

## The Last Eligible Billionaire

**Author: Pippa Grant**

**He's a billionaire heir. A grump supreme. Hater of people. Bigger hater of peopling with people. And my new fake boyfriend.**

*Emotionally unavailable* doesn't even begin to describe Hayes Rutherford. He's cold. He's distant. He has more defenses than a nuclear missile silo. And he's the ultimate catch of the century. At least, according to his bank statement.

My job's simple: Keep Hayes's matchmaking relatives and all interested ladies away from the cranky, grumpy, walled-off heir to my favorite movie empire by pretending to be his one true love, and in return, he won't ruin my life over a teensy, tiny little misunderstanding.

But the more I sneak past his walls and fences, the more I realize that while we might be from different worlds, we have more in common than either of us expected. The man under all the glitz, glamour, and dollar signs could be the real love of my life.

But you know what they say about fake dating a billionaire—it's all fun and games until the scandals start.

*The Last Eligible Billionaire is a swoony, laugh-out-loud romance featuring a botched wax job, a woman in over her head, a man in over his heart, and the sweetest misguided dog to ever play matchmaker...or at least make sure these two anti-love birds never have clothes when they get out of the shower. It stands alone and comes complete with grand romantic gestures.*

## Rewriting the Stars: A Small Town Romance (The Bailey Brothers Book 6)

**Author: Claire Kingsley**

Firefighter Levi Bailey is used to being alone. Not that he's lonely. How could he be, with a band of unruly brothers, and their wives and growing families. Maybe he's the odd man out. The one brother who isn't destined to be with his soulmate.

Besides, he has her.

She's his Juliet, the only woman in the world he can't ever have. To an outsider, it probably seems crazy. But the Tilikum town feud is no joke—especially now—and Annika Haven is strictly forbidden.

Annika Haven never expected to be back in her hometown, let alone as a single mom with two jobs. Add in a pack of overprotective brothers, a brewing family crisis, and a gossipy, feuding town on the brink of chaos, and life gets complicated.

But at least she has him.

He's her Romeo, a son of the enemy. He makes her smile on her worst days. Yet, despite his brooding sex appeal, the one thing she cannot do is fall for Levi Bailey. They're just friends and that's the way it has to stay.

But after months of secret texts and stolen glances, one soul-stealing kiss changes everything. And Levi Bailey is about to do the impossible.

Defy the feud.

**Author's note:** *an intense hero who relentlessly pursues what he wants and a single mom with a tender heart. Small-town shenanigans, a hundred-year-old mystery, a riot of crazy brothers, enough heat to melt your Kindle (and your ovaries) and the biggest, heart-burstingest, happily ever after you've been waiting for.*

**The Bailey Brothers series is meant to be read in order. Start with book one, Protecting You.**

## Things We Never Got Over

**Author: Lucy Score**

**Bearded, bad-boy barber Knox prefers to live his life the way he takes his coffee: Alone. Unless you count his basset hound, Waylon.**

**Knox doesn't tolerate drama, even when it comes in the form of a stranded runaway bride.**

Naomi wasn't just running away from her wedding. She was riding to the rescue of her estranged twin to Knockemout, Virginia, a rough-around-the-edges town where disputes are settled the old-fashioned way...with fists and beer. Usually in that order.

Too bad for Naomi her evil twin hasn't changed at all. After helping herself to Naomi's car and cash, Tina leaves her with something unexpected. The niece Naomi didn't know she had. Now she's stuck in town with no car, no job, no plan, and no home with an 11-year-old going on thirty to take care of.

There's a reason Knox doesn't do complications or high-maintenance women, especially not the romantic ones. But since Naomi's life imploded right in front of him, the least he can do is help her out of her jam. And just as soon as she stops getting into new trouble he can leave her alone and get back to his peaceful, solitary life.

At least, that's the plan until the trouble turns to real danger.

***Author: Lauren Asher***

### **Rowan**

I'm in the business of creating fairy tales.

Theme parks. Production companies. Five-star hotels.

Everything could be all mine if I renovated Dreamland.

My initial idea of hiring Zahra was good in theory, but then I kissed her.

Things spiraled out of control once I texted her using an alias.

By the time I realized where I went wrong, it was too late.

People like me don't get happy endings.

Not when we're destined to ruin them.

### **Zahra**

After submitting a drunk proposal criticizing Dreamland's most expensive ride, I should have been fired.

Instead, Rowan Kane offered me a dream job.

The catch? I had to work for the most difficult boss I'd ever met.  
Rowan was rude and completely off-limits, but my heart didn't care.  
At least not until I discovered his secret.  
It was time to teach the billionaire that money couldn't fix everything.  
Especially not us.

