## The Atlantis Gene: A Thriller (The Origin Mystery, Book 1)

**Author: A.G. Riddle**

**The greatest mystery of all time...  
the history of human origins...  
will be revealed.**

In Antarctica, researchers discover a mysterious structure, buried in ice.

In a lab in Jakarta, an autism researcher identifies a revolutionary treatment that could change everything.

But these two incredible discoveries aren't what they seem. They will set off a race to unravel the deepest secrets of human existence—and an event that could change humanity forever.

Experience the novel that started it all: *The Atlantis Gene* is the first book in A.G. Riddle's bestselling *Origin Mystery* trilogy—a series that has sold over **THREE MILLION** copies worldwide (in twenty languages), received 30,000+ reviews on Amazon, been rated 20,000+ times on Audible, and garnered 120,000+ ratings on GoodReads. The trilogy is now in development to be a major motion picture.

The product of years of research, *The Atlantis Gene* is filled with real science and history that will change how look at human origins—and humanity's future. Like millions of other readers, you'll be up late turning the pages, promising yourself, *just one more chapter*.

### Praise for A.G. Riddle

### An Extended Look At *The Atlantis Gene*

70,000 years ago, the human race almost went extinct.  
We survived, but no one knows how.  
Until now.

The countdown to the next stage of human evolution is about to begin, and humanity might not survive this time.

Off the coast of Antarctica, a research vessel discovers a mysterious structure buried deep within an iceberg. It has been there for thousands of years, and something is guarding it. Could it be the fabled city of Atlantis? Or is it something more dangerous?

At the same moment, in Jakarta, Indonesia, a brilliant geneticist named Kate Warner has just discovered a breakthrough treatment for autism. Or so she thinks. What she has found is far more deadly—for her and for the entire human race. Her work could unleash the next stage of human evolution. It might also hold the key to unlocking the mysterious structure off the coast of Antarctica.

On the other side of Jakarta, Agent David Vale is racing to uncover a conspiracy with far-reaching implications. But he's out of time. His informant inside the conspiracy is dead. His own organization has been infiltrated—and his enemy has turned the hunt on him. Now he's on the run. But when he receives a coded message related to an imminent attack, he risks everything to save the one person that can help him stop it: Dr. Kate Warner.

Together, Kate and David race to unravel a global conspiracy and learn the truth about the Atlantis Gene... and human origins. Their journey takes them to the far corners of the globe and into the secrets of their pasts. Their enemy is close on their heels and will stop at nothing to obtain Kate's research and force the next stage of human evolution—even if it means killing 99.9% of the world's population. David and Kate can stop them... if they can trust each other. And stay alive.

NOTE: this novel is available as an eBook on Kindle Fire and Kindle eReader, an Audible audiobook, and in print (paperback and hardcover). It's also in Kindle Unlimited where subscribers can read for free.

## **Stolen (Tribes Book 2)**

**Author: Milana Jacks**

**No male in the tribal lands would stoop so low as to steal a prize instead of winning her fair and square.**

Nar

There's a reason I'm standing knee-deep in mud, my body pelted with rain that annoys me to the bone. I'm hating on the rival tribe, and I'm entering their games only to eliminate their Earl. I'm not here for the prize.

The moment I spot the female—who's shivering, miserable, but still managing to spit at her captors—I forget I'm not competing for her. My heart thumps in my ears, and the hunter steers.

I wanna win her.

Michelle

Once upon a recent time, I traveled on a ship bound for a sun-and-sea vacation planet. Until it crashed, and the natives captured and threw me in a hole—then dragged me in front of a couple hundred warriors who're here competing for breeding rights.

I hate them all. Except for the one who seems not quite like the others. Oh, he's pretty much like them, but some instinct within me tells me if I stop throwing my inner pity party and do as I'm told, I just might survive...

Nar

**Ask me how I feel about stealing the prize now.**

Inside the pages: world building, tribal legends, action, plot, revisit of couple from book 1, strong tribal friendship bonds, sassy smart heroine, and humor all tightly packed into pages to deliver sci-fi and fantasy romance with an authentic alien Alpha voice. Flirt with the edge wrapped in cozy comfort of warm furs and firelight today.

## **Fire In Her Dreams: A Fireblood Dragon Romance**

**Author: Ruby Dixon**

Jenny's dreams have turned to nightmares.

Every night, her thoughts are filled with evil. Something is reaching out...and she's not so sure she wants to reach back. That is, until someone new appears in her dreams. Someone who protects her, comforts her, and thinks of Jenny as his mate. Imaginary friends aren't real, but Jenny likes to pretend, anyhow.

Then, one day, one of the mindless dragons guarding the fort awakens...and Jenny realizes that the friend from her dreams isn't a figment of her imagination. He's a dragon.

And he's looking to claim his female.

## **Bachelor Beast (Interstellar Brides® Program: The Beasts Book 1)**

**Author: Grace Goodwin**

Warlord Wulf thought nothing could be worse than being tortured and contaminated by the Hive. That was before he's ordered to transport to Earth and represent The Colony in an unfamiliar horror... a human reality show. The Bachelor Beast is the hottest new program on Earth, but being set up with two dozen clingy females is not his idea of a good time. When his Beast refuses to show the slightest interest in any of the show's potential mates, he knows he must choose one or die due to his raging mating fever.

His Beast prefers execution to claiming anyone but his true mate. Wulf is resigned to his fate, a one-way trip to Atlan, a prison cell and execution. It is the only honorable thing left to do.

Until one glance, one sweet, feminine scent lingering in the air and his beast rages for a female who is not supposed to be his.

But try telling that to his Beast when his entire body transforms on live television and one simple word thunders from his lips...MINE.

## Marked (Tribes Book 1)

**Author: Milana Jacks**

**This alien female crash-landed then marked my territory. I have a lot to say about that. Namely, welcome to the tribe, human.**

My exciting vacation gets a little too exciting when my ship blows up, and my escape pod lands on an alien planet filled with a predator species. They're barely civilized, not a translator chip in sight, and there's no mistaking the way they drool when they stalk me.

I gravitate toward the one that seems to want to keep me safe. Impossibly huge, black hair, pale eyes.

But tribal law decrees I'm the prize in a series of deadly games. To claim me, he must win. If he loses, I'm toast.

\*\*\* From the author of the Horde and the Beasts, comes a new exciting series with an authentic Alpha alien male voice, humor, and heart.

They're primal.

They're Vikings in space.

They can shift and will hook you for life.

**Welcome to the tribe!**

## Rough (Alpha Brotherhood Book 3)

**Author: Sara Fields**

**I came here as a spy. I ended up as the king's property.**

I was captured and locked in a dungeon, but it was only when I saw Magnar that I felt real fear.

He is a warrior and a king, but that is not why my virgin body quivers as I stand bare before him.

He is not merely an alpha. He is my alpha.

The one who will punish and master me.

The one who will claim and ravage me.

The one who will break me, but only after he's made me beg for it.

**Publisher's Note:** *Rough* is a stand-alone novel which is the third entry in the *Alpha Brotherhood* series. It includes spankings, rough sexual scenes, intense and humiliating punishments, and strong D/s themes. If such material offends you, please don't buy this book.

## Dark Hysteria (Cyborg Shifters Book 8)

**Author: Naomi Lucas**

Alexa has one purpose in life and it's to take down the war machines called Cyborgs. Specifically, the one known as Hysterian, also known as the Tormentor, the Twitch, the Jumper. The Cyborg killed her father and she's determined to see the same thing happen to him.

First, she needs to get close to Hysterian.

Second, she needs to get him to trust her.

But the closer she gets, the stranger and more fascinating he becomes. She finds him watching her every move. He's in every shadowy corner. He's in her dreams. He's even stoking a desire in her that she's long kept buried. There's no turning back while stranded on a ship in the middle of outer space.

There's nowhere to run.

There's nowhere to hide.

He's her father's killer.

Whatever happens now, however the Cyborg makes her feel, she's determined that only one of them will make it off the ship alive...

## The Alien Warrior King's Accountant (Royal Aliens)

**Author: Loki Renard**

He's brutal.  
He's dangerous.  
He's seven years behind on his taxes.

Enter me. Tania McMillan. Tax accountant.  
If I can get Tyrant (yes, that's actually his name) to stop laying waste to his enemies for a moment, I might be able to decide if boiling hot space oil is a combat deductible, or an entertainment expense.

I'm on contract to him until we can sort his Galactic tax debt.  
He seems to think he owns me.  
And that's just the start of a series of miscommunications (you don't even want to know what he does with red tape) which leads me to his battle bed, where he is just as rough and intense as he is on the battlefield.

## Wild Sign (Alpha and Omega Book 6)

**Author: Patricia Briggs**

**Mated werewolves Charles Cornick and Anna Latham must discover what could make an entire community disappear--before it's too late--in this thrilling entry in the #1 *New York Times* bestselling Alpha and Omega series.**

In the wilds of the Northern California mountains, all the inhabitants of a small town have gone missing. It's as if the people picked up and left their possessions behind. With a mystery on their hands and no jurisdiction on private property, the FBI dumps the whole problem in the lap of the land owner, Aspen Creek, Inc.--aka the business organization of the Marrok's pack.

Somehow, the pack of the Wolf Who Rules is connected to a group of vanished people. Werewolves Charles Cornick and Anna Latham are tasked with investigating, and soon find that a deserted town is the least of the challenges they face.

Death sings in the forest, and when it calls, Charles and Anna must answer. Something has awakened in the heart of the California mountains, something old and dangerous--and it has met werewolves before.

## Winter World (The Long Winter Trilogy Book 1)

**Author: A.G. Riddle**

**A new ice age...  
and a shocking discovery...  
will change humanity forever.**

From the Amazon Charts and *Wall Street Journal* bestselling author with over FOUR MILLION COPIES sold worldwide comes an epic novel with an unforgettable twist.

**\* Longlisted for the Wilbur Smith Award for best published novel. \***

In the near future, a new ice age has begun.

Humanity stands on the brink of extinction.

Desperate for answers, scientists send probes into the solar system to take readings. Near Mars, they identify a mysterious object moving toward the Sun. Is it the cause of the ice age? Or could it be humanity's only hope of survival?

With time running out, NASA launches a mission to make contact. But the object isn't what anyone thought. In the dark of space, alone, the team makes a discovery that will change the course of human history—and possibly end it.

Filled with real science and fascinating details, *Winter World* is that unique blend of fact and fiction that could completely change how you see our planet—and humanity's future. For those intrepid souls starting this bestselling trilogy, be warned: you may well be up late into the night turning the pages.

**Praise for A.G. Riddle**

"...reads like a superior collaboration between Dan Brown and Michael Crichton."

—*The Guardian* on *Pandemic*

"I finished the book fast because I just couldn't wait..."

—*WIRED* GeekDad on *Departure*

"This is apocalyptic sci-fi at its best."

—Daily Mail on *The Solar War*

### **An Extended Look at *Winter World***

Each month, Earth grows colder.

Snow falls in summer. Glaciers trample cities across North America, Europe, and Asia. The new ice age shows no signs of stopping.

Chaos erupts.

Around the world, people abandon their homes and flock to regions where they can survive. Nations prepare to go to war for the world's last habitable zones.

Scientists search the cause of the new ice age. They send probes into the solar system to collect readings. Near Mars, a probe finds a mysterious object, drifting toward the Sun. Is it responsible for the new ice age? Or is it merely an observer? Or neither? Could it be a relic from a long-extinct civilization? One thing is certain: investigating the object is humanity's best hope of survival.

As the ice age claims more lives and the world slides into anarchy, an international consortium launches a mission into space to make contact. But the first contact mission doesn't go as planned. What the crew discovers out there is beyond anyone's imagination.

Two members of the first contact mission may hold the keys to humanity's salvation.

