

## Dear Daddy, Please Keep Me (Naughty or Nice Book 7)

**Author: Morticia Knight**

Dear Santa,

For Christmas this year, may I please get my very own Daddy who is looking for a boy to keep? Because I'm a little, I need lots of cuddles and attention. So, a Daddy who can only see me on occasion, or who's never been a Daddy before, probably won't want me. Maybe I need two Daddies? I promise I'll be the bestest boy ever! I pick up my toys, do my chores and take my naps without argument. And since I'm not little all the time, I can also keep my Daddy happy in *other* ways.

I hope you can find me a Daddy who was meant for me. I haven't had anyone take care of me in a long time and I'm feeling lost. Santa, I've been a very good boy this year, so pretty please can you make my Christmas wish come true?

Love,  
Eric

*Dear Daddy, Please Keep Me is part of the Naughty or Nice multi-author series. From this installment, you can expect a healthy dose of fluff, a large Squishmallow collection, inappropriate peppermint stick usage and two silver fox Daddies. Each book in the Naughty or Nice series can be read as a standalone, but there are so many boys hoping that holiday magic will bring them their perfect Daddy, why not grab them all?*

## Ranger: A Standalone MM Romance

**Author: Nora Phoenix**

**I've been living under storm clouds since my honorable discharge, but Julian's the sun.**

I've tried everything to deal with my PTSD from yoga to sunning my butthole, but nothing seemed to help.

So when my brother suggests a service dog, I figure I don't have anything to lose. The last thing I expect is for the dog to come with a cheerful, quirky trainer I can't get out of my head...

I'm too screwed up for love, but a chance to explore a side of myself I didn't realize existed until recently is too good to pass up.

But the more I get to know Julian, the more I start to think I might not be beyond saving after all...

*Ranger is a low angst standalone MM romance featuring a slightly grumpy veteran, a sunshiney animal trainer, an ornery goat, a deaf donkey, and some seriously hot encounters, resulting in a very happy ending. While Ranger was a side character in Heart (Ballsy Boys 3), his book is a stand alone and can be read on its own.*

## Beautiful and Terrible Things

**Author: Riley Hart**

We were six years old when I fell in love with Gage Beaumont.

We were seventeen when he realized he felt the same.

His dad was the town troublemaker, and I was the son of a cop. We couldn't have been more different, yet we were best friends, had each other's backs, and kept each other's secrets. *What you are, I am*, we always said.

Then one night irrevocably changed our lives forever.

It's ten years before I see Gage again, and instantly I can tell he's not the same boy I fell in love with. We're both haunted and hardened by the memory of that night--of everything we did and saw.

Yet as much as we've changed, the connection between us lingers. Our history is so devastatingly complicated that it's difficult to allow ourselves happiness. With every touch, every laugh, every moment we take back, the more signs I see of the old Gage resurfacing. Little by little, I'm becoming the Joey he remembers too.

But it's never that easy. If we truly want to heal, we have to find strength not only in each other, but in ourselves. Life is filled with beautiful and terrible things, and this time, we'll do whatever it takes to hold on to the good, and to each other.

**Warning:** While this is a story about friendship, found family, and two men epically in love, it also deals with difficult themes: childhood physical and verbal abuse, some violence, depression, and anxiety.

## **Glasgow Lads: Books 1-3**

**Author: Avery Cockburn**

### **Three novels plus an essential short story!**

They're out. They're proud. They're a wee bit daft. Meet the Warriors, an all-LGBT football/soccer team from Glasgow, Scotland, as they seek and find love, one lad at a time.

#### **Book 1: Playing for Keeps**

Fergus Taylor is damaged goods. Reeling from a brutal breakup, he's determined to captain his LGBT soccer team out of scandal and into a winning season. For that, he needs strict rules and careful plans. He does NOT need a brash, muscle-bound lad messing with his head and setting his body afire.

John Burns has a rule of his own: Don't get attached. Boyfriends are for guys with nothing to hide. Nobody—not his university mates, not the men he beds—knows his family's shame. Now his double life is starting to unravel, thanks to a certain Highlander whose storm-riddled eyes turn John inside out, who wears a kilt like he was born in it.

Fergus is the first man John wants to share his secret with—but he's the last man who could handle it. John knows the truth would shatter Fergus's still-fragile heart. But how can he live a lie when he's falling in love?

#### **Book 2: Playing to Win**

Colin MacDuff has nothing. Growing up in a Glasgow slum, he learned never to trust, never to cry—and never EVER to be at the mercy of anyone, especially rich men. So how did he end up half-naked at a rave with Scotland's hottest young aristocrat?

Lord Andrew Sunderland has everything. From ancestral castle to posh prep school, he's spent his life wrapping others around his wee finger. With a social circle full of celebrities and politicians, nothing can stop Andrew's rise to the top. Nothing, that is, save his desire for a dirt-poor, wolf-eyed footballer whose scars and tattoos tell unbearable tales.

Colin and Andrew come from different worlds, believe in different worlds, want different worlds. Yet every time they touch, all worlds fall away.

Set amid the fiery Scottish-independence struggle, this searing gay romance tells the story of two men who must lose everything to win each other's hearts.

