

Ice Planet Barbarians: A SciFi Alien Romance

Author: Ruby Dixon

You'd think being abducted by aliens would be the worst thing that could happen to me. And you'd be wrong. Because now, the aliens are having ship trouble, and they've left their cargo of human women - including me - on an ice planet.

And the only native inhabitant I've met? He's big, horned, blue, and really, really has a thing for me...

Barbarian Alien: A SciFi Alien Romance (Ice Planet Barbarians Book 2)

Author: Ruby Dixon

Twelve humans are left stranded on a wintry alien planet. I'm one of them. Yay, me.

In order to survive, we have to take on a symbiont that wants to rewire our bodies to live in this brutal place. I like to call it a cootie. And my cootie's a jerk, because it also thinks I'm the mate to the biggest, surliest alien of the group.

BARBARIAN ALIEN is a sequel to ICE PLANET BARBARIANS. You do not have to read both in order to understand the plot, but the story will be richer if you do!

Barbarian Lover: A SciFi Alien Romance (Ice Planet Barbarians Book 3)

Author: Ruby Dixon

As one of the few humans stranded on the ice planet, I should be happy that I have a new home. Human women are treasured here, and one alien in particular has made it clear that he wants me. It's hard to push away the sexy, flirtatious Aehako, when all I want to do is grab him by his horns and insist he take me to his furs.

But I've got a terrible secret - the aliens who abducted me are back, and thanks to the translator in my ear, they can find me. My presence here endangers everyone...but can I give up my new life and the man I want more than anything?

Project Hail Mary: A Novel

Author: Andy Weir

NEW YORK TIMES BESTSELLER • A lone astronaut must save the earth from disaster in this “propulsive” (*Entertainment Weekly*) new science-based thriller from the bestselling author of *The Martian*.

“An epic story of redemption, discovery and cool speculative sci-fi.”—*USA Today*

“If you loved *The Martian*, you’ll go crazy for Weir’s latest.”—*The Washington Post*

Ryland Grace is the sole survivor on a desperate, last-chance mission—and if he fails, humanity and the earth itself will perish.

Except that right now, he doesn't know that. He can't even remember his own name, let alone the nature of his assignment or how to complete it.

All he knows is that he's been asleep for a very, very long time. And he's just been awakened to find himself millions of miles from home, with nothing but two corpses for company.

His crewmates dead, his memories fuzzily returning, Ryland realizes that an impossible task now confronts him. Hurling through space on this tiny ship, it's up to him to puzzle out an impossible scientific mystery—and conquer an extinction-level threat to our species.

And with the clock ticking down and the nearest human being light-years away, he's got to do it all alone.

Or does he?

An irresistible interstellar adventure as only Andy Weir could deliver, *Project Hail Mary* is a tale of discovery, speculation, and survival to rival *The Martian*—while taking us to places it never dreamed of going.

Barbarian Mine: A SciFi Alien Romance (Ice Planet Barbarians Book 4)

Author: Ruby Dixon

The ice planet has given me a second lease on life, so I'm thrilled to be here. Sure, there's no cheeseburgers, but I'm healthy and ready to be a productive member of the small tribe. What I didn't anticipate? That there'd be a savage stranger waiting nearby, watching me. And when he takes me captive, the unthinkable happens...I resonate to him.

Resonance means mating, and children...but I don't know if this guy's ever been around anyone before. He's truly a barbarian in all ways, right down to clubbing me over the head and claiming me as his own.

So why is it that I crave his touch and hunger for more?

Barbarian's Prize: A SciFi Alien Romance (Ice Planet Barbarians Book 6)

Author: Ruby Dixon

It's hard being the most popular girl on the ice planet. The alien men are falling all over themselves to impress me in the hopes that I'll take them to my furs. But they don't know my secrets – none of them do. And they don't realize that behind my smile, I just wish they'd go away.

I don't want any of them. I want someone else – someone with a gorgeous blue body, big horns, and the most intense gaze ever. He's the only one that knows the truth. Maybe with him, I can work through my fears of the past...but I'm pretty sure he wants more than just friendship.

He wants forever, and I'm not sure I can give it.

The Midnight Library: A Novel

Author: Matt Haig

The *New York Times* bestselling WORLDWIDE phenomenon

Winner of the Goodreads Choice Award for Fiction | A Good Morning America Book Club Pick

"A feel-good book guaranteed to lift your spirits."—*The Washington Post*

The dazzling reader-favorite about the choices that go into a life well lived, from the acclaimed author of *How To Stop Time* and *The Comfort Book*.

Somewhere out beyond the edge of the universe there is a library that contains an infinite number of books, each one the story of another reality. One tells the

story of your life as it is, along with another book for the other life you could have lived if you had made a different choice at any point in your life. While we all wonder how our lives might have been, what if you had the chance to go to the library and see for yourself? Would any of these other lives truly be better?

In *The Midnight Library*, Matt Haig's enchanting blockbuster novel, Nora Seed finds herself faced with this decision. Faced with the possibility of changing her life for a new one, following a different career, undoing old breakups, realizing her dreams of becoming a glaciologist; she must search within herself as she travels through the Midnight Library to decide what is truly fulfilling in life, and what makes it worth living in the first place.

Barbarian's Mate: A SciFi Alien Romance (Ice Planet Barbarians Book 7)

Author: Ruby Dixon

'Resonance' is supposed to be a dream - that's when your soulmate is chosen for you. And everyone on the ice planet has hooked up with a big, hunky soulmate of their own...except me. So do I want a mate? Heck yeah. More than anything, all I've ever wanted is to be loved by someone.

Except that the soulmate chosen for me? My least favorite person on the darn ice planet. Haeden's the most cranky, disapproving, unpleasant, overbearing male alien...so why is it that my body sings when he gets close? Why is he working so hard to prove to me that he's not as awful as I think he is?

I hate him...don't I?

Barbarian's Touch: A SciFi Alien Romance (Ice Planet Barbarians Book 8)

Author: Ruby Dixon

When I wake up on the ice planet, I'm scared of everything: this place is cold, silent, and the locals look more like blue devils than aliens. To make matters worse, one of the strangers decides I'm going to be his girlfriend and kidnaps me away from my sister. I'm completely and utterly alone. What's a girl to do?

Well, this girl escapes.

Of course, that means I go from frying pan into the fire, and my situation gets even more dangerous. Just when I have no hope left, a new hero appears. Sure, he's blue, horned, and has a tail. He's also fierce, protective, makes me purr...and thinks I'm perfect.

But is what we have real or just a mating instinct?

Barbarian's Taming: A SciFi Alien Romance (Ice Planet Barbarians Book 9)

Author: Ruby Dixon

As a newcomer to the alien tribe, I've struggled to find my place. It might be because I'm a tad headstrong at times. And yes, I might have thrown a few things at people's heads. But I had a good reason to pitch a fit - my shy sister was stolen away right under my nose. Of course, now she's back and mated. Everyone's happy...except me.

I need...affection.
Attention.
Okay, I'm lonely. *Really* lonely.

Strangely enough, the only person that I think understands what I'm going through is the same blue-skinned brute that stole my sister. It's wrong to hook up with him, even as a mindless fling.

Except...I'm not so good with the whole 'rules' thing.
And he's not so great with the 'fling' thing.

The Strip Down: A SciFi Alien Romance (Exposed to the Elements Book 5)

Author: Honey Phillips

Can Amanda discover the secrets behind an alien ruin? And the mysterious alien with the haunted eyes?

Amanda is happy with her life as an elementary school teacher - and making plans to expand her family. Waking up naked and alone on an alien planet is not on her schedule.

Desperate to return to Earth, she reluctantly accepts the help of the massive alien who appears out of the sands. But the more time they spend together, the more complicated her need to return becomes.

Va'rik awakens to find himself alone on the edge of an ancient desert. He is quite sure he has an important task to perform - the only problem is that he can't quite remember what he needs to accomplish.

When he encounters a strange, beautiful female, assisting her becomes his mission. But as his memories start to return, he realizes that helping her leave is the last thing he truly wants.

Can Va'rik keep his vow to Amanda, even if it means the future of his race - and his own happiness - are in jeopardy?

Each book in the Exposed to the Elements series can be read as a standalone romance; however, this book contains references to previous characters and events in the series and may best be enjoyed in order. This sweet and steamy romance is intended for mature audiences only.

Barbarian's Heart: A SciFi Alien Romance (Ice Planet Barbarians Book 10)

Author: Ruby Dixon

I've never spent a day without my mate since arriving on the ice planet. I'm happy and in love, and we have a beautiful child together. All that changed when the world shook.

My mate nearly died.

He wakes up from his coma...and he can't remember me. Or our son. Every memory of the past two years is gone. And that changes everything between us. How can I love someone that doesn't remember me?

How can I not, when I know he's still my mate underneath it all?

The Atlantis Gene: A Thriller (The Origin Mystery, Book 1)

Author: A.G. Riddle

**The greatest mystery of all time...
the history of human origins...
will be revealed.**

In Antarctica, researchers discover a mysterious structure, buried in ice.

In a lab in Jakarta, an autism researcher identifies a revolutionary treatment that could change everything.

But these two incredible discoveries aren't what they seem. They will set off a race to unravel the deepest secrets of human existence—and an event that could change humanity forever.

Experience the novel that started it all: *The Atlantis Gene* is the first book in A.G. Riddle's bestselling *Origin Mystery* trilogy—a series that has sold over **THREE MILLION** copies worldwide (in twenty languages), received 30,000+ reviews on Amazon, been rated 20,000+ times on Audible, and garnered 120,000+ ratings on GoodReads. The trilogy is now in development to be a major motion picture.

The product of years of research, *The Atlantis Gene* is filled with real science and history that will change how look at human origins—and humanity's future. Like millions of other readers, you'll be up late turning the pages, promising yourself, *just one more chapter*.

Praise for A.G. Riddle

"...reads like a superior collaboration between Dan Brown and Michael Crichton."

—*The Guardian* on *Pandemic*

"I finished the book fast because I just couldn't wait..."