Dr. Emma Matthews is the commander aboard the International Space Station. For months, she has watched the world below freeze and civilization unravel. The headlines tell only half of the story. The messages from her sister tell the rest, of a world witnessing mass migrations, fighting for survival, struggling to provide a future for their children. When a catastrophe strikes the ISS, Emma faces her own fight for survival.

Dr. James Sinclair is one of the greatest scientists alive. A mind before his time. Years ago, he invented something with the potential to change the world—an invention that would upset the balance of power in the world forever. Fearing that change, his enemies sent him to prison for a crime he didn't commit. But with humanity's future at stake, NASA asks him to join the first contact mission. His expertise is vital to the mission's success—and to saving Emma. With the clock ticking down to humanity's final days on Earth, James makes a decision that will change his life forever and may determine the fate of the entire human race.

Available in Kindle eBook, Audible audiobook, print, and Kindle Unlimited.

## **Alien Mercenary's Prize (Lathar Mercenaries: Warborne Book 3)**

**Author: Mina Carter**

**Natalia Heath is a survivor. She'll survive an alien fight pit. No problem.**

On the run from her crime lord father most of her life, Nat knows how to survive in the worst places in the universe. Being kidnapped by aliens and thrown into a gladiatorial arena to fight for her life is just another turn of bad luck in a lifetime of them. She just needs to figure out a plan to escape.

What she doesn't plan on though is the sexy alien who says he's here to rescue her... or the sparks that fly between them.

**Beauty's secret could get him killed... not revealing it will mean her death.**

Former pit champion and now a member of the famous mercenary unit, the Warborne, Beauty has two goals in life; keep his head down and die of old age in his own bed. Unfortunately he picked the wrong profession for that. When a team member's sister is captured, he must head back to the gladiatorial fight pits and reclaim his place as champion to save her.

Unfortunately for him, she turns out to be a spiky, snippy little human female with plans to save herself. Worse, her scent is the most tantalizing he's ever encountered... She's beautiful, alluring, and HIS. His mate.

But the rules have changed. The pits are no longer a place where skill in combat can elevate a fighter to freedom. It's a place of despair and hopelessness with no way out.

**To save them all, he must deal with the devils of his past and fight a new champion, one shrouded in secrecy who kills all who dare to step onto the sands in challenge...**

### **An Extended Look at *The Atlantis Plague***

In Marbella, Spain, Dr. Kate Warner awakens to a horrifying reality: the human race stands on the brink of extinction. A pandemic unlike any before it has swept the globe. Nearly a billion people are dead—and those that the Atlantis Plague does not kill, it transforms at the genetic level. A few rapidly evolve. The remainder devolve.

As the world slips into chaos, radical solutions emerge. Industrialized nations offer a miracle drug, Orchid, which they mass produce and distribute to refugee camps around the world. But Orchid is merely a way to buy time. It treats the symptoms of the plague but never cures the disease.

Immari International offers a different approach: do nothing. Let the plague run its course. The Immari envision a world populated by the genetically superior survivors—a new human race, ready to fulfill its destiny.

With control of the world population hanging in the balance, the Orchid Alliance and the Immari descend into open warfare. Now the last hope for humanity is to find a cure. Kate alone holds the key to unraveling the mystery surrounding the Atlantis Plague. The answer may lie in understanding pivotal events in human history—events when the human genome mysteriously changed. Her journey takes her across the barren wastelands of Europe and northern Africa, but it is her research into the past that takes her where she never expected to go. She soon discovers that the history of human evolution is not what it seems—and setting it right may require a sacrifice she never imagined.

**Author: Tammy Walsh**

### **What happens when an alien slave master gets greedy?**

After being thrown into cages to pleasure brutal alien fighters, I'm broken—a mere shell of who I used to be.

I'll be used and forced to do the monsters' bidding, it's too much to expect a male to watch over me.

Then the Beast claims me.

When he touches me, I yearn for more.

When he kisses me, I surrender in gratitude.

When he undresses me, I ache to scream his name.

And when he makes me fly, I soar higher than ever before.

But there's a problem. In exchange for my release, I've already made a deal with the warden to get impregnated with the Beast's baby. How can he love me when I'm betraying his deepest wishes?

*Beast in the Cage* is a full-length, standalone alien sci-fi romance. It features a possessive, alpha alien in intense, steamy scenes with his human mate. There are no cliffhangers or cheating, and a happily ever after is guaranteed!

## **Tempted: A Sci Fi Alien Romance (Fated Mates of the Kalixian Warriors Book 8)**

**Author: Presley Hall**

**I promised myself I would never trust an alien. But with Zhori, I may not have a choice.**

After being kidnapped by aliens, nearly rescued, and then snatched back by my captors, I don't have much hope of getting rescued again. Still, I'm determined to fight back on my own, to break free and find some way off this horrible planet.

But when I'm put up for auction, my heart nearly stops when I see *him* in the crowd—the bronze-skinned alien who tried to free me before.

What is he doing here? Why did he come back?

My instinct is to assume the worst. Maybe he returned because he wants to steal me for himself. Maybe he plans to use me just like every other alien has.

But he keeps helping me. He keeps *protecting* me. And every time he does, it gets harder and harder to deny the truth.

**This alien warrior may be the hero I need... and a temptation I can't deny.**

*Tempted is a full-length standalone sci-fi romance featuring hot alien gladiators with huge... horns, a heroine fighting for her freedom, and a daring hero who will risk everything for her.*

## **Savage: A Rough Romance (Alpha Brotherhood Book 1)**

**Author: Sara Fields**

**I thought no alpha could tame me. I was wrong.**

Many men have tried to master me, but never one like Aric. He is not just an alpha, he is a fearsome beast, and he means to take for himself what warriors and kings could not conquer.

I thought I could fight him, but his mere presence forced overwhelming, unimaginable need upon me and now it is too late. I'm about to go into heat, and what

comes next will be truly shameful.

He's going to ravage me, ruthlessly laying claim to every single inch of me, and it's going to hurt. But no matter how desperately I plead as he wrenches one screaming climax after another from my helplessly willing body, he will not stop until I'm sore, spent, and marked as his.

It will be nothing short of savage.

**Publisher's Note:** *Savage* is a stand-alone novel which is the first entry in the *Alpha Brotherhood* series. It includes spankings, rough sexual scenes, intense and humiliating punishments, and strong D/s themes. If such material offends you, please don't buy this book.

### An Extended Look at *The Solar War*

After the Long Winter, Emma Matthews and James Sinclair hoped life would get back to normal. They've settled down in Camp Seven and welcomed their first child, a daughter. And they have waited and watched the sky for any signs of the grid's return.

When NASA discovers that several asteroids have broken from the Kuiper Belt and are headed for Earth, James instantly realizes the truth: the grid is back. And this battle will be one to the very end.

As he and his team prepare for humanity's last stand in space and on the ground, Emma makes a discovery closer to home, one that will change life for her and James once again.

With war raging around them, Emma and James fight to keep their family alive. In the cold darkness, humanity splinters. New alliances emerge. At every turn, Emma and James face new dangers—and question whom to trust.

Just when it seems that all hope is lost, James uncovers what may be the key to humanity's survival. But it comes with enormous risks. To implement his plan, he and Emma will have to survive the grid and another, even more deadly enemy. One thing is certain: their gambit will change the future of the human race forever.

But that's no reason to take me from my home and tell me that my new job is to be nanny for his three little hellions!

He's an alien warrior whose killed enemies with his bare hands.

**Such hands are not used to changing a diaper...**

But no...

He's alien royalty, sure.

But he's not the boss of me.

He can't just order me around and expect me to obey or say I'm his fated mate and expect me to give myself to him.

We are not going to be a family!

So why is that all I can think about?

Why does a part of me feel connected to him no matter how far I go?

And most of all...

**Why does it feel that I've finally come home?**

## **Fever Fae: a shifter Fae fantasy romance (Dark Fae Kings Book 1)**

***Author: Meg Xuemei X***

**Yes, to the hottest, baddest Fae Kings. No, to being their bitch.**

When my parents mysteriously disappear, leaving me to raise my six crazy, younger siblings, my dreams for college are dashed.

It gets worse when someone sends a slew of monster assassins after me. Their untimely arrival is followed by three devastatingly hot Fae who stalk me.

Baron, the pompous and dominating Summer King, thinks I'm a dark Fae and wants my head. Then he changes his mind and declares me his fated mate. Hells-a-no. Especially now that he wants me to prove my worth. Really?

Then there's Rowan, the possessive and cruel Winter King, who offers to protect me from the assassins, but only if I accept his obnoxious courtship requests.

And finally, there's Night King Rydstrom, a dangerous and mysterious Fae with an ass that doesn't quit, who thinks he has every right to play me like a fiddle.

Too bad for them, I'm not the docile type they're used to commanding. I might want them, but I have no intention of joining the trail of broken hearts and bodies in their wake.

For I hold a deep, dark secret. Their arrival has woken in me the very forbidden magic they've been hunting, and I, Evelina, am going to have a wicked good time teaching these Fae kings a lesson.

## **Maid For An Alien Prince: A SciFi Alien Romance (Intergalactic Exchange Program Book 1)**

**Author: Roxie Ray**

**I won't be forced into alien servitude.**

I've spent my life mucking out the houses of the rich and famous. I know what they're really like.

They think they can take whatever they want.

I learned that the hard way.

Royalty? They have got to be worse.

I'm not interested in any of them, not even an alien prince.

I was supposed to be heading to another planet for a one-year housekeeping contract.

Instead he bought me out.

Does he think he can own me?

I don't want him.

I won't submit to him.

So why is he so ... nice?

Niall is unlike any rich guy I've ever known, but I still can't trust him.

Not even when he treats me well.

He calls me his fated mate!

But he's an alien prince and I'm a housekeeper.

We don't belong together.

So why do I want to kiss him more than I want my next breath?

### **An Extended Look at *The Atlantis World***

Northern Morocco: Dr. Kate Warner cured a global pandemic, and she thought she could cure herself. She was wrong. And she was wrong about the scope of the Atlantis conspiracy. Humanity faces a new threat, an enemy beyond imagination. With her own time running out and the utter collapse of human civilization looming, a new hope arrives: a coded message from a potential ally.

Arecibo Observatory: Mary Caldwell has spent her life waiting, watching the stars, looking for signs of intelligent life beyond our world. When that day comes, Mary is thrust into a struggle older than the human race, with far greater stakes. She must decide whom to trust because there is nowhere to hide.

Antarctica: In the wake of the Atlantis Plague, Dorian Sloane finds himself a puppet to Ares and his mysterious agenda. When Dorian moves to take control of the situation, Ares unleashes a cataclysm that changes everything. As the catastrophe circles the globe, Ares reveals the true nature of the threat to humanity, and Dorian agrees to one last mission: find and kill David Vale and Kate Warner. There will be no prisoners this time. The orders are seek and destroy, and Dorian has been promised that his own answers and salvation lie on the other side.

With Dorian in pursuit, Kate, David, and their team race through the ruins of the Atlantean ship left on Earth, across Atlantean science stations throughout the galaxy, and into the past of a mysterious culture whose secrets could save humanity in its darkest hour. With their own lives on the line and time slipping away, Kate, David, and Dorian are put to the ultimate test.

Note: *The Atlantis World* is the third and final book in *The Origin Mystery* trilogy.

## **Mastering the Mistress: Kindred Tales 1 (Alien BDSM Discipline Romance)**

**Author: Evangeline Anderson**

Get ready for a Sexy Power Struggle...

A warrior who has vowed never to take a bride...

Is bought by a girl who needs a Body Slave...

But has no idea how to handle him...

Will Kaylee be able to tame the huge Havoc she bought at the Flesh Bazaar?  
Or will Solar turn the tables and end up...Mastering the Mistress?

Solar M'Tex is a Havoc--a race of males who have sworn never to bond themselves to a female. So the idea of serving or loving any woman, no matter how beautiful, is foreign to him. But when he gets captured and sold at the Flesh Bazaar, he has no say in who buys him. Before he knows it he is the exclusive property of Kaylee, a lush little female from Yonnie Six who wants her own personal body slave.

