## Zodiac Academy: The Awakening

**Author: Caroline Peckham**

**I'm a Gemini. Impulsive. Curious. Headstrong. A twin. Heir to a throne I know nothing about. And it turns out, I'm Fae.**

But of course there's a catch - all I have to do to claim my birth right is prove that I'm the most powerful supernatural in the whole of Solaria. And sure, technically that's true as I'm the daughter of the Savage King. But the bit they didn't put in the brochure was that every single Fae in this Kingdom would claim my throne if they could.

The school they've sent me to is both dangerous as sh\*t and one helluva party. Vampires bite weaker students in the corridors, the Werewolf pack has orgies in the Wailing Wood at every full moon and don't even get me started on the dark and twisted ways the Sirens use their powers on people's emotions, or how my sinfully tempting Cardinal Magic teacher hosts detentions that leave people needing therapy.

Classes are totally interesting if you manage to live through them. And that Gemini star sign I mentioned? It now determines my elemental magic and affects my destiny, so learning astrology is essential if I'm going to beat down my classmates - which is actively encouraged by the way.

My biggest problem is the drool worthy Dragon shifter who has his eyes on my throne. He and his three psycho friends are determined to make my time here hell.

All I've got to do is survive. But fate might have other ideas.

Dammit, why couldn't I have gotten a letter to Hogwarts?

*\*\*\*This is a dark, bully romance – don't go expecting a sweet school for magic with friends around every corner. Fae fight for everything they own and Zodiac Academy is a cutthroat school for students aged 18+ where only the strongest prevail. There's no Dumbledore here to save anyone's ass and Lionel Acrux will give Voldemort a run for his money in the evil dictator category. So hold onto your stardust (broomsticks not required) and get ready for a bumpy ride\*\*\**

Ten years later, I'm still hiding in plain sight. When I occasionally see him on the street—deadly, sexy, powerful—I just walk by. Keep my head down.

Even though I don't want to be locked up, I know it's the best thing for everyone. If I were to get out and succumb to the curse, I would destroy us all. The only way to save myself is to find a cure and defeat the Maker, something that has proved impossible so far.

My fated mate Lachlan is determined to help me, but we're still haunted by our own curse. According to our most powerful seer, if I fall for him, I'm dead. So yeah, let's just say things are complicated.

### Witch's Reign (Book 1)

**They think her an underdog against impossible odds... And she will fight tooth and nail to prove them wrong.**

The Witch's Reign...a land of eternal, unnatural winter ruled by the Ice Witch. In turn, she is guarded by three supernatural creatures who wander her lands hunting for unwary souls, killing any who cross their paths.

To get to the Witch's Reign, you first must pass through the Dragon's Ground. Full of dragons, who for the record, do not like trespassers.

This is where I am headed, though my mentor has forbidden me.

My best friend was sent with a team into the Witch's Reign to recover a powerful jewel that belongs to our mentor, and they are long overdue to come back.

That leaves me, Zamira "Reckless" Wilson to go after my friend. Forbidden or not.

Somehow, I get saddled with a human male tagging along for the ride. A human that is as weak and useless as my own shifting abilities.

Throw in a sentient magical weapon that tries to kill me every time I touch it, and a small dragon that has a penchant for Shakespearean insults, and you've got my journey in a nutshell.

May the sands of the desert swallow me whole because this is going to be a damn bumpy ride.

### Dragon's Ground (Book 2)

**Dragons and danger and magic collide... And it's only Monday.**

We survived the land of the Witch's Reign, that much is true. But our arrival home is far from welcome.

My idiot brother has taken it upon himself to ride off in search of a mythical healer, someone who might help him walk again. Assuming she doesn't eat him first. Because said healer is a dragon and happens to reside in the deepest reaches of the Dragon's Ground. Like I said, idiot.

I'd go after him myself, but his leave-taking is not the only problem I face. My mentor has yet again forbidden me to leave the safety of the Stockyards. Her reasoning?

That I am too weak to weather the coming storms.

With my pride wounded in more ways than one, I must gather the few allies I have left. My ex-husband's new girlfriend at the top of the list and a goat bleating, oversexed Satyr.

FML.

If I'm lucky I'll find a small dragon and a Jinn whose blue eyes still haunt my dreams along the way.

Buckle up, buttercup, this ride is about to take a seriously unforeseen twist.

