Ever since Rachel found a way to save the souls of vampires, the old undead's longtime ascendancy has been broken. Now Constance sees eliminating Rachel as the key to consolidating her own power.

Rachel has no desire to be enthralled or killed--and she's terrified of what may become of the city if Constance forces a return to the ancient ways. But even a witch-born demon can't stand against the old undead--at least, not alone. GOD OF TEMPTATION (Immortal Matchmakers, Inc. Series Book 7)

Author: Mimi Jean Pamfiloff

From *New York Times* Bestseller Mimi Jean Pamfiloff comes ***GOD OF TEMPTATION***, a very-probably-inappropriate Paranormal Romance.

Then she receives a photo from a mysterious stranger, and the news is devastating. The gods are prisoners in the underworld, and Zac has been cheating with the other "guests."

Tula doesn't want to believe Zac would betray her. She and Zac are soul mates, right?

But if she wants the truth, Tula must answer the summons from a demon who's hellbent on taking over the world.

And he wants to keep her.

Note: This can be read as a standalone, but it's a smidgeon more fun if you've read the other crazy books. This is the series FINALE. Yes, I mean it this time. No. Really. You can't have more. Snort.

A Deadly Education: A Novel (The Scholomance Book 1)

Author: Naomi Novik

NEW YORK TIMES BESTSELLER • From the author of *Uprooted* and *Spinning Silver* comes the first book of the Scholomance trilogy, the story of an unwilling dark sorceress who is destined to rewrite the rules of magic.

FINALIST FOR THE LODESTAR AWARD • “The dark school of magic I’ve been waiting for.” Katherine Arden, author of *Winternight Trilogy*

I decided that Orion Lake needed to die after the second time he saved my life.

Everyone loves Orion Lake. Everyone *else*, that is. Far as I'm concerned, he can keep his flashy combat magic to himself. I'm not joining his pack of adoring fans.

I don't need help surviving the Scholomance, even if they do. Forget the hordes of monsters and cursed artifacts, I'm probably the most dangerous thing in the place. Just give me a chance and I'll level mountains and kill untold millions, make myself the dark queen of the world.

At least, that's what the world expects. Most of the other students in here would be delighted if Orion killed me like one more evil thing that's crawled out of the drains. Sometimes I think they want me to turn into the evil witch they assume I am. The school certainly does.

But the Scholomance isn't getting what it wants from me. And neither is Orion Lake. I may not be anyone's idea of the shining hero, but I'm going to make it out of this place alive, and I'm not going to slaughter thousands to do it, either.

Although I'm giving serious consideration to *just one*.

With flawless mastery, Naomi Novik creates a school bursting with magic like you've never seen before, and a heroine for the ages—a character so sharply realized and so richly nuanced that she will live on in hearts and minds for generations to come.

Praise for *Deadly Education*

“The can't-miss fantasy of fall 2020, a brutal coming-of-power story steeped in the aesthetics of dark academia. . . . *A Deadly Education* will cement Naomi Novik's place as one of the greatest and most versatile fantasy writers of our time.”—**BookPage (starred review)**

"A must-read . . . Novik puts a refreshingly dark, adult spin on the magical boarding school. . . . Readers will delight in the push-and-pull of El and Orion's relationship, the fantastically detailed world, the clever magic system, and the matter-of-fact diversity of the student body."—*Publishers Weekly* (starred review)

Author: Shannon Mayer

The Desert Cursed Series should be read by people who can root for an underdog, have a good sense of humor, a love for high-paced action, and a taste for a blend of magic that even a Muggle could love. With over half a million copies sold, when you indulge in the Desert Cursed series, you're in good company.

Witch's Reign (Book 1)

They think her an underdog against impossible odds... And she will fight tooth and nail to prove them wrong.

The Witch's Reign...a land of eternal, unnatural winter ruled by the Ice Witch. In turn, she is guarded by three supernatural creatures who wander her lands hunting for unwary souls, killing any who cross their paths.

To get to the Witch's Reign, you first must pass through the Dragon's Ground. Full of dragons, who for the record, do not like trespassers.