#### **Book 2.5: Play It Safe**

After living together for three months, Fergus and John have come to love each other's quirks, and the bond between them is starting to look permanent. But when John wants to take things to the next level, Fergus balks, haunted by the betrayals in his own past.

To overcome these fears, Fergus must embark on an epic, steamy journey—literally—one that will test his faith, his trust, and his ability to keep a cool head in a hot, hot place.

In this followup story to *Playing for Keeps*, Fergus and John must overcome bad advice, broken headboards, and the Doppelgänger from Hell to find their forever bliss. A must-read for Glasgow Lads fans—and for new readers, a short 'n' sweet intro to this hot new Scottish gay-romance series!

#### **Book 3: Playing With Fire**

Robert McKenzie has a secret. As the only straight player on an all-LGBT soccer team, he's known to fans as "McWhataWaste." No one would guess Robert's actually bisexual. At twenty-one, on the verge of a brilliant career in video game design, he's finally ready to be his true self. The only thing keeping him in the closet is...his gay best friend?

Liam Carroll has a problem. His gorgeous pal and teammate wants to kiss him and touch him and...everything with him. But for how long? With Robert embarking on a bright future—far from their rough-and-tumble East End streets—Liam may soon be left behind. He can't risk falling in love with a man he can't live without. His solution? Keep things casual, "see what happens."

*Aye, right.* After a single camping trip, the bridge back to mere friendship has been well and truly burned. Now Robert wants more than sex, but diehard cynic Liam won't drop won't drop the barriers around his heart. These two tough center-backs must find a way forward as lovers, or their lifelong bond—the heart of the Warriors team—will rupture for good.

## Watch Me

**Author: Sloane Kennedy**

Nikolai

My rules when it comes to my job in personal protection are pretty simple:

1. Protect the client's life, not their feelings.
2. Don't put hands on a client unless you're getting them out of harm's way.
3. For God's sake, don't do something stupid like fall in love.

Twenty-four hours after meeting Jude Archer, rules 1 and 2 are already out the window.

Thankfully there's no chance of falling for the callous businessman who cares more about his next deal than he does his own safety.

Jude may have managed to make fools of all the guys his wealthy boss and rumored lover has hired to watch him, but he's playing in the big leagues now. The son of a bitch might not value his life, but I'm pretty fond of mine.

Time to teach the clueless Jude Archer a few hard lessons...

Jude

My rules for success aren't for everyone, but they should be.

1. Work hard.
2. When you're on the verge of giving up, work harder. Life owes you nothing. You have to take what you want.
3. For God's sake, don't do something stupid like get distracted by feelings.

With just weeks between me and the closing of the deal that will give me everything I want, I don't have time to worry about a supposed stalker who hasn't had the balls to do anything more than send a few threatening letters to my wealthy boss.

Sure, I sent a few so-called bodyguards packing. Even if I thought I was in serious danger, I can't have someone watching me 24/7. My life works the way it does for a reason and no one, not even the gorgeous Russian ex-soldier who thinks he can scare me into submission, is going to change that.

Nikolai Falkov thinks he has something to teach me? Yeah, good luck with that.

## Dear Daddy, Please Hold Us (Naughty or Nice Book 3)

**Author: Colette Davison**

Dear Santa,

If I could make one wish this Christmas, it would be for a Daddy with a big enough heart for two. We both want a Daddy who can be loving, but also firm when he needs to be, who enjoys spanking his boys and making their asses red, and with big enough arms to hold us both.

We need a Daddy who can help us let go and relax.

Lastly, but probably most importantly, we need a Daddy who can meet both our needs. I don't have many boundaries as long as I can trust my Daddy, and I'm open to trying new things. Rett...well, he's a little more reserved but he has a huge heart, and he's the sweetest boy you'll ever meet.

Here's the thing, Santa: I have a little over a week to convince Rett to stay. I don't know if you can magic up a Daddy who can love us both, but I'm making this wish anyway.

With hope,

## On the Run (Whispering Key)

**Author: May Archer**

**Take it from Aunt Hagatha, darling: Fake soulmates and secrets do not mix.**

I came to Whispering Key to lie low for a while. A man who has secrets to keep (like, say, his identity as America's favorite agony aunt) should really not find himself embroiled in the paparazzi scandal du jour.

The last thing I needed was another guy in my life, since that's what got me into this mess in the first place... but then I met Beale Goodman.

He's my polar opposite. The world's largest, hottest, most virginal cinnamon roll. The human embodiment of goodness and light. A man whose blue eyes make me weak. A man who wouldn't know a designer label if he tripped over one. A man who rescues feral cats, for heaven's sake...

And a man who rescues me, too, by pretending to be my fake boyfriend—er, fake *soulmate*—while I'm hiding out here.

Trouble is, there's nothing fake about the way he kisses me, or the way it feels to be wrapped in his arms at night. And it's hard to lay low when the strange-but-lovable people on the island are determined to welcome Beale's new man into their ranks.

It's enough to make me realize I've been on the run for a while, and that this might be the first time I've found something I want to run *to* rather than *from*.

