

## The Monster: A Mafia Romance

**Author: L.J. Shen**

From *Wall Street Journal* bestselling author L.J. Shen comes a brand new, romantic mafia standalone about the thin line between love and obsession.

**“Maybe we were never meant for each other. But that night at the carnival, when you showed me who you were, I figured out who I wanted to be.”**

The most important thing I'd ever read was scribbled on the door of a portable restroom, engraved into plastic at a carnival on the outskirts of Boston.

Lust lingers, love stays.

Lust is impatient, love waits.

Lust burns, love warms.

Lust destroys, but love? Love kills.

Maybe it was always my destiny to fall in love with a monster.

When other kids stayed awake at night fearing the pointy-toothed beast hiding in their closet, I longed to see mine.

I wanted to feed it, domesticate it, understand it.

Sam and I were only allowed to love each other in the dark.

Once our story unfolded, and the truth came to light, I was the one to cut the cord.

My name is Aisling Fitzpatrick, and I have a confession to make.

Sam Brennan is not the only monster in this story.

**Author: Caroline Peckham**

**I'm a Gemini. Impulsive. Curious. Headstrong. A twin. Heir to a throne I know nothing about. And it turns out, I'm Fae.**

But of course there's a catch - all I have to do to claim my birth right is prove that I'm the most powerful supernatural in the whole of Solaria. And sure, technically that's true as I'm the daughter of the Savage King. But the bit they didn't put in the brochure was that every single Fae in this Kingdom would claim my throne if they could.

The school they've sent me to is both dangerous as sh\*t and one helluva party. Vampires bite weaker students in the corridors, the Werewolf pack has orgies in the Wailing Wood at every full moon and don't even get me started on the dark and twisted ways the Sirens use their powers on people's emotions, or how my sinfully tempting Cardinal Magic teacher hosts detentions that leave people needing therapy.

Classes are totally interesting if you manage to live through them. And that Gemini star sign I mentioned? It now determines my elemental magic and affects my destiny, so learning astrology is essential if I'm going to beat down my classmates – which is actively encouraged by the way.

My biggest problem is the drool worthy Dragon shifter who has his eyes on my throne. He and his three psycho friends are determined to make my time here hell.

All I've got to do is survive. But fate might have other ideas.

Dammit, why couldn't I have gotten a letter to Hogwarts?

Chosen from birth to usher in a new era, Poppy's life has never been her own. The life of the Maiden is solitary. Never to be touched. Never to be looked upon. Never to be spoken to. Never to experience pleasure. Waiting for the day of her Ascension, she would rather be with the guards, fighting back the evil that took her family, than preparing to be found worthy by the gods. But the choice has never been hers.

A Duty...

The entire kingdom's future rests on Poppy's shoulders, something she's not even quite sure she wants for herself. Because a Maiden has a heart. And a soul. And longing. And when Hawke, a golden-eyed guard honor bound to ensure her Ascension, enters her life, destiny and duty become tangled with desire and need. He incites her anger, makes her question everything she believes in, and tempts her with the forbidden.

A Kingdom...

Forsaken by the gods and feared by mortals, a fallen kingdom is rising once more, determined to take back what they believe is theirs through violence and vengeance. And as the shadow of those cursed draws closer, the line between what is forbidden and what is right becomes blurred. ## Break Up with Him, for Me: A Friends to Lovers Romance

**Author: Whitney G.**

From New York Times bestselling author, Whitney G. comes a **contemporary, friends to lovers romance**.

**Please leave your message at the sound of the beep...**

Penelope, I know that it's three o'clock in the morning, but I need to get this off my chest.

I can't give you any more advice on landing this other guy, can't tell you another "sexy" thing that you should do, or suggest a new set of filthy words that you should text him late at night.

As your best friend, I've reached my limit, and I can honestly say that he doesn't deserve you.

I'm not saying all of this because I'm fucking jealous, or because he had the audacity to say that he makes more money than me. (I still can't find his name on the Forbes 500 list, and I know damn well that he's renting that Ferrari, but that's a story for a different day.)

He's not who you think he is, and the better man has always been right in front of you...