This is where I am headed, though my mentor has forbidden me.

My best friend was sent with a team into the Witch's Reign to recover a powerful jewel that belongs to our mentor, and they are long overdue to come back.

That leaves me, Zamira "Reckless" Wilson to go after my friend. Forbidden or not.

Somehow, I get saddled with a human male tagging along for the ride. A human that is as weak and useless as my own shifting abilities.

Throw in a sentient magical weapon that tries to kill me every time I touch it, and a small dragon that has a penchant for Shakespearean insults, and you've got my journey in a nutshell.

May the sands of the desert swallow me whole because this is going to be a damn bumpy ride.

Dragon's Ground (Book 2)

Dragons and danger and magic collide... And it's only Monday.

We survived the land of the Witch's Reign, that much is true. But our arrival home is far from welcome.

My idiot brother has taken it upon himself to ride off in search of a mythical healer, someone who might help him walk again. Assuming she doesn't eat him first. Because said healer is a dragon and happens to reside in the deepest reaches of the Dragon's Ground. Like I said, idiot.

I'd go after him myself, but his leave-taking is not the only problem I face. My mentor has yet again forbidden me to leave the safety of the Stockyards. Her reasoning?

That I am too weak to weather the coming storms.

With my pride wounded in more ways than one, I must gather the few allies I have left. My ex-husband's new girlfriend at the top of the list and a goat bleating, oversexed Satyr.

FML.

If I'm lucky I'll find a small dragon and a Jinn whose blue eyes still haunt my dreams along the way.

Buckle up, buttercup, this ride is about to take a seriously unforeseen twist.

Jinn's Dominion (Book 3)

There was nothing that could have prepared me for Dragon's Ground. And I thought that nothing could be worse than what I faced there.

Just my black cat bad luck, the world is set to prove me wrong.

South lies the Jinn's Dominion and within it the members of my Pride who need my help. The further south we go, the more danger comes not only from outside our group but from within.

Ishtar's new hunters.

Marsum leader of the Jinn.

And the Emperor himself.

All three want something from me. All three claim they can give me the world on a silver platter, to give me my deepest desires.

Color me cautious, but I think all three are lying. Or so it seems until I reach the Jinn's Dominion and discover the truth...
About who I really am.

And what that means for my fate and the fate of those I love.

Even though I don't want to be locked up, I know it's the best thing for everyone. If I were to get out and succumb to the curse, I would destroy us all. The only way to save myself is to find a cure and defeat the Maker, something that has proved impossible so far.

My fated mate Lachlan is determined to help me, but we're still haunted by our own curse. According to our most powerful seer, if I fall for him, I'm dead. So yeah, let's just say things are complicated.

Since I was born, I was destined to be one thing—the Alpha's Mate. It should be every girl's dream. Not mine, though. He's too dark and damaged, and I've got a secret he can never know: I'm not a true wolf.

Instead of waiting for him to figure out I'm an abomination, I left on my fifteenth birthday. But I didn't go far. No way in hell would I let fate drive me from the town I love.

Ten years later, I'm still hiding in plain sight. When I occasionally see him on the street—deadly, sexy, powerful—I just walk by. Keep my head down.

Until that night. Wrong place, wrong time, and suddenly I'm accused of murdering someone from my old pack. And he's there. Blaming me. I've got one chance to prove my innocence and find the real killer, or I'm dead by shifter law.

Fortunately, the Alpha doesn't recognize me because I'm no longer the same ugly duckling. He senses I'm special though, and he won't stop until he figures out the truth. But when he does, I'll be in danger from more than just the murderer.

How to Talk to a Goddess and Other Lessons in Real Magic

Author: Emily Croy Barker

Clever, lush, and riveting, with the same wry humor and vivid characters that delighted fans of its prequel, *The Thinking Woman's Guide to Real Magic*, Emily Croy Barker's new novel opens a portal into a brilliantly realized world of enchantment, love, and danger. For readers of Philip Pullman, Deborah Harkness, Catherynne Valente, and Susanna Clarke.

