**Author: Kali Hart**

Talon: Brothers in Arms in Alaska Book 4

A Mountain Man Curvy Woman Second Chance Romance

**Macy**

I never expected to see Talon again.

After the way we left things, I figured it was for the best.

Until my brother begs me to track down my ex-husband and get him to come to his wedding.

I try everything I can think of, but all my summons go ignored.

Which leaves me with only one choice: go to Alaska and drag Talon on a plane.

It doesn't matter that he doesn't want to see me.

Or that he's refusing to go to the wedding.

The old feelings—and flames—ignite immediately.

We might irritate each other, but we can't seem to keep our hands to ourselves.

The chemistry between us has always been off the charts.

I could so easily fall in love again with the man who drives me up the wall.

But I've kept a secret from Talon.

One I know he won't forgive.

**Talon**

Macy and I have been married and divorced twice.

After the way things ended the last time, I never expected to see her again.

I tried to move on.

Tried to find someone who made me feel even half of what I always felt with the woman who drives me wild—and completely crazy.

When Macy tracks me down in Three Rivers and tries to strong-arm me into attending her brother's wedding, I'm not happy to see her.

But the more persistent she becomes, the less I can resist the pull between us.

The chemistry is undeniably sizzling.

I could easily fall for the only woman I've ever loved—*again*.

But her secret might just destroy our last chance at happiness.

*The six of us made a pact. We've survived basic together, shared duty stations, and gone to war together. But the needs of the Army have separated us multiple times. That's why we agreed that when each of us got out, we'd each settle down in the same mountainside town of Three Rivers. It was a favorite place to get away on holiday weekends when the six of us were stationed together in Alaska, and as veterans now we can't imagine anywhere better. A place filled with fresh mountain air, friendly people who are there when you need them but happy to keep to themselves when you don't, and unexpected love none of us saw coming.*

*Sweet & steamy short story insta-love romance with an older mountain man and younger curvy woman. NO cliffhangers. NO cheating. Guaranteed HEA.*

### Rosie

The Independence Springs, Colorado, Fourth of July parade and celebration is one of the biggest in the country. And coordinating the whole event will be huge for my event planning career. Unfortunately, one of the local mountain men is being a real stick in the mud about the whole thing.

But underneath his grouchy exterior, there's so much more. It doesn't hurt that he's easy on the eyes as well.

### Ellis

It's not that I hate the holiday. I like to observe the Fourth of July in my own way. And my small town's annual festival isn't my style. However, with Rosie holding the reins, I may have to rethink my position.

Will the spark between us ignite into something big or will it fade into the smoke like yesterday's fireworks?

Blaine: Brothers in Arms in Alaska Book 2  
A Mountain Man Curvy Woman Romance

### Charmane

When my transmission dies, I'm forced to do the one thing I swore I'd never do:

Ask Blaine Stark for a favor.

With a massive snowstorm on the way, it's my last chance to make a trip up the mountain to bring my dear friend supplies until spring.

It's just a quick trip.

Except the storm comes early, trapping us.

Forcing us to share a cabin.

Making it impossible to fight my attraction to the one man I've sworn off.

So I strike a deal.

### Blaine

I've been stuck on Charmane since the first night I saw her.

Only I was an idiot and went about things all wrong.

What I felt for her the instant I saw her scared me.

I tried to cling to my playboy ways, but I couldn't escape the truth.

Charmane is the only woman I want—ever again.

I'd do anything for her, including giving her a ride in a dangerous storm.

But if she thinks what happens during our time stranded together will be nothing more than a secret fling, she's got things very wrong.

She's mine.

The one I always secretly hoped to find but never believed I would.

I'll do whatever it takes to prove to her that she's the only one for me.

## Best Friends with the Girl Dad

**Author: Kali Hart**

### Lilian

Ten years ago, my best friend confessed he was in love with me.

I thought he was joking.

He wasn't.

He didn't take the rejection well.  
He disappeared.  
A decade later, he shows up unannounced at my family's ranch with a daughter.  
He thinks we're just going to be friends again.  
Well, he's wrong.  
Except I'm having a helluva time resisting him.  
He's not some lanky, nerdy boy any more.  
He's all sexy muscle and melt-your-panties hot.  
I'm in big trouble.  
I know I should keep my distance, but the harder I fight it, the more I want him.

## Josh

After years of living the city life in the fast lane, I decide to move my daughter back to my hometown.  
I give up the corporate life for the ranch life.  
That I'm working—and living—on Lily's dad's ranch isn't a coincidence.  
I selfishly want to see how my former best friend's life has turned out.  
Though I decided at six years old that she was the most beautiful woman there ever was, I'm not prepared for the curvaceous beauty she's become.  
The attraction between us burns hotter than the scorching sun.  
It's not just my daughter who's falling in love with her.  
I am too.  
This time, I'm not running away.  
I'm going to do whatever it takes to prove that the fire blazing between us is the forever kind.

