Growing up in one of the biggest packs in the world, my life is planned out from the second I turn eighteen and find my true mate in the moon ceremony.

Finding your true mate gives you the power to share the shifter energy they have, given to the males of the pack by the moon goddess herself. The power to shift into a wolf.

But for the first time in the history of our pack, the new alpha is mated with a nobody. A foster kid living in the packs orphanage with no ancestors or power to claim.

Me.

***Author: Linsey Hall***

**I'm supposed to be the Alpha's mate. Screw that.**

Since I was born, I was destined to be one thing—the Alpha's Mate. It should be every girl's dream. Not mine, though. He's too dark and damaged, and I've got a secret he can never know: I'm not a true wolf.

Instead of waiting for him to figure out I'm an abomination, I left on my fifteenth birthday. But I didn't go far. No way in hell would I let fate drive me from the town I love.

Ten years later, I'm still hiding in plain sight. When I occasionally see him on the street—deadly, sexy, powerful—I just walk by. Keep my head down.

Until that night. Wrong place, wrong time, and suddenly I'm accused of murdering someone from my old pack. And he's there. Blaming me. I've got one chance to prove my innocence and find the real killer, or I'm dead by shifter law.

Fortunately, the Alpha doesn't recognize me because I'm no longer the same ugly duckling. He senses I'm special though, and he won't stop until he figures out the truth. But when he does, I'll be in danger from more than just the murderer.

Valentine Sargon—the Vampire King who stole my virginity and broke my heart.

He'll help, but only if I move into a safe house. With him.

### **Kiss Kiss Fang Fang: A Sucky Vampire Romantic Comedy**

**Author: Penelope Bloom**

**I don't usually fang and tell, but she earned an exception.  
The hapless woman who accidentally released me.  
The one who nearly got herself killed mere hours later.  
So I saved her, but my help came with a price.**

The only way to save her life was to bond her—to link us so powerfully we'd have to spend every waking hour together for the next few weeks.

I was ready for the bond, but I wasn't ready for *her*.

Her impossible to crush perky outlook. Her big eyes that never seem to dim, no matter how far into my blackened soul they saw.

I thought I'd lost the ability to care centuries ago, but it appears I was wrong.

The insufferable woman won't rest until she's forced me to do the unthinkable. To... *enjoy her company*.

It's ridiculous, but all I need to do is outlast the bond.

To outlast my growing fear that I'm not as numb as I thought.

I'm in danger of feeling something for this human that I can't afford to feel. Because the only thing more dangerous for her than my enemies is if I can't let her go.

Despite never desiring to be an alpha, this was an opportunity of a lifetime... or so I thought.

I soon learned that there was more behind my admission to the Academy than my education. I was there to be a lesson to the heirs -- in particular, the sexiest and strongest one, Liam Hale.

However, things aren't always what they seem, and we all have secrets— some bigger than others. When the truth comes out it'll either set me free or set me up for disaster.

Chosen from birth to usher in a new era, Poppy's life has never been her own. The life of the Maiden is solitary. Never to be touched. Never to be looked upon. Never to be spoken to. Never to experience pleasure. Waiting for the day of her Ascension, she would rather be with the guards, fighting back the evil that took her family, than preparing to be found worthy by the gods. But the choice has never been hers.

The entire kingdom's future rests on Poppy's shoulders, something she's not even quite sure she wants for herself. Because a Maiden has a heart. And a soul. And longing. And when Hawke, a golden-eyed guard honor bound to ensure her Ascension, enters her life, destiny and duty become tangled with desire and need. He incites her anger, makes her question everything she believes in, and tempts her with the forbidden.

A Kingdom...

Forsaken by the gods and feared by mortals, a fallen kingdom is rising once more, determined to take back what they believe is theirs through violence and vengeance. And as the shadow of those cursed draws closer, the line between what is forbidden and what is right becomes blurred. **The angel of death wants me to be his wife.**

Most days, I steal from ships to earn a living. Not glamorous, admittedly, but it's honest work. Okay, fine. It isn't honest either, but it means I get to eat.