But only if I can keep my secrets from catching up with me.

## **Just Winging It: A Frienemies to Lovers, Shifter, MPreg-Possible Love Story (CREA Book 2)**

***Author: J. D. Light***

Presley's late teen were filled with one horror after another. Kidnapped, forced to mate two shifters he didn't want and nearly a third, impregnated and abused in almost every way, he's definitely been through it, but three years out of being rescued by the CREA, he has worked hard for the life that he has, but he has a home, a beautiful son, a job and friends to show for it... and he has Fields, even if he's too damaged to ever even think about having a relationship with the gorgeous raven shifter who drives him absolutely up the wall while also making him crave a life he can never have. When Fields offers to mate him to keep him protected from whoever is trying to track him through his chosen mark, Presley adamantly refuses. Nobody should be saddled with his baggage, especially not someone so full of life like Fields, even if it is one of Presley's secret wishes.

Just Winging It is book 2 in the my new MPreg possible series. It is a spin off of the Chosen series, and involves a whole new generation, but will of course have cameos from some of your favorite Chosen characters as well as some Terra Mortis characters. I consider these books MPreg light. Meaning, though pregnancy is possible, that does not mean it will be in every book. Each book contains a new couple with a guaranteed HEA, but if you want to know what is going on with the background plot, it is suggested that you read them in order!

## **Weight for Love (Worth the Weight Book 1)**

**Author: Jason Collins**

### **MARK:**

Two things are off the menu: straight men and delicious food.

As luck would have it, those are the first temptations I encounter when I return to my hometown to help renovate the family house. It turns out that Winchester has a warm welcome for me, and his name is Carter.

But thinking about love would be a lot easier if I weren't so worried about my weight.

My homecoming starts with a broken-down car just as I arrive, and of course Carter is the first person to drive by. He's even fitter and sexier than when I left. I thought those piercing eyes were only for the ladies, but I was wrong. Oh so wrong. We want each other, but I'm not sure if I deserve a guy like Carter.

Maybe it's time to show him what my body can really do.

I might be cutting calories, but Carter's one indulgence I can't refuse.

### **CARTER:**

Mark thinks he needs to slim down, but I'd rather see him strip down.

I missed my chance in high school, and I never thought I'd see Mark again. But he's back in town and looking better than ever. When I give his car a jump, sparks fly, and he's even more charming than I remember.

Luckily, I'm the contractor renovating his grandma's house, which means we'll be seeing a lot of each other. I don't care about labels. I want Mark, and I can't hide my excitement.

He's the one who got away. I want to give him the romance we missed out on in high school. But Mark is holding back. I like him at any weight, but he's

determined to change himself. His dedication makes me hot, but I want him to know that I find him sexy no matter what.

Mark says he wants a workout partner, and I hope clothing is optional.

*This is the first book in the Worth the Weight series. It can be enjoyed as a standalone with no cliffhanger. Readers can expect a steamy MM romance with several scenes that will leave you gasping. Heat level: 10.*

## **The Reluctant Alpha (West Coast Wolves Book 1)**

**Author: Susi Hawke**

*"As much as I felt bad for this Elisha person—God, my heart was breaking for the young man and all he'd been through—I was also angry. I'd left that pack in my rearview ten years ago for a good reason."*

Matthias Longclaw is happy living his life on the back of his beloved Harley with his five best friends and brothers-in-arms at his side. The West Coast Wolves are a rare pack of alphas, made up of unwanted orphans and second-born sons. The packs they were born to may not have wanted them, but they've built a solid family of their own. They help where they can, doing random acts of kindness and expecting nothing in return, just helping to build a world they want to live in.

Then Matt gets a call from an old childhood buddy. He's being called back—begged to return—to reclaim his birthright and save a life in the process. The problem is... to do it, he will have to take a mate. And if he refuses? The omega will die.

Torn between his duty to help others and his resentment of his old pack, Matt never expects for Elisha Whitetail to tilt his world and change everything. Can Matt and Elisha rebuild a broken pack while tending to a new love and a growing family while dealing with outside threats from neighboring packs?

They're wolves. Strong, proud, and willing to do what it takes when their community needs them... whatever it takes.

*This is the first in a new mpreg series about finding joy in a hard world, building family, and discovering that life can surprise a person when they least expect it. Although this world has harsher themes than my previous books, it still has the same heart you'd expect. Plus a dose of my irreverent humor and all the naughty, knotty heat that comes with true mates. It wouldn't be a Susi Hawke book without it. Be sure to read the author's note at the beginning for possible trigger warnings.*

## **Off Plan (Whispering Key)**

***Author: May Archer***

**Falling for a man was nowhere in my five-step plan.**

I came to Whispering Key from O'Leary as a career move. Mason Bloom, doctor to the stars at a swanky resort on a private island? Heck yes.

What I did not come for was romance, because I have been there, done that, have an ex-girlfriend to prove it, and frankly was distinctly underwhelmed by the whole endeavor.

Yet from the moment I set foot on this island, nothing goes the way I'd expected.