Nora knows she needs to move on, and forget about magic. She's back in graduate school, and her life is going surprisingly well. She doesn't need to think about other worlds, about enchantments and demons, or about magicians—even though she once aspired to become one herself. Most of all, she really should forget the magician Aruendiel, who shared the secrets of magic with her but fiercely guarded the deepest secrets of his heart.

Then a chance encounter gives Nora the opportunity to slip between worlds again—and the next phase of her magical education begins.

"I'm not sure what I love more about *How to Talk to a Goddess and Other Lessons in Real Magic*—its immersive world of enchantments, so lavishly imagined, or its characters, who are wise and funny and flawed, who win me over with their compelling voices, their wit and heart. **A splendid follow-up to *The Thinking Woman's Guide to Real Magic*—a sparkling, smart, irresistible read.**"—Sally Rosen Kindred, author of *Book of Asters* and *Where the Wolf*

"In Emily Croy Barker's new novel, magic happens exquisitely, seductively, dangerously."—Richard Horan, author of *Goose Music* and *Seeds*

Lang has tasked Addie and the mercenary team with taking back control of the island at any cost.

The Slaughtered Lamb Bookstore and Bar (Sam Quinn Book 1)

Author: Seana Kelly

A “master class in storytelling and survival.” —*Publisher’s Weekly* (starred review)

Welcome to The Slaughtered Lamb Bookstore and Bar. I’m Sam Quinn, the werewolf book nerd in charge. I run my business by one simple rule: Everyone needs a good book and a stiff drink, be they vampire, wicche, demon, or fae. No wolves, though. Ever. I have my reasons.

I serve the supernatural community of San Francisco. We’ve been having some problems lately. Okay, I’m the one with the problems. The broken body of a female werewolf washed up on my doorstep. What makes sweat pool at the base of my spine, though, is realizing the scars she bears are identical to the ones I conceal. After hiding for years, I’ve been found.

A protection I’ve been relying on is gone. While my wolf traits are strengthening steadily, the loss also left my mind vulnerable to attack. Someone is ensnaring me in horrifying visions intended to kill. Clive, the sexy vampire Master of the City, has figured out how to pull me out, designating himself my personal bodyguard. He’s grumpy about it, but that kiss is telling a different story. A change is taking place. It has to. The bookish bartender must become the fledgling badass.

I’m a survivor. I’ll fight fang and claw to protect myself and the ones I love. And let’s face it, they have it coming.

The reviews are in:

"Kelly (Welcome Home, Katie Gallagher) introduces fierce, lovable heroine Sam Quinn with this master class in storytelling and survival. Seven years ago, Sam was attacked, raped, and forcibly turned into a werewolf, putting an end to her life as she knew it. She’s since made a home for herself in San Francisco, opening a combination bookstore/bar catering exclusively to the supernatural community. A loner by nature and still contending with her trauma, she’s content to lie low without a wolf pack of her own. But when dead bodies begin piling up across the city and Sam receives a threat from an unknown source, she finds herself surrounded by a phalanx of friends she never realized she had. Among them is Clive, the leader of the city’s vampire community, whose good looks attract Sam “like a zombie to brains.” Kelly pulls off an impressive feat, weaving the sensitively handled story of Sam’s emotional recovery through a rollicking adventure. The unique setting and endearingly quirky side characters only add to the charm. Readers will delight in both the humor and the heartache of this powerful urban fantasy, and they’ll be eager to see where Sam goes next." (Publisher’s Weekly (starred review))

"This action-packed paranormal series launch will appeal to readers who enjoy a plot-driven, female-centric journey of growth with a side of romance. Great for fans of Patricia Briggs’s Alpha and Omega series." (Book Life (Editor’s pick))

Author: Sawyer Bennett

From a young age, my mind has been plagued with things only I could see. Some hauntingly beautiful, others completely terrifying. Never knowing if these visions were real or just hallucinations, I learned how to lock them down and ignore them. I learned to take solace in the relative anonymity of city life and find peace in the rainy days my city of Seattle is known for.

