

## Sugar Daddies

**Author: Jade West**

A sugar daddy website doesn't seem a sound basis for an A1 life plan, but I'm a small town girl with big dreams, and there's this one advert, this one crazy advert I can't stop thinking about...

Two hot guys seeking their Little Miss Right.

Someone who can entertain them, amuse them, fit in with their corporate schedule.

And sex. They want sex.

Lots of sex.

Bonus, right? One major dose of epic win.

Of course, guys like Carl and Rick have their conditions. One being that they come together, or not at all.

Hell, I can live with that.

And there are no skeletons in their designer closet, none that I can find.

Just two hot sugar daddies, with particular tastes, nothing to worry about.

Until Carl and Rick spill the big one, the one that sends the girls running. A whole string of them before me, running to the hills without so much as a backward glance.

Maybe I should run, too. Thanks but no thanks, see you around, guys, nice knowing you.

But I'm already in way too deep for that.

Warning – as with every other Jade West book, reader discretion is highly advised. This novel contains vivid depictions of MMF / MM relationships, and Jade's characters, as always, have very filthy mouths. Mature readers only, please.

## Redemption: Lions of Locust Falls 1

**Author: Jayda Marx**

Talon - I cocked up. But it wasn't like my normal cock ups, which happen way more often than I'd like to admit; this was the cock up of a lifetime. I was feeling restless and frustrated, and decided to blow off a little steam with a random hookup in the bathroom of a gay club. That's not so bad, right? Well, it wouldn't have been, if my mate didn't choose that exact moment to walk in.

Yep, my mate, the man I'd waited my entire lifetime to meet, the one whom I was destined to love and protect for all eternity, caught me in the act with a stranger. Talk about a great first impression. And when I tried to approach him to apologize, he pepper sprayed me and ran away.

I can track him easily enough, but how do I explain myself when he won't speak to me? How do I show him that we're meant to be, or that I'm loyal and trustworthy when he probably thinks I'm just a dirty man-whore? Oh, and as if that isn't difficult enough, I need to tell him that I can turn into a lion. Time is running out to claim my mate and luck is certainly not on my side.

\*This M/M paranormal romance is a fun, light and fluffy quick read, and contains a misguided but endearing lion shifter and his adorkable fated mate. It is low to no angst, has no cliffhangers or cheating, and features a very happy HEA. Look out for a healthy dose of humor, heartwarming moments, and steamy scenes!

With no options left, Persephone flees to the forbidden undercity and makes a devil's bargain with a man she once believed a myth...a man who awakens her to a world she never knew existed.

## Under The Greek's Protection (The Greek Mafia Series Book 2)

**Author: Sonja B.**

### Crazy Loves Crazy

Slowly sitting up, Hailey looks down at Alistair's handsome face. He seems so normal in his sleep. Just looking at him in this state, no one would ever guess an insane teddy bear hid behind those eyelids. Reaching for the pillow to the side of her, Hailey takes it in her hands, then presses it upon his face, using all of her weight. It takes a few seconds, but Alistair begins to stir, kicking the covers off of himself. Try as she might, Hailey's not strong enough to hold it on him. Alistair snatches the pillow from her hands, then throws it to the foot of the bed.

"Woman what the hell is wrong with you," he barks, breathing heavily. "Were you seriously trying to kill me?" Alistair glares at Hailey, rubbing his nose.

"Kill you, no. Make you suffer because I can't sleep, then yes," Hailey states, irritated.

Alistair squints his eyes at her. "So, because I can sleep and you can't, you try to smother me? And they say I'm the crazy one."

## **Playing the Game : Neighborly Affection Book 1**

***Author: M.Q. Barber***

"The three lovers define the ups and downs of a polyamorous triad and leave the ending open for future adventures. ... Barber frames a sexy, loving relationship that happens to be among three people. Libraries looking for more ménage works might consider purchasing all three [books in the series]." -- *Library Journal on the Neighborly Affection series*

**She expects dinner with neighbors—but gets sex with a side of safewords.**

Fantasies about her sexy neighbors spice up Alice's nights, even a year after she's moved in. She can't decide whether the men are roommates or partners, but either way, they spark a wanton desire in this mechanical engineer that has her imagination—and vibrator—working overtime.

Henry, director of everything around him, studies human nature and applies philosophies to his paintings as well as his relationships. Quirky and polite to a fault, he follows his own code of honor even when it means denying himself.

Charming and playful, Jay craves stability, guidance, and the chance to please others. His antics counterbalance Henry's formal ways and bring vulnerability and fun to the trio's adventures.

BDSM play with the enigmatic artist and flirtatious joker across the hall allows Alice to quiet the too-logical mind that has kept her unsatisfied and distant with other lovers. She must reconsider her notions of love, submission, and independence if she's to find a permanent place in their bed and hearts.