The resort's falling apart. The island's inhabitants are ridiculous... and ridiculously charming. The whole place is awash in stories of shipwrecks and treasure.

Then there's Fenn Reardon: Gorgeous. Infuriating. *Male*.

And did I mention infuriating?

The man is the eye of the hurricane upending my life. He pushes every one of my buttons. He makes me feel crazy. Out of control. And more alive than I have ever felt before.

I find myself craving his company, longing for his touch, kissing him on the beach, wanting him in my bed... and questioning just how straight I really am.

Falling for Fenn was not in my plans... but I'm starting to think the key to happiness might be going off plan entirely.

I want to know what Vann's lips taste like.

And why he looks pained every time his dark eyes catch mine in class.  
And why he keeps paying attention to me when the rest of the town doesn't.  
And why every time I open my mouth to speak, my racing heart chokes me.

**I don't know what's coming for me in my last year at Spruce High, but I sure hope I'm ready for it.**

## **Griff's Place (Havenwood Book 4)**

***Author: Riley Hart***

GRIFFIN

I always felt I wasn't wired like my peers, but when my brother, Kellan, gave me three terms—ace, aromantic, and demi—I had possible names for it. Those three words have been on my mind ever since, as has my brother's best friend, Josh Westbrook. It's been cool getting to know him and spending time together, just us. He makes me feel something I never thought I'd be able to feel. When we end up alone in a cabin with only one bed, all my crossed wires finally connect and point toward being demi and wanting him.

JOSH

Griff and I were never supposed to be more than friends, but I like him more and more. I like being the reason he smiles, and...yeah, I enjoy making him writhe with pleasure too. But Griff doesn't hook up casually, and I swore off love a long time ago. Still, we keep finding ourselves drawn together, a shared loneliness and a deep want guiding us. Kellan's afraid I'll hurt Griff. Frankly, I am too. My past is still an open wound that keeps me from getting too close.

One thing is becoming clear, though—my Grumpy Griff is making me break my own rules. He says he's never known his place in the world, but I do. It's with me. The only way for us to move forward is for me to stop looking back...before I lose sight of him for good.

## Topping the Jock (A Blue Harbor Romance Book 1)

**Author: Jaclyn Osborn**

**For years, he's been on top. Now, it's my turn.**

Here's the thing.

I've hated Montgomery Adams since freshmen year of high school when he stole my clothes from my gym locker, leaving me in nothing but a towel. Oh, and it didn't stop there. He teased me, threw wads of paper at my head, and booed me when I raised my hand to answer questions in class.

I thought I finally escaped him after graduation. He went off to play college ball, and I became a teacher. But ten years later, Monty comes back to town. Even worse? He's the new football coach at the same school as me.

He's just as irritating as I remember, an annoying meathead jock with too much muscle and a smirk I want to smack off his too-perfect face. I don't care that he's hotter than ever or that he says he's changed. I'm not falling for it.

If he thinks he can waltz in and take over the school like he did when we were teenagers, he has another thing coming.

*Warning: this book is nothing but fluff, steam, banter, and features two men who pretend to be enemies yet sneak kisses whenever possible. Don't read if you hate lighthearted romance and nerd/jock tropes. No angst. Just two adorable dorks falling in love.*

## No Good Mitchell

**Author: Riley Hart**

**BRODY**

A night on the town after a long workweek at my family's distillery should include shots and dancing--not a hot kiss with a handsome stranger. I'm straight...at least, that's what I figured until I find myself locking lips with a sexy city boy. Now all my circuits are going haywire, and the spark that ignites between us makes

me even more curious.

Unfortunately, I kissed the one man who's off-limits: Cohen Mitchell--the sole surviving heir to the Mitchell Creek distillery, a rival neighbor my family has feuded with for nearly a hundred years. Until he arrived in town, no one knew there were any Mitchells left. But the business-savvy city slicker has taken an interest in his legacy. Nothing means more to me than my family, so whether I like it or not, I have to keep my hands off the sexy, green-eyed beauty who Big Daddy has not-so-affectionately dubbed that "No Good Mitchell." Problem is: my hands have other plans...

## **COHEN**

I never expected to inherit a distillery from a father I had never known. That's how I find myself in a tiny Georgia town where everyone knows a family history I've been kept in the dark about. The townsfolk all have a different story about my ancestors, with two things in common: illegal activity and Mitchell vs O'Ralley forever.

Maybe I shouldn't like Brody O'Ralley, but I didn't grow up with this stupid family feud. I enjoy touching him, kissing him and--oops--I'm falling for the man with sweet Southern charm and a big heart. Between the O'Ralley patriarch hating me, getting the Mitchell Creek distillery off the ground, and working through my own family issues, I know I should stay away from Brody.

But I won't, and staying away is not what he wants either. I crave all the time with my country boy as I can get, even if it's breaking the rules. After all, I am a *No Good Mitchell*.