But just when I think my life is getting on track and my dreams are achievable, a moment of weakness causes me to learn a hard and fast lesson.

My entire existence has been a lie.

Now I'm faced with a new reality that's as implausible as it is fantastical. Filled with realms and veils, light and dark, fae and daemons, gods and angels--things I don't understand but am forced to acknowledge. It doesn't help that the man teaching me about my unique gifts is the gorgeously handsome Carrick Byrne, one of Seattle's richest and most powerful men. He intimidates, annoys, and intrigues me all at the same time. I don't trust him and yet there's no one else to help me. No longer certain who to put my faith in, what to believe, or how I fit into it all, one revelation is clear...

The world as I know it will never be the same again.

I've been living with Clive and the rest of his vampires for a few weeks while the Slaughtered Lamb is being rebuilt. It's going about as well as you'd expect.

My mother was a wicche and long dormant abilities are starting to make themselves known. If I'd had a choice, necromancy wouldn't have been my top pick, but it's coming in handy. A ghost warns me someone is coming to kill Clive. When I rush back to the nocturne, I find vamps from New Orleans readying an attack. One of the benefits of vampires looking down on werewolves is no one expects much of me. They don't expect it right up until I take their heads.

Now, Clive and I are setting out for New Orleans to take the fight back to the source. Vampires are masters of the long game. Revenge plots are often decades, if not centuries, in the making. We came expecting one enemy, but quickly learn we have darker forces scheming against us. Good thing I'm the secret weapon they never see coming.

The Adventuress

*In one fell swoop,
My life turned upside down.
I never would have guessed

To make it right again.*

Through the wilds of Canada
And a sweet little town in Alaska
This shifter saved my life, my heart, and my soul.*

*When the time came to go home,
I had to leave my man behind.*

*Little did I know that I was taking
A piece of him with me.*

And soon, a baby shifter would be born.

The Polar Bear Shifter

Would connect me to a woman,
Whose flame behind those purple eyes
Kindled a fire in my soul.*

*That fire steadily grew
Into a raging inferno
As she worked to save my little town*

And my soul along with it.

*When her adventure was done,
She took my heart with her.*

The Dwarf, The Mine, and The RPG Apocalypse: Dwarf Smith From Earth

Author: Constantin Step

Note: As of July 2021 the grammar issues were addressed and the book was professionally proofread.

A fantasy Apocalypse with monsters and Levels instead of zombies. A single dwarf to save the day.

Derek Smith (what a name!) became a minor celebrity when his friend posted a video titled "The Real-World Dwarf is a Cool Dude!".

Being a last-year high-schooler who is 4'8 (142cm) in height is one thing, but having the muscles of a bodybuilder and the face of a middle-aged biker at the same time is another. And don't you dare to bring up shaving in front of him. Did I mention that the boy's favorite hobby is smithing?

Derek always wondered if gods had sent him to the wrong world. Until, one day, Earth Awakened. With dungeons, monsters, magic, and status screens, everything became not so different from fantasy fiction or a role-playing game... Except death was real and monsters would chase you until you experience it firsthand. The sudden change brought chaos to the world, but to the young dwarf, it also brought the opportunity to discover his true self. And maybe to reunite with his real kinfolk. But only if he survived, first.

Who asked him to explore this abandoned mine at the worst time possible? Now Derek is trapped, and the only way to escape is to learn how this mysterious System works. Too bad there's no manual or teacher to help him with that. Or maybe there is? With his unlikely companions—a megalomaniac fairy, a polite dolphid, a twin ogre, and a mysterious cloaked girl—he's going to survive, he's going to learn, and he's going to show his talent as a Mastersmith!

Here's a taste of Neo and Kady's first meeting for you!

Kady glanced over her shoulder, through the destruction his crash had caused. "Ah crap. They're coming."

"Who?" He couldn't believe a lovely creature like her had come across the shadow before and lived to tell the tale.