—

"I love ménage stories, but Barber is beginning to ruin me for other authors. Her characters show such depth and her relationships are so complex and rewarding that I'm beginning to hold others to her standard." -- *You Gotta Read Reviews on Healing the Wounds: Neighborly Affection Book 3*

"The Neighborly Affection series as a whole has opened my eyes and has made me view the BDSM lifestyle in a new and refreshing light. -- *Bookaholics Not-So-Anonymous blog*

## **The Virgin and the Beast: a Dark Beauty and the Beast Tale (Stud Ranch Standalone Book 1)**

**Author: Stasia Black**

They say good things come to those who wait.

Bullsh\*%!

My whole life has been about waiting. Playing it safe. Be the good girl, don't color outside the lines. Put in the hard work trying to prove myself to Dad, then to my college professors, then to my boss at New World Media. Just waiting for the day when it will all pay off.

And right when it was all starting to—I finally had the house, the job, I was even thinking about getting a cat—boom!—my life explodes and suddenly now I'm here and—

"All done," the doctor interrupts my thoughts, pulling off her gloves with a loud snap.

Even from the bed where I'm lying, my legs spread like the Thanksgiving turkey, I can hear the impatient growl of the man standing in the doorway. If you can even call him a man. More like a beast out of a friggin' fairytale. "Well?"

Her pronouncement echoes throughout the room while the speculum is still inside me. "She's a virgin."

Intended for mature audience. Steamy romance with dark themes.

INTERVIEW WITH THE AUTHOR:

Q – Where did you get the idea for this book?

A – Who doesn't love a Beauty and the Beast story? I've been in love with this fairytale since I was a kid and read all sorts of different variations on it. Now that I'm grown up, well, I couldn't help but imagining some darker twists and turns the story could take. A tortured hero, kidnap, and a girl falling for her captor—hello, this is the stuff dark romance is made of!

Q – Why should I read this book?

A – I write the kind of books I love to read, which is dark romantic erotica. I want stories that steam things up in the bedroom but not if those scenes don't go hand in hand with three-dimensional characters, can't-stop-flipping-the-pages suspense, and quality writing. I like alpha males, (doesn't hurt if they happen to be

billionaires)!, bad boys, BDSM, contemporary, urban settings, and fiction where women can be strong while also exploring all sides of their sexuality. My favorite books are ones that dare to go into the darkest and most taboo places in the human psychological experience, leaving you wrung out on the other end.

## Mister West

**Author: R.J. Lewis**

**Aidan West:** I'm a jackass. But you know what? At least I'm willing to admit that. I'm not like these imposters walking around, wearing their false identities to the public. They don their business suits and pretend they're reasonable fair men in the world of cutthroat business. These douchebags will f\*ck you over the second your back is turned to them. Not me. I'll f\*ck you over while I'm looking straight into your eyes, and I won't hesitate to do it. I'm Aidan f\*cking West. The Asshole of the East. I'm greedy and cold, and I take what I want. And what I want since the passenger next to me opened her mouth and uttered the word "f\*ck" is to stick my tongue down her throat and taste her. Taste every inch of her. I'm a man that gets what he wants. And what I want is Ivy Montcalm. The black- and red-haired girl who shows up in my life, swearing like a pirate, dressed in nothing but short-shorts and a tiny top. She's my quest, and I never let a quest go unfinished.

**Ivy Montcalm:** Aidan West is the most arrogant man I have ever met. He's loaded with charm, has a filthy mouth, and don't get me started on those late night messages! What we have is more than just attraction, though. I fear it's something deeper. I started off as a quest, but I think I'm more than that now. I've never wanted a man more, but I can't have him. Not when my world is in shambles and I'm trying to build the courage to end this toxic chapter of my life and start over. I'm hurting, and he's there for me. I'm lonely and he fills that void. He offers me friendship when I want more. When he wants more, I'm terrified of change. How do you let go of familiarity when it's all you've known? I'm scared I'm not strong enough, and I'm scared Aidan won't be there waiting for me when I finally am.

**Mister West is book 1 of 2 in the Mister West duet. Book 2, titled SIR, is out now.**

**The conclusion to the Mister West Duet.**

Ivy: I have showed up to Aidan West's door and he...doesn't remember a thing. My mission just got infinitely worse. Any hope of spontaneous recovery fades away to nonexistence.

I have to do this the hard way.

I have been tasked to "*bring Aidan back.*"

But it's not that easy.

West is a bossy asshole and I am the most hopeless assistant to ever grace this planet. I would know--*he tells me*. He also threatens to fire me every five seconds while simultaneously asking me to stop wearing those short skirts. I refuse to, of course.

I am not easy, he is not easy -- we are a very dysfunctional couple, and while at times I want to cry, break down, walk away, sputter a curse and tell him to go f\*ck himself, I know in my heart I must stay.

