But the secrets surrounding the Zodiac Wolves are even darker than I imagined, and somehow I'm going to have to convince the other packs that everything they believe is a lie.

I'm a Moon Witch. I'm an alpha female. And I'll do whatever it takes to save my pack, my family, my *mate*.

The Never King (Vicious Lost Boys Book 1)

Author: Nikki St. Crowe

The stories were all wrong — Hook was never the villain.

For two centuries, all of the Darling women have disappeared on their 18th birthday. Sometimes they're gone for only a day, some a week or a month. But they always return broken.

Now, on the afternoon of my 18th birthday, my mother is running around the house making sure all the windows are barred and the doors locked.

But it's pointless.

Because when night falls, he comes for me. And this time, the Never King and the Lost Boys aren't willing to let me go.

NOTE: *The Never King* is a reimagining of *Peter and Wendy*. Characters have been aged up for this darker, grittier version. If you like your enemies to lovers romance with hot, ruthless, morally gray love interests, you'll enjoy *The Never King* and the *Lost Boys*. You can expect hate kissing, fighting, bickering, and 'touch her and I'll unalive you' vibes. Book one ends on a cliff.

Author: Harper L. Woods

Once, we'd worshipped them as Gods.

For nearly 400 years, the Veil has protected us from the Fae of Alfheimr. In their absence, our lives have shifted from decadence and sin to survival and virtue under the guidance of the New Gods. I've spent my entire life tending to the gardens next to the boundary between our worlds, drawn to the shimmering magic like a moth to the flame.

Then, we died on their swords.

All of that changes the day the Veil shatters, unleashing the fae upon our world once again. The magic of faerie marks those of us they mean to take, but the Mist Guard protecting Nothrek will kill us all before they let the fae have us. But before they capture me, Caelum saves me from the Wild Hunt. Fae-marked and on the run, he is able to fight back in ways I only dream of. From tentative alliance to all-consuming passion, our bond strengthens as the fae close in and evil lurks ever nearer. Perestroika in Paris: A novel

Author: Jane Smiley

NATIONAL BESTSELLER • From the Pulitzer Prize-winning and best-selling author: a captivating, brilliantly imaginative story of three extraordinary animals—and a young boy—whose lives intersect in Paris in this "feel-good escape" (*The New York Times*).

Paras, short for "Perestroika," is a spirited racehorse at a racetrack west of Paris. One afternoon at dusk, she finds the door of her stall open and—she's a curious filly—wanders all the way to the City of Light. She's dazzled and often mystified by the sights, sounds, and smells around her, but she isn't afraid.

Soon she meets an elegant dog, a German shorthaired pointer named Frida, who knows how to get by without attracting the attention of suspicious Parisians. Paras and Frida coexist for a time in the city's lush green spaces, nourished by Frida's strategic trips to the vegetable market. They keep company with two irrepressible ducks and an opinionated raven. But then Paras meets a human boy, Etienne, and discovers a new, otherworldly part of Paris: the ivy-walled house where the boy and his nearly-one-hundred-year-old great-grandmother live in seclusion.

As the cold weather nears, the unlikelyst of friendships bloom. But how long can a runaway horse stay undiscovered in Paris? How long can a boy keep her hidden and all to himself? Jane Smiley's beguiling new novel is itself an adventure that celebrates curiosity, ingenuity, and the desire of all creatures for true love and freedom.

Zodiac Academy: The Awakening

Author: Caroline Peckham

The Amazon.com and Wall Street Journal #1 bestselling dark fantasy romance series from authors Caroline Peckham & Susanne Valenti

I'm a Gemini. Impulsive. Curious. Headstrong. A twin. Heir to a throne I know nothing about. And it turns out, I'm Fae.

But of course there's a catch - all I have to do to claim my birth right is prove that I'm the most powerful supernatural in the whole of Solaria. And sure, technically that's true as I'm the daughter of the Savage King. But the bit they didn't put in the brochure was that every single Fae in this Kingdom would claim my throne if they could.