### Jinn's Dominion (Book 3)

**There was nothing that could have prepared me for Dragon's Ground. And I thought that nothing could be worse than what I faced there.**

Just my black cat bad luck, the world is set to prove me wrong.

South lies the Jinn's Dominion and within it the members of my Pride who need my help. The further south we go, the more danger comes not only from outside our group but from within.

Ishtar's new hunters.

Marsum leader of the Jinn.

And the Emperor himself.

All three want something from me. All three claim they can give me the world on a silver platter, to give me my deepest desires.

Color me cautious, but I think all three are lying. Or so it seems until I reach the Jinn's Dominion and discover the truth...

About who I really am.

And what that means for my fate and the fate of those I love.

There's a killer after me. Multiple killers, if our source is to be believed. As much as I want to run a hundred miles from Lachlan to avoid the mate bond, it's too dangerous. I need his help to find the people who are after me, and there's no way he'd let me go, anyway.

As much as I hate it, we're going to have to team up to stop a madman. The hunt forces us together, and despite our best efforts to resist each other, it becomes harder every day. It's going to take everything I have not to fall to temptation, but I must--especially if I want to survive.

Now Lionel Acrux has the strength to make a move for the throne, I'm not sure how much time we have left to stop him.

Our only hope is to find the Imperial Star before he does. We made the sacrifice the stars called for and we're paying the price for that decision so it can't be for nothing.

But with the stars turning against us at every move, and the last light in the world seeming to fade, I'm afraid we're almost out of time.

Hope is a dangerous thing. It's the key to us fighting on. But it could be what destroys us in the end.

One thing is for certain, I won't stop until I have been reunited with my other half and together we will fight to take our crowns.

A war is coming.

The throne is calling for a new monarch.

And someone must answer its call.

## **Never His Mate: a Rejected Mates Shifter Romance (Claws and Fangs Book 1)**

**Author: Sarah Spade**

**After my mate rejected me, I wanted to kill him. Instead, I ran away—which nearly killed me...**

A year ago, everything was different. I had just left my home, joining the infamous Mountainside Pack. The daughter of an omega wolf, I've always been prized—but not as prized as I would be if my new packmates found out my secret.

But when my fated mate—Mountainside's Alpha—rejected me in front of his whole pack council and my secret got out, I realized I had one choice. Going lone wolf was the only option I had, and I took it.

Now I live in Muncie, hiding in plain sight. If the wolves ever left the mountains surrounding the city, I'd be in big trouble. Good thing that the truce between the vampires and my people is shaky at best and Muncie? It's total vamp territory. Thanks to my new vamp roomie, I get a pass, and I try to forget all about the call of the wolf. It's tough, though. I... I just can't forget my embarrassment—and my anger—from that night.

And then *he* shows up and my chance at forgetting flies out the damn window.

Ryker Wolfson. He was supposed to be my fated mate, but he chose his pack over our bond. At least, he *did*—but now that he knows what I've been hiding, he wants me back.

But doesn't he remember?

I told him I'll never be his mate, and there isn't a single thing he can do to change my mind.

To Ryker, that sounds like a challenge. And if there's one thing I know about wolf shifters, it's that they can never resist a challenge.

Just like I'm finding it more difficult than I should to resist *him*.

\*\*

***Never His Mate*** is a new release (68,000+ words) featuring Gemma Swann, a wolf shifter who is hiding a damning secret. When her fated mate rejects her for another female, her anger and her embarrassment lead to that secret getting out. Since staying behind on the mountains is just not an option and going back to her home pack is impossible, Gem decides she has one choice: risk death by fang in Muncie, the vamp town surrounding the mountains.

Luckily for her, she not only manages to survive the local vamps, but she makes friends with one. Things are looking up for her: she has a place with her roommate, a new job she loves, and the certainty that she'll never have to look at Ryker Wolfson's handsome face ever again.

Until he stalks into Muncie and, suddenly, Gem is confronted by his rejection all over again. So what if he says he had a good reason? If he thinks she's going to take him back now, he has another think coming.

Because Gem? She'll *never* be his mate...

**The epic conclusion to the Shadow Beast Shifters.**

*I finally have the life I always dreamed of. So why does it taste like ash on my tongue?*

Growing up in Torma, the strongest of the shifter packs, I wanted nothing more than to find my true mate and live my best life. Of course, that dream existed before my father betrayed the pack and turned me into their punching bag.