Because I can't give up on Aidan. He is the love of my life.

He needs me, even if he doesn't know it--*remember it--yet*.

Sex. Logan Mitchell loves it, and ever since he realized his raw sexual appeal at a young age, he has had no problem using it to his advantage. Men and women alike fall into his bed—after all, Logan is not one to discriminate. He lives by one motto—if something interests you, why not just take a chance and try?

And he wants to try Tate Morrison.

Just coming out of a four-year marriage with an ex-wife from hell, a relationship is the last thing on Tate's mind. He's starting fresh and trying to get back on his feet with a new job at an upscale bar in downtown Chicago.

The only problem is, Tate has caught the unwavering and unwelcome attention of Mr. Logan Mitchell – a regular at the bar and a man who always gets what he wants.

Night after night Tate fends off the persistent advances of the undeniably charismatic man, but after an explosive moment in the bar, all bets are off as he finds his body stirring with a different desire than his mind.

As arrogance, stubbornness and sexual tension sizzles between the two, it threatens to change the very course of their lives.

Logan doesn't do relationships. Tate doesn't do men. But what would happen if they both just gave in and...tried?

## **Her Soul to Take (Souls Trilogy)**

**Author: Harley Laroux**

## Leon

I earned my reputation among magicians for a reason: one wrong move and you're dead. Killer, they called me, and killing is what I'm best at. Except her.

The cult that once controlled me wants her, and I'm not about to lose my new toy to them.

I don't know who I can trust, or how deep this darkness goes.

All I know is my one shot at survival is the demon stalking me, and he doesn't just want my body - he wants my soul.

*Her Soul to Take* is book 1 in the *Souls Trilogy*. Although all the books are interconnected, they are *stand-alone* and can be read in any order.

The human female spins and runs straight into my chest.

"Oh!" she says but then she stops, frozen as she stares up at me. "Hi."

I, too, am stopped in place.

This female is nothing like the others I have seen. She is petite, with long flowing black hair. Her features are as foreign to me as any humans, but for some reason I find her face pleasing.

Before I can think better of it, my tongue sneaks out over my lips to scent my surroundings.

But all I can smell is her.

And I've never scented anything so delicious in my life.

MINE.

It's all but a convulsion that tears through my body.

Far louder is the cry: Mine, mine, mine, mine, *MINE*, MINE.

## **The Barbarian's Stolen Bride (Northmen Barbarians Book 1)**

**Author: Jenika Snow**

I was known as Fenrir the Destroyer, the taker of lives and castles, a brutal Viking warrior in the Kingdom of Kaldir. My kingdom.

My name traveled far and wide, and those who heard it knew their place... accepted their fear above all else.

I had riches beyond measure, my followers countless and loyal. But I was missing the most crucial part of my reign, of my ruling.

A wife. My queen. A mother to my warrior sons and princess daughters.

But there's only one female who tempted my eye and made me yearn for more. And for years I coveted her and her alone, waited until I could provide for her without fail.

My Prima.

She'd once been a young sapling barely reaching my thighs, but she'd grown into a mature woman full of curves that made me ache.

She was the female I knew would make my filthiest fantasies come true. Prima was so small, tiny compared to me, and every protective instinct I had rose up with a vengeance strong enough to level anything in its path. I'd always protect her without fail. She was mine, no matter what.

And when timid, inexperienced Prima was finally brought to me—my conquest after years of being alone—I was a selfish bastard and wouldn't deny myself from claiming her.

In the end, she'd surrender. Because beneath her uncertainty and innocence was a wildfire I was ready to let burn me alive.

## **Double the D: A BBW Small Town Romance (Capricorn Cove Book 2)**

***Author: Evie Mitchell***

Blue

I'd always watched Drake Andrews and Dane Butler from afar. Hotter than hell, I'd fantasized about my Double D's with the kind of need that had Satan engraving my seat in Hell. When they'd left our small town, I continued to keep track even as I'd breathed a sigh of relief. I couldn't ever risk revealing just how much I wanted them.

Only now they're back. And that unfortunate fantasy? Well, it's returned - harder and hotter than ever.

Dane

Bluebell McKenney was ours since the moment we'd stepped into the group home over a decade ago. Her shy glances couldn't hide the heat in her gaze. To have the kind of future we wanted, the kind that involved all three of us, we'd had to make something of ourselves.

Now we're back and ready to claim our woman.

Drake

We weren't meant to practically kidnap her. We weren't meant to become lost in her curves or so enamored by her... er... charms that we forget our own damn names.

The plan may be blown to hell, but one thing's for sure. She's ready for Double the D.

Warning: This romance is filled with double the entendre, double the man, and double the you-know-what. Get thee a man (or two) and settle in – this unconventional love story will leave you aching for more.