Until one night, a sinfully sexy angel strides into my favorite dance hall and compels me to work for him. It isn't just work, though. He wants me to be his wife in Castle Hades. Apparently, his prophetic dreams say I'll help him become king.

Beautiful as he is, he's also a lethal tyrant. And I could be in danger. Luckily, I know how to fight back, how to weaken an angel: I must seduce him.

Now, this is a battle, and he's my beautiful enemy. We are fighting with weapons of desire, and we're both at risk of losing ourselves in this war.

## **Crown of Shadows (Court of Midnight and Deception Book 1)**

**Author: K. M. Shea**

The fae of the Night Court are desperately searching for a new monarch to crown before the Court collapses.

I couldn't care less.

I've done everything I can to bury my fae blood and embrace my human half. That changes when some fae nobles show up on my doorstep and announce that

I'm the next Queen of the Night Court.

Becoming an unwilling fae queen? Check. Inheriting a terrible mess? Double check.

The Court is almost bankrupt, my citizens' favorite hobby is backstabbing one another, and I don't know who I can trust since someone keeps trying to assassinate me.

Speaking of assassins, I get introduced to the best in the business—a fae lord nicknamed the Wraith. His deadly profession means he fears no one. The only reason he doesn't kill me on the spot is he's also a member of the Night Court and the Court's magic protects me. But that doesn't prevent him from trading verbal barbs with me whenever we meet.

And if cat herding all these uncooperative fae and chatting with assassins wasn't enough, I'm required to get married as part of some archaic Court law. This "queen" gig is the worst!

Supposedly I can choose anyone to marry, but with all the infighting I need someone who is neutral and won't provoke more political power struggles.

So, why do I keep thinking of a certain assassin?

Court of Midnight and Deception is a complete trilogy that takes place in the Magiford Supernatural City universe. It features fae, werewolves, vampires, and wizards! This trilogy is packed with humor, adventure, and a sweet, slow burn romance between a reluctant fae queen and the assassin who tried to kill her.

He needs her alive, healthy, and whole to achieve his goals. But he's the only way for her to get what she wants—to find her brother Ian and see for herself if he has become a soulless Ascended. Working with Casteel instead of against him presents its own risks. He still tempts her with every breath, offering up all she's ever wanted. Casteel has plans for her. Ones that could expose her to unimaginable pleasure and unfathomable pain. Plans that will force her to look beyond everything she thought she knew about herself—about him. ## **Crown of Moonlight (Court of Midnight and Deception Book 2)**

***Author: K. M. Shea***

I thought becoming Queen of the Night Court and marrying the deadliest fae assassin in the supernatural community were the biggest dangers I'd ever face. Hah!

Once I meet the fae monarchs of the other local Courts, I realize the good times are only just beginning! They hate my guts and don't even bother to use their fae tricks to hide their disgust of me and my human blood.

At least I know where I stand with them, which is more than I can say for my husband, Rigel.

My relationship with Rigel is...complicated. We married for political reasons—my greatest desire was that he wouldn't kill me after the ceremony. But now that

he's saved me from countless attempts on my life and joked with me through boring Court socials, my thoughts about him have veered into uncomfortable territory.

Not that I have time to think about all of this.

Those attempts on my life I mentioned? Yeah, they're getting bolder and a lot harder to survive. I'm confident one of the other monarchs is behind it all, but I don't have the power to make them stop.

So far, my wits and Rigel's blades have gotten us through everything. But if something BIG gets dropped on us, will we survive?

Court of Midnight and Deception is an urban fantasy trilogy set in the Magiford Supernatural City universe. It features fae, werewolves, vampires, and wizards! This complete trilogy is packed with humor, adventure, and a sweet, slow burn romance between a reluctant fae queen and the assassin who tried to kill her.