You have every reason to never give me a chance since you know me better than anyone, and you agree with all the tabloids calling me *The Cocky King of New York*, and the *Untamed Playboy of Manhattan*. But I honestly believe that you're better off with someone else, and I need you to see.

I'm not asking for too much...

I just want you to break up with him, *for me*.

I'm now in a strange kingdom surrounded by liars, with no allies of my own, but I won't sit idly by and let myself wither. No, there's something that's bloomed from the pit of my repression. Something dark. Something *angry*.

But the last thing I expected was for my anger to call out to *him*. King Ravinger.

He's sinister and powerful and entirely too seductive. I've learned my lesson with trusting manipulative kings, so why does my chest constrict every time he's near? I need to tread carefully, or I'm at risk of losing much more than just my freedom.

Regret and revenge war inside of me, and I need to figure out a plan fast before I get tangled up in the schemes of kings and queens.

Because I won't be caught in a cage again. No, this time, it'll be *me* setting the trap.

...I just hope my heart comes out of this unscathed.

I thought I could survive being his target.

I thought wrong.

Little did I know that he will make my most twisted fantasies come true.

## **Lords of Wrath (Dark College Bully Romance) : Royals of Forsyth University**

**Author: Angel Lawson**

***They hurt me, abuse me, use me...***

I signed up for it. Literally. I agreed to the contract that made me the Lords' Lady, a position that requires me to do whatever they want, but only as protection from someone worse. I agreed to be in their beds, on my knees, and punished should I disobey.

I just wasn't expecting punishment like this.

**Killian** is two-hundred-and-twenty pounds of muscle, brutal physicality, and pure spite. He thinks I don't know that he watches me when I sleep.

**Tristian** is fair-haired and charming to anyone who doesn't know better. To me, he's the man who seeks to control me, with his cold eyes and possessiveness.

**Rath** is the dark-eyed tempest who took me into his bed. Even having been subjected to his barbed tongue, he's the first man to ever make me feel safe.

I hadn't realized how much they've worn me down and made me feel complacent, but it turns out they've messed with my head just as much as they abused my body. Despite the awful things they've done to me, they actually made me feel special. Cared for. Protected.

And then I found out it was all a lie.

The way Tristian cares, Killian's vigilant eyes, and worst of all, my contented moments in Rath's bed, were all part of a game.

A game to see who can use me best.

A game they've been playing since day one.

And now?

***It's a game I'm going to win.***

## **Tie Me Down: A Small Town Friends to Lovers Romance (Bellamy Creek Series Book 4)**

**Author: Melanie Harlow**

Just friends.

That's all Beckett Weaver and I have ever been.

Sure, he's a hot cowboy who left Wall Street behind to take over his family's ranch. Yes, I've had a secret crush on him since we were seventeen. And who wouldn't appreciate those strong hands, that massive chest, and the way he fills out a pair of Levis?

He makes a girl sweat just looking at him . . . and I look. A lot.

But I'm a single mom trying to move on with my life, and he's running that ranch single-handedly while taking care of his elderly father. We don't even live in the same state. I only returned to my hometown of Bellamy Creek to sell my late mother's house, and he just invited me and my son to stay with him because he's got a big heart.

That's not the only big thing he's got--which I discover the night I finally sneak across the hall to his bedroom and shed my inhibitions right alongside my pajamas. And once we give into each other, we can't stop.

The hayloft. The bed of his truck. The dock by the pond.

Nothing has ever felt so right, but his past has taught him not to believe in happily ever after, and every perfect night I spend in his arms brings us closer to goodbye.

Like any cowboy, he's good with a rope and knows exactly how to tie me up.

But what if I want him to tie me down?