Vampires bite weaker students in the corridors, the Werewolf pack has orgies in the Wailing Wood at every full moon and don't even get me started on the dark and twisted ways the Sirens use their powers on people's emotions, or how my sinfully tempting Cardinal Magic teacher hosts detentions that leave people needing therapy.

Classes are totally interesting if you manage to live through them. And that Gemini star sign I mentioned? It now determines my elemental magic and affects my destiny, so learning astrology is essential if I'm going to beat down my classmates – which is actively encouraged by the way.

My biggest problem is the drool worthy Dragon shifter who has his eyes on my throne. He and his three psycho friends are determined to make my time here hell.

All I've got to do is survive. But fate might have other ideas.

Dammit, why couldn't I have gotten a letter to Hogwarts?

## Put Me in Detention

**Author: Meghan Quinn**

**From USA Today bestselling author of A NOT SO MEET CUTE comes a brand-new romantic comedy about a pair of enemies who accidentally get married in Vegas. He wants to stay together, she wants nothing to do with them. Sparks fly and the pages ignite. Steamy and hilarious.**

**"You got married on your divorce-cation?"**

That would unfortunately be correct.

I was hanging with the girls, celebrating my divorce when I saw him, my crush, sitting in the corner of the bar all alone. Being single and looking for a wild night, I asked him if he wanted to join me. To my delight, he said yes.

Drinks were consumed, fun was had and then . . . one drunken conversation with a cranky gondolier in Las Vegas led to an Uber lift through a drive-thru wedding chapel with the incredibly hot, British bad boy, Pike Greyson.

On paper, it seemed like I hit the jackpot. And if I wasn't fresh from a toxic marriage, I would have absolutely noticed the finer things about him.

But I wanted nothing to do with being married, so when I arrived back home from my eventful weekend in Vegas, the last thing I expected to see was a new doting husband already moved in.

I asked for an annulment, he pulled a Ross Geller and said no.

That's right, he said NO! Instead, he asked for three months to prove we could be good together.

Insanity clearly knocked him in the head and the only way I could convince him to give up on our sham of a marriage was to show him just how wrong we were for each other. Only problem with that was, he saw right through my every prank, every trick, and every yearning emotion I attempted to mask.

## A Not So Meet Cute

**Author: Meghan Quinn**

**From USA Today bestselling author of The Highland Fling comes a brand new romantic comedy about a desperate billionaire seeking to find a fiancée. This modern day take on Pretty Woman is brilliantly clever and hilariously page-turning.**

How did you two meet?

The quintessential question asked to every couple. And the answer is usually some bubbly, lovey dovey tale of being struck in the bum by Cupid's arrow.

My meet cute (well not so meet cute) is slightly different. I was trolling a wealthy neighborhood in Beverly Hills, searching for someone to take me as their bride, you know, to make my arch nemesis jealous who consequently just fired me.

He was stomping around the block like some sort of gorgeous ogre, mumbling about a business deal gone wrong and attempting to finagle his way out of it.

And that's when we bumped into each other.

There were no sparks.

Not even a hint of blossoming love.

But next thing I knew, I was scarfing down free chips and guac, listening to this man lay out all of his problems which led to his big ask . . . he wanted me to be his Vivian Ward, you know, from Pretty Woman--minus the frisky behavior.

We're talking about living in a mansion, intimate double dates, and pretending we were head over heels in love . . . and engaged. Can you imagine?

The absolute audacity.

But people do crazy things when they're desperate. And I reeked of desperation. So, I struck up a deal.

My one big mistake, though . . . big . . . HUGE? I accidentally fell for the incomparable Huxley Cane.

Danny, Church, Frank. The three men who own me now. The head of this so-called kingdom and the two savages who enforce his wrath.

They made a peace deal with my family which came at a cost – me. A mafia princess gifted to them as a bride.

## Two Weeks Notice

**Author: Whitney G.**

### To Whom It May Concern:

I am writing this letter to formally announce my resignation from Parker International (& the arrogant, condescending CEO) effective two weeks from today.

This was a VERY EASY decision to make, as the past two years have been utterly miserable. I wish his next executive assistant all the luck in the world (she'll need it) and if my boss should need me to do anything over the next two weeks, kindly tell him that he can do it [his] goddamn self...

Sincerely (Not Really),  
Tara Lauren

That's the version of my two weeks' notice I should've sent to my boss, because the more professional version--the one where I said I was "grateful for all the opportunities," and "honored by all the rewarding experiences" over the years?

That letter was rejected with his sexy, trademark smirk and an "I highly suggest you read the fine print of your contract..."

So, I did.

And now I've realized that unless I fake my death, poison him, or find a way to renegotiate my impossible contract, I'm stuck working under one of the cockiest and most ruthless bosses in New York.