## Companion Required

**Author: Brian Lancaster**

**FROM EXCITING AUTHOR OF LGBTQ+ ROMANCE, BRIAN LANCASTER**

*Successful CEO Kennedy Grey thought he had his life planned out nicely until he hires supposedly straight Kieran West as this year's vacation companion.*

For the past five years, CEO Kennedy Grey has advertised for a gay male holiday companion to join him on his annual vacation. Although Kennedy claims to be neutral in his choice, he has certain non-negotiable requirements. Applicants must be between 21 and 25, non-smoking, social drinkers, either versatile or passive, and be able to pull off the role of dutiful boyfriend in front of his clutch of gay friends. What does the candidate get out of the deal? An all-expenses-paid vacation and five grand in cash at the end of the vacation—more if the candidate exceeds his expectations—a safe enough addendum because for the past three years no one ever has.

Kieran West sits in a quiet corner of the coffee shop, trying to finish an assignment. At 29, he is single once again. By now he should have settled down. But when his girlfriend of three years gives him an ultimatum – ring or road – he chooses the road. Worst of all, he had no qualms about doing so. As for his finances? Saddled with a string of outstanding student loans, he is struggling to finish his masters while also supporting his brother through college. Losing his work at the estate agent could not have come at a worse time. And then he overhears the man at a nearby table recruiting for a job that pays a cool five grand. What does he have to lose?

## Bearly Getting It: A Friends to Lovers, Shifter, MPreg-Possible Love Story (CREA Book 1)

**Author: J. D. Light**

Dyer Becker and Hunt Lane have been close since they were babies. Hunt's immediate obsession with Dyer from the first moment remains the same through childhood, adolescence and into the early years of adulthood. So, living these last three years on separate land masses has been torture. Video calls and twice yearly visits is just not enough. But now Hunt is back in Purdy and staying with Dyer until he figures out where he wants to go next. It's amazing being back together, but are the touches lingering a bit? And does the scent Hunt catches every once in a while mean what he thinks it might? He should be excited about possibly finding his mate... right?

Bearly Getting It is book 1 in the my new MPreg-possible series. It is a spin off of the Chosen series, and involves a whole new generation, but will of course have cameos from some of your favorite Chosen characters as well as some Terra Mortis characters. I consider these books MPreg light. Meaning, though pregnancy is possible, that does not mean it will be in every book. Each book contains a new couple with a guaranteed HEA, but if you want to know what is going on with the background plot, it is suggested that you read them in order!

## **Upside Down, A Breaking the Rules Novel**

**Author: A.M. Madden**

From USA Today bestselling author A. M. Madden comes a compelling story about one man's awakening to all-new desires—and to a life-altering romance.

I've always been known as the hopeless romantic ... the nice guy ... the sweetheart.

Everything in my life supported this persona. My students loved my easy personality. My colleagues admired the way I handled myself in the classroom.

But something was always missing.

Like so many relationships before it, my current attempt at love felt like a dead end. When she gave me an ultimatum, I couldn't promise to give her what she wanted.

So, she ended it.

Explaining another breakup to my family was the last thing I wanted. But doing it on a luxury yacht at my brother's wedding lessened the hardship.

I never imagined that trip would change everything... and I certainly wasn't prepared for him to change everything.

Upside Down is a sister's best friend, sexual awakening, stand-alone romance that contains adult content.

## Dear Daddy, Please Spank Me (Naughty or Nice Book 2)

**Author: Chara Croft**

*Dear Santa,*

*Not sure if I made your naughty list this year or the nice one, but I suppose it doesn't matter since all I want for Christmas is a hot Daddy to spank my a\*\* until I cream, and that kind of fits either way, right?*

*Nah, I'm not being greedy. Hear me out. If I somehow made the nice list, then—besides the fact that you should definitely check your algorithms—a Daddy who can actually help me get my shit together is probably the only thing that will help me stay there. But if you've got me on the naughty list (and let's be real, I was lying when I said I wasn't sure; we both know you do) then I'm pretty sure I deserve that spanking.*

*And Santa? Any Daddies you want to send my way can get a free preview of what they're signing up for on my YouTube channel. Hit me up, and don't forget to like, comment, and subscribe.*

**JustAPrettyFace**

The last thing Jordan Wendt wants is a Daddy. Someone else in his life to come in and tell him what a fuck-up he is, when he's already perfectly aware? Oh, hell no. Besides, not to sound shallow—well, maybe a little bit, but just keeping it real—but old dudes just aren't his thing. Still, when he gets roped into signing up for the kinky dating app Cuffd and sending a "letter to Santa" as part of a holiday promotion on his YouTube channel, he's more than willing to play it up. Anything for more subscribers, you know? Especially since the channel is the only thing he's got going for him.

Andy Archer is as vanilla as they come. So vanilla, in fact, that he didn't even realize vanilla was anything but a latte flavor before he accidentally fell down a Google rabbit hole and ended up fifty shades more knowledgeable than he ever expected to be about the world of kink. And okay, maybe it wasn't entirely "accidental," but when he stumbled across a video of his former high school crush asking Santa to bring him a Daddy for Christmas, Andy is determined to find out what the heck that means. Because sure, Andy isn't exactly Daddy material and Jordan has always been a little—okay, maybe a lot—out of his league, but if there's ever a time to believe in miracles, it's Christmas, right?