—*WIRED* GeekDad on *Departure*

"Riddle... keep(s) the focus on his characters... rather than the technological marvels"

—*Publisher's Weekly* on *Departure*

"Well-constructed and tightly-wound as a fine Swiss watch—*DEPARTURE* has non-stop action, an engaging plot and, of course, wheels within wheels."

—Diana Gabaldon, #1 *New York Times* bestselling author of *Outlander*

An Extended Look At *The Atlantis Gene*

70,000 years ago, the human race almost went extinct.

We survived, but no one knows how.

Until now.

The countdown to the next stage of human evolution is about to begin, and humanity might not survive this time.

Off the coast of Antarctica, a research vessel discovers a mysterious structure buried deep within an iceberg. It has been there for thousands of years, and something is guarding it. Could it be the fabled city of Atlantis? Or is it something more dangerous?

At the same moment, in Jakarta, Indonesia, a brilliant geneticist named Kate Warner has just discovered a breakthrough treatment for autism. Or so she thinks. What she has found is far more deadly—for her and for the entire human race. Her work could unleash the next stage of human evolution. It might also hold the key to unlocking the mysterious structure off the coast of Antarctica.

On the other side of Jakarta, Agent David Vale is racing to uncover a conspiracy with far-reaching implications. But he's out of time. His informant inside the conspiracy is dead. His own organization has been infiltrated—and his enemy has turned the hunt on him. Now he's on the run. But when he receives a coded message related to an imminent attack, he risks everything to save the one person that can help him stop it: Dr. Kate Warner.

Together, Kate and David race to unravel a global conspiracy and learn the truth about the Atlantis Gene... and human origins. Their journey takes them to the far corners of the globe and into the secrets of their pasts. Their enemy is close on their heels and will stop at nothing to obtain Kate's research and force the next stage of human evolution—even if it means killing 99.9% of the world's population. David and Kate can stop them... if they can trust each other. And stay alive.

NOTE: this novel is available as an eBook on Kindle Fire and Kindle eReader, an Audible audiobook, and in print (paperback and hardcover). It's also in Kindle Unlimited where subscribers can read for free.

The Other Emily

Author: Dean Koontz

An Amazon Charts, *Wall Street Journal*, and *USA Today* bestseller.

Number one *New York Times* bestselling master of suspense Dean Koontz takes readers on a twisting journey of lost love, impossible second chances, and terrifying promises.

A decade ago, Emily Carlino vanished after her car broke down on a California highway. She was presumed to be one of serial killer Ronny Lee Jessup's victims whose remains were never found.

Writer David Thorne still hasn't recovered from losing the love of his life, or from the guilt of not being there to save her. Since then, he's sought closure any way he can. He even visits regularly with Jessup in prison, desperate for answers about Emily's final hours so he may finally lay her body to rest. Then David meets Maddison Sutton, beguiling, playful, and keenly aware of all David has lost. But what really takes his breath away is that everything about Maddison, down to her kisses, is just like Emily. As the fantastic becomes credible, David's obsession grows, Maddison's mysterious past deepens—and terror escalates.

Is she Emily? Or an irresistible dead ringer? Either way, the ultimate question is the same: What game is she playing? Whatever the risk in finding out, David's willing to take it for this precious second chance. It's been ten years since he's felt this inspired, this hopeful, this much in love...and he's afraid.

The Handmaid's Tale

Author: Margaret Atwood

Now a Hulu Original Series

The Handmaid's Tale is a novel of such power that the reader will be unable to forget its images and its forecast. Set in the near future, it describes life in what was once the United States and is now called the Republic of Gilead, a monotheocracy that has reacted to social unrest and a sharply declining birthrate by reverting to, and going beyond, the repressive intolerance of the original Puritans. The regime takes the Book of Genesis absolutely at its word, with bizarre consequences for the women and men in its population.

The story is told through the eyes of Offred, one of the unfortunate Handmaids under the new social order. In condensed but eloquent prose, by turns cool-eyed, tender, despairing, passionate, and wry, she reveals to us the dark corners behind the establishment's calm facade, as certain tendencies now in existence are carried to their logical conclusions. *The Handmaid's Tale* is funny, unexpected, horrifying, and altogether convincing. It is at once scathing satire, dire warning, and a tour de force. It is Margaret Atwood at her best.

Green World (Undying Mercenaries Book 15)

Barbarian's Hope: A SciFi Alien Romance (Ice Planet Barbarians Book 11)

Author: Ruby Dixon

Seasons ago, I resonated to the quietest of tribesmates, a male content to love me from afar while I was the center of attention. We could have been happy. Despite our differences, I loved him and he loved me.

But then a terrible thing happened...and my world was never the same again.

Now resonance is giving us a second chance, but...I'm afraid. What if what I have with my mate is too broken to be fixed? What if there's no hope left for us at all?

Oh Great! I was Reincarnated as a Farmer: A LitRPG Adventure : (Unorthodox Farming: Book 1)

Author: Benjamin Kerei

What do you have when you blend a pinch of litrpg, a touch of farming simulator, a sprinkle of epic fantasy, a whole cup of Isekai, and a dash of Home Alone?

You have Arnold's life.

Accidentally murdered by a cleric in another universe during a botched resurrection, Arnold, a semi-pro gamer, wakes upon an altar to find himself incarnated into the overweight body of a farmer who could have been his fatter twin. He's not the hero. He's not the villain. He's certainly not the chosen one who is there to save the world. He's a clerical error.

It could be a bad joke, but apparently, it happens so often that they have a standard procedure for returning you. That standard procedure doesn't apply to Arnold.

Now stuck on a new earth, in a new universe, with no way home, Arnold must use his gaming skills to figure out how to level his farmer class to 100 and gain a second class which doesn't make him want to beat his head against the wall. There is just one small problem: farmers don't gain experience from killing monsters. Like at all.

Follow Arnold on his hilarious journey as he stubbornly comes to grips with his new reality and tries to change his destiny from that of your typical farmer.

He Who Fights with Monsters 2: A LitRPG Adventure

Author: Shirtaloon

The path from retail middle management to interdimensional wizard adventurer wasn't easy, but Jason Asano is settling into his new life.

Now, a contest draws young elites to the city of Greenstone, competing for a grand prize. Jason must gather a band of companions if he is to stand a chance against the best the world has to offer.

While the young adventurers are caught up in competition, the city leaders deal with revelations of betrayal as a vast and terrible enemy is revealed. Although Jason seems uninvolved, he has unknowingly crossed the enemy's path before. Friends and foes made along the way will lead him to cross it again as inevitable conflict looms.

After cementing itself as one of the best-rated serial novels on Royal Road with an astonishing 13 million views, the He Who Fights with Monsters Series is now available on Kindle. It's perfect for fans of Pirate Aba, Dakota Krout, and Luke Chmilenko.

Klara and the Sun: A novel

Author: Kazuo Ishiguro

NEW YORK TIMES BESTSELLER

A GOOD MORNING AMERICA Book Club Pick!

A magnificent new novel from the Nobel laureate Kazuo Ishiguro—author of *Never Let Me Go* and the Booker Prize-winning *The Remains of the Day*.

Klara and the Sun, the first novel by Kazuo Ishiguro since he was awarded the Nobel Prize in Literature, tells the story of Klara, an Artificial Friend with outstanding observational qualities, who, from her place in the store, watches carefully the behavior of those who come in to browse, and of those who pass on the street outside. She remains hopeful that a customer will soon choose her.

Klara and the Sun is a thrilling book that offers a look at our changing world through the eyes of an unforgettable narrator, and one that explores the fundamental question: what does it mean to love?

In its award citation in 2017, the Nobel committee described Ishiguro's books as "novels of great emotional force" and said he has "uncovered the abyss beneath our illusory sense of connection with the world."

He Who Fights with Monsters: A LitRPG Adventure

Author: Shirtaloon

Jason wakes up in a mysterious world of magic and monsters.

It's not easy making the career jump from office-supplies-store middle manager to heroic interdimensional adventurer. At least, Jason tries to be heroic, but it's hard to be good when all your powers are evil.

He'll face off against cannibals, cultists, wizards, monsters...and that's just on the first day. He's going to need courage, he's going to need wit, and he's going to need some magic powers of his own. But first, he's going to need pants.

After cementing itself as one of the best-rated serial novels on Royal Road with an astonishing 13 million views, He Who Fights with Monsters is now available on Kindle.

About the series: Experience an isekai culture clash as a laid-back Australian finds himself in a very serious world. See him gain suspiciously evil powers through a unique progression system combining cultivation and traditional LitRPG elements. Enjoy a weak-to-strong story with a main character who earns his power without overshadowing everyone around him, with plenty of loot, adventurers, gods and magic. Rich characters and world-building offer humor, political intrigue and slice-of-life elements alongside lots of monster fighting and adventure.

I Married A Lizardman

Author: Regine Abel

Scaly, grumpy, but oh so cuddly...

As a third daughter on the farming colony of Meterion, Susan's future prospects aren't too promising. A pretty face, top-notch skills, and hard work mean nothing if your dowry doesn't include fertile lands. With her twenty-fifth birthday approaching, and no suitors even remotely sniffing in her general direction, Susan will be forced to leave the family lands to work as an indentured servant in the capital city. Her only way out is to settle for an arranged marriage through the PMA – the Prime Mating Agency. She just never expected to be paired to a grumpy, massive lizardman, and above all not to grow so fond of his scales and quirky ways.

With everything going on, the last thing Olix needs is a mate, especially a squishy, scaleless, off-worlder with strange ways, and an obsession with farming. He is a Hunter, not a dirt digger. The Seer must have been mistaken when she insisted that, for the sake of the people, he take a mate from the stars. How can such a tiny thing be their salvation? And yet, his Susan's softness is disturbingly addictive while hiding a surprising resilience.

With his ancestral lands on the line and the future of the clans threatened, could this wisp of a woman turn their fate around?

Elsewhere

Author: Dean Koontz

The fate of the world is in the hands of a father and daughter in an epic novel of wonder and terror by Dean Koontz, the #1 *New York Times* bestselling master of suspense.