## Shadow's Kiss: (Adult Fantasy Romance - Completed Series) (Shadow Series Book 1)

**Author: T. M. Hart**

ADULT FANTASY ROMANCE . . . COMPLETED SERIES

**WARNING:** Are you looking for a sweet romance with puppy dogs and rainbows? An innocent, young adult fairy tale with a chivalrous prince who will seek permission to kiss your cheek? Do you like a predictable story line? Do you want every character to be perfect? To make all the right choices? To have zero flaws?

If so, this is not the series for you.

If, however, you've got a little darkness buried deep down inside; if you prefer your romance to be adult in nature; if you enjoy the mystery and suspense of not knowing what's around the next corner; if you like darkly flawed characters who don't give a damn about being polite, charming gentlemen; if you like protagonists who develop and grow over the course of an entire story . . . then welcome to the Shadow Series.

Just don't get too attached, my darling. This is a complete story broken into four full-length novels. And book one is just the tip of the iceberg. If you think you know what's happening, if you think you understand the characters and the relationships, if you think you know where this story is headed, let me tell you: you have no idea, friend.

Here's to hoping you don't get lost in the Dark:

**~An epic adventure. Mysterious circumstances. Fun. Dark and steamy. The latest in adult fantasy romance . . . you don't want to miss this series.~**

A violent storm. Unending night . . . Violet Archer is running through the darkness for her very life.

A single spark blazes, calling to her. It is her chance at salvation. It is a connection beyond any she could have ever imagined. And it leads her to a lonely cabin in the woods.

But when Violet wakes she has no memory of how she got there. She is disturbingly ill. And a chilling evil creeps through her veins. Worse still, her host, the tall and powerful Elijah Stone, is intent on killing her. Yet a cataclysmic bond, neither can deny, stays Elijah's hand.

Radiants, immortals of the Light, have been warring with their enemies, the Shadows, for millennia. Now, twisted together by fate, the two adversaries must embark on a journey. One on which their very lives depend. Unfortunately for Violet, she does not know who she can trust, especially when it comes to her guide, Elijah.

But it turns out that Violet and Elijah are not alone on their quest. They soon realize they are being hunted along the way. It seems Violet has a dark debt to settle.

And someone very dark, indeed, is about to collect his due.

## **Rhapsodic (The Bargainer Book 1)**

**Author: Laura Thalassa**

Callypso Lillis is a siren with a very big problem, one that stretches up her arm and far into her past. For the last seven years she's been collecting a bracelet of black beads up her wrist, magical IOUs for favors she's received. Only death or repayment will fulfill the obligations. Only then will the beads disappear.

Everyone knows that if you need a favor, you go to the Bargainer to make it happen. He's a man who can get you anything you want . . . at a price. And everyone knows that sooner or later he always collects.

But for one of his clients, he's never asked for repayment. Not until now. When Callie finds the fae king of the night in her room, a grin on his lips and a twinkle in his eye, she knows things are about to change. At first it's just a chaste kiss—a single bead's worth—and a promise for more.

For the Bargainer, it's more than just a matter of rekindling an old romance. Something is happening in the Otherworld. Fae warriors are going missing one by one. Only the women are returned, each in a glass casket, a child clutched to their breast. And then there are the whispers among the slaves, whispers of an evil that's been awoken.

If the Bargainer has any hope to save his people, he'll need the help of the siren he spurned long ago. Only, his foe has a taste for exotic creatures, and Callie just happens to be one.

## **Captive of Wolves (Bound to the Fae Book 1)**

**Author: Eva Chase**

**She has survived inhuman horrors. They will protect her at all costs. But can they save her from the monsters within them?**

For years, the monsters who killed my family have held me in a cage. Brutalized and half-starved. Only kept alive so they can steal my blood.

Until one evening when four eerily gorgeous men break me out of my prison.

They offer me a safe haven under their protection. A soft bed, delicious food, and all I need to heal. I'm not used to this kindness—or the desires their smoldering eyes and strong hands stir in my body and my heart.