Kaylee is new to Yonnie Six high society. She didn't even know she needed a body slave until her new friend Lyla told her. But when Lyla talks her into buying the huge, muscular Havoc, she doesn't know what to do with him--or have any idea how she's going to master him.

Soon they're in Kaylee's new dungeon with all the equipment a Mistress could need to tame a new slave. Kaylee does her best but when Solar gets free of his restraints, the tables are turned. Will she escape from the male she dared to try and master...or will Solar end up Mastering the Mistress?

Mastering the Mistress is a Brides of the Kindred novella but it can and should be read as a stand alone novella.

### An Extended Look at *The Lost Colony*

The last survivors of the human race escaped a ruined Earth. Their new homeworld—Eos—seemed perfect at first. Warm. Hospitable. Safe from the grid. But everything isn't as it seems.

The first colony of settlers—from the Carthage—have disappeared. Their settlement is still there, but everyone is gone. As James digs into the mystery of the lost colony, he discovers a series of spheres, buried on Eos. Are they the key to finding the lost colonists? Or are they responsible for their deaths?

Just as James is unraveling the secrets of the spheres, a storm hits Jericho City. Emma, recently elected mayor, struggles to lead her people to safety while James tries to make his way home. In the middle of the chaos, a new danger emerges—a threat no one saw coming.

With time running out to save the colonists, James and Emma face their hardest choice yet.

## Outlander: A Novel (Outlander, Book 1)

**Author: Diana Gabaldon**

**#1 NEW YORK TIMES BESTSELLER • NOW A STARZ ORIGINAL SERIES**

Unrivaled storytelling. Unforgettable characters. Rich historical detail. These are the hallmarks of Diana Gabaldon's work. Her *New York Times* bestselling *Outlander* novels have earned the praise of critics and captured the hearts of millions of fans. Here is the story that started it all, introducing two remarkable characters, Claire Beauchamp Randall and Jamie Fraser, in a spellbinding novel of passion and history that combines exhilarating adventure with a love story for the ages.

**One of the top ten best-loved novels in America, as seen on PBS's *The Great American Read!***

Scottish Highlands, 1945. Claire Randall, a former British combat nurse, is just back from the war and reunited with her husband on a second honeymoon when she walks through a standing stone in one of the ancient circles that dot the British Isles. Suddenly she is a Sassenach—an "outlander"—in a Scotland torn by war and raiding clans in the year of Our Lord . . . 1743.

Claire is catapulted into the intrigues of a world that threatens her life, and may shatter her heart. Marooned amid danger, passion, and violence, Claire learns her only chance of safety lies in Jamie Fraser, a gallant young Scots warrior. What begins in compulsion becomes urgent need, and Claire finds herself torn between two very different men, in two irreconcilable lives.

**This eBook includes the full text of the novel plus the following additional content:**

- An excerpt from Diana Gabaldon's *Dragonfly in Amber*, the second novel in the *Outlander* series
- An interview with Diana Gabaldon

## Theirs to Command (Kobar Mates Book 2)

**Author: Ivy Barrett**

**Yesterday Marissa Scott thought she would never be selected for breeding.**

Today she stands naked before her new masters with her tear-stained cheeks blushing crimson, her bottom burning from a stern reminder of her place, and her helpless arousal on full display.

But it isn't just the thought of three Kobar warriors ravaging her without mercy that terrifies her.

It is what these brutes will do once they've claimed her.

She knows they will share her.

She knows they will use her in ways more shameful than she can imagine.

But worst of all, she knows they will make her beg for all of it.

**Publisher's Note:** *Theirs to Command* is a stand-alone novel which is the second book in the *Kobar Mates* series. It includes spankings and rough, intense sexual scenes. If such material offends you, please don't buy this book.

## Half-Breed Conquerer: A SciFi Alien Romance (Mated to the Monster Book 1)

**Author: Luna Hunter**

**I must breed her — or she dies.**

I am a caged beast, bred for war. My captors force me to fight for my life, day in, day out, to hone my skills. Pain, war and death are all I know.

And then Amy's dropped into my cell. The most beautiful creature I have ever seen. Long dark hair, big eyes, and a curvy body I want to sink my fangs into.

My captors tell me I must mate with the human female and impregnate her within the next seven days — or they will kill her.

There is nothing I would like to do more than to sate my urges and release myself inside this female, but there's one problem: She is *terrified* of me.

I cannot and will not mate with a female against their will.

But, I cannot let my captors kill her either.

Every second she is my presence, my animalistic urges grow harder and harder to resist, but I am determined to prove that, despite everything, I am no animal.

If I can convince Amy to come to me willingly, then perhaps I can save her — and myself...

## **The Bare Essentials: A SciFi Alien Romance (Exposed to the Elements Book 2)**

**Author: Honey Phillips**

**Can Janet survive the heat of an alien desert? And the heat of the alien warrior who finds her?**

One minute Janet is sliding into a snow bank. The next she is alone in the middle of a strange pink desert. Alone and naked.

When a huge, golden-scaled male appears out of the shifting sands, she is convinced that he is a mirage. But the fiery pleasure of his touch feels too real to be an illusion.

Sabrost is preparing for his final initiation as a priest of Tetlana when he is snatched away from his temple. The desert in which he awakens reminds him of his ancestral sands. But his ancestors would never have accepted the delicate female who arouses all of his protective instincts.

The desert holds many secrets - not the least of which are the secrets of the heart. Which will prove most treacherous as Janet and Sabrost make the perilous trek to safety?

*Each book in the Exposed to the Elements series can be read as a standalone romance. This sweet and steamy romance is intended for mature audiences only.*

## **The Naked Alien: A SciFi Alien Romance (Exposed to the Elements Book 1)**

**Author: Honey Phillips**

**Can Jane survive alone on an alien planet? And is she really alone?**

Jane has no interest in the great outdoors. She prefers her comfortable bed, her books, and all the conveniences of modern life. So when she wakes up alone and naked in what appears to be an alien jungle, her only goal is to find her way home.

The question of whether or not she's alone is answered when a massive stranger comes to her rescue. Her savior is big and growly and he doesn't speak her language - but the heat in his eyes doesn't need translation...

Commander Taraxan's people may have mastered advanced technology, but they have never forgotten their primitive roots. So when he wakes up naked and weaponless on an unknown planet, he is annoyed but not alarmed.

As he searches for a way to return to his civilization, he discovers a strange, pale female blundering around the jungle. Oblivious to the hazards surrounding her, she is clumsy, helpless... and completely adorable. As an honorable warrior, he has no choice but to protect her - but he doesn't expect the task to be so rewarding...

Can two complete opposites survive the jungle - and their sizzling attraction to one another? And what possible future awaits a human woman and an alien commander who are both determined to return to their own worlds?

*Each book in the Exposed to the Elements series can be read as a standalone romance. This sweet and steamy romance is intended for mature audiences only.*

## **Savage in the Cell: A SciFi Alien Romance (Fated Mates of Breeder Prison Book 2)**

**Author: Tammy Walsh**

**My fated mate could be anybody. Even the Savage in the cell.**

When a prison riot breaks out, I'm cornered by a dangerous gang. They haven't won a battle in months and are determined to take their frustrations out on me.

Then the Savage breaks his heavy chains and tears through the depraved barbarians to rescue me.

Through the rioting chaos, he clutches me to his muscled chest to safety. His callused claws are gentle, nothing like his fearsome reputation has led me to believe. In his arms, I find a caring and thoughtful lover. Could he be my fated mate?

The new warden interrupts our happiness and withholds my birth control pills in a sinister effort to force me to breed.

Dare I risk giving in to my carnal nature? And what will happen if the Savage impregnates me?

*Savage in the Cell is a full-length, standalone alien sci-fi romance. It features a possessive, alpha alien in intense, steamy scenes with his human mate. There are no cliffhangers or cheating, and a happily ever after is guaranteed!*

## **Dark Stranger Revealed (The Children Of The Gods Paranormal Romance Book 2)**

**Author: I. T. Lucas**

"**Outstanding!** The story gripped me from the beginning and I didn't stop until I finished the third book. The other books on my kindle will have to wait because I'm going to keep reading the series to the last page."

"**An excellent read!** This is a very different take on paranormal and it was an accidental find. After reading the first book in the series, I bought the entire set. It's fast paced, intriguing and the characters are fully formed and interesting. I cannot put it down!"

"**A new favorite author and series!!!** I really enjoyed this book and the entire series. It's a wonderful paranormal book that is completely different from everything else out there. I devoured all five within a 3 day period of time. Both the writing, characters and story line was AMAZING and I'm dying to get my hands on the next book!!"

"**I LOVE LOVE LOVE THIS SERIES!** I was trying to find a series similar to the Black Dagger Brotherhood series by JR Ward and this hit the nail on the head! I finished the entire series within two weeks and I cannot wait for Book 9 to release! IT Lucas, please keep this story line going as long as possible... I cannot wait to see what happens to the rest of the clan!"

"Awesome story with intriguing characters. Romance and intrigue that draws one in. Better than Shades of Grey by a mile."

**I. T. Lucas is one of the best authors I have come across.** The Children of the Gods series is fantastic. The characters are savage, gritty sexy, enthralling and the story lines are thrilling. I can't put the book down once I have started and I have read 11 of them. The men are superbly buffed and wild, and the women give them a run for their money in the gorgeous, sexy and strong stakes. Very highly recommend these books to anyone who enjoys sitting on the edge of their seat and chewing their nails in anticipation of what is to come. Very explicit and cruel in some of the books.

"...I was completely hooked from start to finish and did not want to put it down until I was done! I found myself devastated that the story was over already and wanting to read more..." - OnlineBookClub.org

## **Found By The Alien Fire Prince: A SciFi Alien Romance (Lost In The Stars)**

**Author: Lindsey Devin**

**I'll never let a man control me again.**

I left the Earth to get away from my controlling ex, and I refuse to fall into another man's arms ... not even an amazingly masculine alien that awakens an uncontrollable attraction within me.

Bask is the definition of alpha male and my opposite in every way. He comes from an alien species full of domineering males, and I'm not interested. I can't deny that I'm hot for him, but I'm not willing to be his submissive little female.

When our ship crash-es, he goes into protector mode. He thinks I'm a helpless human. I might not have the power to summon fire at my fingertips, but I'm not weak.

We're trapped together, but I'm not going to submit to him, no matter how hot it is when we kiss. If he wants me as his mate, he'll have to accept the strong woman I've worked so hard to become.

## Maid For Him: A SciFi Romance (Intergalactic Fated Mates Book 2)

**Author: Athena Storm**

**If Royal Admiral Zenir thinks I'm going to be his maid, he's got another thing coming...**

He discovered me and two children stowing away on his ship.  
Now instead of being killed, I'm supposed to wait on this muscled up alien warrior as he provides food and shelter to me and the two kids?  
**Yeah, okay, things could be worse, I suppose.**

I'm not going to let him claim me.  
Not without a fight!  
He can say I'm his fated mate all he wants.  
I'm not falling for his panty-dropping dimples.  
Forget his royal alien bedroom eyes and his big, buff arms.  
I may be his maid.  
But he's not the boss of me.  
**And no, I don't want him to be. I don't. Really!**

So why do I feel so happy when he and I and the children are all together?  
Why does it feel more like home than anything else I've ever felt?

But mostly...

**Why does it feel like we're a real family?**

---

## Maid For The Alien Warrior: A SciFi Romance (Intergalactic Fated Mates Book 3)

**Author: Athena Storm**

**There is no way in the galaxy Prince Elvion will force me into servitude.**

Yes, I did take a job to be his little sister's Royal Nanny. But serving him wasn't on the agenda.  
But what else can you expect from a warrior prince?  
This is the kind of guy who pulls out his blaster when he hears a baby cry.  
Not the kind that takes no for an answer.