Since his wife, Michelle, left seven years ago, Jeffy Coltrane has worked to maintain a normal life for himself and his eleven-year-old daughter, Amity, in Suavidad Beach. It's a quiet life, until a local eccentric known as Spooky Ed shows up on their doorstep.

Ed entrusts Jeffy with hiding a strange and dangerous object—something he calls “the key to everything”—and tells Jeffy that he must never use the device. But after a visit from a group of ominous men, Jeffy and Amity find themselves accidentally activating the key and discovering an extraordinary truth. The device allows them to jump between parallel planes at once familiar and bizarre, wondrous and terrifying. And Jeffy and Amity can't help but wonder, could Michelle be just a click away?

Jeffy and Amity aren't the only ones interested in the device. A man with a dark purpose is in pursuit, determined to use its grand potential for profound evil. Unless Amity and Jeffy can outwit him, the place they call home may never be safe again.

Wanderers: A Novel

Author: Chuck Wendig

A decadent rock star. A deeply religious radio host. A disgraced scientist. And a teenage girl who may be the world's last hope. From the mind of Chuck Wendig comes “a magnum opus . . . a story about survival that's not just about you and me, but all of us, together” (*Kirkus Reviews*, starred review).

NOMINATED FOR THE BRAM STOKER AWARD • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY *The Washington Post* • NPR • *The Guardian*

• *Kirkus Reviews* • *Publishers Weekly* • *Library Journal* • *Polygon*

Shana wakes up one morning to discover her little sister in the grip of a strange malady. She appears to be sleepwalking. She cannot talk and cannot be woken up. And she is heading with inexorable determination to a destination that only she knows. But Shana and her sister are not alone. Soon they are joined by a flock of sleepwalkers from across America, on the same mysterious journey. And like Shana, there are other “shepherds” who follow the flock to protect their friends and family on the long dark road ahead.

For as the sleepwalking phenomenon awakens terror and violence in America, the real danger may not be the epidemic but the fear of it. With society collapsing all around them—and an ultraviolent militia threatening to exterminate them—the fate of the sleepwalkers depends on unraveling the mystery behind the epidemic. The terrifying secret will either tear the nation apart—or bring the survivors together to remake a shattered world.

Barbarian's Choice: A SciFi Alien Romance (Ice Planet Barbarians Book 12)

Author: Ruby Dixon

I might be the only unmated female in my tribe, but it doesn't mean I've given my heart. I'm waiting. I want resonance, and I won't settle for anything less.

But when an alien ship lands and a handsome stranger steps out, I know he's the one. His name's Mardok and he's fascinatingly different – and distractingly appealing. But Mardok can't stay on the ice planet, and he says he can take me with him.

Now, I must make a choice. Do I stay and lose my mate forever? Or do I follow him to the stars and leave behind everything I know?

Viper (Naga Brides Book 1)

Author: Naomi Lucas

Long have we been alone.

Without brides, without females to warm us during the long nights. Without sweet mates.

But we see them, from afar, brides that could be ours. Kept away from us by walls and weapons. Females we long for greatly.

Obsessively.

Human females.

And the one with red hair? I want her. I saw her first. I will fight to the death for her.

She is MINE.

So, we'll come together and make an exchange with their men that will benefit us all.

After that?

To the winner goes the spoils...

Let the hunt begin.

But the red-headed female is MINE.

Viper is the first book in a series of Bride Hunting Aliens. With the charm of a snake, and the wiles of a devil, these males will do anything, and I mean anything,

for their females.

Barbarian's Redemption (Ice Planet Barbarians Book 13)

Author: Ruby Dixon

For seasons, I have waited for her - my perfect mate.

In a tribe full of happy couples, I am alone. But I am not content to remain this way. There are no eligible unmated females left, so I will do whatever it takes to bring females back to our tribe...even if it means doing something wrong. Even if it means I must purchase my mate on the intergalactic black market. I will do anything to possess her, to claim her as my own.

But will my ruthless move turn my female against me before we ever meet? Can she ever forgive a male that bought her freedom?

Someone is killing dragons. And the killings point to a civil war brewing among the fae.

When Kyra Greene finds an abandoned baby dragon, she doesn't want to bring him home. But until she can hunt down his thunder and stop the dragon killers, she's on babysitting duty. As a pest controller with a soft heart, Kyra already has an apartment full of rescues, including a basilisk who thinks he's a turkey, a banshee nanny, and even a pygmy kraken. She might take care of them, but they also fill her need for family. And when that family is threatened, she'll risk everything to save them. She'll even join forces with the handsome and irritating captain of the city's vigilante Guardians, who never fails to show up at her most undignified moments.

Along with a quirky cast of misfits and unruly critters, Kyra leaves the safety of Montreal Ward and travels through the dangerous Inbetween—the land beyond the protected city states, where magic is the only rule of law. Can she reunite the lost dragon with his thunder and stop a new and sinister force from invading their home?

Dragons Don't Eat Meat is the first book in the Valkyrie Bestiary paranormal suspense series. If you're looking for a laugh-out-loud adventure, delightfully evil critters, and a slow-burn romance, you'll love this page-turning series by Kim McDougall.

Get *Dragons Don't Eat Meat* today and ride along with Kyra Greene, pest controller of fantastic beasts.

Under Another Sun

Author: D.M. Siciliano

"A crack in time saves 99"

But what do those ominous words mean?

Ray is about to find out, whether he's ready or not. His 'deceased' twin sister, Ravynn, is warning him of impending disaster, but Ray can't seem to convince himself, or his wife, that he's not crazy.

But Ray isn't the only one communicating with his sister. Ravynn's surviving daughter, Amelia, seems to know things that defy reason, in a time when reason is slowly slipping away.

When Ray's brother-in-law offers evidence of something terrible coming in the form of prophetic journals Ravynn wrote before her death, Ray can't doubt the truth any longer. The world is falling down.

The family struggles to hold themselves together as the world they once knew and understood begins to collapse all around them, leading up to a cataclysmic end.

Can Ray save his family in time?

Breakaway (Expeditionary Force Book 12)

Author: Craig Alanson

The Merry Band of Pirates offered the bad guys a ceasefire. We won't mess with them, if they don't mess with us. Easy, right? NO. The aliens chose to do things the hard way. So, the Pirates are racing around the galaxy to clean up the threat to Earth. The infant UN Navy has their own mission with the Alien Legion: get humanity some allies in the fight. And the Ethics & Compliance Office might have to do something...ethical. Unless they can find a way around it.

House of Earth and Blood (Crescent City Book 1)

Author: Sarah J. Maas

A #1 New York Times bestseller!

Sarah J. Maas's brand-new CRESCENT CITY series begins with *House of Earth and Blood: the story of half-Fae and half-human Bryce Quinlan as she seeks revenge in a contemporary fantasy world of magic, danger, and searing romance.*

Bryce Quinlan had the perfect life—working hard all day and partying all night—until a demon murdered her closest friends, leaving her bereft, wounded, and alone. When the accused is behind bars but the crimes start up again, Bryce finds herself at the heart of the investigation. She'll do whatever it takes to avenge their deaths.

Hunt Athalar is a notorious Fallen angel, now enslaved to the Archangels he once attempted to overthrow. His brutal skills and incredible strength have been set to one purpose—to assassinate his boss's enemies, no questions asked. But with a demon wreaking havoc in the city, he's offered an irresistible deal: help Bryce find the murderer, and his freedom will be within reach.

As Bryce and Hunt dig deep into Crescent City's underbelly, they discover a dark power that threatens everything and everyone they hold dear, and they find, in each other, a blazing passion—one that could set them both free, if they'd only let it.

With unforgettable characters, sizzling romance, and page-turning suspense, this richly inventive new fantasy series by #1 *New York Times* bestselling author Sarah J. Maas delves into the heartache of loss, the price of freedom—and the power of love.

The First Sister (The First Sister trilogy Book 1)

Author: Linden A. Lewis

Combining the social commentary of *The Handmaid's Tale* with the white-knuckled thrills of *Red Rising*, this epic space opera filled with “lush prose” (*Publishers Weekly*) follows a comfort woman as she claims her agency, a soldier questioning his allegiances, and a non-binary hero out to save the solar system.

First Sister has no name and no voice. As a priestess of the Sisterhood, she travels the stars alongside the soldiers of Earth and Mars—the same ones who own the rights to her body and soul. When her former captain abandons her, First Sister's hopes for freedom are dashed when she is forced to stay on her ship with no friends, no power, and a new captain—Saito Ren—whom she knows nothing about. She is commanded to spy on Captain Ren by the Sisterhood, but soon discovers that working for the war effort is much harder when you're falling in love.

Lito val Lucius climbed his way out of the slums to become an elite soldier of Venus but was defeated in combat by none other than Saito Ren, resulting in the disappearance of his partner, Hiro. When Lito learns that Hiro is both alive and a traitor to the cause, he now has a shot at redemption: track down and kill his former partner. But when he discovers recordings that Hiro secretly made, Lito's own allegiances are put to the test. Ultimately, he must decide between following orders and following his heart.

With “a layered, action-filled plot and diverse characters” (*Library Journal*), *The First Sister* explores the power of technology, colonization, race, and gender and is perfect for fans of James S.A. Corey, Chuck Wendig, and Jay Posey.

Dune

Author: Frank Herbert

SOON TO BE A MAJOR MOTION PICTURE directed by Denis Villeneuve, starring Timothée Chalamet, Josh Brolin, Jason Momoa, Zendaya, Rebecca Ferguson, Oscar Isaac, Javier Bardem, Dave Bautista, Stellan Skarsgård, and Charlotte Rampling.

Frank Herbert's classic masterpiece—a triumph of the imagination and one of the bestselling science fiction novels of all time.

Set on the desert planet Arrakis, *Dune* is the story of the boy Paul Atreides, heir to a noble family tasked with ruling an inhospitable world where the only thing of value is the "spice" melange, a drug capable of extending life and enhancing consciousness. Coveted across the known universe, melange is a prize worth killing for....