But these fearsome men aren't really men. Like my captors, they're fae who can shift into wolves. A curse gripping the faerie realm turns them wild under the full moon, and only my blood can cure their rage.

As long as I'm a prize more than a person, how can I trust their kindness?

I've survived this long without giving up. Somehow this damaged human girl will hold her own among the savage wolves.

## **Sweet Dreams (Rogue Dream Fae Book 1)**

**Author: Terry Bolryder**

**Every girl dreams of a fairy prince, but mine actually showed up.**

Tess:

I'm not romantic. My love is mostly for wine, pizza and dishing out a little vigilante justice on jerks who hurt women who loved them.

But then Lorien shows up, claiming he's a fae king, glowing with his wings in the middle of a dirty alley.

And he says I'm the only one he could ever want.

He's incredibly gorgeous and built, and he takes his 'mate pursuit' very seriously. He comes when I need him and isn't afraid to get rough with a bad guy or five if the situation calls for it.

When he makes love to me, he leaves me shaking, overwhelmed. When he kisses me, I'm transported to heaven.

He makes it all so good, I think I must be hallucinating. Perhaps this is just a sweet dream...

But then danger unlike anything I've ever seen comes for us, and I realize this is all very, very real.

Only our love can save us now.

Sweet Dreams is a full-length romance with action, comedy, a prince that is truly insatiable, a HAPPY ending, NO CHEATING, and twists around every corner. Contains love scenes!

and more.

FOR ALL THE EVERYDAY HEROINES OVER FORTY WHO KNOW IT'S **NOT TOO LATE** FOR MAGIC!

The day after my forty-third birthday, my husband announced he was trading me in. His words, not mine. The news was unwelcome at the time, but honestly? I needed a good goosing to get up and find my way to the door.

So. I was freed from the manual of expectations authored by my ex that had, over the years, grown into an encyclopedia of what a wife "should" be and do. The freedom was the good news. The flip side was less happy. Due to living in a state not friendly to discarded wives, I was also relieved of the financial 'security' I'd spent a lifetime accruing.

Starting over? I didn't plan on it. Didn't see it coming. But pulling a sheet over my head and waiting for the end didn't seem like my style. Granted. I wasn't sure what my style was because I hadn't thought about freedom of expression since I was twenty.

I'd never been a fan of optimistic adages like 'it's not too late', but that was before my life was divided into two parts; everything that came before the mysterious package and everything after. Fate shot me with a lightning bolt of attitude adjustment and thrust me head first into an adventure that was unforeseeable to say the least. If you'd told me what my life was going to be like, I would have used every synonym for crazy you've ever heard.

I 'inherited' a curious antique store in a tiny, picturesque English village where the world of fae magic lives side by side with the mundane. But that's far from all. Eight times a year, I receive magical dignitaries and magical lowborn alike and mediate their disputes; some comical, some deadly serious.

It may be too late for super shiny hair, going without a bra, or sleeping eight hours without a potty break. But it seems that it's not too late for navigating magical politics, expatriating, romance, and saving the world.

*Perfect for fans of everyday heroines over forty.*

## **It's A Wonderful Midlife Crisis : A Paranormal Women's Fiction Novel: Good To The Last Death Book One**

**Author: Robyn Peterman**

**A Paranormal Women's Fiction with a bit of class, and a lot of sass, for anyone who feels like age is just a number!**

**Whoever said life begins at forty must have been heavily medicated, drunk, or delusional.**

Thirty-nine was a fantastic year. I was married to the man I loved. I had a body that worked without creaking. My grandma, who raised me, was still healthy, and life was pretty damned good.

But as *they* say, all good things come to an end. I'd honestly love to know who *'they'* are and rip them a new one.

One year later, I'm a widow. My joints are starting to ache. Gram is in the nursing home, and dead people think my home is some kind of supernatural bed and breakfast. Gluing body parts onto semi-transparent people has become a side job—deceased people I'm not even sure are actually there. I think they need my help, but since I don't speak *dead*, we're having a few issues.