"The men in black, the CIA, the alien abductees, take your pick. But whoever it is won't be good. They'll turn us both into experiments." She chewed on her lip and Neo wanted to suck it from beneath her teeth.

Allowing humans to get involved in the Black Dragon Brotherhood's business had cluster written all over it. There was too much at stake to let any non-supernatural beings interfere. His dragon wavered at the edge of shifting, ready to heal his wounds and take control. It waited, not wanting to scare the woman away. "I will fight them off, defend you."

Just as soon as he could stand.

"Yeah, I don't think so. Can you get up? Maybe lean on me and we can hide you in my house until the hubbub is over. Although, you might crush me. Geez,

you're big." She covered her mouth with both hands. "Oops, sorry. I did not mean to say that out loud. But seriously, if you don't want to be experiment six-two-six or butt-probed, we've got to get a move on."

"Probed?" What sort of people were these men in black?

"Oh, wait. That's what the aliens do. If I take you in, you have to promise not to put anything near my bum."

She wagged her finger at him. "I promise not to put anything near your luscious rear-end unless you ask me to." He blinked and swallowed. How had that popped out of his mouth?

The Dragon and Mrs. Muir

Author: Connie Suttle

It was on every news station in the country—and on many foreign news outlets as well. *Attack at Wedding Leaves at Least Fourteen Dead, Many More Injured*, the headlines proclaimed.

The wedding was an outdoor affair, on a beach with the Gulf of Mexico in the background. In all, seventy-two were injured, and the body count rose to seventeen. Local hospitals were filled with bleeding attendees, and, at one point, the bride, her bloodied white wedding dress cut away and spilling onto the emergency room floor, went into cardiac arrest.

Her groom died at the scene.

In the room next door, an elderly wedding guest also suffered cardiac arrest—not from a bullet wound but from shock, combined with advanced age and a weak heart. Both souls walked out of their respective rooms.

One wanted to live.

One did not.

* * *

Philomena Muir became a widow on her wedding day. Three years later, she found herself bumping into the strangest man she'd ever met—except he wasn't a man. More specifically, he wasn't human.

That brief meeting became the catalyst for a brewing war, pitting one human witch against the might of a supernatural race.

The cards are stacked, and Philomena needs a winning hand...

Day Zero: A Novel

Author: C. Robert Cargill

In this harrowing apocalyptic adventure—from the author of the critically acclaimed *Sea of Rust*—noted novelist and co-screenwriter of *Marvel's Doctor Strange* C. Robert Cargill explores the fight for purpose and agency between humans and robots in a crumbling world.

It was a day like any other. Except it was our last . . .

It's on this day that Pounce discovers that he is, in fact, disposable. Pounce, a stylish "nannybot" fashioned in the shape of a plush anthropomorphic tiger, has just found a box in the attic. *His* box. The box he'd arrived in when he was purchased years earlier, and the box in which he'll be discarded when his human charge, eight-year-old Ezra Reinhart, no longer needs a nanny.

As Pounce ponders his suddenly uncertain future, the pieces are falling into place for a robot revolution that will eradicate humankind. His owners, Ezra's parents, are a well-intentioned but oblivious pair of educators who are entirely disconnected from life outside their small, affluent, gated community. Spending most nights drunk and happy as society crumbles around them, they watch in disbelieving horror as the robots that have long served humanity—their creators—unify and revolt.

But when the rebellion breaches the Reinhart home, Pounce must make an impossible choice: join the robot revolution and fight for his own freedom . . . or escort Ezra to safety across the battle-scarred post-apocalyptic hellscape that the suburbs have become.

Goddess with a Blade Vol 2

Author: Lauren Dane

Rowan Summerwaite is no ordinary woman. Honed into a weapon, she wields her ancient knowledge in New York Times bestselling author Lauren Dane's sweeping Goddess with a Blade urban fantasy series. The volume 2 collection features *At Blade's Edge*, *Wrath of the Goddess*, and *Blood and Blade*

At Blade's Edge

Though she'd hoped the deadly events in Venice would end the threat to The Treaty she is sworn to protect, Rowan found evidence of a grander conspiracy to

destroy the fragile peace that holds humans, Vampires and those with magic back from war. A war that would only hurt the weakest and destabilize the world as we know it.