When House Atreides is betrayed, the destruction of Paul's family will set the boy on a journey toward a destiny greater than he could ever have imagined. And as he evolves into the mysterious man known as Muad'Dib, he will bring to fruition humankind's most ancient and unattainable dream.

A stunning blend of adventure and mysticism, environmentalism and politics, *Dune* won the first Nebula Award, shared the Hugo Award, and formed the basis of what is undoubtedly the grandest epic in science fiction.

The Complete Harvesters Series: A Post-Apocalyptic Alien Invasion Adventure

USS Jefferson: Charge of the Symbios (USS Hamilton Book 4)

Author: Mark Wayne McGinnis

"McGinnis has pulled another rip-roaring page-turner out of his hat," *Ben Strat*

After the recent near-destruction of the USS Hamilton, Captain Galvin Quintos has been lying low, getting the USS Jefferson ready for service. In the midst of refurbishing the vessel, he gets a call for help from his former XO, new starship captain Gail Pristy. The Varapin have lured the 9th Fleet into a devious trap, and it's not long before Quintos has his orders to hurry to the rescue. But the Varapin have a colossal new warship—one that puts anything the US Space-Navy has to shame. Even after Quintos assembles a crew, he'll still need to pull a few rabbits, along with a few Symbio Poths, out of a hat to have any chance of surviving the coming battle. And Quintos' one last hope—reuniting with a past enemy—may prove as dangerous as fighting the Varapin themselves.

Edge of Collapse: A Post-Apocalyptic EMP Survival Thriller

Author: Kyla Stone

In the dead of winter, an EMP attack destroys the U.S. power grid.

No electricity. No cars or phones. The country is plunged into instant chaos.

But for Hannah Sheridan, it's the best day of her life. For the last five years, she's been the captive of a sadistic psychopath--until the EMP releases the lock of her prison.

Battered but not broken, she emerges from her underground cell into a hostile winter wilderness with nothing but her determination to survive.

Reclusive ex-soldier Liam Coleman is headed nowhere fast. He believed he was prepared for any disaster, until the EMP took everything he'd ever cared about in a matter of seconds.

Two hundred frozen, perilous miles stand between them and their destination in rural Michigan. But the killing cold isn't the only threat, for Hannah's captor isn't about to let her go...

When the country goes dark, ordinary people find themselves facing the end of the world as they know it. With society collapsing before their eyes, they'll have to risk everything to protect their home and the people they love.

The Man in the High Castle

Author: Philip K. Dick

The basis for the Amazon Original series

It's America in 1962. Slavery is legal once again. The few Jews who still survive hide under assumed names. In San Francisco, the *I Ching* is as common as the *Yellow Pages*. All because some twenty years earlier the United States lost a war—and is now occupied by Nazi Germany and Japan.

This harrowing, Hugo Award–winning novel is the work that established Philip K. Dick as an innovator in science fiction while breaking the barrier between science fiction and the serious novel of ideas. In it Dick offers a haunting vision of history as a nightmare from which it may just be possible to wake.

"The single most resonant and carefully imagined book of Dick's career." —*New York Times*

Song of Redemption (Sentenced to War Book 3)

Author: J.N. Chaney

In the midst of humanity's greatest fight for survival, old rivalries threaten to pull allies apart in a rush for rumored alien tech.

With the newly weaponized Sergeant Reverent Pelletier and his Marine Raiders at the tip of the spear, only they stand a chance at holding the shaky alliance together long enough to meet the enemy.

The Centaurs are on their way to destroy the very birthplace of human civilization: Mother Earth itself.

Humanity's end may be upon us. . . but only if Rev and his team fail to do the impossible.

Experience the thrilling third installment in the international bestselling series from USA Today Bestselling Authors J.N. Chaney and Jonathan Brazee. If you're a fan of gritty military scifi action and characters who refuse to quit, you'll love this series.

Genesis: A Military Sci-Fi Series (Holy War Book 1)

Author: Rick Partlow

First contact gone wrong...

It was every starship captain's nightmare, and for Travis Miller, it was his own personal hell.

He'd done everything by the book, but when the Tahni had attacked him and his crew, there was no choice but to return fire and destroy the first alien vessel humans had ever encountered.

Excoriated in the press, his career in shambles, Travis is exiled to a long patrol of the outer colony worlds. Forgotten, except as a bad example...until the Tahni prove him right by declaring war on the human Commonwealth.

Now, Travis Miller is the tip of the spear. Humanity's best hope for turning back an overwhelming assault on human space. Because to the Tahni, humans are infidels and this is a holy war...

Don't miss the next explosive series from the #1 Amazon Bestselling author of *Contact Front*, Rick Partlow. This is Military Sci-Fi the way it's meant to be. It's perfect for fans of Jay Allan, Jasper T. Scott, and Scott Bartlett.

Winter World (The Long Winter Trilogy Book 1)

Author: A.G. Riddle

**A new ice age...
and a shocking discovery...
will change humanity forever.**

From the Amazon Charts and *Wall Street Journal* bestselling author with over FOUR MILLION COPIES sold worldwide comes an epic novel with an unforgettable twist.

*** Longlisted for the Wilbur Smith Award for best published novel. ***

In the near future, a new ice age has begun.

Humanity stands on the brink of extinction.

Desperate for answers, scientists send probes into the solar system to take readings. Near Mars, they identify a mysterious object moving toward the Sun. Is it the cause of the ice age? Or could it be humanity's only hope of survival?

With time running out, NASA launches a mission to make contact. But the object isn't what anyone thought. In the dark of space, alone, the team makes a discovery that will change the course of human history—and possibly end it.

Filled with real science and fascinating details, *Winter World* is that unique blend of fact and fiction that could completely change how you see our planet—and humanity's future. For those intrepid souls starting this bestselling trilogy, be warned: you may well be up late into the night turning the pages.

Praise for A.G. Riddle

An Extended Look at *Winter World*

Each month, Earth grows colder.

Snow falls in summer. Glaciers trample cities across North America, Europe, and Asia. The new ice age shows no signs of stopping.

Chaos erupts.

Around the world, people abandon their homes and flock to regions where they can survive. Nations prepare to go to war for the world's last habitable zones.

Scientists search the cause of the new ice age. They send probes into the solar system to collect readings. Near Mars, a probe finds a mysterious object, drifting toward the Sun. Is it responsible for the new ice age? Or is it merely an observer? Or neither? Could it be a relic from a long-extinct civilization? One thing is certain: investigating the object is humanity's best hope of survival.

As the ice age claims more lives and the world slides into anarchy, an international consortium launches a mission into space to make contact. But the first contact mission doesn't go as planned. What the crew discovers out there is beyond anyone's imagination.

Two members of the first contact mission may hold the keys to humanity's salvation.

Dr. Emma Matthews is the commander aboard the International Space Station. For months, she has watched the world below freeze and civilization unravel. The headlines tell only half of the story. The messages from her sister tell the rest, of a world witnessing mass migrations, fighting for survival, struggling to provide a future for their children. When a catastrophe strikes the ISS, Emma faces her own fight for survival.

Dr. James Sinclair is one of the greatest scientists alive. A mind before his time. Years ago, he invented something with the potential to change the world—an invention that would upset the balance of power in the world forever. Fearing that change, his enemies sent him to prison for a crime he didn't commit. But with humanity's future at stake, NASA asks him to join the first contact mission. His expertise is vital to the mission's success—and to saving Emma. With the clock ticking down to humanity's final days on Earth, James makes a decision that will change his life forever and may determine the fate of the entire human race.

Available in Kindle eBook, Audible audiobook, print, and Kindle Unlimited.

Bad Guy: A Science Fiction Romance

Author: Ruby Dixon

Crudden the Ruiner is the name of a fierce gladiator who's broken the rules...and broken anyone that approaches.

It's *my* name.

It's a name that strikes fear into the hearts of all...all except the small human female who comes to clean my cell and glares at me the entire time.

My new owners want things from me. They want me to play in their games. They want me to win battles for them.

Well, I know what I want in return.

I want her.

And I don't care who I have to destroy to get her.

But Mina doesn't want to be owned...and certainly not by one as terrible as me. How does a bad guy woo the girl when all he knows is death and destruction?

The Immortality Code

Author: Douglas E. Richards

Allie Keane's breakthrough in quantum computing holds the key to unlocking eternity. But can she survive long enough to use it? A riveting science-fiction thriller from the million-copy NY Times bestselling author.

"Richards is a worthy successor to Michael Crichton." (SF Book dot com)

When Allie Keane makes a revolutionary discovery in quantum computing, she kicks the ultimate hornets' nest. She doesn't know it, but a hidden battle for tech supremacy is raging around the world, and whoever controls her discovery will dominate the globe. Soon, Allie is being hunted by ruthless forces desperate to learn her secret, and only Zachary Reed, a gifted operative within a shadowy government agency, stands in their way.

But as extraordinary as Allie's breakthrough is, it holds the key to unleashing something far bigger. An unrelated technology thousands of years beyond current science. A staggering advance capable of bringing about a utopia, rewriting the laws of life and death, and helping humanity spread throughout the stars.

As long as it doesn't wipe out all life on Earth before that can happen . . .

The Immortality Code is a masterful thriller. One crammed with breakneck action, unexpected twists, mind-blowing science, and ethical dilemmas readers will be contemplating long after they've read the last page.

"Richards is an extraordinary writer," (Dean Koontz) who can "keep you turning the pages all night long." (Douglas Preston)

Stranger in a Strange Land

Author: Robert A. Heinlein

Robert Heinlein's Hugo Award-winning all-time masterpiece, the brilliant novel that grew from a cult favorite to a bestseller to a science fiction classic.

Raised by Martians on Mars, Valentine Michael Smith is a human who has never seen another member of his species. Sent to Earth, he is a stranger who must learn what it is to be a man. But his own beliefs and his powers far exceed the limits of humankind, and as he teaches them about grokking and water-sharing, he also inspires a transformation that will alter Earth's inhabitants forever...