Except that's what he's gonna get.  
Yes, he's fabulously wealthy.  
And I am very broke.  
But I have some dignity!

I'm not giving into the urges he brings out when I see him shirtless.  
Or indulge my daydreams when he says we're fated mates.  
And I sure as hell am not entertaining the racing heart when he gets so close to me that I can smell his scent.

No! We are not meant to be together.  
This is a job. That's all.

So why can't I stop thinking about him?  
Why does a part of me not just want to serve him...

**But love him with all my heart?**

*Author's Note: This is a completely standalone novel set in the Athenaverse. Even if you've never come into the Athenaverse, you'll be able to enjoy this science fiction romance that has no cliffhangers or cheating and guaranteed happily ever after!*

## Loving a Stranger: A Kindred Tales Novel

**Author: Evangeline Anderson**

**A Warrior able to take over the body of another...**

**Thrust into his enemy's life...**

**Soon begins to love his enemy's lonely, abused wife...**

but can she ever trust him again when she finds out she has been  
Loving a Stranger?

Reeve J'lorn is an M-Switch Kindred. Their ability to jump into and control the body of another male for a limited period of time has gotten them the derisive nickname, "Snatchers" and they are not trusted by the other branches of the Kindred. Nevertheless, it is to Reeve, an acknowledged pirate and Snatcher, that the Kindred must turn with a top secret mission--to snatch the body of a high ranking enemy and destroy a secret weapon which threatens the entire universe. And so, Reeve steps into the body of his enemy...and into a whole different world.

When Nallah Parokk's husband goes into a coma, she secretly hopes he will never awaken. Harryx is cruel and cold to her, beating her often and using her like a whore. Her existence is nearly unbearable but she knows it could be worse if her husband decides to throw her out on the street. Then he wakes up and suddenly he's...different. He's kind and loving in a way he never was before, so much so that Nallah is almost ready to forgive his past behavior. But what is behind her husband's sudden transformation? And will this change for the better last?

Though he tries not to, Reeve is falling in love with his enemy's wife. But the beautiful little female with wide golden eyes is so wary around him, he wonders what the real Harryx did to her. When he begins to find out, he is horrified. How can he ever get Nallah to love him back when he is inhabiting the body of a monster--her jailer and abuser? He knows he has to tell her the truth about who he is but how can he make her understand? And if he does, will she ever be able to trust again after she finds out she has been...Loving a Stranger?

\*Author's Warning\*

Though I have tried to handle it in a delicate way, readers with a past history of domestic abuse may find parts of this book disturbing. Sadly, many of the situations my heroine encounters are taken from true accounts of abused women. If you are in an abusive situation, please seek help.

## **Taming the Giant: A Kindred Tales Novel**

**Author: Evangeline Anderson**

**A Princess ruling on a cold, dark world, longing for a male to love her...**

**A Warrior dreaming of a female he can love and protect...**

**A Perfect match? Maybe not...He's a Giant.**

Can Alanah and Bram overcome their differences to be together?  
Read *Taming the Giant* to find out...

The Princess and the Giant...

Meet the Jor'gen Kindred. After leaving the main Mother Ship centuries ago to make a genetic trade with a massive race of people, they are thirty percent bigger than their ancestors. Which makes them 9 feet tall—giants to regular sized humanoids. Now, hundreds of years after the genetic trade which made them so huge, the Jor'gen Kindred have no more females and are seeking a new people to trade with. Bram, their captain, has been dream-sharing with a female from a small, cold, rocky planet at the far edge of the galaxy. The problem? She's tiny compared to him.

Alanah is the ruler of her people but not by choice. After a plague carried off all the men and boys, including her father the king, she and the female members of her pre-industrial society were left to fend for themselves. Alanah has always felt like an outsider. Not only is she a princess but she's considered much too tall for a woman. The other ladies at court sneer at her behind her back, wondering where she will ever find a man big enough to take her on.

Enter Bram, a giant three feet taller than Alanah. Suddenly the formerly too-tall princess is feeling positively petite. But Alanah's planet is stuck in the Dark Ages and Kindred technology looks like magic to them—black magic. Can Alanah convince her people the giant race is safe to join with? And can she and Bram overcome their differences—both physical and emotional—to form a lasting relationship?

You'll have to read *Taming the Giant* to find out.

*She's a shy wallflower.*

When Elizabeth is caught sneaking around his royal vessel, King Konan decides she is a spy, and must be broken.

His conquest will be carnal, and absolutely complete.

He will leave no part of his prisoner untouched.

No imagined sin unpaid for.

He will not be kind.

He will not be gentle.

And he will not fall in love.

*(Unless he can't help it.)*

## Bonded by Accident: A Kindred Tales Novel

**Author: Evangeline Anderson**

***A hybrid warrior, born of two worlds,***

***Seeking to end his Sexual Torment.***

***A girl from Earth with an itch to scratch***

***Looking for no-strings-attached sex...***

But when you make love with a Kindred, things get complicated

What are Brandi and Slade going to do now that they are...

Bonded by Accident?

Slade is an ex-slave, an ex-con, and a widower who has made a vow never to love another woman since his mate died tragically. But after his escape from BleakHall Prison, he finds he has a desperate need for female companionship. How to scratch his itch without breaking his vow? Easy--visit the Pairing Puppets aboard the Mother Ship--female-looking androids without emotions that help unmated Kindred males relieve their urges until they can find mates.

Brandi Dixon is a single mom with a difficult life. She and her daughter live in a double-wide trailer in small-town rural Florida. Brandi longs for a man but she's picky and doesn't want to bring home a string of "temporary daddies" for her daughter like her mom did to her when she was growing up. Then her cousin wins tickets to tour the Kindred Mother Ship and tells Brandi there's a place where she can have hot, no-strings-attached sex with a Kindred warrior. Brandi wouldn't normally do such a thing but she's desperate--it's been a three year dry spell and she needs a man--even if it's only for a single night.

Posing as a Pairing Puppet, she gets picked by Slade for a night of passion. But imagine her surprise when, after the best sex of her life, she hears the big

Kindred's growling voice inside her head!

Now Brandi is freaking out and Slade is pissed off that he broke his vow. Yet neither of them can deny the animal attraction that keeps drawing them together. When Brandi's daughter, Emmie, gets herself into terrible danger, Slade is the only one who can help. Will Brandi let the huge Kindred warrior into her life? You'll have to read *Bonded by Accident* to find out!

## **Guardian of the Dark Paths (Children of the Ajda Book 1)**

**Author: Susan Trombley**

Sarah had many doubts about entering an abandoned mine to help her best friend capture video footage to share on her social media. Convinced to do it anyway, her worst fears are realized when the exploration quickly goes awry, plunging Sarah into grave danger. Separated from the group and isolated in the depths of a long-forgotten mine, she must hold onto her wits and her sanity to survive, because something nightmarish hunts her through the darkness. Her only option is to travel deeper to escape it.

Jotaha serves as the Guardian of the Dark Paths, patrolling deep underground in a maze of tunnels and caves that protect his people from human invaders. His duty is to kill any human who crosses the boundary into yan-kanat territory, and he performs that duty admirably.

Until he meets the one human who is destined to be his mate.

They are from two different worlds that have clashed violently in the past. Humans view reptilians as monsters straight out of myth and urban legend, and Jotaha's people view humans as their mortal enemies. Will the decree of a fertility goddess be enough to convince the yan-kanat that Sarah belongs with their guardian? Or will the enmity that exists between their people end up destroying the growing love between Sarah and her reptilian mate?

## **House of Earth and Blood (Crescent City Book 1)**

**Author: Sarah J. Maas**

***A #1 New York Times bestseller!***

***Sarah J. Maas's brand-new CRESCENT CITY series begins with House of Earth and Blood: the story of half-Fae and half-human Bryce Quinlan as she seeks revenge in a contemporary fantasy world of magic, danger, and searing romance.***

Bryce Quinlan had the perfect life-working hard all day and partying all night-until a demon murdered her closest friends, leaving her bereft, wounded, and alone. When the accused is behind bars but the crimes start up again, Bryce finds herself at the heart of the investigation. She'll do whatever it takes to avenge their deaths.

Hunt Athalar is a notorious Fallen angel, now enslaved to the Archangels he once attempted to overthrow. His brutal skills and incredible strength have been set to one purpose-to assassinate his boss's enemies, no questions asked. But with a demon wreaking havoc in the city, he's offered an irresistible deal: help Bryce find the murderer, and his freedom will be within reach.

As Bryce and Hunt dig deep into Crescent City's underbelly, they discover a dark power that threatens everything and everyone they hold dear, and they find, in each other, a blazing passion-one that could set them both free, if they'd only let it.

With unforgettable characters, sizzling romance, and page-turning suspense, this richly inventive new fantasy series by #1 *New York Times* bestselling author Sarah J. Maas delves into the heartache of loss, the price of freedom-and the power of love.

## Pandemic (The Extinction Files Book 1)

**Author: A.G. Riddle**

**"...reads like a superior collaboration between Dan Brown and Michael Crichton."**

—*The Guardian*

**Now an Amazon Charts and *Wall Street Journal* bestseller.**

From A.G. Riddle, the worldwide bestselling author with OVER FOUR MILLION COPIES SOLD in twenty languages, comes a groundbreaking novel that takes you inside the the CDC and WHO response to a global outbreak. It's an eye-opening journey that may well change everything you think you know about pandemics—and how to survive one.

### Selected Praise for A.G. Riddle

"I finished the book fast because I just couldn't wait..."

—**WIRED GeekDad** on *Departure*

"Riddle makes an effort to keep the focus on how his characters react to each other (including to their future selves) rather than to the technological marvels that reshaped their world."

—**Publisher's Weekly** on *Departure*

"Well-constructed and tightly-wound as a fine Swiss watch—*Departure* has non-stop action, an engaging plot and, of course, wheels within wheels."

—**Diana Gabaldon**, #1 *New York Times* bestselling author of *Outlander* on *Departure*

### An Extended Look at *Pandemic*

A hundred miles north of Alaska, a US Coast Guard vessel discovers a sunken submarine at the bottom of the Arctic Ocean. It has no national identification. It doesn't match the records of any known vessel. Deep within, researchers find evidence of a scientific experiment that will rewrite our basic understanding of the human race.

In Atlanta, Dr. Peyton Shaw is awakened by the phone call she has dreaded for years. As the CDC's leading epidemiologist, she's among the first responders to outbreaks around the world. It's a lonely and dangerous job, but it's her life—and she's good at it. This time, she may have met her match.

In Kenya, an Ebola-like pathogen has infected two Americans. One lies at death's door. With the clock ticking, Peyton assembles her team and joins personnel from the Kenyan Ministry of Health and the WHO. What they find in the remote village is beyond their worst fears. As she traces the origin of the pathogen, Peyton begins to believe that there is more to this outbreak—that it may be merely the opening act in a conspiracy with far reaching consequences.

In Berlin, Desmond Hughes awakens in a hotel room with no memory of how he got there or who he is. On the floor, he finds a dead security guard from an international pharmaceutical company. His only clue leads him to Peyton Shaw—a woman who seems to know him, but refuses to tell him how. With the police searching the city for him, Desmond desperately tries to piece together what happened to him. To his shock and horror, he learns that he may be involved in causing the outbreak—and could hold the only key to stopping it.

As the pathogen spreads around the world, Peyton and Desmond race to unravel the conspiracy behind the pandemic—and uncover secrets some want to keep buried. With time running out, they face an unimaginable decision.

NOTE: this novel is available as an eBook on Kindle Fire and Kindle eReader, as an Audible audiobook, and in print (paperback and hardcover). It's also in Kindle Unlimited where subscribers can borrow it for free.