*Dear Daddy, Please Spank Me is part of the Naughty or Nice multi-author series. Each book can be read as a standalone, but there are so many boys hoping that holiday magic will bring them their perfect Daddy. Why not grab them all?*

---

## Dear Daddy, Please Want Me (Naughty or Nice Book 4)

**Author: Reese Morrison**

*Dear Santa,*

*It's hard to be a Jew on Christmas. Nobody brings me presents, like sexy Daddies or Peppermint Mocha Frappes (because, let's be honest, I can totally sell-out if it gets me peppermint in my caffeinated sugar).*

*But do you know what I really want for Christmas? I want to know what's wrong with the app so I don't have to work on the weekend.*

*So maybe you can work on that, Santa, for the Jewiest Jew Boy ever?*

*Love and kisses,*

*Levi*

Saul shouldn't be attracted to his funny and adorable employee, Levi. He shouldn't be excited about debugging an error in the kinky dating together. And he definitely shouldn't bring him peppermint mocha frappes just to see him smile.

Saul has enough to do with running a company and figuring out his gender transition on the job. But he can't help wondering what it would be like to hear Levi call him Daddy.

Dear Daddy, Please Want Me is about an exuberant boy, a reluctant Daddy, the age-old Jewish tradition of Chinese food and movies on Christmas day, and a happily ever after.

*This book is part of the Naughty or Nice multi-author series. Each book can be read as a standalone, but there are so many boys hoping that holiday magic will bring them their perfect Daddy, why not grab them all?*

**XOXO, Santa**

**Author: Spencer Spears**

### ***How do you ask your best friend to be your first time?***

**Blake:** What do you do when you realize at age 20 that you might like guys?

If you're me, you come up with a brilliant and foolproof plan:  
Proposition the one gay guy you know to swipe your V-card over winter break.  
In my case, that's my childhood best friend, Henry.

Just one problem—Henry hates my guts.

That's okay, though, because I've got a Plan B:  
Download an app, find a guy to hook up with, and figure out once and for all if I'm as gay as my internet search history suggests.

One more little problem—before I can meet the guy I'm messaging online, I have to get through a week's vacation with Henry and our families.

Henry, who can't stand me, but who I can't get out of my head.  
Henry, who's off-limits, but who I maybe kinda sorta kissed last night?  
Henry, who's spending an awful lot of time checking messages on his phone...

*XOXO, Santa is a 70,000 word stand-alone gay romance novel with holiday sweetness, first-time steam, and a borderline-unhealthy level of snark. It features jock/nerd, friends-to-lovers, and online love tropes.*

Not Aiden. He's new to relationships and the complications they bring.

When our ambitions clash, it's my emotions that are in a jumble.

We both want into the FBI. Can I handle it if only one of us makes it?

I can't believe I'm stuck working with him.

Bryce is too hot for his own good.

And why does he smile so much?

When we're paired up on a university project, I want to scream.

There's no way to change it. Well, no legal way. And my hacking days are behind me.

Mostly.

The sparks fly hot and fast as we work together, but Bryce isn't the guy for me.

I don't even like him. At all.

But after one smokin' kiss I can't stop thinking about him.

Damn it. Falling for a tattoo artist isn't in my plan.

Good thing I've always been terrible at following the rules.

## Risk Takers: a touch of taboo (Off Limits Book 1)

**Author: Nicky James**

*One night of reckless fun changed our entire lives.*

We didn't apologize for what we did because we weren't sorry.

Instead, we kept it a secret.

It was ours, and it was amazing.

We were risk takers and rule breakers, and we weren't going to let anything stand in our way.

It might have lasted, if not for one tiny lapse in judgment.

After that, everything came to a crashing halt.

It was over. Finished. Done.

Or was that mistake the beginning of something better?

*Risk Takers is an MM taboo with content that some people may find objectionable. It is a prequel to Rule Breakers, an MMM taboo. This novella has neither a HEA nor HFN ending (and doesn't end in tragedy—despite my reputation—scout's honor) but acts strictly as prelude to the full-length novel. It is complete in its own way.*

## Mr. Big Shot (Suits & Sevens Book 1)

**Author: Isla Olsen**

**Will**

Turning up on the first day of a job you desperately need to discover you've already slept with your billionaire boss? Yeah, that's a bit of a conundrum.

Learning he's a closeted bisexual currently embroiled in a—by all accounts bogus—sexual harassment scandal? That's more of a fiasco.

But having to sit outside the office of one of the sexiest men alive, day in, day out, knowing there's no chance of a repeat? That's what I'd call a disaster.

My sexy-as-hell boss, Spencer Cox, has one rule: no messing around with the employees. And seeing as how I can't afford to give up this job, that kind of puts me between a rock and a hard place. A *very* hard place if you get my meaning...

The way things are going, I'll be lucky to survive in this job a month.

*The Suits & Sevens series spins off from the Love & Luck series, however it is not necessary to have read the Love & Luck books before reading Mr. Big Shot*

## Hard Knox (Havenwood Book 3)

**Author: Riley Hart**

Callum

A gay guy walks into a straight bar and notices the hottest man he's ever seen...