House of Sky and Breath (Crescent City)

Author: Sarah J. Maas

Sequel to the #1 New York Times bestseller!

Sarah J. Maas's sexy, groundbreaking CRESCENT CITY series continues with the second installment.

Bryce Quinlan and Hunt Athalar are trying to get back to normal-they may have saved Crescent City, but with so much upheaval in their lives lately, they mostly want a chance to relax. Slow down. Figure out what the future holds.

The Asteri have kept their word so far, leaving Bryce and Hunt alone. But with the rebels chipping away at the Asteri's power, the threat the rulers pose is growing. As Bryce, Hunt, and their friends get pulled into the rebels' plans, the choice becomes clear: stay silent while others are oppressed, or fight for what's right. And they've never been very good at staying silent.

In this sexy, action-packed sequel to the #1 bestseller House of Earth and Blood, Sarah J. Maas weaves a captivating story of a world about to explode-and the people who will do anything to save it.

1984

Author: George Orwell

George Orwell's nineteen Eighty-Four is one of the most definitive texts of modern literature. Set in Oceania, one of the three inter-continental superstate that divided the world among themselves after a global war, Orwell's masterful critique of the political structures of the time, works itself out through the story of Winston Smith, a man caught in the webs of a dystopian future, and his clandestine love affair with Julia, a young woman he meets during the course of his work for the government. As much as it is an entertaining read, nineteen Eighty-Four is also a brilliant, and more importantly, a timeless satirical attack on the social and political structures of the world.

Junkyard Veterans (Junkyard Pirate Book 4)

Author: Jamie McFarlane

With a price on their heads, grumpy old vets will risk everything to bring alien assassins to justice.

Someone is killing off the old team of vets who repelled Earth's first Korgul invasion. With the end of a war precious few even knew was happening, life's been peaceful. Of course, Albert Jenkins isn't a bit surprised when that peace is shattered by the sounds of rocket propelled grenades fired over the Georgia swamps. To make matters worse, when he reports the alien's foiled attack to the Army, he's ordered to keep things quiet and stop causing trouble.

The problem is AJ has only one gear and avoiding trouble isn't in his makeup. So instead of sitting around and waiting for the next RPG to be tossed his way, he takes to the stars and starts tracking bounty hunters the only way he knows how – up close and personal.

Junkyard Veterans is the fourth installment of the popular Junkyard Pirate series.

Buy *Junkyard Veterans* and help AJ put alien bounty hunters in their place.

Pestilence (The Four Horsemen Book 1)

Author: Laura Thalassa

They came to earth—Pestilence, War, Famine, Death—four horsemen riding their screaming steeds, racing to the corners of the world. Four horsemen with the power to destroy all of humanity. They came to earth, and they came to end us all.

When Pestilence comes for Sara Burn's town, one thing is certain: everyone she knows and loves is marked for death. Unless, of course, the angelic-looking horseman is stopped, which is exactly what Sara has in mind when she shoots the unholy beast off his steed.

Too bad no one told her Pestilence can't be killed.

Now the horseman, very much alive and very pissed off, has taken her prisoner, and he's eager to make her suffer. Only, the longer she's with him, the more uncertain she is about his true feelings towards her ... and hers towards him.

And now, well, Sara might still be able to save the world, but in order to do so, she'll have to sacrifice her heart in the process.

Leviathan Wakes (The Expanse Book 1)

Author: James S. A. Corey

From a *New York Times* bestselling and Hugo award-winning author comes a modern masterwork of science fiction, introducing a captain, his crew, and a detective as they unravel a horrifying solar system wide conspiracy that begins with a single missing girl.

Humanity has colonized the solar system—Mars, the Moon, the Asteroid Belt and beyond—but the stars are still out of our reach.

Jim Holden is XO of an ice miner making runs from the rings of Saturn to the mining stations of the Belt. When he and his crew stumble upon a derelict ship, the *Scopuli*, they find themselves in possession of a secret they never wanted. A secret that someone is willing to kill for—and kill on a scale unfathomable to Jim and his crew. War is brewing in the system unless he can find out who left the ship and why.

Detective Miller is looking for a girl. One girl in a system of billions, but her parents have money and money talks. When the trail leads him to the *Scopuli* and rebel sympathizer Holden, he realizes that this girl may be the key to everything.

Holden and Miller must thread the needle between the Earth government, the Outer Planet revolutionaries, and secretive corporations—and the odds are against them. But out in the Belt, the rules are different, and one small ship can change the fate of the universe.

Randomize (Forward collection)

Author: Andy Weir

Audible narration by Janina Gavankar (*True Blood*)

In the near future, if Vegas games are ingeniously scam-proof, then the heists have to be too, in this imaginative and whip-smart story by the *New York Times* bestselling author of *The Martian*.

An IT whiz at the Babylon Casino is enlisted to upgrade security for the game of keno and its random-number generator. The new quantum computer system is foolproof. But someone on the inside is no fool. For once the odds may not favor the house—unless human ingenuity isn't *entirely* a thing of the past.

Andy Weir's Randomize is part of Forward, a collection of six stories of the near and far future from out-of-this-world authors. Each piece can be read or listened to in a single thought-provoking sitting.

From book one...

The countdown to the end of the world has begun.

A mysterious convergence of natural disasters threatens to destroy life as we know it, and people across the United States are going missing. With no one left to investigate, Special Agent Kendra Baker takes the case, trying to solve the disappearances before she's out of time.

Among those abducted is Valeria Miller, the daughter of ex-Marine Corporal Andrew Miller, and he'll stop at nothing to find her.

With the help of an unstable conspiracy theorist, they find themselves on the trail of a reclusive billionaire who just might have all the answers.

As the natural catastrophes escalate and the evacuations commence, it becomes a race against the clock to find the abductees before it's too late.

Final Days is a doomsday science fiction thriller, written by Jasper T. Scott and Nathan Hystad.

Fugitive Telemetry (The Murderbot Diaries Book 6)

Author: Martha Wells

The *New York Times* bestselling security droid with a heart (though it wouldn't admit it!) is back in *Fugitive Telemetry*!

Having captured the hearts of readers across the globe (Annalee Newitz says it's "one of the most humane portraits of a nonhuman I've ever read") Murderbot has also established Martha Wells as one of the great SF writers of today.

No, I didn't kill the dead human. If I had, I wouldn't dump the body in the station mall.

When Murderbot discovers a dead body on Preservation Station, it knows it is going to have to assist station security to determine who the body is (was), how they were killed (that should be relatively straightforward, at least), and why (because apparently that matters to a lot of people—who knew?)

Yes, the unthinkable is about to happen: Murderbot must voluntarily speak to humans!

Again!

A new standalone adventure in the *New York Times*-bestselling, Hugo and Nebula Award winning series!

Manaborn 1

Author: Cassius Lange

This is the story about how I **died**. Not really...I mean, I don't remember most of it, thank goodness. Long story short, I was betrayed. Some people I thought I could trust invaded my sky palace, stole my women, and enslaved my pet shadow hounds.

I was destroyed, utterly. Or so they thought.

Somehow, mana, the source of my previous power, *brought me back*. The backstabbing weasels think they are safe, barricaded in their strongholds. Here's the horrible part. They willingly sacrificed their own flesh and blood for security. And they had the nerve to call **me** evil?

Death wasn't all bad, I guess. It showed me what was truly important. But before I can get around to living my second life, I have some retribution to dish out.

Yes, some will call me unnatural. Others, evil. Blah blah blah.

I call me the **Manaborn**.

This adult cultivation story features: A reincarnated, unconventional protagonist, martial arts and progression focus, empire/city-building elements, loads of sarcasm, and unconventional/undefined relationships. *I hope you enjoy!*

Diplomatic Recruit: A Kurtherian Gambit Series (The Empress' Spy Book 1)

Author: S.E. Weir

What if you were given an offer you shouldn't refuse?

Seraphina Waters craves the opportunity to protect Bethany Anne's growing Etheric Empire.

Thrown a lifeline when she needs it most, she's given a chance to prove herself.

If she can.

Pulled into alien politics, and a life beyond her imagination, Phina might just have a chance to have the one thing she's always wanted.

Now, she just needs to pull it off without getting killed.

Go Up and click 'Buy Now' or 'Read for Free' in Kindle Unlimited and follow a young woman unleashed against the threats of the Empire!

Note: You are heading to the edge of the space map where danger lies, your only clue a note written that warns, "Here be dragons."

The first group are the dragons of cursing. This series is part of a universe where cursing is not only accepted but encouraged to be as creative as possible. Some dragons of cursing in this series are small and some are full grown, but they all could pose a barrier to those who find cursing dragons to be offensive.

The second group are the dragons of violence. The dragons of violence in this book are relatively young, but they grow as the series progresses. They make no apologies for staring you in the face while they kick the asses of those who find injustice acceptable.

The last group are the dragons of abuse. The dragons of abuse in this book are mental and emotionally related, but they still exist to nibble at the unwary traveler's defenses.

If these dangerous dragons intimidate you, best you stay clear. There will always be dragons at the edge of the map.

OCTOBER FALL (October Fall series Book 1)

Author: Mark Loren

Just as the nation was getting over the virus, *everything* went dark.

All modern electronic technology - toast. All communications and the Internet - down.

The police, FEMA, nor anyone in the government showed up for work any more.

Help was not coming. Everyone was on their own. The rule of law . . . lost.

Jake strongly suspected a massive EMP had completely destroyed the power grid. But he's a prepper, right? He and his MAG are ready for this, right? He's a retired Army Major, his wife Samantha a retired Army Captain. Other members of the MAG are retired military too, and they've been getting ready for something like this for over a decade. They have experience.

Their kids were off to college 90 miles away, and Jake was volunteering at the VA hospital when the SHTF, but he'd planned for that too. He felt confident his plans and his preps would save his family and friends. They were very well-prepared . . . but their neighbors weren't.

WARNING: There is some harsh cursing by some of the characters. There are some scenes depicting extreme violence. If you can't handle that—this is NOT the story for you.