**Author: Kate Stewart**

**An AMAZON TOP 50 BESTSELLER!**

**Can you keep a secret?**

■

I grew up sick.■

■

Let me clarify.■

■

I grew up believing that real love stories include a martyr or demand great sacrifice to be worthy.■

■

Because of that, I believed it, because I made myself believe it, and I bred the most masochistic of romantic hearts, which resulted in my illness.■

■

When I lived this story, my own twisted fairy tale, it was unbeknownst to me at the time because I was young and naïve. I gave into temptation and fed the beating beast, which grew thirstier with every slash, every strike, every blow.■

■

Triple Falls wasn't at all what it seemed, nor were the men that swept me under their wing. But in order to keep them, I had to be in on their secrets.■

■

Secrets that cost us everything to keep.■

■

That's the novelty of fiction versus reality. You can't re-live your own love story, because by the time you've realized you're living it, it's over. At least that was the case for me and the men I trusted my foolish heart to.■

■

Looking back, I'm convinced I willed my story into existence due to my illness.■

■

**And all were punished.**

This trilogy is a gritty, modern day take on Robin Hood. It's an unconventional love story—bad boys/antiheroes—filled with suspense, steam, major twists, a little action, and ALL OF THE FEELS.

Jake Cogburn lost his leg, his career, his brotherhood and his will to live when he stepped on that IED in Afghanistan. Back in his home state of Colorado, he's determined to bury himself as deeply as he can in a bottle of Jack Daniels until the pain in his leg and his heart is so numb he can no longer feel.

No man left behind

Hank Patterson refuses to let his buddy, Jake, slowly kill himself with alcohol. Hank's plan to expand the Brotherhood Protectors into Colorado will only work if he can hire the best men for the job. She's up for it, until she witnesses a meeting she shouldn't have seen and is thrown into the path of a killer who wants to wipe her memory, by erasing her from existence.

Jake's first assignment as a Brotherhood Protector is to stick to the rebellious daughter of the owner of a dude ranch and make certain she doesn't fall victim to the person gunning for her. Meanwhile, RJ fights to keep from falling victim to the love blossoming in her heart over the young Navy SEAL who dogs her every footstep. Even her German Shepherd likes the SEAL better than RJ. And worse...she finds herself falling for the cranky, one-legged frogman. Her challenge is to live long enough to see where these feelings take her.

**Author: Max Monroe**

**ATTENTION: If you have been a victim of false advertising, you may be entitled to compensation. If you were ever hired to take care of a fourteen-year-old boy's knee injury on a luxury ranch in the Middle of Nowhere, Utah, but that fourteen-year-old boy ended up being a tall, rough-and-tumble, muscular, one-hundred-percent all-man cowboy by the name of Rhett Jameson, you may have been put at risk for falling in love. Please seek counsel immediately.**

Dear Counselor,

It was supposed to be simple favor for my very important boss, Frank Kaminsky of the Salt Lake Slammers professional basketball team—go to his good friend Tex Jameson's luxury ranch and provide personal medical care for his recently injured teenage son.

I thought it'd be a working vacation of sorts—a chance for my city-girl self to experience something I would never otherwise do—but everything is upside down, and absolutely *nothing* is as I thought it would be.

For one, this patient is *not* a teenage boy.

**He's a real-life, blue-eyed, tough-as-nails, thirtysomething cowboy who is so darn strong he looks like he could lift a car just for the heck of it.**

**He's also stubborn, rude, and we don't get along...*at all*.**

Add in the heart-melting vision of him as a single father to the cutest little girl on the planet, and I've found myself in a whole different dimension of trouble.

**Lust. Feelings. A whole lot of enemies-to-lovers-style complication.**

**Please help me. My name is Dr. Leah Levee, I am a victim of false advertising, and if I'm not careful, this Grumpy Cowboy might just be the death of me.**

## **Focused: A hate to love sports romance (Ward Sisters Book 1)**

***Author: Karla Sorensen***

You know the hot neighbor boy you crushed on all your teenage years? Imagine seeing him ten years later and he turns out to be a complete jerk, then you know how I feel.

Our last encounter was awkward, given I'd climbed into his bedroom window to turn my unrequited crush into something ... required. That day was bad enough, but things just got worse.

Noah Griffin turned himself into one of the best football players in the country and a transfer to the Washington Wolves—the team I work for—lands him on my doorstep. The timing couldn't be worse, because my boss just handed me the opportunity of a lifetime. And that promotion rides squarely on Noah's big, muscular, condescending shoulders.

He wants nothing to do with me, and the feeling is so very mutual. But for the sake of my career, I can ignore all those things about him that drive me insane. His eyes. His mouth. His big, big ... hands. Until one day, we can't ignore them anymore.