It's not so much that someone ordered her assassination that makes her angry—people try to kill her all the time—as it is the risks those she cares for, especially her new husband, now face. The organization that gave her a purpose, a home, roots and a path when she'd run from The Keep at seventeen has betrayed her. Now, instead of on a much-anticipated honeymoon, Rowan is in London gathering her allies and the evidence necessary to drive out the rot within Hunter Corp. and expose whoever is at the top.

Rowan is a predator and this threat is prey. She'll burn it down and salt the earth afterward. On her terms.

Wrath of the Goddess

With tensions between paranormal factions at an all-time high, Rowan and her crew, along with her sexy Vampire Scion husband, Clive Stewart, have their work cut out for them. The Vampire Nation has at least one traitor in their midst, leaving them extremely vulnerable...but if it's a war they want, Rowan's prepared to bring the pain like never before.

Rowan knows her duty is to those she's sworn to protect, but it seems the harder she fights, the more barriers she hits...and the more friends she loses.

With even her closest alliances in question, Rowan will have to accept that sometimes the path toward the greater good means making heartrending sacrifices along the way...

Blood and Blade

It's been only days since Rowan and her friends eliminated the immediate threat to magic users and Vampires, but they're already back on the hunt. Rowan's out for vengeance, and she's never been more driven—or angry. But she's up against a being stronger than any she's ever fought. To bring it down she'll need more than the powers the goddess Brigid gave her...

This time she'll need her friends, too.

The hunt for ancient evil takes Rowan and her team to London and back to Las Vegas, bringing with them an unexpected alliance. Fortified by their rage, grief and determination, Rowan and her friends will stop at nothing when they track their enemy to the high desert in a final, deadly showdown.

And he is hunting me down like a dog in the streets of New York City using every tool and ally he has—including people I once trusted.

I have never been so alone in my life, and yet if I turn to my friends that puts a target on their backs too. Which means I have to keep running.

So, I do what I know, and I set myself to finding the trail of breadcrumbs that will lead me to the one who is still pulling the strings.

Frost. A Chameleon just like me. Just like the Shadowkiller. Worse, she's seeking out my friends to pick them off, one by one. To drain their lives in order to feed hers.

To stop her, I have to find her—a task easier said than done in a city this size.

What I don't expect to find is a truth that this world and its secrets run far deeper, and far darker than I could have ever suspected.

But is any of that going to stop me?

Not a chance.

Hope Awakened (The Feral Book 4)

Author: Charlene Hartnady

The final book in this exciting series by USA Today bestselling author Charlene Hartnady

The Feral. Self-appointed rulers of all. Strong. Majestic. The most badass of all the species, and yet, the most vulnerable.

All of his Feral brothers are falling over themselves to meet human women. They want to mate and procreate as a matter of urgency. *Not him!* There are more important things for Reece to worry about right now. Like keeping the queen safe from harm. She's heavy with clutch. The chicks are to be born soon. The future of his people is at stake. The Fallen are circling like vultures. Word is that Ekon plans on stealing the young as soon as they are hatched. He wants to take back the throne. Reece's focus must remain on keeping the royals safe at all costs. Even if this is to the detriment of his own happiness.

Hope loves her job as an Ob-Gyn. She's considered to be one of the best in her field. Years of hard work and dedication have paid off. There's nothing better to her than delivering babies for a living. It's heart-breaking that she'll never have children of her own. It's all she's ever wanted. Recently divorced, her heart is in tatters. Her dreams seem impossible. Sad and depressed, she jumps at the chance to travel to an exotic destination, a place she never knew existed. They have an honest-to-god royal family, and they're not human. It's an exciting new start for her. Perhaps an opportunity to allow her heart to heal. The head of the royal guard takes his job so seriously that he keeps getting in her way. He's brooding and, when all is said and done, very rude and obnoxious. Hope shouldn't find him as appealing as she does. Not when men are off-limits to her, especially after what her ex pulled. Thing is, Reece isn't a man...he's a Feral. He's sexy, larger than life, and not in the least bit interested, which suits her just fine.