I'd all but given up, until a quirk of true mate genetics gifted me a true mate like no other. My childhood dreams were finally a reality. Funny how quickly dreams turn into nightmares.

I'm being lied to, missing weeks and months of time. Someone messed with me and no matter how often I'm told to forget it and move on as Torin's mate, there's no way I can. Whoever did this to me should have known I'd pick at it until it bled. It's my nature after all.

As I search out random growls, flutters in my chest, and a suspicion that there's so much more going on than I could even imagine, I sense that I'm racing against an unknown clock.

I need to get to the bottom of this mystery.

And when I figure out who stole my memories, they're going to wish they never messed with Mera Callahan.

Game on.

## Hope Awakened (The Feral Book 4)

**Author: Charlene Hartnady**

**The final book in this exciting series by USA Today bestselling author Charlene Hartnady**

*The Feral*. Self-appointed rulers of all. Strong. Majestic. The most badass of all the species, and yet, the most vulnerable.

All of his Feral brothers are falling over themselves to meet human women. They want to mate and procreate as a matter of urgency. *Not him!* There are more

important things for Reece to worry about right now. Like keeping the queen safe from harm. She's heavy with clutch. The chicks are to be born soon. The future of his people is at stake. The Fallen are circling like vultures. Word is that Ekon plans on stealing the young as soon as they are hatched. He wants to take back the throne. Reece's focus must remain on keeping the royals safe at all costs. Even if this is to the detriment of his own happiness.

Hope loves her job as an Ob-Gyn. She's considered to be one of the best in her field. Years of hard work and dedication have paid off. There's nothing better to her than delivering babies for a living. It's heart-breaking that she'll never have children of her own. It's all she's ever wanted. Recently divorced, her heart is in tatters. Her dreams seem impossible. Sad and depressed, she jumps at the chance to travel to an exotic destination, a place she never knew existed. They have an honest-to-god royal family, and they're not human. It's an exciting new start for her. Perhaps an opportunity to allow her heart to heal. The head of the royal guard takes his job so seriously that he keeps getting in her way. He's brooding and, when all is said and done, very rude and obnoxious. Hope shouldn't find him as appealing as she does. Not when men are off-limits to her, especially after what her ex pulled. Thing is, Reece isn't a man...he's a Feral. He's sexy, larger than life, and not in the least bit interested, which suits her just fine.

**No cheating. Contains hot, alpha males and therefore strong sexual themes/language**

***Author: Cerise Cole***

***Hell doesn't just follow me. It's a part of me - the most powerful one.***

When I called my father evil, I had no clue how true that was. For years, he's abused me. He had his reasons, but that doesn't make it any better. In truth, it makes me terrified of what I'll become.

I'm an abomination.

That's what Deke calls it, but I hate that term. How can I be the good girl and evil at the same time? More importantly, what does this mean for the guys I'm now bound to?

The four of us have been tasked with making sure the seals that hold back Hell never break. We are the Brethren, the first line of defense against the start of the apocalypse. Just one problem: the seal in our backyard is already cracked.

It's starting.

My newfound power is the answer to all of this. If I can just learn how to master it - and keep the Order of Martyrs from finding out - then we can close the seal. If they figure out what I am, though, they will kill me.

## Mave Fortune: A Rejected Mates Story (Blackstone Academy Book 1)

**Author: Elizabeth Dear**

When my family left our small, ultra-conservative pack back in Utah to join a giant pack in Northwest Louisiana, I thought I'd be able to coast through my last year of high school in semi-anonymity, then get the fuck away from wolf pack politics and just live my life for awhile. But the Moon decided to prolong my torture by placing my fated mate in front of my face on my first day at Blackstone Academy. I'm also becoming closer to a new student—a smoking hot and intriguing human, who I can't manage to scare off even with the drama that surrounds me and the poisonous pack politics that I can't seem to escape. A couple of weeks ago, I was stolen from my home and forced to take part in an ancient fae ceremony; only someone made a mistake because I'm not fae, and if Winter's Prince finds out, I'm dead.

When an unexpected twist suddenly narrows the Royal Selection to a razor's edge, the best that I can do is put my head down and try to survive, but the Prince has other plans.

Part of me screams for me to keep him at arm's length, but the other part draws me closer to the brutally gorgeous fae, and it's going to get me killed.