## **Time's Convert: A Novel**

**Author: Deborah Harkness**

**From the #1 *New York Times* bestselling author of *A Discovery of Witches*—look for the hit TV series “A Discovery of Witches,” streaming on AMC Plus, Sundance Now and Shudder. Season 2 premieres January 9, 2021!**

**What does it truly take to become a vampire?**

On the battlefields of the American Revolution, Matthew de Clermont meets Marcus MacNeil, a young surgeon from Massachusetts, during a moment of political awakening when it seems that the world is on the brink of a brighter future. When Matthew offers him a chance at immortality and a new life free from the restraints of his puritanical upbringing, Marcus seizes the opportunity to become a vampire. But his transformation is not an easy one and the ancient traditions and responsibilities of the de Clermont family clash with Marcus's deeply held beliefs in liberty, equality, and brotherhood.

Fast-forward to contemporary Paris, where Phoebe Taylor—the young employee at Sotheby's whom Marcus has fallen for—is about to embark on her own journey to immortality. Though the modernized version of the process at first seems uncomplicated, the couple discovers that the challenges facing a human who wishes to be a vampire are no less formidable than they were in the eighteenth century. The shadows that Marcus believed he'd escaped centuries ago may return to haunt them both—forever.

A passionate love story and a fascinating exploration of the power of tradition and the possibilities not just for change but for revolution, *Time's Convert*, the fourth books in the All Souls Series channels the supernatural world-building and slow-burning romance that made the previous books instant bestsellers to illuminate a new and vital moment in history, and a love affair that will bridge centuries.

## **Finding the Jewel: A Kindred Tales PLUS Novel**

**Author: Evangeline Anderson**

***A Warrior has a choice to make:***

***Rescue the Woman he loves...***

***Or complete a quest to heal himself.***

***Which will he choose?***

Chloe Deems is a plus sized girl with pink hair and an attitude —she owns her curves. Which is one reason she's so upset when she gets abducted by aliens and forced to live in a Smart House designed to make her lose weight. She has to weigh in every day and the smart-aleck talking scale decides what she's allowed to eat which is always lettuce and celery and never the delicious Thin Mints she can see peering tantalizingly out from behind the unbreakable glass cupboard in the kitchen. To Chloe, it seems like things just can't get any worse...until a prospective buyer comes to look her over.

Tark is a Beast Kindred who has been on the outside looking in his whole life. A debilitating stutter has kept him from finding a mate or settling down. Finally he gets a prophesy from a priestess telling him to seek for an elusive jewel which can cure his voice and Tark knows just where to look for it—in the house where Chloe is being held prisoner. But instead of the jewel, he finds a feisty, gorgeous plus-sized girl who's ready to fight for her life. He agrees to rescue her if she'll help him look in the only other place the jewel might be—the Resort of Resonant Oneness, located deep underground on a planet that straddles the lines between dimensions.

Chloe agrees to help the big Kindred out in return for her freedom but she doesn't know that the resort they are traveling to has some distinctly erotic ideas about “oneness.” Now she and the huge Beast Kindred are stuck doing some incredible embarrassing and intimate exercises that make even the brash Chloe blush. Still, she and Tark seem to be growing closer...until a monster from her past kidnaps Chloe.

Tark is given a choice—between rescuing the woman he has come to love, or completing the task he set himself in the first place and regaining his voice. Which will he choose?

## **Possessed: A Sci-Fi Alien Warrior Romance (Raider Warlords of the Vandar Book 1)**

**Author: Tana Stone**

**I sacrificed myself to save my sister's ship. Now the raider warlord owns me.**

It was my own fault. I was the navigator of our ship, and I'm the one who led us straight into Vandar territory.

We'd heard rumors about the Vandar raiders—everyone in the galaxy had. Terrifying and ruthless, they were a scourge on the Zagrath empire and destroyed everything in their path.

Few had actually laid eyes on the Vandar or the notorious warlords who led their fleets of warships—and survived to talk about it. So, when the ruthless aliens boarded our ship intent on destroying it and killing the crew, I did the only thing I could do.

I gave myself to the dark and menacing warlord. In exchange for allowing my sister's ship passage out of the Vandar territory, I must share his bed and travel with his crew of deadly raiders. Even though the sight of the huge, battle-scarred alien terrifies me.

But as I adjust to my new life on a savage warship, I discover that the dominant alien warrior wants more than just my body. He wants to possess my soul. And he'll make a new deal with me to get it.

*Possessed* is a full-length sci-fi romance novel with a HEA and no cheating. It features steamy scenes on a raider warship, alien horde space battles, and some serious enemies-to-lovers heat.

If you like dominant and dangerous alien warriors, alien abduction to seduction romance, and hot scenes with a happily ever after, you'll love *Possessed*, the first book in Tana Stone's sci-fi romance Raider Warlords of the Vandar series. Each book can be read as a standalone.

## **Feral Sins (The Phoenix Pack Book 1)**

**Author: Suzanne Wright**

When female wolf shifter Taryn Warner first encounters Trey Coleman, an alpha male wolf shifter with a dangerous reputation, she's determined to resist his charms. After all, Trey—who was only fourteen when he defeated his own father in a duel, winning the right to be alpha of his pack—can't have anything to offer the talented healer besides trouble, or so she thinks. Taryn finds herself drawn in by Trey's forceful demeanor and arctic-blue eyes, and she eventually agrees to enter an uneasy alliance with him. If the two succeed in convincing their respective packs that they've chosen each other as mates, Trey will win valuable political allies, while Taryn will escape an odious arranged mating.

But there are a lot of potential pitfalls to this plan—including the very real possibility that the wolf shifters, overwhelmed by their growing attraction to each other, will be unable to maintain the clear heads needed to pull off the deception.

## The Long Way to a Small, Angry Planet (Wayfarers Book 1)

**Author: Becky Chambers**

**The acclaimed modern science fiction masterpiece, Hugo Award winner for Best Series!**

**Follow a motley crew on an exciting journey through space—and one adventurous young explorer who discovers the meaning of family in the far reaches of the universe—in this light-hearted debut space opera from a rising sci-fi star.**

Rosemary Harper doesn't expect much when she joins the crew of the aging *Wayfarer*. While the patched-up ship has seen better days, it offers her a bed, a chance to explore the far-off corners of the galaxy, and most importantly, some distance from her past. An introspective young woman who learned early to keep to herself, she's never met anyone remotely like the ship's diverse crew, including Sissix, the exotic reptilian pilot, chatty engineers Kizzy and Jenks who keep the ship running, and Ashby, their noble captain.

Life aboard the *Wayfarer* is chaotic and crazy—exactly what Rosemary wants. It's also about to get extremely dangerous when the crew is offered the job of a lifetime. Tunneling wormholes through space to a distant planet is definitely lucrative and will keep them comfortable for years. But risking her life wasn't part of the plan. In the far reaches of deep space, the tiny *Wayfarer* crew will confront a host of unexpected mishaps and thrilling adventures that force them to depend on each other. To survive, Rosemary's got to learn how to rely on this assortment of oddballs—an experience that teaches her about love and trust, and that having a family isn't necessarily the worst thing in the universe.

## **Mated to the Alien Prince: A Sci-Fi Alien Romance (Fated Mates of Adonia)**

**Author: Ivy Sparks**

**This handsome alien is going to breed with me. And more shockingly, I'm going to like it. A lot.**

So I might've switched the test scores to get onto the Apollo shuttle. And I might be in a whole lot of trouble now because of it.

Not that it matters after the shuttle malfunctions and crashes onto one of the most savage unexplored planets in the system: Delphi.

And just like that, I'm kidnapped by lizard men. They intend to sell me, but I'm saved when a blue alien warrior with beastly horns claims me with the most passionate kiss I've ever had in my life.

He takes me to his people, but his tribe has traditions, ones I must abide by if I'm to stay safe here.

And these traditions... These acts aren't something I ever thought a timid woman like me would ever do in public. **And with a giant, brooding alien barbarian at that.**

*Mated to the Alien Prince is an alien sci-fi romance, from the Fated Mates of Adonia series of standalone books. This novel features a spitfire heroine and the sexy alien warrior who seeks to possess her. No cheating, no cliffhangers, and a very happily ever after is guaranteed.*

**Author: Presley Hall**

**Recently jobless and homeless, now I've been kidnapped by aliens.**

I thought my day couldn't get any worse... until the disgusting Orkun warlords who abducted me tell me I'm meant to be a "bride" for their commander.

*No! No freaking way.*

But before I can figure out a way off this spaceship, I find myself caught in the middle of an uprising by their other captives: a breathtakingly masculine gladiator race called Kalixians.

With their bronze skin, horns, and rippling muscles, the Kalixians look like gods.

Their leader, Tordax, is the most stunning of all. His touch sets off fireworks in my body, and I'm drawn to him in a way I can't understand—especially considering we don't even speak the same language.

But am I really safer now, or have I just traded one captor for another?

What does this powerful alien want with me?

**And why does he keep looking at me like I'm his?**

*Claimed is a full-length standalone sci-fi romance featuring hot alien gladiators with huge... horns, a sassy heroine who finds her courage in space, and a possessive alpha hero who would do anything to protect his fated mate.*

## **Dark Haven Illusion (The Children Of The Gods Paranormal Romance Book 47)**

***Author: I. T. Lucas***

Welcome to Safe Haven, where not everything is what it seems.

On a quest to process personal pain, Anastasia joins the Safe Haven Spiritual Retreat.

Through meditation, self-reflection, and hard work, she hopes to shed the shackles of society, free herself of her father's crippling expectations, and most importantly, make peace with the voices in her head.

This is where she belongs.

Except, membership comes with a hefty price, doubts are sacrilege, and leaving is not as easy as walking out the front gate.

Is living in utopia worth the sacrifice?

Anastasia believes so until a new acolyte changes her mind not only about Safe Haven but also about herself and the world she lives in.

Apparently, the gods of old were not a myth, their immortal descendants share the planet with humans, and she might be a carrier of their genes.

"I always want to rate this series higher. Each time I read the next book, I think the next one can't get better. But it does. This is by far one of my favorite series ever. If you haven't read it you definitely need to."

"Fantastic series. I have read this series 4 or 5 Times. The characters become friends and family. IT Lucas pulls you into the books and you never want to leave. Highly recommended characters."

## **Her Alien Prince: A Sci-Fi Alien Romance (Voxeran Fated Mates Book 1)**

***Author: Presley Hall***

**I was sent to make contact with aliens... I never expected one to claim me as his mate.**

When I get the chance to be part of a first-contact mission to space, I jump at it. I need a break from my life back on Earth. From the lie of my marriage. From the heartbreak of betrayal.

But after we crash on a planet far from our planned destination, everything changes. Stranded in an unforgiving wilderness, I suddenly find myself hoping extraterrestrial life *doesn't* exist.

No such luck.

As I search for a way to rejoin the other survivors, I fall—literally—into the lap of a massive alien warrior with metallic blue skin and cat-like eyes. He's... gorgeous. Mesmerizing. I can't stop staring at him, and he seems just as fascinated by me.

Actually, he seems *more* than fascinated. The way he looks at me is possessive and protective, and even though I can't understand his words, his voice sends shivers down my spine.

I don't understand what's happening between us, but I do know one thing: he's the best shot I have at finding a way back home.

**The only problem is, I'm not so sure anymore that I want to leave.**

## Given to the Daddies (Galactic Discipline)

**Author: Emily Tilton**

After police show up at her home and demand she accompany them, eighteen-year-old Dorana is taken to her planet's capital to be trained for use by the Magisterians who conquered her world. Before long she has been stripped, punished for her defiance, and brought to a shameful public climax by the very man who just finished spanking her, but her humiliation is just beginning.

She is to be given to three firm-handed military officers, each of whom she will call daddy, and her beautiful virgin body will be theirs to claim and enjoy in any way they please. But as the strict, sexy soldiers set about teaching her all the ways a little girl can be made to blush, Dorana soon finds herself wondering what it would be like to belong to her new daddies forever.