Why am I not surprised my life sounds like the beginning of a bad joke? First, my ex cheated on me, and I went running to Havenwood and the mom I have a complicated relationship with. Then, there's Knox, the gorgeous lumberjack I don't stand a chance with. To top it off, he's more than just a pretty face, and I start to fall for him. Knox is kind, funny, honorable, quickly becoming my best friend, and unfortunately, straight with a capital S.

Knox

My life has taken a few unexpected turns lately. First, the new guy in town, Callum, has me strangely confused. Then my son, Logan, comes to live with me. He connects with Callum instantly, and I do too. Before we know it, he's become a daily fixture in our lives, making us laugh, calling me his lumberjack and making this foreign warmth spread inside me.

It doesn't matter that I've never been with a guy before—one kiss from Cal, and it's clear I'm bi. He turns me upside down. With every laugh, every conversation, every touch and exploration, I fall harder. Sneaking around isn't ideal, but there's a lot for us to consider. All I know is I need him. Life has a funny way of throwing a wrench into your plans, though, and things become a mess. But then I'm reminded that while nothing in life is guaranteed, not even love, what Callum and I have built is worth fighting for.

## Our Kind of Man: HeavyLoad #4 (HeavyLoad! Series)

**Author: JJ Harper**

All good things come in threes

Malachi

One guy. Is that so much to ask? All I want is a man to love. I've been alone for so long. I thought I'd found him; only he chose someone else.

Then I see them: two beautiful men, lost in each other. It's a full month before I see them again. They're so full of themselves. I shouldn't want them. I hate myself for giving in. At first. Because after that one time, I want more. It was perfect.

If only I didn't now work for them.

Logan and Corey

We're happy together, deliriously so. Still, we can't give each other everything we need. And playing with a third isn't enough. We want more. Then we see him: snarky, sexy, and beautifully submissive. He gives us one perfect night, and we know we've found our man.

If only we can convince him he's our missing link.

We knew it wouldn't be easy, but we also knew it would be worth it.

Our Kind of Man is an MMM romance, the fourth book in the Heavyload! Series, featuring a sweet boy who can be as bossy as his masters. Contains some steamy moments, therefore is recommended for adult readers.

## **Play Dirty (Wages of Sin Book 2)**

**Author: Neve Wilder**

***"When you talk, chaos follows and I forget who I am."***

Madigan has spent his life indulging in the world's most hedonistic pursuits, his skills as a sharpshooting killer-for-hire paying his way.

Azrael, an assassin referred to as the angel of death, is a chemist and a loner, his poisons as lethal as they are undetectable.

## **Without Fear (Cobalt Security Book 2)**

**Author: Reese Knightley**

**Their date turned out to be so much more, but not in the way they'd hoped.**

*Logan Cobalt* rarely dates, but finds himself asking out the elusive waiter at Bailey's Café. Sure, he has spent numerous lunch hours chatting up the beautiful man over sandwiches, but nothing has come close to a real date. When Logan finds out Macy's hiding a secret, he will move heaven and earth to keep the man safe. After all, he runs a successful security and bodyguard business, so it wouldn't be hard to issue a protection detail. Would it?

*Macy Finch* has a secret, and keeping it quiet proves difficult. When Logan Cobalt finds out, Macy gives it up. What he really wanted was to deepen his relationship with Logan AFTER he took care of some things, not before. But when Logan asks him out on a real date, he just can't refuse. When things go south, Macy agrees to temporarily let Logan help. Now, if he could just get the man to realize he cannot be bossed around, they just might make this work.

*After all...*

Their age difference is irrelevant.

Their income differences are not a factor.

Can the fact that Logan tries to treat Macy like a piece of porcelain glass be a problem?

Bullets fly, traitors emerge, and a bad guy is hot on the trail of a loved one in Cobalt Security book two.

**Author Note:** Without Fear is the second book in the Cobalt Security series and can be read as a standalone. Previous characters from book one are present, so while it's not necessary, reading book one is helpful. Guest appearances by characters from Out for Justice.

\*Code of Honor, Out for Justice, and Cobalt Security books are loosely connected.

## The Intern : An MM Workplace Standalone Romance

**Author: Serena Akeroyd**

### Devlin

Sex comes with a price tag.

One I'm quite willing to pay.

In fact, I prefer it.

It's easier that way, and in my life, I prefer *ease*. Prefer for most things to be transactional.

So when the intern disrupts my day, I'm not happy about it. I have a dark and dirty little secret he knows about. One that could destroy my reputation in a world where reputation is everything.

That makes him dangerous.

He could ruin me professionally, wreck my life, but the touch of his mouth to mine, the feel of him in my arms—they're all I can think about.

I'm intoxicated.

Drunk on him, when I've always been sober.

### Micah

I'm gay.

The freedom in admitting that is intoxicating. Enough to make me feel drunk with the relief of finally being myself.

But what feels better?

Devlin.

He's my boss. He holds my future in his hands in more ways than he knows, but he isn't as free as I am. Doesn't have the same freedom I do to own up to what he is.

Because of that, I know I'm losing him.

I can feel us becoming DOA.

But is he worth fighting for when he won't admit what I am to him? What we mean to one another?