The school they've sent me to is both dangerous as sh*t and one helluva party. Vampires bite weaker students in the corridors, the Werewolf pack has orgies in the Wailing Wood at every full moon and don't even get me started on the dark and twisted ways the Sirens use their powers on people's emotions, or how my sinfully tempting Cardinal Magic teacher hosts detentions that leave people needing therapy.

Classes are totally interesting if you manage to live through them. And that Gemini star sign I mentioned? It now determines my elemental magic and affects my destiny, so learning astrology is essential if I'm going to beat down my classmates – which is actively encouraged by the way.

My biggest problem is the drool worthy Dragon shifter who has his eyes on my throne. He and his three psycho friends are determined to make my time here hell.

All I've got to do is survive. But fate might have other ideas.

Dammit, why couldn't I have gotten a letter to Hogwarts?

*****This is a dark, bully romance – don't go expecting a sweet school for magic with friends around every corner. Fae fight for everything they own and Zodiac Academy is a cutthroat school for students aged 18+ where only the strongest prevail. There's no Dumbledore here to save anyone's ass and Lionel Acrux will give Voldemort a run for his money in the evil dictator category. So hold onto your stardust (broomsticks not required) and get ready for a bumpy ride*****

The Fae King's Curse (Between Dawn and Dusk Book 1)

Author: Jamie Schlosser

Kirian and I were just twelve years old when I pulled him from the icy waters of the creek behind my house. As he looked in my direction with unseeing lavender eyes, I quickly realized our age was just about the only thing we had in common. He spoke with an accent, he had pointy ears, and he was so beautiful it made my heart ache. Oh, and he claimed to be a fae prince cursed by witches who stole his sight.

I thought he was crazy from hypothermia. Turns out, he wasn't, and for some reason he keeps coming back. But a day in my world is a year in his. Every time I see him, he's older. Wiser. Hotter.

Over the past six years, I've tried not to fall in love with him because the terms of the curse are clear: If he doesn't wait for his fated mate in all ways, including an innocent (or not-so-innocent) kiss, he'll be blind forever.

So when Kirian kisses me and pulls me through the portal to his realm, I make it my mission to do some damage control. It'd be a whole lot easier if he wasn't

determined to marry me... And if someone wasn't trying to murder me every step of the way.

A Court of Silver Flames (A Court of Thorns and Roses Book 4)

Author: Sarah J. Maas

Sarah J. Maas's sexy, richly imagined series continues with the journey of Feyre's fiery sister, Nesta.

Nesta Archeron has always been prickly-proud, swift to anger, and slow to forgive. And ever since being forced into the Cauldron and becoming High Fae against her will, she's struggled to find a place for herself within the strange, deadly world she inhabits. Worse, she can't seem to move past the horrors of the war with Hybern and all she lost in it.

The one person who ignites her temper more than any other is Cassian, the battle-scarred warrior whose position in Rhysand and Feyre's Night Court keeps him constantly in Nesta's orbit. But her temper isn't the only thing Cassian ignites. The fire between them is undeniable, and only burns hotter as they are forced into close quarters with each other.

Meanwhile, the treacherous human queens who returned to the Continent during the last war have forged a dangerous new alliance, threatening the fragile peace that has settled over the realms. And the key to halting them might very well rely on Cassian and Nesta facing their haunting pasts.

Against the sweeping backdrop of a world seared by war and plagued with uncertainty, Nesta and Cassian battle monsters from within and without as they search for acceptance-and healing-in each other's arms.

She finds herself split into two different people: one who upholds her bargain with Rhysand, High Lord of the feared Night Court, and one who lives out her life in the Spring Court with Tamlin. Good thing I have both.

Naturally danger comes with the territory. What no one knows is just how dangerous it is for me. If our vampire overlords discover what I am, they'll execute me on the spot—no questions asked—which is why I avoid them at all costs.

Until now.

If only this one didn't have a lethal reputation, a princely pedigree, and a quest that leads to more questions than answers. The heat between us doesn't help matters.

Unfortunately I can't refuse a royal command, so I'm stuck until the job is complete.

And even if the job doesn't kill me, the truth just might.

The Vine Witch

Author: Luanne G. Smith

A *Washington Post* and Amazon Charts bestseller.