**Publisher's Note:** *Given to the Daddies* is a stand-alone novella in the *Galactic Discipline* series. It includes spankings, sexual scenes, and elements of age play. If such material offends you, please don't buy this book. Also note that an earlier version of *Given to the Daddies* was previously published under the title *Planet of the Daddies* as part of a multi-author collection entitled *Dirty Daddies: 2020 Anniversary Anthology*.

## Dark Enemy: Taken (The Children Of The Gods Paranormal Romance Series Book 4)

**Author: I. T. Lucas**

"I still can't get over just how absolutely amazing this series is!! To intertwine Greek Mythology and history in all aspects as well as current events is absolutely mind blowing! So much so that when you really look at it can certainly seem plausible..."

**"Move over Romeo and Juliet!"**

"Loved it! Exciting, interesting and hot. Love Amanda and Dalhu starts to grow on me. Highly recommended for those looking for an exciting and sensual read."

"Once in while a book or series comes along that simply won't let you put it down and this was one of those great finds! I normally find myself skimming through characters to get to the ones I like, but not this time! I loved every sentence of every character introduced and simply want more!"

Since the dawn of human civilization, two warring factions of immortals, the descendants of the gods of old, have been secretly shaping its destiny. Amanda's small clan champions progress and peace, while their powerful enemy, the Doomers, propagates ignorance and war.

Descending from a single goddess, the only one to survive the ancient cataclysm that wiped out her kind, Amanda's clan members are forbidden to each other. And as the only other known immortals are their hated enemies, they've been long resigned to a lonely existence of fleeting trysts with human partners. That is, until Amanda, the goddess's youngest daughter and a researcher of paranormal abilities, makes a game-changing discovery; two of her test subjects might be dormant carriers of the immortal gene. But before she can prove it, she gets snatched off a Beverly Hills street by a huge Doomer.

Dalhu can't believe his luck when he stumbles upon the beautiful immortal professor. Presented with a once in a lifetime opportunity to grab an immortal female for himself, he kidnaps her and runs. If he gets caught, either by her people or his, his life is forfeit. But for a chance of a loving mate and a family of his own, Dalhu is prepared to do everything in his power to win Amanda's heart, and that includes leaving the Doom brotherhood and his old life behind.

Amanda soon discovers that there is more to the handsome Doomer than his dark past and a hulking, sexy body. But succumbing to her enemy's seduction, or worse, developing feelings for a ruthless killer is out of the question. No man is worth life on the run, not even the one and only immortal male she could claim as her own.

Her clan and her research must come first.

## The Glass Magician (The Paper Magician Series, Book 2)

**Author: Charlie N. Holmberg**

Three months after returning Magician Emery Thane's heart to his body, Ceony Twill is well on her way to becoming a Folder. Unfortunately, not all of Ceony's thoughts have been focused on paper magic. Though she was promised romance by a fortuity box, Ceony still hasn't broken the teacher-student barrier with Emery, despite their growing closeness.

When a magician with a penchant for revenge believes that Ceony possesses a secret, he vows to discover it...even if it tears apart the very fabric of their magical world. After a series of attacks target Ceony and catch those she holds most dear in the crossfire, Ceony knows she must find the true limits of her powers...and keep her knowledge from falling into wayward hands.

The delightful sequel to Charlie N. Holmberg's *The Paper Magician*, *The Glass Magician* will charm readers young and old alike.

## **Healing the Broken: A Kindred Christmas Tale (KINDRED TALES Book 5)**

**Author: Evangeline Anderson**

***A Warrior and his young son, both Broken by Loss...***

***A Girl running from her past, and trying to find a Future...***

It's Christmas and the stakes are high.

Can Sarah learn to love Sazar and his young son Tsandor...

Or will her past ruin her last chance at happiness?

You'll have to read *Healing the Broken* to find out.

Sarah Michaels is running for her life.

Abducted into a cult called The Brotherhood of Peace at age twelve, she has grown up in an abusive system. Now as an adult, she is desperate to get away before she must become a "Bride of the Prophet" and is forced to have sex with the leader, the lecherous Father Caleb. Sarah runs from the cult...and straight into the arms of a tall, dark, angry Kindred warrior.

Commander Sazar is the ultimate diplomat but not a very good boss. In fact, he's awful because he has the habit of biting his personal assistants. As a Pitch-Blood Kindred, he needs blood on a regular basis and since his beautiful wife is dead, he is forced to take it from the female who is closest to him. Five secretaries have quit because of his blood requirements and he's desperate to find a new one before he goes on his latest diplomatic mission to Alquon Ultrea. Desperate enough to take on a girl with very little experience and no resume to speak of because she's willing to let him bite her and drink her blood.

Desperation might have brought them together but Sazar and Sarah soon find they have much in common. It's Christmas time and a deep mutual attraction draws them together. But when a misunderstanding tears them apart and Sarah is taken by the Brotherhood of Peace, can Sazar save her? And can Sarah help him by *Healing the Brokenness* inside?

\*\*\*NOW contains the first chapter of *Brides of the Kindred 21, Vanished*, coming Jan 2018 as well as a sample of *Blood Kiss*, Evangeline's new stand alone paranormal novel\*\*\*

## **Glacier: An Alien Warrior Romance (Elemental Mates Book 1)**

**Author: Miranda Bridges**

He is ice cold.

Both his personality and his skin. When his icy gaze lands on me it freezes me temporarily, but the first time he touches me...

Sparks fly.

Not the romantic kind. The tattoos on his pale skin illuminate and they are brighter than the Northern Lights. And then something in his eyes changes, making him less callous, less cold.

And making me hot.

He says he needs me for something important, something monumental, but I'm not easily swayed. Even if he's gorgeous and I do need his help.

I guess we'll see if I can melt his heart before he chills me to the point of no return.

Elemental Mates Series

## **Dark Enemy Captive (The Children Of The Gods Paranormal Romance Book 5)**

**Author: I. T. Lucas**

**"New favorite author. This author is incredible and her books are fantastic. They are riveting. There are many mornings I don't want to get up for work because I've stayed up so late reading her book. She's now one of my new favorites."**

**"Holy Moly!!!! One of the best series I've read in a long time! I can hardly wait for the next book. FANTASTIC!!!! "**

**"I have been a reader all my life and always have my favorite authors. Every once in a while, I find a new author that engages me so much that I don't want to put the book down. This series is one of them.** It is not a stand alone series of books, each one builds on the prior ones. So far, another great thing about this series is that I don't need to wait a year for the next book to hit. Hats off to I.T. Lucas for bringing your love of writing to those of us who love to read."

**"Again this author has done it! Another masterpiece for the collection.** What started out of curiosity has become an obsession. The Children Of The Gods is magnificent. Dalhu and Amanda's story is beautiful and eternal. Romeo and Juliet to the max. I'm sorry if I offend anyone because I love Shakespeare too, but there's a new author in the Romance masters section and is I.T. Lucas. Until the next one..."

When the rescue team returns with Amanda and the chained Dalhu to the keep, Amanda is not as thrilled to be back as she thought she'd be. Between Kian's contempt for her and Dalhu's imprisonment, Amanda's budding relationship with Dalhu seems doomed. Things start to look up when Annani offers her help, and together with Syssi they resolve to find a way for Amanda to be with Dalhu. But will she still want him when she realizes that he is responsible for her nephew's murder? Could she? Will she take the easy way out and choose Andrew instead?

## **The Alien's Accidental Bride (Alien Brides Book 1)**

**Author: C.V. Walter**

Molly was no stranger to life's little detours. After the last upheaval, she left her family's law firm to become a maintenance technician on the Space Station Bradbury 12. When an accident knocks her off her feet, she's going to have to draw on all her resilience to get back up. First, though, she's going to have to figure out how to talk to the big, blue alien trying to help her.

There wasn't supposed to be a space station where Mintonar's ship emerged from the galactic bridge. As far as they knew, there wasn't supposed to be intelligent life on the planet, either. Proof of how wrong they were is laying in his Medical Bay and it's his job to save her. When he touches her, his life turns upside down and his mission suddenly includes figuring out why everything inside him insists she's his mate. And convincing her of the same thing, especially when they don't even speak the same language.

## Theirs to Punish (Kobar Mates Book 1)

**Author: Ivy Barrett**

For Anna Corvina, preparing human females for breeding was just a job.

Until today...

Today she became the property of three Kobar warriors.

It shouldn't have been possible. She wasn't even supposed to be entered in the lottery, but her sharp tongue got her in trouble with her stern, infuriatingly sexy alien boss and he apparently decided that a painful, humiliating public spanking was not a sufficient reminder of her place.

Anna knows what comes next, and that only makes it more shameful.

Soon she will be bare and on display for her new masters, and then there will be no hiding the arousal glistening on her thighs as she is punished, trained, and used in any way they please.

Soon there will be no denying that her body aches to be bred.

**Publisher's Note:** *Theirs to Punish* is a stand-alone novel which is the first book in the *Kobar Mates* series. It includes spankings and rough, intense sexual scenes. If such material offends you, please don't buy this book.

## Dark Stranger Immortal (The Children Of The Gods Paranormal Romance Book 3)

**Author: I. T. Lucas**

"I have absolutely loved each book in this series. The book was well thought out. The main characters and supporting characters were well written and hilarious at times. I truly enjoyed this book and recommend it to anyone who loves a good paranormal romance that is different from everything else out there."

"I loved each and every one I was able to read. I am so obsessed about the series, I am barely getting my 6 - 8hrs of sleep because I can't stop reading. Lmao."

"I have literally been DEVOURING this series ever since I picked up the first book. This is going to end up being a huge hit, a big thing!" -Top 500 Reviewer

When Kian confesses his true nature, Syssi is not as much shocked by the revelation as she is wounded by what she perceives as his callous plans for her. If she doesn't turn, he'd be forced to erase her memories and let her go. His family's safety demands secrecy – no one in the mortal world is allowed to know that immortals exist. Resigned to the cruel reality, Syssi is determined to enjoy what little time she has with Kian, one day at a time.

## Draekon Guardian: A SciFi Dragon Shifter Romance (Rebel Force Book 5)

**Author: Lili Zander**

The big, bad, alien hero rescued me from the evil Zorahn.

He sees to my every need.

He sends me thoughtful presents.

If someone threatens me, *Yafet destroys them*. He's ruthless in his desire to keep me safe.

And despite all of that, **I can't get him to take the next step.**

Kisses? Yes.

Heavy petting? *Again, yes.*

Anything more? **Nope.** He won't go further even though he obviously wants to.

I'm not the type to sneak into his quarters and drape myself over his bed like a picnic to be devoured... **but maybe I should?**

\*\*\*

**I had spent an eternity alone. I was a Draekon, a creature to be feared, but never to be loved. I was used to it.**

Then I met Liz, and my world rearranged with her in the center.

The universe is a dark place, *and Liz is my light.* My anchor to hope. My one chance at happiness.

But my psychopath brother is trying to wipe out the Draekon race. He has a master plan...*and it involves Liz.* To stop him, **I must stay away from her.**

I'm the Draekon Guardian.

To protect the galaxy, **I cannot claim my mate.**

## **Silver Savage: Warriors of Valose Saga 1**

**Author: Iona Strom**

**Jakkar**

After losing all of our females, I hadn't thought life could get any worse until I'm stripped of my crown and exiled by my very own twin brother. With my world in turmoil, my spirit mate crashed into my life when I needed her the most. She is not of Valose but a stranger from another world. Newly awakened, my ancillary heart beats for one reason only—to keep her safe. Now I must protect her from old enemies as well as new yet what came with her poses a unique danger that can't be fought with swords. There's nothing I wouldn't do for her. Unfortunately, what she wants the most will tear apart my very soul.

**Lily**

I thought the abduction had been bad enough, but the crash-landing nearly killed me. Stranded on an alien world, all I wanted was to find a way to get myself and the other girls home. When the solution presented itself in the form of a kilt-wearing, hopeless romantic with serious muscles, sexy elf ears, and the belief that soul mates truly exist...Well, I'm no longer in a huge rush to leave.