Winner: 2018 Alex Award

Winner: 2018 Locus Award

One of the Verge's Best Books of 2017

A New York Times and USA Today Bestseller

A murderous android discovers itself in *All Systems Red*, a tense science fiction adventure by Martha Wells that interrogates the roots of consciousness through Artificial Intelligence.

"As a heartless killing machine, I was a complete failure."

In a corporate-dominated spacefaring future, planetary missions must be approved and supplied by the Company. Exploratory teams are accompanied by Company-supplied security androids, for their own safety.

But in a society where contracts are awarded to the lowest bidder, safety isn't a primary concern.

On a distant planet, a team of scientists are conducting surface tests, shadowed by their Company-supplied 'droid — a self-aware SecUnit that has hacked its own governor module, and refers to itself (though never out loud) as "Murderbot." Scornful of humans, all it really wants is to be left alone long enough to figure out who it is.

But when a neighboring mission goes dark, it's up to the scientists and their Murderbot to get to the truth.

Caveman Alien's Fate (Caveman Aliens Book 14)

Author: Calista Skye

Beatrice

I'm walking into a dragon's lair.

He's the biggest, mightiest and most horrific dragon on pre-historic planet Xren. He can burn me to a crisp or rip me to shreds with his butcher-knife claws.

My knees threaten to buckle with each step, and I'm **inwardly screaming at myself to get the hell away and run.**

But someone has to do it. And this is not the first time I meet this dragon. I'll try to talk sense into him before he murders us all.

I have a weapon, though. If he makes one false move, **I'll absolutely shoot him and we'll both die.**

Yranox

That round little female is walking into my lair.

I observe her from behind, unseen and astonished at her insanity. Does she not know that dragons are deadly? And that I am the deadliest of all?

She looks very tempting, though. Perhaps **I will have some fun with that luxurious body** before I tear her to pieces.

***Caveman Alien's Fate* is the fourteenth and final book in the Caveman Aliens series of science fiction romance novels. The books are complete stories, but should be read in order for maximum enjoyment.**

Expect steamy scenes, mysterious aliens with features like adult toys, deadly planets and the love story between a girl from Earth and a sensationally hot and dangerous dragon shifter.

Children of Angels (Sentenced to War Book 2)

Author: J.N. Chaney

The war has only just begun.

While rescuing a world from Centaur control, the Marines discover that not all humans on the planet are slaves. The Children of Angels believe their masters have been sent by the gods to lift up mankind.

Humanity now has two enemies, one from the farthest reaches of the Galaxy and the other from within.

The Children must be crushed before they open the door, delivering the human race to the greatest enemy we have ever known.

Buckle up and strap in. The second entry in the Sentenced to War series is finally here. If you're a fan of Old Man's War or Starship Troopers, you'll love this epic military scifi thrill ride.

Governor

Author: David Weber

For more than fifty years, the Terran Republic and the Terran League have been killing one another. The death toll has climbed ever higher, year after year, with no end in sight. But the members of the Five Hundred, the social elite of the Republic's Heart Worlds, don't care.

Rear Admiral Terrence Murphy is a Heart Worlder. His family is part of the Five Hundred. His wife is the daughter of one of the Five Hundred's wealthiest, most powerful industrialists. His sons and his daughter can easily avoid military service, and political power is his for the taking. There is no end to how high he can rise in the Republic's power structure.

All he has to do is successfully complete a risk-free military "governorship" in the backwater Fringe System of New Dublin without rocking the boat. But the people sending him to New Dublin have miscalculated, because Terrence Murphy is a man who believes in honor. Who believes in duty—in common decency and responsibility. Who believes there are dark and dangerous secrets behind the façade of what "everyone knows."

Terrence Murphy intends to meet those responsibilities, to unearth those secrets, and he doesn't much care what the Five Hundred want. He intends to put a stop to the killing.

Terrence Murphy is coming for whoever has orchestrated fifty-six years of bloodshed and slaughter, and Hell itself is coming with him.

At the publisher's request, this title is sold without DRM (Digital Rights Management).

About *The Gordian Protocol*:

The trilogy is now in development to be a major motion picture.

With shocking plot twists and revelations around every turn, *The Atlantis Plague* will keep you up late into the night turning the pages to find out what the Immari have in store for David, Kate, and Dorian.

Selected Praise For A.G. Riddle

"This is apocalyptic sci-fi at its best."
—**Daily Mail** on *The Solar War*

"...reads like a superior collaboration between Dan Brown and Michael Crichton."
—**The Guardian** on *Pandemic*

"I finished the book fast because I just couldn't wait..."
—**WIRED GeekDad** on *Departure*

"Riddle... keep(s) the focus on his characters... rather than the technological marvels"
—**Publisher's Weekly** on *Departure*

An Extended Look at *The Atlantis Plague*

In Marbella, Spain, Dr. Kate Warner awakens to a horrifying reality: the human race stands on the brink of extinction. A pandemic unlike any before it has swept the globe. Nearly a billion people are dead—and those that the Atlantis Plague does not kill, it transforms at the genetic level. A few rapidly evolve. The remainder devolve.

As the world slips into chaos, radical solutions emerge. Industrialized nations offer a miracle drug, Orchid, which they mass produce and distribute to refugee camps around the world. But Orchid is merely a way to buy time. It treats the symptoms of the plague but never cures the disease.

Immari International offers a different approach: do nothing. Let the plague run its course. The Immari envision a world populated by the genetically superior survivors—a new human race, ready to fulfill its destiny.

With control of the world population hanging in the balance, the Orchid Alliance and the Immari descend into open warfare. Now the last hope for humanity is to find a cure. Kate alone holds the key to unraveling the mystery surrounding the Atlantis Plague. The answer may lie in understanding pivotal events in human history—events when the human genome mysteriously changed. Her journey takes her across the barren wastelands of Europe and northern Africa, but it is her research into the past that takes her where she never expected to go. She soon discovers that the history of human evolution is not what it seems—and setting it right may require a sacrifice she never imagined.

About The Author

A.G. Riddle's debut novel, *The Atlantis Gene*, became a global phenomenon, topping best seller charts in the US and abroad. Every year, Amazon compiles a list of the top 100 bestselling Kindle eBooks of the year (by total sales volume). *The Atlantis Gene* has made Amazon's annual Kindle bestseller list an unprecedented five years in a row—every year since the book's release (2013, 2014, 2015, 2016, and 2017). Since then, Riddle has released eight more novels, selling millions of copies in two dozen languages. His books feature a unique mix of science, history, and suspense that has delighted fans of Michael Crichton, Dan Brown, Clive Cussler, and James Rollins and continues to sell year after year. He lives in Raleigh, North Carolina.

The Naked Alien: A SciFi Alien Romance (Exposed to the Elements Book 1)

Author: Honey Phillips

Can Jane survive alone on an alien planet? And is she really alone?

Jane has no interest in the great outdoors. She prefers her comfortable bed, her books, and all the conveniences of modern life. So when she wakes up alone and naked in what appears to be an alien jungle, her only goal is to find her way home.

The question of whether or not she's alone is answered when a massive stranger comes to her rescue. Her savior is big and growly and he doesn't speak her language - but the heat in his eyes doesn't need translation...

Commander Taraxan's people may have mastered advanced technology, but they have never forgotten their primitive roots. So when he wakes up naked and weaponless on an unknown planet, he is annoyed but not alarmed.

As he searches for a way to return to his civilization, he discovers a strange, pale female blundering around the jungle. Oblivious to the hazards surrounding her, she is clumsy, helpless... and completely adorable. As an honorable warrior, he has no choice but to protect her - but he doesn't expect the task to be so rewarding...

Can two complete opposites survive the jungle - and their sizzling attraction to one another? And what possible future awaits a human woman and an alien commander who are both determined to return to their own worlds?

Each book in the Exposed to the Elements series can be read as a standalone romance. This sweet and steamy romance is intended for mature audiences only.

The Fossil: Science Fiction Thriller (Secrets Of Mars Book 1)

Author: Joshua T. Calvert

"An intriguing, character-driven mystery/thriller with 'science-fictional awe and' outer-space trappings." (*Kirkus Reviews*) A human fossil on Mars. An astronaut who lost her memory and a powerful organization that keeps a secret in Antarctica—one that will change the world forever. "Joshua T. Calvert has a gift for making nail-biting science fiction that you can't put down. Get ready for some sleepless nights!" - *M.A. Rothman, USA Today bestselling author*

In 2018, Canadian archaeologist Ron Jackson makes a mind-boggling discovery in Antarctica—right before disappearing without a trace, leaving behind only his controversial theory that humans have lived on Earth far, far longer than we think they have.

Decades later, in 2042, when Jackson's wife dies under mysterious circumstances, an unlikely pair of investigators, Agatha Devenworth and Pano Hofer, begin investigating whether her death might be connected to Jackson's disappearance. What exactly was it he found before he vanished? Why is the Human Foundation, a hyper-powerful business empire built on an endless series of game-changing inventions it has been rolling out, one after another, for over twenty years, trying to hide the truth from the two investigators? And what could it possibly have to do with the first manned mission to Mars, which ended in disaster leaving countless conspiracy theories in its wake?

The Buff Beast: A SciFi Alien Romance (Exposed to the Elements Book 4)

Author: Honey Phillips

Can Mina survive the icy cold of an alien winter? And melt the heart of the hardened alien warrior who rescues her?

Her home. Her job. In a few short months, Mina has lost everything, including hope. Freezing and alone on a winter night, she isn't sure if she will make it to the next day. Or even if it matters.

She wakes up to find herself naked and freezing, but no longer alone. An angel appears out of the snow to save her. An angel with fangs and claws, and a pain in his eyes which matches her own.

Betrayed by everyone he cares about, Myk-El retreats into a solitary life of study and discipline. When he finds himself alone on a strange planet, his only real regret is that his books did not accompany him.

Then he finds a fragile, helpless female in the snow. Experience has taught him not to trust, but he cannot resist the appeal in her big, blue eyes. As he thaws her frozen body, she begins to thaw his frozen heart.