He thinks I'm his soulmate, but that's impossible because I'm not even supposed to be here. So, why am I infuriatingly attracted to him? I need answers, only to get them, I'll have to play with fire and hope it doesn't burn us both alive.

## **Marked (The Coldest Fae Book 3)**

I'm a fugitive of the fae city of Windhelm, framed for a murder I didn't commit. I only made it out of their dungeons by luck, and now I'm on the run—but so is the

Prince.

Nobody knows where he is, but my instincts pull me toward the Veridian; a roaring tempest of dark magic that roams the land of the winter fae.

Our trip through the forest is cut short, though, by a group of fae that seize our carriage and bring us to their village as their prisoners. The mark on my hand, the mark of the white wolf, is the only thing that keeps them from killing us outright, but if I can't prove my mark is real, I'm only prolonging the inevitable.

I don't have time for these people. I need to find Cillian before he does something stupid, but I don't have a lot of options.

FOR ALL THE EVERYDAY HEROINES OVER FORTY WHO KNOW IT'S **NOT TOO LATE** FOR MAGIC!

The day after my forty-third birthday, my husband announced he was trading me in. His words, not mine. The news was unwelcome at the time, but honestly? I needed a good goosing to get up and find my way to the door.

So. I was freed from the manual of expectations authored by my ex that had, over the years, grown into an encyclopedia of what a wife "should" be and do. The freedom was the good news. The flip side was less happy. Due to living in a state not friendly to discarded wives, I was also relieved of the financial 'security' I'd spent a lifetime accruing.

Starting over? I didn't plan on it. Didn't see it coming. But pulling a sheet over my head and waiting for the end didn't seem like my style. Granted. I wasn't sure what my style was because I hadn't thought about freedom of expression since I was twenty.

I'd never been a fan of optimistic adages like 'it's not too late', but that was before my life was divided into two parts; everything that came before the mysterious package and everything after. Fate shot me with a lightning bolt of attitude adjustment and thrust me head first into an adventure that was unforeseeable to say the least. If you'd told me what my life was going to be like, I would have used every synonym for crazy you've ever heard.

I 'inherited' a curious antique store in a tiny, picturesque English village where the world of fae magic lives side by side with the mundane. But that's far from all. Eight times a year, I receive magical dignitaries and magical lowborn alike and mediate their disputes; some comical, some deadly serious.

It may be too late for super shiny hair, going without a bra, or sleeping eight hours without a potty break. But it seems that it's not too late for navigating magical politics, expatriating, romance, and saving the world.

*Perfect for fans of everyday heroines over forty.*

And if that isn't enough...

Mysterious magical marks pop up on her skin, outcast shifters keep attacking the school, and someone is trying to kill her. There is no way things could get worse. No way.

Until she meets her fated mate at a masquerade party...

He's sexy as sin.

An Alpha Heir.

And completely and totally forbidden.

If you love YA fantasy, wolf-shifters, and enemies-to-lovers romance, get ready for a pulse-pounding story that will keep you riveted until the very last word.

## **Harry Potter and the Cursed Child - Parts One and Two: The Official Playscript of the Original West End Production**

***Author: J.K. Rowling***

**The official playscript of the original West End production of *Harry Potter and the Cursed Child*.**

It was always difficult being Harry Potter and it isn't much easier now that he is an overworked employee of the Ministry of Magic, a husband, and father of three school-age children.

While Harry grapples with a past that refuses to stay where it belongs, his youngest son Albus must struggle with the weight of a family legacy he never wanted. As past and present fuse ominously, both father and son learn the uncomfortable truth: sometimes, darkness comes from unexpected places.

The playscript for *Harry Potter and the Cursed Child* was originally released as a 'special rehearsal edition' alongside the opening of Jack Thorne's play in London's West End in summer 2016. Based on an original story by J.K. Rowling, John Tiffany and Jack Thorne, the play opened to rapturous reviews from theatregoers and critics alike, while the official playscript became an immediate global bestseller.

This definitive and final playscript updates the 'special rehearsal edition' with the conclusive and final dialogue from the play, which has subtly changed since its rehearsals, as well as a conversation piece between director John Tiffany and writer Jack Thorne, who share stories and insights about reading playscripts. This edition also includes useful background information including the Potter family tree and a timeline of events from the Wizarding World prior to the beginning of *Harry Potter and the Cursed Child*.
