

## Strict (Part Nine)

**Author: Hannah Ford**

I met him in the kind of place where bad things happen. The kind of place where women fall to their knees, call men sir, and get lashed with a belt.

Gage Stratford. Dark, damaged, cold-blooded and gorgeous, with secrets so deep you could drown. He touched me that night, made me feel things that excited and terrified me in equal measure.

When I turned up at my internship the next day, I was shocked to find he was my new boss. My billionaire boss was the one who had made me feel like I couldn't help but fall to my knees and do whatever he commanded.

He says he can't stay away from me. That he needs to make me his submissive, to take me over his desk, to punish me and make me his.

But our horrific pasts have made us who we are, and to get close to him means to crack each other open and expose the very things we've worked so hard to bury. And when our secrets come out, not only our love but also our lives will be on the line -- leaving us bound together forever, or destroyed and shattered beyond repair.

Being together isn't an option.

But staying apart is impossible....

## Auctioned To The Billionaire (Part Three)

**Author: Kelly Favor**

**I'm totally innocent. Completely inexperienced in all the important ways.**

**And now I've been auctioned off to a man I've never met.**

Billionaire mogul Dermot Nash is like nobody else I've ever encountered. He's powerful and handsome, with a cold gaze that heats me to my very core.

But there's so much about him that's a mystery – secrets he will never reveal. And the way he makes me feel when he touches me can never make up for the fact that I've been purchased to be used as his personal plaything.

When he's done with me at the end of the month, I'll be discarded and forgotten. A disposable woman, something only the very wealthy can afford...

He can throw me away whenever he wants. And the more time I spend with him, the more I fear I'm falling for him, starting to love a man incapable of feeling anything.

And the worst part of it all?

His secrets can't be anywhere near as bad as the one I'm keeping...

## **Cain: A Mountain Man Curvy Woman Romance (Men of Mist Heights Book 1)**

***Author: Sarah Taylor***

Cain

I'm Cain, a mountain ranger, and I've lived in the mountains of Colorado for years.

I love the outdoor way of life and I'm at my happiest when I'm in the fresh air with my dog, Ace.

I never really thought much about love because I was already happy in my life and I just couldn't see that altering.

But everything changed when Lyla walked, or rather fell, into my life.

She's got all the curves in all the right places and for a city girl she's certainly got that feisty frontier spirit. I just hope I can persuade her to stay.

Lyla

All I wanted was a taste of adventure, away from the city life I had always known, and Colorado seemed like a great place to visit. But I should have been better prepared.

The mountains are always a dangerous place. Wild animals, rough terrain and of course, bad weather.

So when I fell and twisted my ankle that really shook me up. I wondered how I would get down again, until Cain showed up.

His cabin in the woods was like another world and while he might be a bit rough round the edges he's the sort of man I always dreamed of.

Question is, am I ready to move from the city and spend my life in the wilderness?

**Are you craving a sweet insta-love story? No cliffhangers? Guaranteed HEA? Cain is the perfect short, steamy read you've been waiting for.**

## **QUIVER, BOOK FIFTY (A DARK ROMANCE)**

**Author: LAURA AVERY**

Emery

I've been his emotional punching bag for years. Humiliating me in front of our peers was his sport and knowing he owned every part of me even if I wouldn't admit it... well, owning me was his obsession.

But that was before. Before I witnessed just how twisted his family really was. Before I went to the cops and turned on one of the most powerful names in the country. Before I ran away from the darkness and tried to find the light without him.

A light that never came.

Because as twisted as it was; Jackson was my light.

Even if I was his darkness.

Two years of absence and his grasp on me is stronger than ever...

But this time he's out for revenge

And his dream is my nightmare.

Jackson

I'm going to make her regret the day she ever crossed me.

I waited twenty-four long months for the chance to remind her just how lost her poor existence was without me.

And this time I'm going to break her.

I'm going to break everything good inside of her until there's nothing left.

Everything pure and innocent will be mine.

Emery is mine.

And she just upgraded to my evil version of paradise.

## Her Midnight Mistake: A curvy girl New Year's Eve romance

**Author: Barbra Campbell**

### Do two wrongs make a...Mr. Right?

How many sparkling ciders would it take to drown my misery? I might have found out if a handsome stranger hadn't taken the barstool next to me.

He didn't flinch at my choice of drink. Said all the right things. And when I confessed why I was sitting alone at the bar, he pulled out an engagement ring. Too soon? No worries.

It wasn't actually an engagement ring.

It was adjustable, and its fake diamond made Cubic Zirconia seem like an extravagant option.

It was a piece of costume jewelry from a machine at the front of a grocery store. He'd gotten the trinket for his daughter.

But the way he looked into my eyes when he slid it onto my finger hit me deeper than anything my ex had ever done.

According to my close circle of friends, by the time the clock struck midnight and ushered out the horrendous year, the engagement ring they expected to see on my finger would be from my former boyfriend. He was back in town and everyone seemed to know he was going to make amends and pop the question.

But he was a former boyfriend for a reason.