“Cleverly crafted... *The Vine Witch* is a grown-up fairy tale with a twisty-turn-y story line of magic, love, and betrayal that holds your attention...Pure escapism.” —*Forbes*

A young witch emerges from a curse to find her world upended in this gripping fantasy set in turn-of-the-century France.

For centuries, the vineyards at Château Renard have depended on the talent of their vine witches, whose spells help create the world-renowned wine of the Chanceaux Valley. Then the skill of divining harvests fell into ruin when *sorcière* Elena Boureau was blindsided by a curse. Now, after breaking the spell that confined her to the shallows of a marshland and weakened her magic, Elena is struggling to return to her former life. And the vineyard she was destined to inherit is now in the possession of a handsome stranger.

Vignerons Jean-Paul Martel naively favors science over superstition, and he certainly doesn't endorse the locals' belief in witches. But Elena knows a hex when she sees one, and the vineyard is covered in them. To stay on and help the vines recover, she'll have to hide her true identity, along with her plans for revenge against whoever stole seven winters of her life. And she won't rest until she can defy the evil powers that are still a threat to herself, Jean-Paul, and the ancient vine-witch legacy in the rolling hills of the Chanceaux Valley.

Go Tell the Bees That I Am Gone: A Novel (Outlander Book 9)

Author: Diana Gabaldon

#1 *NEW YORK TIMES* BESTSELLER • Diana Gabaldon returns with the newest novel in the epic *Outlander* series.

The past may seem the safest place to be . . . but it is the most dangerous time to be alive. . . .

Jamie Fraser and Claire Randall were torn apart by the Jacobite Rising in 1746, and it took them twenty years to find each other again. Now the American Revolution threatens to do the same.

It is 1779 and Claire and Jamie are at last reunited with their daughter, Brianna, her husband, Roger, and their children on Fraser's Ridge. Having the family together is a dream the Frasers had thought impossible.

Yet even in the North Carolina backcountry, the effects of war are being felt. Tensions in the Colonies are great and local feelings run hot enough to boil Hell's teakettle. Jamie knows loyalties among his tenants are split and it won't be long until the war is on his doorstep.

Brianna and Roger have their own worry: that the dangers that provoked their escape from the twentieth century might catch up to them. Sometimes they question whether risking the perils of the 1700s—among them disease, starvation, and an impending war—was indeed the safer choice for their family.

Not so far away, young William Ransom is still coming to terms with the discovery of his true father's identity—and thus his own—and Lord John Grey has reconciliations to make, and dangers to meet . . . on his son's behalf, and his own.

Meanwhile, the Revolutionary War creeps ever closer to Fraser's Ridge. And with the family finally together, Jamie and Claire have more at stake than ever before.

Den of Monsters : Masquerade of Sin - A Monster Romance Standalone

Author: Avery Song

I woke to the soothing sound of a peaceful serenade.

Except there's nothing peaceful about being kidnapped after being sold to the Devils of Sin.

This never should have happened, because I did everything right. I accepted the invitation, attended the masquerade in the depth of the forsaken forest, and danced with whomever requested. The longer one remains, the more debt is cleared from the family name, so I danced through the night.

I survived to the final note — *and let me emphasize the "survive" part* — but I'm starting to realize where the real problem lies. I didn't dance with one suitor...I danced with five Devils, and each immediately laid a claim on me.

Joaquin. Talon. Dagger. Croix. Creed.

Now here I am, kidnapped and held for ransom by sick men with bigger debts and troubles than my bankrupt family and their dark organization combined, but I'm no damsel in distress.

I'm actually stalling.

There's a rumor that the Devils of Sin are dangerous men of royal stature during the day and ruthless monsters at the peak of the night. I want to see them again...to touch and enjoy the illusions that left me panting for more.

I'm willing to enter the den of monsters to escape the true demons lurking in the shadows of desperation.

All in exchange for my freedom.

DEN OF MONSTERS is a steamy 187,000+ words **STANDALONE**.