I guess you'll have to read on to find out...

*THE INTERN is a standalone contemporary MM romance, with an easter egg for fans of Serena Akeroyd's novels.*

Sensitive readers please note, this book includes a graphic rape scene.

**Two hot roommates, minus clothes, plus a drawer full of debauchery, and a WHOLE lot of tension. You don't have to be a math genius to figure out the sum of that equation.**

They say I'm a super genius, but would a super genius make the outrageously stupid mistake of falling for his roommate?

Out of all the men in the world, I had to go and develop a crush on the one who's already in love with his best friend.

But when Theo tells me he found my drawer of toys, the only logical thing to do is to offer some no-strings fun.

I've read enough romance novels to know this can't possibly end well, but I can't seem to stop myself from falling for Theo.

The only question is...

Will he be there to catch me?

\*\*\*By the Numbers is a low-angst roommates to lovers to HEA story with plenty of heat and lots of swoony moments. It's the third book in the Love Logic series but can be read as a stand alone

### **What kind of loser pretends to have a boyfriend?**

Oh, yeah, that's me, Landon Nichols. I'm the loser. In my defense, I didn't actually make up a boyfriend. My mom just assumed I had one, and I figured if it made her feel better to think I had someone in my life, then what could it hurt? Nothing, right?

## **The Alpha's Warlock (Mismatched Mates Book 1)**

**Author: Eliot Grayson**

### **Cursed, mated, and in for the fight of their lives...**

Warlock Nate Hawthorne just wants a cup of coffee. Is that too much to ask? Apparently. Because instead of precious caffeine, all he gets is cursed by a pack of werewolves who want to use him for his magic. Now the only way to fix the damage is a mate bond to a grumpy and oh-so-sexy alpha in the rival pack, who happens to hate him. This is so not how he wanted to start his day.

Ian Armitage never intended to take Nate as his mate. The Hawthorne family *can't* be trusted. Ian knows that better than anyone. The fact that he's lusted after the way-too-gorgeous man for years? Totally irrelevant. Ian's just doing what is necessary to protect his pack. This whole mating arrangement has nothing to do with love and never will. That's his story and he's sticking to it.

Nate and Ian will have to work together if they have any hope of staving off the pack's enemies and averting disaster. That's assuming they can stop arguing (and keep their hands off each other) long enough to save the day...

The Alpha's Warlock *is an explicit M/M paranormal romance featuring a snarky warlock, a brooding alpha werewolf, knotting, enchanted socks (long story), and a guaranteed happily ever after.*

## **Right as Raine: An Aster Valley Novel**

**Author: Lucy Lennox**

### **Tiller:**

As the first openly gay professional football player, I can't afford to make any mistakes, on or off the field. And the absolute biggest mistake I could make right now would be to fall for Mikey Vining, my best friend, employee and, more importantly, Coach's baby boy. I might fantasize about Mikey at night—*every* night—but actually touching him would be a serious personal foul.

And falling for him? That's completely out of bounds.

**Mikey:**

I've learned my lesson about falling for one of my dad's players. They're a bunch of spoiled jocks with more muscles than brains. I've spent years learning to keep my eyes, and my hands, to myself. But resisting the temptation becomes nearly impossible when Tiller Raine and I end up together in a small cabin in a remote Colorado town.

Suddenly, there's not much to do but look at each other. And talk. And hopefully, *hopefully* touch.

But what happens when our stay in Aster Valley is over and it's time to return to the real world? Will Coach blow the whistle on our relationship? Or will Tiller admit there might actually be something he loves more than football after all?

*"If he could keep Avery's eyes on him, just for a few moments, he'd give up everything he had."*

Millionaire Alejandro Santos' life is defined by three things: money, compulsions, and loss. And while he has long-since learned to cope with his OCD, he has never moved on after losing his family. Grief is his only companion, and he plans to keep it that way.

And then he sees a young college student washing cars for charity in the freezing cold, and everything changes. Without meaning to, Alejandro stops, and the next thing he knows, Avery Marshak is signing his name on the dotted line, becoming his new sugar baby.

Twelve months later, and Avery has followed all of Alejandro's rules to a T. No touching, no sleeping with anyone, always come when he calls. But spending a year without so much as a handshake, and Avery's starting to feel a little affection starved. He tells himself there's no point in hoping this year will be different, because Alejandro is not the kind of man who embraces change.

And then his sugar daddy shows up with an offer: stay with me at my penthouse for Chanukah.

Saying yes is dangerous, because Avery's heart is a fool and even a single touch will ruin what little progress he's made in protecting it. But he also knows he can't resist the offer, because what's a little heartbreak if it gives him a single chance to know the man who's been keeping himself at a distance.

Avery wants to believe there's hope—that the miracle of Chanukah is more than lights. But the more Alejandro opens up, the more Avery realizes this might not be a beginning, but instead the means to an end.

Will Alejandro be able to let go of his grief and embrace the love in front of him? And will Avery find the patience to hold on as Alejandro fights to break through his comfortable routine? The answer is there, if only they stop to listen, in the echo of their heartbeats repeating.
