## The Asylum Aberration (A Charlie Rhodes Cozy Mystery Book 9)

**Author: Amanda M. Lee**

Charlie Rhodes has spent her entire life wondering who she is, why she was abandoned as a child, and what's behind the magical powers she can wield in the blink of an eye.

She's finally getting her answers.

Now that she's been reunited with her birth mother and brother, the search is on for her father. He's supposed to be somewhere in Boston ... but where? He's fallen out of touch and finding him is virtually impossible.

Thankfully for Charlie, the Legacy Foundation's next assignment is in a suburb of the very city where she lives, which means there's plenty of time to find her father and solve the mystery of a haunted former hospital that's apparently eating construction workers on a regular basis.

Heavenstone Asylum was considered the height of sophistication in psychiatric circles back in the day. In the years since the facility closed, the main doctor's legacy has been tarnished by horror stories of treatments gone wrong and disappearing patients.

The second Charlie walks into the building, she recognizes that the past is hardly buried within the walls. There are tortured souls at every turn, and it's her job to help them.

Heavenstone's history makes for interesting reading but the harder Charlie digs, the more horrifying the story. Somehow she needs to uncover the truth ... and survive the ghosts long enough to free them.

It's going to take everything she's got to see things through until the end.

All Charlie wants are answers. She's going to get them. Surviving long enough to do anything with them is another story.

It's about to be the Legacy Foundation's finest hour ... or is it?

## A Lady's Guide to Gossip and Murder (A Countess of Harleigh Mystery Book 2)

**Author: Dianne Freeman**

***The adventurous Countess Harleigh finds out just how far some will go to safeguard a secret in Dianne Freeman's latest witty and delightful historical mystery . . .***

Though American by birth, Frances Wynn, the now-widowed Countess of Harleigh, has adapted admirably to the quirks and traditions of the British aristocracy. On August twelfth, otherwise known as the Glorious Twelfth, most members of the upper class retire to their country estates for grouse-shooting season. Frances has little interest in hunting—for birds or a second husband—and is expecting to spend a quiet few months in London with her almost-engaged sister, Lily, until the throng returns.

Instead, she's immersed in a shocking mystery when a friend, Mary Archer, is found murdered. Frances had hoped Mary might make a suitable bride for her cousin, Charles, but their courtship recently fizzled out. Unfortunately, this puts Charles in the spotlight—along with dozens of others. It seems Mary had countless notes hidden in her home, detailing the private indiscretions of society's elite. Frances can hardly believe that the genteel and genial Mary was a blackmailer, yet why else would she horde such juicy tidbits?

Aided by her gallant friend and neighbor, George Hazelton, Frances begins assisting the police in this highly sensitive case, learning more about her peers than she ever wished to know. Too many suspects may be worse than none at all—but even more worrying is that the number of victims is increasing too. And unless Frances takes care, she'll soon find herself among them . . .

"Engrossing . . . Freeman takes a witty look at Victorian polite society. Historical mystery fans will be delighted."

*Welcome to Spellbound, where paranormal is the new normal.*

The arrival of the National Spell Championships brings out High Priestess Limpet's competitive side. Emma is forced to practice like her life depends on it and—judging from the menacing look in Limpet's eye—that just might be the case. Unfortunately, Emma is disqualified for not being a witch, but that comes in handy when one of the best casters on a rival team is found dead and Emma is tasked with quietly finding the killer.

In the meantime, Emma's demigod father is back in town and determined to teach Diana the old ways. Emma wants her daughter toppling blocks, not buildings, and lays down the law with dear old dad, which goes over like holy water in a vampire's bath. With far more than a competition at stake, Spellbound's favorite sorceress is up to her neck in magical trouble.

Will Emma prevail in her crusade against crime and cataclysm or will she finally fall prey to the forces of darkness?

Don't miss the thrilling conclusion to the series!

**Author: Margery Allingham**

Private detective Albert Campion hunts a serial killer in London's theatre district, in this crime novel from "the best of mystery writers" (The New Yorker).