You know what they say about the line between love and hate though? They're so very right.

## **Tell Me I'm Yours: The British Billionaires**

**Author: J. S. Scott**

**Is there more to the spoiled, entitled, British billionaire man-whore than what I see on the surface?**

I really want to hate Dylan Lancaster.

He hurt my best friend, and nearly destroyed her relationship with his identical twin brother. So, I decide that someone needs to rein him in so he doesn't try to demolish the couple completely before their wedding takes place. Unfortunately, the only woman who would try to take on that impossible task is...me.

It's only six weeks, right? Surely I can tolerate the womanizing, obnoxious jerk and keep him out of trouble so that no more of his scandals hit the media before his brother's wedding. I'm a public relations crisis manager. Squashing bad press is what I do, and I do it extremely well for my high profile clients.

What I don't count on is actually starting to like the glimpses of the real Dylan I begin to see underneath all of his cynicism. Nor did I ever imagine that I'd become so attracted to him that I could barely breathe every time he gets close to me.

Dylan is a man who has suffered profound emotional pain. I can sense it. I can feel it. The question is: Can I possibly reach the real Dylan Lancaster before it's too late?

Note: This is an enemies to friends to lovers British billionaire romance with an American heroine. I'd recommend reading Damian's story first in Tell Me You're Mine, Book 1 of The British Billionaires to enhance your reading pleasure.

## **Not Pretending Anymore**

***Author: Penelope Ward***

**From New York Times bestselling authors, Penelope Ward and Vi Keeland, comes a new standalone novel.**

Finding a good roommate through a classified ad isn't as easy as it sounds.

I was starting to lose hope.

Until a knock at my door came and God answered my prayers.

Except...uh...*wrong prayer, God.*

I'd definitely requested the big guy find me a drop-dead gorgeous man on more than one occasion...just not as my roommate.

Declan Tate talked me into interviewing him anyway.

While he was amusing and charismatic, I wouldn't have been comfortable living with a man, so I regretfully declined.

Then cupcakes showed up at my door—freshly baked by Declan and just as sinfully delicious as he was.

You could say he was persistent.

I eventually folded. It wasn't like I had another viable candidate anyway.

Plus, I was interested in someone else. And Declan was into another woman. So it wasn't like anything would happen romantically.

After he moved in, the two of us became the best of friends. We even started to give each other advice on getting our crushes to notice us.

Eventually, Declan concocted an idea: we should pretend to be a couple to make our love interests jealous.

I was hesitant, but went along with it anyway. To my utter shock, his crazy plan worked.

Now I was dating the supposed man of my dreams, and my best friend had the woman of his.

But there was one problem.

I couldn't stop thinking about Declan.

Those feelings we were trying to fake?

Yeah...I wasn't pretending anymore.

## Say I'm the One (All of Me Duet Book 1)

**Author: Siobhan Davis**

**From the *USA Today* bestselling author of *Inseparable* and *When Forever Changes* comes another emotional, angsty, new adult romance that will rip your heart apart before mending it again.**

**#42 IN THE ENTIRE STORE**

**#1 Multicultural romance bestseller**

I'm head over heels in love with my best friend. Although, I can't pinpoint exactly when Reeve Lancaster became my entire world. Was it when we were little kids, practically brought up together, after Reeve's mom died during childbirth and his dad subsequently fell apart? Or when I doodled his name in my school journal at age ten? Maybe it was when we became boyfriend and girlfriend at fourteen or when we shed our virginity at sixteen, pledging our forever?

I was there as his star ascended—like I'd always known it would—and there wasn't a prouder person on the planet. As the only child of Hollywood's golden couple, I've lived my life in the spotlight enough to know it wasn't what I wanted for my future. But I sacrificed my own desires, because Reeve's happiness meant everything to me.

Until he crushed my heart into itty-bitty pieces, forcing me to fly halfway around the world just to escape the gut-wrenching pain.

The opportunity to study at Trinity College Dublin came at the perfect moment, and I jumped at the chance without hesitation. If I'd known fate was meddling in my life, perhaps I would have chosen differently, but my future was cemented the instant I laid eyes on *him*.

