Intro-** Give your child the opportunity to reinforce the sounds of the letters of the alphabet through this fun game.

**Activity Aims-** Observation, Alphabet Sound Thinking skills, Alphabet recognition, Gross motor skills development

### **Material Required**

Counter/Coin

Glue

Activity Sheets

### **Steps:**

#### **Step 1**

Take out the 'Alphabet Sound Game - Mat' sheets.

Glue the two sheets together to get a complete 'Alphabet Sound Game - Mat'.

#### **Step 2**

Take out the 'Alphabet Sound Game - Letter Cards'.

Cut along the dotted lines to get separate cards.

### **Step 3**

Before you start the game revise the name and sound of each letter of the alphabet using the flashcards with your child.

### **Step 4**

Ask your child to sit at the foot of the mat but not facing the mat.

### **Step 5**

Give your child a plastic counter or a coin & ask him/her to throw it gently on the mat.

### **Step 6**

Let your child name the picture the counter falls on.

### **Step 7**

Let your child identify the picture and say the name and the sound of letter the picture begins with.

Ask your child to pick up the corresponding letter card & put it on the picture.

### **Step 8**

Continue the game until all the pictures are covered with the alphabet cards.