*This reverse harem monster romance is filled with **possessive monsters** with a hint of psychosis, a **badass FMC** who may be even crazier, and loads of "**bump in the dark**" heated scenes that will make one blush in public - **literally**. Note that these den of sinister monsters can do various "**things**" with their bodies, so be warned. All sexual encounters are consensual.*

Harry Potter and the Prisoner of Azkaban

Author: J.K. Rowling

'Welcome to the Knight Bus, emergency transport for the stranded witch or wizard. Just stick out your wand hand, step on board and we can take you anywhere you want to go.'

When the Knight Bus crashes through the darkness and screeches to a halt in front of him, it's the start of another far from ordinary year at Hogwarts for Harry Potter. Sirius Black, escaped mass-murderer and follower of Lord Voldemort, is on the run - and they say he is coming after Harry. In his first ever Divination class, Professor Trelawney sees an omen of death in Harry's tea leaves... But perhaps most terrifying of all are the Dementors patrolling the school grounds, with their soul-sucking kiss...

Having now become classics of our time, the Harry Potter ebooks never fail to bring comfort and escapism to readers of all ages. With its message of hope, belonging and the enduring power of truth and love, the story of the Boy Who Lived continues to delight generations of new readers.

At the heart of my fear, my worry, there's him—Commander Rip.

Fae.

The betrayers. The murderers. The ones who nearly destroyed Orea, wiping out Seventh Kingdom in the process. Rip has power sizzling beneath this skin and glinting spikes down his spine. But his eyes—his eyes are the most compelling of all.

When he turns those black eyes on me, I feel captive for an entirely different reason. I may be out of my cage, but I'm not free, not even close.

In the game of kings and armies, I'm the gilded pawn. The question is, can I out maneuver them?

The thing about being confined is that you believe it's to keep the bad out. ...Until you realize it's about keeping you *in*.

I'm now in a strange kingdom surrounded by liars, with no allies of my own, but I won't sit idly by and let myself wither. No, there's something that's bloomed from the pit of my repression. Something dark. Something *angry*.

But the last thing I expected was for my anger to call out to *him*. King Ravinger.

He's sinister and powerful and entirely too seductive. I've learned my lesson with trusting manipulative kings, so why does my chest constrict every time he's near? I need to tread carefully, or I'm at risk of losing much more than just my freedom.

Regret and revenge war inside of me, and I need to figure out a plan fast before I get tangled up in the schemes of kings and queens.

But while the dragonriders struggle with threats both human and otherworldly, a young rider named F'nor and his brown dragon, Canth, hatch a bold plan to destroy the alien scourge at its source—the baleful Red Star that fills the heavens and promises doom to all.

THE WHITE DRAGON

Never in the history of Pern has there been a dragon like Ruth. Mocked by other dragons for his small size and pure white color, Ruth is smart, brave, and loyal—qualities that he shares with his rider, the young Lord Jaxom. Unfortunately, Jaxom is also looked down upon by his fellow lords, and by other riders as well. His dreams of joining the dragonriders in defending Pern are dismissed. What else can Jaxom and Ruth do but strike out on their own, pursuing in secret all they are denied? But in doing so, the two friends will find themselves facing a desperate choice—one that will push their bond to the breaking point . . . and threaten the future of Pern itself.

Midlife Witch Hunter (The Forty Proof Series Book 6)

Author: Shannon Mayer

Gran used to say that a strong woman looks a challenge in the eye and gives it a wink. To be sure, flirting with challenges is a terrible idea. Ask me how I know.

All Bree really wants is to bury her head in the sand, somewhere in the south of France while a hot pool boy rubs lotion on her back.

Instead, Bree gets blackmailed by the Council of Savannah into a job she doesn't want—though it does take her to France. They need her to bring a witch back to Savannah for a trial that Bree is sure is a load of hooey.

But not just any witch. The first one. The oldest one. The one who makes a t-rex look like he's howling about a sore tooth. The one who makes the wicked witch of the west look like your sweet old nanny, the one who . . .well you get the picture.

Bree's job? Find her. Befriend her. And convince her to come back to Savannah for safekeeping.

But someone else has gotten a head start, and their reasons for tracking down the miserable old witch are far worse than the council's reasons.