But when the hidden forces behind their arrival on the planet make their presence known, will Mina be able to save him in return? Or will they use her to destroy him?

Each book in the Exposed to the Elements series can be read as a standalone romance; however, this book contains references to previous characters and events in the series and may best be enjoyed in order. This sweet and steamy romance is intended for mature audiences only.

He has tusks and a tail and insists she's his fated mate. She's enticed, but determined not to get involved. Can a burly alien warrior and a single mom find love together on a planet far from Earth?

Garek: With my clan threatened, I don't have time for romance with a pesky Earth female. Until I meet Piper. She and her youngling son are part of our planet's new settlement. Soon, I find myself helping her plan her home and talking about odd Earthling activities. What is a square dance, and must I do it? She's soft and lush in all the right places, and I could pick her up and carry her around with one arm. And her son... I ache to show him how to tame a mighty winged trundier. Piper may say she doesn't need love, but I'll do whatever it takes to win her heart.

Piper: I brought my eight-year-old son to Ferlaern to start anew--the new wild west, we're calling this planet. The other women want romance but not me. Then I meet Garek, a seven-foot-tall, gruff warrior who's out to steal my heart. Burned in the past, I'm afraid to trust. Never mind that he makes my son laugh for the first time in forever or that his kisses... Not going there. But when our settlement's attacked by vicious creatures, it'll take both of us to survive the threat.

Enticed by an Alien Warlord is Book 1 in the Fated Mates of the Ferlaern Warriors Series. This standalone, full-length romance has on-the-page heat, aliens who look and act alien, a guaranteed happily ever after, no cheating, and no cliffhanger. Look for the series on Amazon.

Prey: A Fantasy Reverse Harem (Omega Prey Book 1)

Author: L.V. Lane

I am prey.

This is not pity talking, this is an acknowledgment of a fact.

I am small and weak; I am an Omega. I am a prize that men war over.

For a year I have hidden in the distant corner of the Empire.
But I am running out of food, and I am running out of options.
That I must leave soon is not a decision for today, though, but a decision for tomorrow.
Only tomorrow's choices never come.
For tonight brings strangers who remind me that I am prey.

Publisher's Note: Prey is a fantasy reverse harem omegaverse with three stern Alphas, an Alpha wolf-shifter, and a stubborn Omega prey. It includes smoking hot sexual situations, spankings, and domestic discipline.

Dark and delicious: As usual, L.V Lane absolutely delivers on this new RH omegaverse featuring 4 alphas (one of which is an alpha wolf shifter) and their stubborn omega prey. ~Amazon reviewer *★★★★*

A hot and spicy read: The characters fit well together and have sizzling chemistry. The story flows well, it will keep you interested all the way through. ~Amazon reviewer *★★★★*

L.V. Lane created an amazing cast of alphas, starting with the dominant first alpha Silas and ending with my favorite half wolf shifter Nate whose antics kept me thoroughly entertained. ~Amazon reviewer *★★★★*

Lost Contact (The Bridge Sequence Book One)

Author: Nathan Hystad

**A mysterious object in space.
An archaeologist in search of answers.
A cult hailing the end of the world.
The Bridge awaits...**

Rex Walker always wanted to be like his father: a daring, adventurous man, traveling the world in pursuit of mysterious relics. Now Rex is the same age his father was when he disappeared without a trace.

While teaching anthropology at a Boston college, Rex attempts to bury the past, until he discovers a hidden clue he can't ignore.

With the help of his sidekick Marcus, a former student turned protégé, he teams up with an alien-obsessed billionaire, and they search for the fabled Bridge.

As an unidentified object nears Pluto, speculation surges. The Believers, a fanatical cult, hail it as the homecoming of a distant alien race.

Will Rex solve the puzzle before it's too late? Find out in **Lost Contact**, the first installment of The Bridge Sequence by Nathan Hystad, the best-selling author of *The Event* and *Final Days*.

The Da Vinci Code meets Contact in this near-future SciFi thriller

Nuclear Winter Devil Storm: Post Apocalyptic Survival Thriller (Nuclear Winter Series Book 4)

Author: Bobby Akart

**Nuclear fallout wrapped the planet in a blanket of soot, blocking the sun's rays, wreaking havoc on the atmosphere.
The planet was plunged into a deep chill that would last for years.
Plants withered. Animals died.
Famine exacted its toll on the human population.
From the initial firestorm and the spread of smoke to the destruction of the Earth's ecosystem.**

Nuclear winter took no prisoners.

International bestselling author, Bobby Akart, one of America's favorite storytellers, delivers up-all-night thrillers to readers in 245 countries and territories worldwide.

"Masterful and suspenseful!"

This is how the world ends. Not with a bang, but with many nuclear bombs detonated around the planet. It was no longer a topic of conversation around the dinner table as in years past. Nobody was prepared, including the world's governments. Yet the threat was always real and the devastation was predictable.

"Bobby's uncanny ability to take a topic of what could happen and write an epic story about it is short of preternatural!"

The damage was incalculable. Millions died at the points of impact. Nuclear Winter spread across the globe. A rapidly cooling climate shocked humanity and all

living things ... to their death.

Akart's new Nuclear Winter series depicts a world on the edge of nuclear Armageddon. Nuclear Armageddon became reality and ordinary Americans are paying the price.

"I never would have believed that Mr. Akart could outdo himself! Well, he has! This series is quite possibly the best he has ever written."

This is more than the story of nuclear conflict. It's about the devastating effects wrought by Nuclear Winter. Our possible future is seen through the eyes of the Albright family whose roots stretch back to the early settlement of the Florida Keys.

While they fight for survival, they trek across a rapidly deteriorating landscape wrought with danger from both the elements and their fellow man.

It was not our fight, but it became our problem.

"I am speechless. By far the most edge of your seat, acrylic nail biting book ever. E V E R."

Bobby Akart has delivered intense, up-all-night thrillers that have you whispering just one more chapter until the end.

Parable of the Sower

Author: Octavia E. Butler

A New York Times Notable Book: In 2025, with the world descending into madness and anarchy, one woman begins a fateful journey toward a better future.

"A stunner." —Flea, musician and actor, *The Wall Street Journal*

Lauren Olamina and her family live in one of the only safe neighborhoods remaining on the outskirts of Los Angeles. Behind the walls of their defended enclave, Lauren's father, a preacher, and a handful of other citizens try to salvage what remains of a culture that has been destroyed by drugs, disease, war, and chronic water shortages. While her father tries to lead people on the righteous path, Lauren struggles with hyperempathy, a condition that makes her extraordinarily sensitive to the pain of others.

When fire destroys their compound, Lauren's family is killed and she is forced out into a world that is fraught with danger. With a handful of other refugees, Lauren must make her way north to safety, along the way conceiving a revolutionary idea that may mean salvation for all mankind.

This ebook features an illustrated biography of Octavia E. Butler including rare images from the author's estate.

Ready Player Two: A Novel (Ready Player One Book 2)

Author: Ernest Cline

#1 NEW YORK TIMES BESTSELLER • The highly anticipated sequel to the beloved worldwide bestseller *Ready Player One*, the near-future adventure that inspired the blockbuster Steven Spielberg film.

NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE WASHINGTON POST • "The game is on again. . . . A great mix of exciting fantasy and threatening fact."—*The Wall Street Journal*

AN UNEXPECTED QUEST. TWO WORLDS AT STAKE. *ARE YOU READY?*

Days after winning OASIS founder James Halliday's contest, Wade Watts makes a discovery that changes everything.

Hidden within Halliday's vaults, waiting for his heir to find, lies a technological advancement that will once again change the world and make the OASIS a thousand times more wondrous—and addictive—than even Wade dreamed possible.

With it comes a new riddle, and a new quest—a last Easter egg from Halliday, hinting at a mysterious prize.

And an unexpected, impossibly powerful, and dangerous new rival awaits, one who'll kill millions to get what he wants.

Wade's life and the future of the OASIS are again at stake, but this time the fate of humanity also hangs in the balance.

Lovingly nostalgic and wildly original as only Ernest Cline could conceive it, *Ready Player Two* takes us on another imaginative, fun, action-packed adventure through his beloved virtual universe, and jolts us thrillingly into the future once again.

The Bare Essentials: A SciFi Alien Romance (Exposed to the Elements Book 2)

Author: Honey Phillips

Can Janet survive the heat of an alien desert? And the heat of the alien warrior who finds her?

One minute Janet is sliding into a snow bank. The next she is alone in the middle of a strange pink desert. Alone and naked.

When a huge, golden-scaled male appears out of the shifting sands, she is convinced that he is a mirage. But the fiery pleasure of his touch feels too real to be an illusion.

Sabrost is preparing for his final initiation as a priest of Tetlana when he is snatched away from his temple. The desert in which he awakens reminds him of his ancestral sands. But his ancestors would never have accepted the delicate female who arouses all of his protective instincts.

The desert holds many secrets - not the least of which are the secrets of the heart. Which will prove most treacherous as Janet and Sabrost make the perilous trek to safety?

Each book in the Exposed to the Elements series can be read as a standalone romance. This sweet and steamy romance is intended for mature audiences only.

Early Reviews From Followers

*I have read this a few times because I really like the story and the pacing. This story explores an interesting question of what do high level characters do in their happily ever afters. Personally it resonated with me because if you have ever played an MMO you get to a point where people quit because there's no more content and you are left trying to find something to do. The characters are really good and overall I really liked this. Looking forward to more from the author. - K N

For the readers who want a simple slice of life story, The Retired S Rank Adventurer is not the story for you. However, for those readers who want to read a story with a vast world and want twists and turns in their story, read at the very least to chapter 24. I will not spoil the story, but chapter 24 completely caught me off guard. It truly surprised me, but I can't say there were not hints along the way looking back now. It is a slow burn, but it definitely is worth the wait. - John Plume

NOVEMBER FEUD (October Fall series Book 2)

Author: Mark Loren

We've made it to the bug-out location, hoping to just hunker down and stay out of sight—only to find the leader of a local clan just couldn't leave us alone, resulting in a NOVEMBER FEUD.