Author's Note: This book has undergone a second round of edits for your reading enjoyment.

## **Bad Guy: A Science Fiction Romance**

**Author: Ruby Dixon**

Crulden the Ruiner is the name of a fierce gladiator who's broken the rules...and broken anyone that approaches.

It's \*my\* name.

It's a name that strikes fear into the hearts of all...all except the small human female who comes to clean my cell and glares at me the entire time.

My new owners want things from me. They want me to play in their games. They want me to win battles for them.

Well, I know what I want in return.

I want her.

And I don't care who I have to destroy to get her.

But Mina doesn't want to be owned...and certainly not by one as terrible as me. How does a bad guy woo the girl when all he knows is death and destruction?

## **Healing Her Patient: Kindred Tales #33**

**Author: Evangeline Anderson**

***A woman who struggles with infertility has given up on finding love***

***A warrior who thinks he will never be able to bond a bride***

***Thrown together on a mission where they must pretend to be Joined Mates***

***Will their lie become a reality?***

Dr. Danielle Adams isn't looking for love. Health issues have rendered her unable to have kids and she has given up on finding a relationship. Instead, she's focusing her energy on her career as a Medical Anthropologist. She's excited for her next assignment--going to study a new group of humanoids with their own special brand of medicine. But when she receives an ancient love artifact that supposedly grants wishes about love, passion, and fertility, she can't help making a few wishes of her own. Not that they'll ever come true...

Commander Bravik is a Hybrid Kindred--half Blood, half Beast and all business. He's also the Diplomat in charge of the first cultural visit to Soluu Four, home of the H'raken people. Rumors that they have incredible healing techniques that don't rely on medical technology have piqued the High Council's interest, so they are sending Bravik and a human woman he barely knows--Dr. Danielle Adams--to investigate.

Everything is going well until they arrive on Soluu Four and find out they are expected to bring a mate. In order to avoid offending their hosts and ruining the mission, Danni pretends to be Bravik's bride. But to her surprise, the healing techniques she has come to study turn out to be sexual in nature. When her "husband," Bravik, is injured on the strange little planet, she is called upon to put her new skills to the test. Things are getting hot and heavy--can it be that Danni's wishes will come true after all?

You'll have to read *Healing her Patient* to find out.

## **Primal (Alpha Brotherhood Book 2)**

***Author: Sara Fields***

**I escaped the chains of a king. Now a far more fearsome brute has claimed me.**

The Brotherhood gave him the right to breed me, but that is not why I am naked, wet, and sore.

My bottom bears the marks of his hard, punishing hand because I defied my alpha.

My body is slick with his seed and my own arousal because he took me anyway.

He didn't use me like a king enjoying a subject. He took me the way a beast claims his mate.

It was long, hard, and painfully intense, but it was much more than that.

It was primal.

**Publisher's Note:** *Primal* is a stand-alone novel which is the second entry in the *Alpha Brotherhood* series. It includes spankings, rough sexual scenes, intense and humiliating punishments, and strong D/s themes. If such material offends you, please don't buy this book.

## **Conquered by the Alien Warrior: A Sci Fi Alien Romance (Warriors of Agron Book 9)**

***Author: Hope Hart***

**I've loathed him since the moment we met.**

His silver eyes watch me relentlessly, making it clear he doesn't trust me.

But it's not his mistrust that makes me hate him. It's not even his spies, who report my every move back to him.

It's the little voice in the back of my head that asks me if he could be the one I've been searching for all my life.

Now, I'm stuck on this journey with the man who makes me feel more... of everything.

A journey that's getting increasingly dangerous. Our enemies are coming, working together as they trap us right where they want us.

And all we have is each other.

Will I make it back to camp? Or will I lose my heart-- and maybe even my life-- in the next few days?

★ *Conquered by the Alien Warrior* is a full-length romance with no cliffhanger and a guaranteed HEA. While this can be read on its own, you'll enjoy it much more after reading the first eight books in this series.★

## **Son for the Alien Dictator: A Sci-Fi Alien Romance (Possessive Aliens Treasure Curvy Girls, Book 1)**

***Author: Skye Castel***

**My new boss is the most feared man on the planet. Great.**

Insanely powerful and ridiculously rich, President Vahadr Tzelik II is a man used to getting what he wants. Once he sets his eyes on me and demands I work for him, I *literally* can't refuse...

He is a merciless Dictator. He can ruin my life with a single flick of his black-clawed fingers. I should be horrified, but instead I'm gazing at his strong, muscled shoulders and intense blue eyes. And the heated looks he gives me send shivers down my spine.

I should never have agreed to go near Vahadr's son, a cute 4-year-old with one hell of a bad attitude. And when I find out the truth about the boy's surrogacy?

Let's just say I'm afraid to tell my boss.

*And that secret might just be the biggest mistake of my life.*

**If you like stories about possessive aliens, feisty heroines, and cute alien babies with unexpected twists and complex enemies to lovers dynamics, you'll adore this sci-fi alien romance novel with a HEA! Each book in the series is a standalone with no cliffhanger and a guaranteed happily ever after for the couple.**

## **His Human Nanny (Monsters Love Curvy Girls Book 1)**

***Author: Michele Mills***

My indentured servitude is almost over and freedom is a heartbeat away!

Until some alien guy buys me because he needs a nanny, quick. What? I'm not even good with kids. I've never changed a diaper in my life. But the beings at the employment agency won't listen. "Hew-mans are hot right now. Everyone wants a hew-man nanny." Great. And since there isn't another human available...I'm hired on the spot.

Yay, me.

And on day one of my new job I'm having a panic attack because I finally meet my new boss and he looks like Satan himself. No lie. Black horns, red skin and glinting silver-tipped claws. He even has a barbed tail, a forked tongue, and he breathes fire. This guy is terrifying, and his children look exactly like him.

\*heart palpitations\* \*hyperventilating\*

And yet, as I'm caring for these strangely adorable infants and gazing longingly at my crazy-rich boss as he cradles his twin babies in his huge, muscular

arms...my traitorous heart goes pitter-patter and my body heats up like lava.

Oh no.

And I begin to wonder—have I sold my soul to the devil?

## **Malac: A Sci-Fi Alien Dragon Romance (Brides of Driegon Book 1)**

**Author: Ava Ross**

**An alien dragon king meets his fated mate in a woman from Earth. With conflict brewing in the kingdom, will he be forced to make a heart-breaking choice?**

Bella: When I came to the subterranean kingdom of Driegon as a mail-order bride, I didn't expect the dragon king to sweep me off my feet, take flight, and claim me as his mate. He says a mythical mating ritual called the Torrent proves we're fated. Yeah, sure. Then I find out he's almost engaged. He insists he'll find a way for us to be together, but I've fallen for pretty lies before, and I won't give my heart again easily.

Malac: To end a war among the factions of my Driegon people, I must marry the daughter of a rival warlord. I've accepted my fate. Until I meet Bella, one of three Earthlings brought to my kingdom as mail-order brides. One touch, and my blood roars through me--the first sign of the Torrent. We're fated and I ache to claim her, yet I cannot betray my people. But the heart of a dragon will not be denied.

Malac is Book 1 in the Brides of Driegon Series. This standalone, full-length story has on-the-page heat, aliens who look and act alien, a guaranteed happily ever after, no cheating, and no cliffhanger. Look for the rest of the series on Amazon.

## **Ajos: A Sci-fi Alien Romance, Book 1 (The Restitution)**

**Author: A.G. Wilde**

**She didn't move to the big city just to be kidnapped by aliens.**

That wasn't even possible...

Right?

*WRONG.*

When Kerena wakes up, she's not on Earth anymore.

Heck, she's not even in the same galaxy, and the face hovering so close she can make out every detail? That face is definitely...not...human.

But before she can really figure out what's going on, Kerena realizes she's caught in the middle of a war—one she was thrust into as soon as she was ripped from Earth.

She's surrounded by aliens in a rebellion, but there's one—the one with the strange golden eyes, minty-teal skin, and rippling muscles—that holds her attention.

His presence is magnetic and his heated gaze makes something stir deep within her.

He's battling something that has nothing to do with the war and his warning that she should stay away does not go unheeded.

He's a dangerous rebel fighter. She gets that. So...why is he still hovering so close? And why is he growling at everyone that so much as looks in her direction?

***Most of all, why does he keep looking at her like she belongs to ... HIM?***

*Ajos is a full-length standalone sci-fi romance featuring a smart, strong heroine who has the will to survive and a hot, ruthless, and possessive hero who suddenly finds his heart cannot beat without the strange human he finds in his midst.*

*If you like sexy aliens, adventure, and steamy sci-fi romance, check out Ajos.*

*This standalone book contains:*

- Steamy scenes
- HEA
- No cheating
- No cliffhanger

## **Taken by the Alien Warrior: A Sci Fi Alien Romance (Warriors of Agron Book 1)**

***Author: Hope Hart***

**The aliens who stole me made a mistake.**

The Grivath have sold us on Gule- a planet where hope goes to die.

The women who are imprisoned with me are in high demand and they all look like models. Me? I'm 5'2 shy, curvy, and a kindergarten teacher. Maybe they really meant to take my pageant queen sister?

If that's not bad enough, our ship has crashed and half of the women are missing. Did I mention the locals want to eat us? Insert the tall, incredibly-built warrior aliens, who saved us. Things are looking up, except that one of them is eyeing me like a snack, and not in a cannibalistic way-- if you catch my drift.

Terex is tough, fierce, and bossy, and doesn't seem to understand that I can't stay and be his snuggle bunny. I'm not quite sure why he isn't chasing after one of the other women when every man I've ever known has overlooked me.

But not Terex. When he looks at me, he doesn't seem to see chubby, awkward Ellie. And his gaze burns brighter instead of shifting away.

Now, I've just got to convince him to help me find the other women and get back to Earth.

Should be a piece of cake... Right?

*Taken by the Alien Warrior is a full-length romance with no cliffhanger and a guaranteed HEA. While this is a spin-off series from the hugely popular Arcav Alien Invasion series, this is a standalone series.*

If you like hot aliens and kick-ass heroines, you'll love Warriors of Agron- Hope Hart's new sci-fi romance series.

## **The Doctor's Prize: A Sci-Fi Alien Romance**

***Author: Maren Smith***

**He examined me like a specimen. Then he mounted me like a beast.**

Yesterday I was the pilot of a badly damaged ship desperately trying to reach a friendly outpost.

Today I am a specimen, naked, helpless, and on display for a huge, terrifyingly sexy alien brute.

I knew the risks of leading my crew into the Colbear Quadrant, but we were losing power fast and I had no choice. Now the truth is clear. The ships that vanished in this region were not lost.

They were taken.

Taken by beasts like the one now examining me to ensure I am ready to be claimed and ravaged.

But I can feel him losing control of his instincts. He's not going to save me for captive breeding.

He's going to take me himself, right here and now, and he's not going to be scientific about it.

**Publisher's Note:** *The Doctor's Prize* includes spankings and rough, intense sexual scenes. If such material offends you, please don't buy this book.

## **Chosen by a Beast: An Alien Breeder Romance (Hearts of Stone Book 1)**

**Author:** *Miranda Bridges*

I've been abducted. Twice.

And now my situation with this new group of aliens has gone from bad to worse. I was with a bunch of elf-like aliens who had unparalleled technology, but now I'm in the midst of a group of primitive gargoyle aliens running around in loincloths.

Which doesn't hide much, let me tell you. There's one gargoyle in particular who watches my every move, but what's under his loincloth scares me more than his beastly appearance.

To be sure we're worthy to breed with, the savages have us each perform a rite of passage.

And by that I mean a test of survival. Navigate the terrain, scavenge for food, defend myself against wildlife—basically all the things that could cause bodily harm or death. So that's fun.