## **Leo: Insta Love Firefighter Romance (Wylder Fire Volunteers Book 4)**

**Author: Tarin Lex**

Leo: Wylder Fire Volunteers Book 4

An Insta Love Firefighter Romance

**Kennedy:**

As a little girl, I spent my summers at my grandparents' cabin in the Wylder Bluffs.

I didn't think much of the place then.

Now that I'm older—and pretty sure I'm having a quarter-life crisis—I'm feeling extra nostalgic.

I just want to walk through that old house again; the one my late granddad built.

I'm in for a *huge* surprise when I knock on that familiar door.

The cabin is smaller than I remember...

Oh and there's this gorgeous, country-rock god living in it in secret.

**Leo:**

Split between fighting fires and burnin' up stages with my guitar, my life is chaotic to say the least.

When the fame and attention get to be too much, I get away from it all in my newly purchased cabin in the woods.

*Excuse me* for being a tad on the grumpy side when a woman shows up on the doorstep of my hideaway.

She's a sweet, curvy little thing...but she's insecure about the birthmark on her face and the extra cushion on her hips I love to squeeze.

How can I convince Kennedy she's more than 'good enough' to be pictured with me?

She's perfect.

And *mine*.

Dear Reader,

The Wylder Bluffs are heating up!

These firefighting mountain men know what they want.

And come hell or high water, they'll claim what's theirs.

The curvy gals they meet are fierce yet kind. They don't *need* to find love.

They *want* to.

It takes a special kind of woman to handle ALLL that mountain man!

## **Roman: Rosewood Grove Fire Department (Small Town, Man in Uniform, Steamy Alpha Romance)**

**Author: Sara Jones**

### **Roman: Rosewood Grove Fire Department Book 1**

A Curvy Younger Woman and Alpha Firefighter Insta-love Romance

#### **Maria**

Hosting the Rosewood Grove book club was my only bit of solace left for me after T.J. left me.

The ladies kept me company, and the books took my mind off things.

Wine was a regular beverage at the club, but Marnie had too much for her to handle.

I didn't expect for her to put a pizza in the oven, and then pass out in the spare bedroom.

Before I knew it, my kitchen was on fire.

My whole house would have burned down, if it wasn't for the Rosewood Grove Fire Department.

With a destroyed kitchen, and no way to pay for the damages, I felt hopeless.

I never would have guessed the hot firefighter who saved my house would be the answer to all of my problems.

#### **Roman**

As soon as I saw Maria in that smokey kitchen, I knew I had to have her.

Even in her state of distress, she was beautiful, and exactly what I was looking for in a woman.

Once I found out insurance wouldn't cover the cost of repairs, I knew I needed to do something.

Maria was too prideful to take charity, but I found a way to put her photography skills to use.

I rallied the men, and we put together the first Rosewood Grove Firefighter calendar with Maria.

I just hoped we would sell enough to pay for her kitchen repairs, and Maria's mind would be put to ease.

Then, maybe she would feel comfortable enough to accept my offer, and explore what life had in store for us.

Short story telling a sweet & steamy insta-love romance with a curvy younger woman and an older alpha firefighter hero. Happily ever after! No cliffhangers! No cheating!

Welcome to Rosewood Grove, home to the HOTTEST firefighters around. These men will extinguish any danger they encounter but will light a flame in your heart. ## **Sniper (Exiled Guardians MC Book 1)**

**Author: Hope Ford**

Sniper: Exiled Guardians MC 1

An Alpha Older Man, Younger Curvy Woman MC Lite Romance

WARNING: This book does talk about previous physical abuse from husband. Also, heroine starts relationship while still technically married to her abuser.

Sniper

I once served with her older brother and when she ran into some trouble,

she came looking for me.

She shows up at the gate to the club begging for my help.

Of course, I'm going to help her - I would never turn away a woman in trouble.

But with her, its more.

I'm going to claim her. Make her mine... and never let her go.

Avery

I've made some mistakes... some that could cost me my life.

So I find Sniper... the one man that my brother trusted more than anyone.

He agrees to help me.

But at what cost?

He's my savior... my warrior.

But this bad boy is not giving me my freedom... he has other plans.

Dear Reader,

I love to read MC romances. I've just always enjoyed reading about the tightness of the MC brothers and the way they love their women. I love it so much that I have always wanted to write one. However, being a short story romance author, it seemed impossible to build an in depth storyline like most MC romance series, but I wanted to give it a try. Therefore, I present to you my version of an MC romance. I'm borrowing the term MC Lite from Frankie Love. It is heavy on the motorcycle club sense of family, it has lots of alpha men and the curvy women that love them. However, it is a little lite on the drama and most violence is handled off page. I sincerely hope you like it.

XX,

Hope

This is a Steamy, Sweet, Short Story Romance. No Cliffhangers. This is the first story in the Exiled Guardians MC Series. If you love short romances with insta love, hot love scenes, and a sweet story, then this one is for you.

He can throw me away whenever he wants. And the more time I spend with him, the more I fear I'm falling for him, starting to love a man incapable of feeling anything.