And the ring sliding on my finger wasn't from him.

Was it wrong to undermine his proposal in such a silly way?

Was it wrong to dream of my fake fiancé being something more?

And was I foolish to believe my knight in shining armor had shown up that fateful night purely by chance?

**Is there anything better than falling in love? Finding another HEA? I'll always give you a dirty-sweet story to keep your heart full and your windows steamed!**

Her Midnight Mistake is part of the Hot for Curves series of New Year's Eve romances. We're ready to move on from 2020 and wanted to bring you some sexy stories to help pass the time while we wait for the stroke of midnight!

## **Strict (Part Seven)**

**Author: Hannah Ford**

I met him in the kind of place where bad things happen. The kind of place where women fall to their knees, call men sir, and get lashed with a belt.

Gage Stratford. Dark, damaged, cold-blooded and gorgeous, with secrets so deep you could drown. He touched me that night, made me feel things that excited and terrified me in equal measure.

When I turned up at my internship the next day, I was shocked to find he was my new boss. My billionaire boss was the one who had made me feel like I couldn't help but fall to my knees and do whatever he commanded.

He says he can't stay away from me. That he needs to make me his submissive, to take me over his desk, to punish me and make me his.

But our horrific pasts have made us who we are, and to get close to him means to crack each other open and expose the very things we've worked so hard to bury. And when our secrets come out, not only our love but also our lives will be on the line -- leaving us bound together forever, or destroyed and shattered beyond repair.

Being together isn't an option.

But staying apart is impossible....

## **Her Christmas Hunky Present: Whistler Brothers in Montana**

***Author: Scarlett Hope***

***She's determined to write the story. He's determined to get her off his land. But one night together will change everything.***

### **Scarlett**

The handsome head rancher might be hard to be around, but nothing is going to get in the way of me filing a fantastic story at the local newspaper.

Sure, Coyote attacks on Whistler Ranch are not what I was imagining for my first assignment, but it's a start, and I'm going to do a good job of it.

Because I've got dreams and they're way bigger than a ranch in Montana.

And if I want to go all the way as a reporter, I'll need to handle way more than a hot, disgruntled rancher.

After all, we only need to spend one night on coyote patrol together. What could possibly happen?

### **Paul**

I agreed to let her on my ranch as a favor. When I saw her, I regretted it.

I don't have time for a pretty town girl who is dressed for a magazine photo shoot, not a visit to a working ranch.

Sure, she's beautiful, with that blond hair and those big blue eyes, but I have more important things to do than have her follow me around.

But after a night on coyote patrol, I can't help but change my mind.

Scarlett's not just a pretty face. She's smart, she's funny and I'll be damned if I can keep my hands off her.

Just one night together couldn't hurt, right?

But the next day, she's still on my mind. And the day after that. And I can't think of much else but that one night we spent together.

And now I need to find a way to make her mine forever.

## FELIX

**Author: Kate Tilney**

**He's home after years away fighting wildfires. She's the curvy girl next door all grown up. Will they find true love under the Christmas tree this holiday season? Or will shadows from their past keep them apart?**

### Willow

When I see someone trying to break into my next-door neighbor's house, I do what any concerned citizen would do. I throw one of my snow boots at him. When the would-be intruder turns out to be the boy next door—all grown up—I wish I would've kept my boots on. And worn something more flattering.

Home for Christmas, Felix isn't how I remember him. It's not just that he's grown up and turned into one of the world's most good-looking men alive. Something about the years away fighting forest fires has changed him. And I can't stop thinking about him.

### Felix

Little Willow next door sure grew up nicely. Though I came home to rest and relax, I find myself wanting to spend more time around her. Even if nothing about this vivacious woman equals rest or relaxation.

Years of stress and heartbreak have left their mark on me. I'm not the man I used to be. But maybe Willow's light and love for the holidays are just what I need to make a fresh start back where it all began.

Chris: Holidays with the Hometown Hero Book 2  
An older alpha hero and curvy younger heroine romance

### Claire

Whoever said November 1st was too early to put up a Christmas tree, obviously never had the kind of year I've had.  
I just wanted to spark a little joy in my life. Is that so bad?

Maybe not, if I had at least asked for help.  
Instead, my stubbornness sends me straight to the emergency room.  
And then the *operating room*.  
I might regret ever getting out that dang Christmas tree...  
If the surgeon wasn't the hot guy whose son I used to babysit.  
I'm all grown up now—but is that what he sees when he looks at me, or am I still just a kid in his eyes?

### **Chris**

After serving eight years as a field surgeon for the army, I'm finally back home in Starlight, Montana.  
I shouldn't be surprised to see a familiar face or two.  
But when Claire Hart shows up in the ER, for a moment I'm struck dumb.  
She's the kid who used to babysit my son Dillon.  
Except she's not a kid anymore.  
She's a beautiful woman, charming, sweet, and curvy as sin.  
Without her help and dedication all those years ago, I couldn't have finished my residency.  
I'd love to find a way to show her I'm eternally grateful. Like give her my heart—if she'll have it.