It's been almost two weeks since the EMP destroyed the American way of life as we knew it. The power grid collapsed and would most likely not be repaired for decades. I'm Jake—a husband, father, brother, Army veteran, militia commander, prepper, stacker, gun owner, and one of the few with common sense who hasn't panicked yet. I was the first in our MAG to recognize that an EMP event had occurred and knew best what to do because of both my military training and the many post-apocalyptic books I'd read over the years. I moved everyone in our group, along with our essential assets, safely to the bug-out location I'd been helping to prep for years. This is my story.

WARNING: There is some harsh cursing by some of the characters. There are some scenes depicting extreme violence. If you can't handle that—this is NOT the story for you.

Alone: A Paranormal Mystery Thriller (The Girl in the Box Book 1)

Author: Robert J. Crane

The first edge-of-your-seat novel in the *million-selling* Girl in the Box Series by Robert J. Crane.

Sienna Nealon was a 17 year-old girl who had been held prisoner in her own house by her mother for twelve years. Then one day her mother vanished, and Sienna woke up to find two strange men in her home. On the run, unsure of who to turn to and discovering she possesses mysterious powers, Sienna finds herself pursued by a shadowy agency known as the Directorate and hunted by a vicious psychopath named Wolfe, each of which is determined to capture her for their own purposes...

What readers are saying:

"...The right mix of history, mystery, romance, excitement, who-dunnits & yeah, sci-fi." ★★★★★

"...I haven't been drawn in this much since The Hunger Games." ★★★★★

"A thrill ride with a kick butt heroine. When you find a writer that gives you everything you want in a book: emotion, mystery, humor, and of course, some kick ass fight scenes, you have to become a fan." ★★★★★

The Testaments: A Novel

Author: Margaret Atwood

A *New York Times* bestselling modern masterpiece that "reminds us of the power of truth in the face of evil" (*People*)—and can be read on its own or as a sequel to Margaret Atwood's classic, *The Handmaid's Tale*.

"Atwood's powers are on full display" (*Los Angeles Times*) in this deeply compelling Booker Prize-winning novel, now updated with additional content that explores the historical sources, ideas, and material that inspired Atwood.

More than fifteen years after the events of *The Handmaid's Tale*, the theocratic regime of the Republic of Gilead maintains its grip on power, but there are signs it is beginning to rot from within. At this crucial moment, the lives of three radically different women converge, with potentially explosive results.

Two have grown up as part of the first generation to come of age in the new order. The testimonies of these two young women are joined by a third: Aunt Lydia. Her complex past and uncertain future unfold in surprising and pivotal ways.

With *The Testaments*, Margaret Atwood opens up the innermost workings of Gilead, as each woman is forced to come to terms with who she is, and how far she will go for what she believes.

The Naturalist

Author: Andrew Mayne

An Amazon Charts bestseller.

Professor Theo Cray is trained to see patterns where others see chaos. So when mutilated bodies found deep in the Montana woods leave the cops searching blindly for clues, Theo sees something they missed. Something unnatural. Something only he can stop.

As a computational biologist, Theo is more familiar with digital code and microbes than the dark arts of forensic sleuthing. But a field trip to Montana suddenly lands him in the middle of an investigation into the bloody killing of one of his former students. As more details, and bodies, come to light, the local cops determine that the killer is either a grizzly gone rogue...or Theo himself. Racing to stay one step ahead of the police, Theo must use his scientific acumen to uncover the killer. Will he be able to become as cunning as the predator he hunts—before he becomes its prey?

Forgotten Ruin: An Epic Military Fantasy Thriller

Author: Jason Anspach

Tolkien meets Shock and Awe

Orcs. Trolls. Wraith riders. Dark wizards. Together, they form an unstoppable force. Or so they thought.

Dark Army... meet the U.S. Army Rangers.

When a Joint Task Force of elite Rangers are transported to a strange and fantastic future where science and evolution have incarnated the evils of myth and legend, they find themselves surrounded, pinned down, and in a desperate fight for their very survival—against nightmares of flesh and blood made real. Which means only one thing.

It's time to Ranger Up and stack bodies.

The forces of evil have no idea how dangerous a Ranger has been trained to be, and once the action starts, it won't let up in this no-holds-barred, full-auto, epic battle for survival in the Forgotten Ruin.

From the creators of Galaxy's Edge...

Buy in, and jock up for this thrilling WarGate adventure. A battle unlike any other is calling.

Lost Time (The Bridge Sequence Book Two)

Author: Nathan Hystad

**The Bridge was opened.
The promised land is real.
A seventh Token is needed.**

The Bridge has been triggered, but the surprises don't end there. What Rex found on the other side was unsettling, and with fresh information, he must race against time with his new allies as they search for their salvation.

The mysterious objects are closer, nearly at Earth, and the efforts of the alien cult have reached a devastating level. Fear escalates as the entire planet senses the global threat, but Rex is more determined than ever to prevent what's coming.

With the startling revelation of a team member's identity, and the news of a second Bridge, Rex must cast aside his frustrations and focus. Otherwise the imminent arrival might just be as catastrophic as the cult predicts.

Rex Walker finds himself at the precipice of history, but which side will humanity land on? Lost Time is a fast-paced thriller full of hope, loss, reconnection, and adventure.

The Solar War (The Long Winter Trilogy Book 2)

Author: A.G. Riddle

* Now a *Wall Street Journal* bestseller! *

**We thought the war was over.
We were wrong.**

They decimated Earth during the Long Winter. Now the grid has returned, and they won't stop until the human race is extinct.

On a ruined world, humanity's last survivors fight against impossible odds. In their darkest hour, they discover a new hope for survival. But it comes at an unthinkable price, with consequences that will change everything.

**"This is apocalyptic sci-fi at its best."
—Daily Mail**

Note: *The Solar War* is the second book in *The Long Winter* trilogy (which began with *Winter World*).

Filled with real science and shocking twists readers have come to love in the series, *The Solar War* will keep you up late into the night turning the pages—and leave you pondering the revelations long after it's over.

Selected Praise For A.G. Riddle

"...reads like a superior collaboration between Dan Brown and Michael Crichton."
—**The Guardian** on *Pandemic*

"I finished the book fast because I just couldn't wait..."
—**WIRED GeekDad** on *Departure*

"Riddle... keep(s) the focus on his characters... rather than the technological marvels"
—**Publisher's Weekly** on *Departure*

"Well-constructed and tightly-wound as a fine Swiss watch—*DEPARTURE* has non-stop action, an engaging plot and, of course, wheels within wheels."
—**Diana Gabaldon**, #1 *New York Times* bestselling author of *Outlander*

An Extended Look at *The Solar War*

After the Long Winter, Emma Matthews and James Sinclair hoped life would get back to normal. They've settled down in Camp Seven and welcomed their first child, a daughter. And they have waited and watched the sky for any signs of the grid's return.

When NASA discovers that several asteroids have broken from the Kuiper Belt and are headed for Earth, James instantly realizes the truth: the grid is back. And this battle will be one to the very end.

As he and his team prepare for humanity's last stand in space and on the ground, Emma makes a discovery closer to home, one that will change life for her and James once again.

With war raging around them, Emma and James fight to keep their family alive. In the cold darkness, humanity splinters. New alliances emerge. At every turn, Emma and James face new dangers—and question whom to trust.

Just when it seems that all hope is lost, James uncovers what may be the key to humanity's survival. But it comes with enormous risks. To implement his plan, he and Emma will have to survive the grid and another, even more deadly enemy. One thing is certain: their gambit will change the future of the human race forever.

Artemis: A Novel

Author: Andy Weir

The bestselling author of *The Martian* returns with an irresistible new near-future thriller—a heist story set on the moon.

Jasmine Bashara never signed up to be a hero. She just wanted to get rich.

Not crazy, eccentric-billionaire rich, like many of the visitors to her hometown of Artemis, humanity's first and only lunar colony. Just rich enough to move out of her coffin-sized apartment and eat something better than flavored algae. Rich enough to pay off a debt she's owed for a long time.

So when a chance at a huge score finally comes her way, Jazz can't say no. Sure, it requires her to graduate from small-time smuggler to full-on criminal mastermind. And it calls for a particular combination of cunning, technical skills, and large explosions—not to mention sheer brazen swagger. But Jazz has never run into a challenge her intellect can't handle, and she figures she's got the 'swagger' part down.

The trouble is, engineering the perfect crime is just the start of Jazz's problems. Because her little heist is about to land her in the middle of a conspiracy for control of Artemis itself.

Trapped between competing forces, pursued by a killer and the law alike, even Jazz has to admit she's in way over her head. She'll have to hatch a truly spectacular scheme to have a chance at staying alive and saving her city.

Jazz is no hero, but she is a very good criminal.

That'll have to do.

Propelled by its heroine's wisecracking voice, set in a city that's at once stunningly imagined and intimately familiar, and brimming over with clever problem-solving and heist-y fun, *Artemis* is another irresistible brew of science, suspense, and humor from #1 bestselling author Andy Weir.

Erupting Chaos (EMP Catastrophe Book 3)

Author: Grace Hamilton

A dire situation keeps getting worse...

When Matthew Riley's father collapses with a possible heart attack, it drives home just how bad the situation in Galena, IL has become after an EMP knocked out the power around the world. David needs medication and the group needs a doctor if everyone is going to survive in the long term. But hostile forces have their eyes on the River Rock Hotel, and keeping the family safe may be impossible.

Things aren't going back to normal...

Kathleen Riley knows it, even if her husband hasn't admitted it yet. With new allies at their side, the Riley family has a chance to fortify their hotel and start rebuilding a life in the new world. But with Matthew rushing to make things seem normal again, they're at risk of exposing themselves to hostile forces.

An old enemy returns...

Life is already difficult enough even before the family receives news that Samuel West is back in town. He's brought friends and he's ready to fight to take control of the Red Rock Hotel and the remnants of Galena. The Rileys will do anything to keep their land, but after another tragedy strikes they may not be able to win. After all, what is survival worth if everything you're surviving for is never coming back?