And as much as I'd like to be rescued by the alien who's stalking me, it looks like I'm on my own. Maybe I shouldn't have flipped him off, but how was I supposed to know I'd need his help?

Now, I'm going to have to tap into my survival skills or I'll be dead by morning. May the odds and the aliens be ever in my favor. Or something.

\*This is spin off from the House of Kaimar Series. If you want to know Makayla's tiny backstory, please read those books first.

\*It's highly recommended that this series be read in order.

## **Stolen Destiny (Shattered Stars Book 8)**

**Author:** *Viola Grace*

Kidnapped from the education station, Sil is set loose on a huge warship, only to find herself bound in a contract no one expected.

Silhouette watches the alien abductors trying to unload the entire shipment of stolen Terrans. She wished that she could sleep standing up, but it wasn't a skill she had acquired.

When a medical team comes in, a grey alien comes by and tests the humans. When he gets to her and she goes off, there is relief in his expression. She is taken to medical, brought to stability, and they run some tests while stowing her in a cell for her own protection. The problem is there is a Hmrain in the next cell, and while his wings are gorgeous and look so soft, his eyes are so hot he could burn her.

Kalek is just finishing rut when this receptive human is dropped in next to him, but she needs calm, and he tries to give it, right up until the moment when his second in command makes an offhand remark about her prognosis and tries to remove her from his presence. Instinct takes over, and he breaks out of his cell. Being chased by the captain of the ship is strange enough, but having him next to her when she wakes up from a painful medical procedure is shocking. He wants her body, mind, and soul, and maintaining her is part of the deal. He will hold up his end if she signs the contract to bind them together.

## **Untamed Alien (An Alien Breeder Romance): Barbarian Clans of Xavren**

**Author:** *Luna Kingsley*

It was my new beginning. Until they gave me to the alien barbarian.

Marion can't believe her luck when she secures a spot on the first transport to Xavren. It's like winning the lottery when the Intergalactic Colonist Association (ICA) pledges to provide her with everything she needs to succeed as a founding member of the human colony.

Once she sets foot on Xarven, she realizes there's more to the bargain. The council expects something in return for their kindness.

Brotak carries the future of his clan on his broad shoulders. With no females, their people face extinction. He does the unthinkable and strikes a deal with the Xavren council. Human women in exchange for his tribe's rich land.

The first woman is delivered, and all his doubts, plans, and good intentions are discarded in a moment. He'll claim her, breed her and enjoy every minute of it.

Untamed Alien is the first book in a steamy new alien breeder series. No cheating, no cliffhanger, HEA guaranteed!

## **Nurse For An Alien Warrior: A SciFi Alien Romance (Intergalactic Exchange Program Book 2)**

***Author: Roxie Ray***

**I'm supposed to care for a kid, not make one!**

Space needs nurses.

That's what they told me, and that's why I agreed to go.

They say Raider is the last place I want to end up, but I'm up to the challenge.

I'll care for the warlord's child.

One problem.

He wants me to make said child.

With him.

No. Not happening. Never.

I'm not selling my body to some brute!

But Kain isn't the brute I imagined. And the longer I'm on Raider, the longer I wonder if belonging to him would be so bad...

## **Cry Wolf (Alpha & Omega Book 1)**

***Author: Patricia Briggs***

**#1 *New York Times* bestselling author Patricia Briggs presents the first Alpha and Omega novel—the start of an extraordinary series set in Mercy Thompson's world, but with rules of its own...**

Anna never knew werewolves existed until the night she survived a violent attack...and became one herself. After three years at the bottom of the pack, she'd learned to keep her head down and never, ever trust dominant males. But Anna is that rarest kind of werewolf: an Omega. And one of the most powerful werewolves in the country is about to recognize her value as a pack member—and as his mate.

## **His Human Organizer (Monsters Love Curvy Girls Book 4)**

***Author: Michele Mills***

**A grumpy alien boss hires a curvy, adorable human female to organize his mess—and vows to never let her go!**

I've been engaged to the same annoying guy for four long years, and still, no wedding date in sight. Grr. I'm completely fed up with this sham, so I tell my "fiancé" I'm taking a job off planet, hoping this outrageous behavior will allow him to finally break off our ridiculous engagement. It doesn't. So, I leave and become an organizing consultant to some scary alien.

My grumpy boss is Skoll Strikestone, a fire-breathing satanic-looking soldier with a deep scar bisecting his face. I'm doubting my own sanity in accepting this position, but this guy really, really needs help tidying up. He's a gruff male taking court-ordered conflict resolution classes and he's hired me to sort out the hoarding mess he's created in his cabin in the wildlands.

Whew.

I soon begin to realize this hot-tempered demon has a soft marshmallow interior. And the hardest abs I've ever seen. Those long fangs, serrated claws and barbed tail are actually causing my heart to flutter!

One big problem—I'm technically engaged to someone else, and so is Skoll. And since we're each still committed to these former "fake" engagements, there can be nothing between us but heated glances and emotional conversations.

\*cries\*

Oh hell, I think I'm falling in love with a male I can't have.

## **Dark Enemy Redeemed (The Children Of The Gods Paranormal Romance Book 6)**

**Author: I. T. Lucas**

"I could not stop reading! This read is brilliant. If you are a current fan of J. R. Ward and have read The Brotherhood Series, then these books are for you. Great Suspense, Drama and sex all rolled into a package that I T Lucas writes seamlessly... I am waiting for the next installment impatiently just as I do for the Brotherhood Series."

"I love this series!!! From the beginning to this point I have waited excitedly for each new addition! I particularly enjoyed this book because it brought all the previous story lines together in a way the anticipation would not let me stop reading until I had completed this addition to the series! I am excited for the next release and can't wait but I guess I have no choice in the waiting part! Awesome series and very well written! I have recommended it to my friends and family as a must read so they can have the opportunity to enjoy this series as much as I have!"

"This series just keep getting better and better with every book released. I love how the story seems to flow with the changing characters but still keeps previous characters in the loop and involved."

## **Blind Beast Mate: Dystopian New Adult Romance (Beast Mates Book 1)**

**Author: Milana Jacks**

**When life deals a wild card, play it no matter the cost.**

Since the day Rey's defiance earned her a blinding blow to the head, fear has hovered as close as the guide dog that clings to her side. But the terror that grips her now is almost beyond description.

Like her sister before her, Rey has been sold to satisfy the lusts of one of the alien Beasts that now rule the Earth. If the towering, leather-clad Alpha discovers his prize can't see, he could kill her with a flick of his claw. Or worse, send her home—where the only mercy she'll get is a bullet.

From the moment the Alpha Beast spotted Rey smiling tenderly at her flowers, his desire to own her, body and soul, roared louder than his bike's throaty engine. But the only smiles his new pair aims his way are forced—and oddly off target. She is liquid heat in his arms, yet ignores the notes and gifts he leaves for her.

If he can't win her over, he can't trust her with his own truth. And the combined weight of their secrets could destroy everything.

\*\*\*This dystopian romance for adults features one brave heroine paired with one sweet, unapologetic, possessive, protective Alpha male Beast. If you're looking for "mating trope" with fleshed out characters in a steamy romance novella and HEA click it now!

## **Her Cyborg Champion (The Drift: Haven Colony Book 2)**

**Author: Susan Hayes**

**She risked everything to escape from Earth - but her new life came with a cost.**

Haven colony is Maggie's new home and her one chance at freedom. Clean water, free air... As far as she's concerned, it's paradise. But getting here meant leaving her best friend behind.

It doesn't take long for her to learn Haven is surrounded by hidden dangers—and the most dangerous of all is a sexy, scarred cyborg named Striker.

**Humans took everything from him. His family, his friends, even his voice. Why would he trust one of them with anything?**

Striker just wants to live quietly. The wild places beyond the colony are his sanctuary, a place he can go to forget about his past and the ones he failed to protect.

He intended to stay clear of the human colonists. Then, one of them started entering his woods. Maggie isn't like the others. She's determined, beautiful, and unaware of the dangers prowling the forest.

He never wanted to be responsible for anyone again, but the flame-haired beauty needs him more than she knows... and he might need her more than he thinks.

## **The Commander's Captive: An Alien Breeder Romance (The House of Kaimar Book 1)**

**Author: Miranda Bridges**

Aliens.

That's right. I said it.

I know—it sounds stupid to me also. I'm a psychologist (sort of), so you'd think I'd be able to reason my way out of this mess. Except the reality is that I've been abducted to become their breeder, and it doesn't take an advanced degree to recognize this is all sorts of jacked up.

But I digress.

Apparently, these aliens are on the brink of extinction and need me and my fellow captives to repopulate. Yay us. I guess it's time to figure out an escape plan before they knock me up. I'll be back later.

Hopefully.

House of Kaimar Series:

Book 1: The Commander's Captive (Lia & Varek)

Book 2: The Monarch's Mate (Morgan & Zaden)

Book 3: The Bodyguard's Breeder (Eleanor & Kade)

Book 4: Kolton's book

Book 5: Braxton's book

## **Pillaged: A Sci-Fi Alien Warrior Romance (Raider Warlords of the Vandar Book 3)**

**Author: Tana Stone**

**I was promised against my will to an imperial general. . .so I escaped. Right into the arms of an even more ruthless Vandar warlord.**

I'd thought things had been bad when I'd been ordered to marry the repulsive Zagrath general. But then I'd been captured by the empire's most deadly enemy—the Vandar raiders. With their battle kilts and tails, the raiders are known for being fierce warriors who never take prisoners. Until now.

The fear I feel when I'm taken by the menacing Vandar warlord is confirmed when I discover why he treats me like an honored guest. Taking the general's bride is one thing, but to strike the most personal blow the Vandar must claim me as his, taking me to his bed until his mating marks appear on my skin and mark me as his true mate.

But he has no intention of forcing me. He wants to make a deal—become his willingly and I will get what I've always wanted—my freedom from a loveless, arranged marriage. Can I agree to a deal with the darkly dominant warlord who stokes both my fear and desire? Even if being claimed by the Vandar is only revenge for him and freedom for me, will my heart remain untouched as he pillages my body? And will the general give me up so easily, or will he come for both of us with all the firepower of the empire?

*Pillaged* is a full-length sci-fi romance novel with an HEA and no cheating. It features steamy scenes on a raider warship, alien horde space battles, and some serious heat.

If you like dominant and dangerous alien warriors, alien abduction to seduction, and marriage of convenience romance, you'll love *Pillaged*, the third book in Tana Stone's sci-fi romance Raider Warlords of the Vandar series. Each book can be read as a standalone.

## **Entered in the Alien Bride Lottery: A Sci Fi Alien Romance (Khanavai Warrior Bride Games Book 1)**

**Author: Margo Bond Collins**

**There are a million ways to end up in the Alien Bride Lottery. But it takes only one.**

Every unmarried female human over the age of 21 gets entered once a year. You can also accept extra entries for legal infractions—instead of paying a parking fine, for example, you can request an extra entry. Lots of women do that. I mean, why not? The chances are astronomical that your name will get chosen to be one of the hundred or so women who get shipped off to space every year.

And even if your name is drawn, the odds are slim that you'll match up with an alien who's looking for a mate.

Most of the lottery-drawn women come back to Earth every year and resume their lives as if nothing changed.

But some don't.

And no matter what, getting drawn in the Lottery means you have to compete in the Bride Games.

Guess that's where I'm heading now.

I only hope I can avoid catching the eye of one of the giant, rainbow-hued brutes whose mission is to protect Earth—and who can claim me as a mate.

All because I was Entered in the Alien Bride Lottery...

***Fans of Grace Goodwin, Laurann Dohner, and Ruby Dixon will love this steamy new series featuring gorgeous, bright alien heroes and the sassy human women they choose as mates!***

**Every book in the Khanavai Warrior Bride Games series is a standalone romance. Join these brides as they find a whole new world of happily ever afters.**