Then again, I thought that was the case until he called me late last night with an emergency proposition...

**Author: Penelope Douglas**

From New York Times bestselling author Penelope Douglas comes a new dark romance...

Erika

I was told that dreams were our heart's desires. My nightmares, however, became my obsession.

His name is Michael Crist. My boyfriend's older brother is like that scary movie that you peek through your hand to watch. He's handsome, strong, and completely terrifying. The star of his college's basketball team and now gone pro, he's more concerned with the dirt on his shoe than me.

But I noticed him.

I saw him. I heard him. The things that he did, and the deeds that he hid...

For years, I bit my nails, unable to look away. Now, I've graduated high school and moved on to college, but I haven't stopped watching Michael.

He's bad, and the dirt I've seen isn't content to stay in my head anymore.

Because he's finally noticed me.

Michael

Her name is Erika Fane, but everyone calls her Rika.

My brother's girlfriend grew up hanging around my house and is always at our dinner table. She looks down when I enter a room and stills when I am close. I can always feel the fear rolling off of her, and while I haven't had her body, I know that I have her mind. That's all I really want anyway.

Until my brother leaves for the military, and I find Rika alone at college. In my city. Unprotected.

The opportunity is too good to be true, as well as the timing.

Because you see, three years ago she put a few of my high school friends in prison, and now they're out.

We've waited. We've been patient. And now every last one of her nightmares will come true.

**Author: Kathryn Ann Kingsley**

**The throne is Valroy's for the taking...but first, he needs a queen.**

As the son of the Morrigan and heir to the vacant Unseelie throne, Valroy itches to shed the mantle of prince and take his place as King. To his great regret one ancient tradition stands in his way, demanding he first take a bride. With all the members of the Unseelie court proving to be insufferable, what is a prince to do?

Steal a human, of course.

Abigail often wonders if the townsfolk aren't right in calling her cursed. Abandoned by her husband and with no family to call her own, everything in her life hangs by a thread. Never did she expect her downfall would come by taking pity on an old hermit. Abducted into the dangerous world of Tir n'Aill, Abigail is thrust into a terrifying Maze that defies all logic. There, she finds herself at the mercy of an Unseelie prince with a strange offer—solve his Maze and he'll grant her deepest wish...

If she can live that long.

From author Kathryn Ann Kingsley comes this tantalizing, slow burn dark fantasy that proves sometimes the line between love and hate is razor thin.

**Please note:** *This is a dark fantasy horror series with a love story. This series contains scenes of graphic violence. It is a slow-burn romance between the monstrous villain and the main character over the course of four books. My fae do not pull punches, and my Unseelie are not kind.*

## **The Badge & the Bad Boy: A steamy small town romance**

**Author: Lena Hendrix**

**Examples of things I shouldn't be doing:**

1. Staring at how nicely Evan Walker fills out his Wranglers.
2. Sneaking around after dark, hoping we don't get caught.
3. Fantasizing about a life with a man who isn't supposed to exist.

He's a criminal, a dangerous man with connections to the Chicago mafia.

**And I'm a cop.**

Now we're stuck hiding out in this quirky small town, and my eyes have a way of wandering.

**So do his hands.**

But the rules are clear—no connections to your former life. Ever.

But as we're forced to work together, I find that Evan is much more than I ever expected. He's strong, hard-working.

Did I mention the Wranglers?

**Addictive.**

I can hide it, but the truth always has a way of coming out. In Tipp, Montana, secrets can save your life. The only cost is your heart.

## **The Devil's Angels MC: Book 6 - Pigeon**

***Author: Lola Wright***

Ivy

When my mother, who suffers from mental illness, leaves my brother and me in the care of our grandparents, my life changes dramatically. Being raised on a large ranch, loved and cared for, I had a great childhood with them. With my grandparents passing, though, things changed. My brother and I have always had a difficult relationship, but it only gets worse now that he's in control of my life.

Working at an animal rescue, FurEver Homes, I have become friends with a few of The Devil's Angels members and their families. When a member of their club steps up to help me get free of my brother's control and abuse, I accept it gratefully, but I want much more than that from the tatted biker with kind eyes.

Pigeon

Watching Ivy on the security cameras at FurEver Homes, I'm intrigued and amused by her. She's young, too young for a jaded, somewhat older biker, but that doesn't change the fact that watching her with the forgotten animals calms my soul. When I spot obvious signs of abuse, I step in.

Spending time with Ivy, her strength and resilience only impresses me more. This young woman is fighting alone for her future and her dreams of starting a therapeutic riding center for kids. Her dream to help others shouldn't have to come at such a high cost to herself. I make a promise to her that I'll do whatever I can to help her succeed, but none of us saw the road that promise would lead us down.