Dillon O'Donoghue was Reeve's polar opposite in every way, and perhaps, that's why I felt drawn to him. He was the dark to my light. The thorn in my side, irritating me with his cold disdain, wild recklessness, and a burning rage hidden deep inside him that spoke to a silent part within me. Yet Dillon showed me what it was like to truly live, opening my eyes to endless possibilities.

What happened next was inevitable, and I only have myself to blame. He warned me, and I knew my reprieve was temporary, because there is only so far I can run.

Especially when fate hasn't finished messing with me yet.

*This is a full-length 168K-word second-chance romance novel that is book one of two. It cannot be read as a stand-alone, and it ends on a cliff-hanger. Recommended to readers aged eighteen and older.*

For all of the War Between the States, Marlie Lynch has helped the cause in peace: with coded letters about anti-Rebel uprisings in her Carolina woods, tisanes and poultices for Union prisoners, and silent aid to fleeing slave and Freeman alike. Her formerly enslaved mother's traditions and the name of a white father she never knew have protected her—until the vicious Confederate Home Guard claims Marlie's home for their new base of operations.

Unbeknownst to those under her roof, escaped prisoner Ewan McCall is sheltering in her laboratory. Seemingly a quiet philosopher, Ewan has his own history with the cruel captain of the Home Guard, and a thoughtful but unbending strength Marlie finds irresistible.

When the revelation of a stunning family secret places Marlie's freedom on the line, she and Ewan have to run for their lives into the hostile Carolina night. Following the path of the Underground Railroad, they find themselves caught up in a vicious battle that could dash their hopes of love—and freedom—before they ever cross state lines.

"Successfully navigating the challenges of writing an interracial romance set during the Civil War is difficult enough to do once, but to pull it off twice is truly impressive. And yet Cole has managed to do just that with her second book in the series." —S

## **A Kiss for a Kiss**

**Author: Helena Hunting**

I'm Jake Masterson, single dad, and the General Manager of Seattle's NHL team. I walked away from a career as a player so I could raise my daughter. For the last twenty-plus years, Queenie has been my main priority, but now she's getting married.

And there's a small complication.

A beautiful, sexy complication named Hanna.

She's my son-in-law's older sister. Or at least that's how they were raised. The truth is a little more scandalous than that.

I've been drawn to her from the moment I laid eyes on her. And I spent months trying to keep a lid on that attraction.

Until we finally give in.

It starts with one searing kiss, but quickly ends with us between the sheets—and in the shower, and the hot tub, you get the picture—and turns into months of sneaking around.

Here's the problem: we live on opposite ends of the country. It can't be anything but casual. And as I've already said...it's complicated.

But when Hanna finds out she's pregnant...suddenly things get real serious.

## **Wild Hunt (Shadow Guild: Wolf Queen Book 2)**

**Author: Linsey Hall**

## **My secret is out, and the Alpha knows what I am.**

Despite ten years of secrecy, Lachlan has realized that I'm his mate. He is *not* pleased that I've been hiding from him. And the fact that I escaped from his cell? Yeah, he hates that too. It's hardly my worst problem, though.

There's a killer after me. Multiple killers, if our source is to be believed. As much as I want to run a hundred miles from Lachlan to avoid the mate bond, it's too dangerous. I need his help to find the people who are after me, and there's no way he'd let me go, anyway.

As much as I hate it, we're going to have to team up to stop a madman. The hunt forces us together, and despite our best efforts to resist each other, it becomes harder every day. It's going to take everything I have not to fall to temptation, but I must--especially if I want to survive.

*This good girl is ready to be bad...*

She's beautiful, funny, snarky...and a complication he doesn't need.

Running into her teen heartthrob while naked wasn't exactly part of romance novelist Andi Palmer's weekend plans. Worse, he doesn't recognize her and gives her a fake name. Years ago, he shot her down in the worst possible way, and now this? It's time for a little down-and-dirty revenge.

Ryan's more than a little turned on by this good girl who wants to be bad. But things aren't what they seem, and the secrets they're keeping from each other might just end this sexy little rendezvous before it ever begins...