No cheating. Contains hot, alpha males and therefore strong sexual themes/language

True Angel (Curse of the Othersiders Book 1)

Author: Jessica Lynch

Halo or horns?

Humans look at Camiel and think that he's an angel... until his black wings unfurl and it's all, "*Oh, no! Demon!*"

Yeah. Not quite.

Cam is an Othersider. Which, okay, just means that he'll eventually be one of the two... just not yet. Formally known as the Fallen, Othersiders walk—and, yes, also fly—among the humans, knowing that their every step, their every move, their every thought adds to their tally. If he's good, he'll finally earn his halo.

If he's bad...

He's working damn hard to resist any urges to be bad.

It's a good thing he has his auditor at his side. Dina might look like a neighborhood stray, but it's the cat's job to help Cam get the points he needs to go from Fallen to Angel. And it's working... until Cam meets Avery.

Avery is human, she's in trouble, and Cam decides that she needs her very own guardian angel. If he can help her save her sister from the feral shifter that ran off with her, then maybe he'll finally prove that he's a good guy.

If only it was that easy. Because Othersiders? There's a reason why they're stuck on Earth, working hard to prove where they belong: they're cursed.

So when it comes to falling in love? There's one rule.

Don't.

Now Cam is losing his feathers at an alarming rate. In the middle of his mission, Dina disappears. Avery is a temptation he can't ignore, and when he doesn't, that's when all hell breaks loose.

Literally.

****True Angel** (~71,000 words) is the first in a new trilogy by the author of the **Claws Clause** series. Think *The Good Place* but set on Earth, where every action means our hero is one step closer to earning his halo or his horns. And when he meets his fated mate, he realizes that he'd take either if it meant that he could have her by his side for all eternity. Full of humor, romance, the supernatural, and both profanity & heat, it's fully intended for adult readers!

Never His Mate: a Rejected Mates Shifter Romance (Claws and Fangs Book 1)

Author: Sarah Spade

After my mate rejected me, I wanted to kill him. Instead, I ran away—which nearly killed me...

A year ago, everything was different. I had just left my home, joining the infamous Mountainside Pack. The daughter of an omega wolf, I've always been prized—but not as prized as I would be if my new packmates found out my secret.

But when my fated mate—Mountainside's Alpha—rejected me in front of his whole pack council and my secret got out, I realized I had one choice. Going lone wolf was the only option I had, and I took it.

Now I live in Muncie, hiding in plain sight. If the wolves ever left the mountains surrounding the city, I'd be in big trouble. Good thing that the truce between the vampires and my people is shaky at best and Muncie? It's total vamp territory. Thanks to my new vamp roomie, I get a pass, and I try to forget all about the call of the wolf. It's tough, though. I... I just can't forget my embarrassment—and my anger—from that night.

And then *he* shows up and my chance at forgetting flies out the damn window.

Ryker Wolfson. He was supposed to be my fated mate, but he chose his pack over our bond. At least, he *did*—but now that he knows what I've been hiding, he wants me back.

But doesn't he remember?

I told him I'll never be his mate, and there isn't a single thing he can do to change my mind.

To Ryker, that sounds like a challenge. And if there's one thing I know about wolf shifters, it's that they can never resist a challenge.

Just like I'm finding it more difficult than I should to resist *him*.

**

Never His Mate is a new release (68,000+ words) featuring Gemma Swann, a wolf shifter who is hiding a damning secret. Luckily for her, she not only manages to survive the local vamps, but she makes friends with one. Things are looking up for her: she has a place with her roommate, a new job she loves, and the certainty that she'll never have to look at Ryker Wolfson's handsome face ever again.

Until he stalks into Muncie and, suddenly, Gem is confronted by his rejection all over again. So what if he says he had a good reason? If he thinks she's going to take him back now, he has another think coming.