To add to the heap of trouble, there's a new dangerously smokin' hot lawyer at the firm who won't stop giving me the eye. My BFF is thrilled with her new frozen face, thanks to her plastic surgeon, her alimony check, and the miracle of Botox. And then there's the little conundrum that I'm becoming way too attached to my ghostly squatters... Like Cher, I'd like to turn back time. Now.

No can do.

Whatever. I have wine, good friends, and an industrial sized box of superglue. What could possibly go wrong?

Everything, apparently.

All in all, it's shaping up to be a wonderful midlife crisis...

## **Magic Redeemed (Hall of Blood and Mercy Book 2)**

**Author: K. M. Shea**

I thought life would be easier after I unsealed my magic.  
Spoiler: it's not.

I want to free my family from my traitorous cousin, but with all the allies he's got guarding his back, even my new powers won't be enough to beat him. My best bet is to use my parents' signet ring to prove my claim of leadership.

There's just one problem...

I can't find it!

Things aren't looking so good for my vampire housemates, either. As Killian Drake's conflicts with the fae get worse, it's clear that war will break out soon if something doesn't change.

Plus, Killian has gotten really weird about smelling me and invading my personal space. Every time he comes near my heart almost pops out of my chest, but I'm sure that's just terror caused by being so close to the most feared vampire in the region.

At least that's what I keep telling myself.

So, I'm a wizard searching for a ring while trying to survive living with a bunch of vampires and their deadly and suddenly touchy-feely leader. Yeah, life is definitely not easier.

## **Decadence (Darkstar Mercenaries Book 4)**

**Author: Anna Carven**

The retrieval mission was supposed to be simple. Get in, get the human females, kill the slavers, and get out. As a former High Commander of the Kordolian Imperial Military, Ikriss Peturic has seen--and done--much worse.

But one female in particular has been treated a lot more badly than all the others.

As he took her away from her tormentors, carrying her in his arms, she hovered between life and death.

Now she is safe. He should be able to forget about her. A new threat has appeared, and he has work to do.

So why is he so angry and restless all of a sudden?

Why can't he focus?

Why do the bases of his horn-buds throb?

What *is* this cursed madness?

*Decadence is Book 4 in the Darkstar Mercenaries series. It's a full-length novel (110 000 words) featuring a lethal silver-skinned alien hero, a human heroine, and the usual action, violence, steamy sex scenes, and HFN ("happy for now") ending. It will probably make more sense if you've read the previous books first, especially Sanctuary.*

## The Dragon's Choice: A Dragon Shifter Romance (Bluewater Dragons Book 3)

**Author: Roxie Ray**

**There's more magic in this world than I ever thought possible.**

Money means everything when you grow up with nothing. Posting risqué videos online may not be everyone's ideal career, but it's given me everything I need. I'm free. The hotshot lawyer Porter may not get it, but I don't care. He can think anything he wants to... Until the jerk tries to steal my house.

Sort of.

I may not own the place yet, but I'm determined to make it mine. But Porter is more than just a smokin' hot house-stealer, and as I get to know him, I like him more and more. And freaking more.

I have to resist. Feelings ruin everything.

But then I find out Porter's secret and feelings are the least of my worries. He's a dragon. And he thinks I'm his fated mate! I'm not sure how an online streaming star and a fire breathing lawyer can make it work. Especially when we uncover the impossible truth about me.

But Axel isn't like any of the guys I've been drawn to before.

I'm not ready for a new relationship. I know that. But Axel sneaks inside my heart before I've even realized he's there, and his touch sets my body alight with desire. But still... there's something off about him. And when I find out his secret, I'm not sure I can stand the heat.

If my human ex was terrible, could a dragon be any better? He says it's fate. Still...I'm scared to risk my heart again. But when danger comes knocking, I know Axel's the one I need to protect me.

*While Her Dragon Protector can definitely be read as a stand alone novel, this hot dragon shifter paranormal romance is best read as second in its series!*