A spate of murders leaves Campion with only two baffling clues: a left-hand glove and a lizard-skin letter-case. Margery Allingham shows her dark edge in *Hide My Eyes* and evokes the sights, sounds, and inimitable atmosphere of 1950s London, once again proving herself "one of the finest 'golden age' crime novelists" (Sunday Telegraph).

"Allingham has that rare gift in a novelist, the creation of characters so rich and so real that they stay with the reader forever." —Sara Paretsky "Allingham's characters are three-dimensional flesh and blood, especially her villains." —Times Literary Supplement

No square pegs allowed!

Aunt Hazel's old cottage is only slightly better than the decrepit gardens surrounding it. Mia doesn't know the first thing about gardening and expects this will be one more failure on her seemingly endless list. Even Aunt Hazel's ancient cat seems to have pegged her as a loser.

When Mia stumbles over a body in the overgrown garden, the newcomer catches the eye of the police chief and his hotshot detective, Derek Fairfax, and she becomes the number one suspect in the case. Much to her shock and awe, she also catches the eye of Derek's brother, Dane, a lawyer with a head for what's legal and a bod for what isn't—but getting arrested for murder would certainly put a damper on her dating life.

## **Ink and Shadows: A Witty & Page-Turning Southern Cozy Mystery (A Secret, Book, and Scone Society Novel Book 4)**

**Author: Ellery Adams**

"Entertaining...packed with mystery, romance, and sisterhood."

—*Kirkus Reviews*

**New York Times** bestselling author Ellery Adams is back with the latest in her acclaimed Secret, Book, and Scone Society series. Local bookstore owner Nora Pennington is back on the case in Miracle Springs, North Carolina when an accidental death turns out to be something much more sinister...

Nora Pennington is known for her window displays, and as Halloween approaches, she decides to showcase fictional heroines like Roald Dahl's Matilda and Madeline Miller's Circe. A family-values group disapproves of the magical themes, though, and wastes no time launching a modern-day witch hunt. Suddenly, former friends and customers are targeting not only Nora and Miracle Books, but a new shopkeeper, Celeste, who's been selling CBD oil products.

Nora and her friends in the Secret, Book, and Scone Society are doing their best to put an end to the strife—but then someone puts an end to a life. Though the death is declared an accident, the ruling can't explain the old book page covered with strange symbols and disturbing drawings left under Nora's doormat, a postcard from an anonymous stalker, or multiple cases of vandalism.

**Author: Jane Hinchey**

Oh, wait. That was me. I said that. If you'd told me yesterday that ghosts were real I would have smiled, nodded, and called a shrink to fix your deluded little mind. Now it's my turn to question my sanity when the ghost of my best friend turns up in my apartment. Was it the tequila shots the night before causing this apparition? Now I have to accept that the paranormal does, in fact, exist. But sadly, my ghost friend is lacking something besides his body. His memory. He doesn't know how he died but suspects foul play and he wants my help to find his killer. I can't refuse, I'm a sucker for a good mystery and the chance to bring my friend's killer to justice is too good to pass up.

Captain Cowboy Hot Pants, or as he likes to be called, Detective Kade Galloway of the Firefly Bay PD. He's one smokin' cop, but my distrust of the police runs deep and despite his assurances that he's here to help can I really trust him, or is his offer of assistance designed to keep me from discovering the truth?

When Patricia Fisher boards the world's finest cruise ship for a three-month tour of the world, she expected a great many things ...

... finding herself embroiled in a priceless jewel theft wasn't one of them.

Less than twenty-four hours after setting sail, she's accused of murder and confined to her cabin. Thankfully, she is staying in the royal suite and that means she has a butler to help her. When he recruits his gym instructor BFF, Barbie, the trio turn detective to find the real killer.

But someone on board doesn't want them to succeed and when the next body is found in her kitchen, the team realise it's more than just her freedom at stake. They'd better solve this fast or all three of them might be next.

Read this fast-paced adventure and nine more full-length stories as a middle-aged housewife throws off the shackles of her old life and becomes the woman she was always meant to be.

*When Steve Higgs writes, he hits it out of the park. I find myself laughing loud and often!*