None other than a sexy, growly blacksmith with pretty eyes who makes Bree's panties melt even though she knows he isn't for her. And he is looking for the same miserable old lady.

Throw in a lovesick siren, and a slew of new problems, and you've got Bree's next adventure busting at the seams. And no, it isn't because her pants are too small.

A Touch of Darkness (Hades X Persephone Book 1)

Author: Scarlett St. Clair

From bestselling author Scarlett St. Clair comes a dark and enthralling reimagining of the Hades and Persephone Greek myth.

"Let me worship you," he said.

She remembered the words she had whispered to him in the back of the limo after La Rose. *"You will worship me, and I won't even have to order you."*

His request felt sinful and devious, and she reveled in it.

She answered, "Yes."

Persephone is the Goddess of Spring in title only. Since she was a little girl, flowers have only shriveled at her touch. After moving to New Athens, she hoped to lead an unassuming life disguised as a mortal journalist. All of that changes when she sits down in a forbidden nightclub to play a hand of cards with a hypnotic and mysterious stranger.

Hades, God of the Dead, has built a gambling empire in the mortal world and his favorite bets are rumored to be impossible. But nothing has ever intrigued him as much as the goddess offering him a bargain he can't resist.

After her encounter with Hades, Persephone finds herself in a contract with the God of the Dead, and his terms are impossible: Persephone must create life in the Underworld or lose her freedom forever. The bet does more than expose Persephone's failure as a goddess, however. As she struggles to sow the seeds of her freedom, love for the God of the Dead grows—a love that is both captivating and forbidden.

United: Magiford Supernatural City (Pack of Dawn and Destiny Book 2)

Author: K. M. Shea

A wolf is attacking the humans of Timber Ridge and changing them into werewolves—against their will.

The change process is extremely dangerous and involves bloodshed. It isn't something that happens by accident, which can only mean one thing.

Someone is doing this on purpose.

I'm going to find the rampaging sicko responsible for this outbreak, even if it means I have to master my new magic to stop them.

Thankfully, Greyson—the Pack Alpha and the most powerful wolf in the Midwest—is always down for a hunt. The only problem is that I'm starting to find him attractive—which is the worst thing I could do. He's got an incomplete mate bond, and since I'm a hunter, I could never be a wolf's mate.

That's okay. I'm used to being alone. I'm a werewolf hunter, not part of the Pack. But that's an awfully dangerous place to be when there is a rogue wolf on the loose.

United is the second book in the Pack of Dawn and Destiny urban fantasy trilogy, and is part of the Magiford Supernatural City world. It features werewolves, hunters, and fae, and is filled with humor, adventure, and a sweet romance that will have you laughing out loud.

- A dark academic debut fantasy with an established cult following that reads like THE SECRET HISTORY meets THE UMBRELLA ACADEMY
- The first in an explosive trilogy

The Alexandrian Society, caretakers of lost knowledge from the greatest civilizations of antiquity, are the foremost secret society of magical academicians in the

world. Those who earn a place among the Alexandrians will secure a life of wealth, power, and prestige beyond their wildest dreams, and each decade, only the six most uniquely talented magicians are selected to be considered for initiation.

Enter the latest round of six: Libby Rhodes and Nico de Varona, unwilling halves of an unfathomable whole, who exert uncanny control over every element of physicality. Reina Mori, a naturalist, who can intuit the language of life itself. Parisa Kamali, a telepath who can traverse the depths of the subconscious, navigating worlds inside the human mind. Callum Nova, an empath easily mistaken for a manipulative illusionist, who can influence the intimate workings of a person's inner self. Finally, there is Tristan Caine, who can see through illusions to a new structure of reality—an ability so rare that neither he nor his peers can fully grasp its implications.

When the candidates are recruited by the mysterious Atlas Blakely, they are told they will have one year to qualify for initiation, during which time they will be permitted preliminary access to the Society's archives and judged based on their contributions to various subjects of impossibility: time and space, luck and thought, life and death. Five, they are told, will be initiated. One will be eliminated. The six potential initiates will fight to survive the next year of their lives, and if they can prove themselves to be the best among their rivals, most of them will.

Most of them.
