

The Seven Day Switch: A Novel

Author: Kelly Harms

Two moms as opposite as a Happy Meal and a quinoa bowl. What a difference a week makes in a heartfelt, laugh-out-loud novel by the *Washington Post* bestselling author of *The Overdue Life of Amy Byler*.

Celeste Mason is the Pinterest stay-at-home supermom of other mothers' nightmares. Despite her all-organic, SunButter-loving, free-range kids, her immaculate home, and her volunteering awards, she still has time to relax with a nice glass of pinot at the end of the day. The only thing that ruins it all is her workaholic, career-obsessed neighbor, who makes no secret of what she thinks of Celeste's life choices every chance she gets.

Wendy Charles is a celebrated productivity consultant, columnist, and speaker. On a minute-by-minute schedule, she makes the working-mom hustle look easy. She even spends at least one waking hour a day with her kids. She's not apologizing for a thing. Especially to Celeste, who plays her superior parenting against Wendy whenever she can.

Who do Celeste and Wendy think they are? They're about to find out thanks to one freaky week. After a neighborhood potluck and too much sangria, they wake up—um, what?—in each other's bodies. Everything Celeste and Wendy thought they knew about the "other kind of mom" is flipped upside down—along with their messy, complicated, maybe not so different lives.

An inheritance has reunited three estranged cousins. Their grandmother Lucy left Nessa, Flynn, and April her home nestled in the woods near Blossom, Texas, as well as a hope chest to be unlocked after they complete a special task. The House at Magpie Cove: A gripping and emotional page turner full of secrets and second chances

Author: Kennedy Kerr

'What a delight. I was totally transported to the wind-swept shores of Cornwall... Full of fabulous surprises, I cannot praise it enough.' Goodreads Reviewer, *****

The Cornish beach house creaked in the salty sea wind and, from the weathered wooden porch, Mara watched a lone magpie circle above. It was silly to think that her mother's spirit was still with her, but Mara felt as if there was something keeping her here. A secret that needed to be told...

When Mara Hughes inherits her late mother's tumbledown beach house overlooking the bright, sandy sweep of Magpie Cove, it couldn't have come at a worse time. With her marriage on the rocks and her husband threatening to take the family home, the beach house – with all the bittersweet memories it holds – might be the thing that finally sends Mara's world crashing down around her. She tells herself she'll only spend a few days there: sell it and move on to rebuilding her life.

When Mara arrives, the house is in a worse state than she feared – holes in the bedroom ceiling, birds' nests in the attic and the beautiful, wrap-around porch on the brink of collapse... but she loves it anyway. With all its history it feels like the last link to her late mother and, determined to do whatever it takes to keep it in the family, Mara strikes a deal with local handyman – and town heartthrob – Brian Oakley to save the crumbling cottage from ruin.

But when a box of unopened old letters arrives on her new doorstep – a bequest from her mother's will – Mara's resolve to save the beach house will be tested to the limit. Because Mara's mother's perfect childhood in Magpie Cove was forever spoiled by one haunting summer afternoon, and the letters contain a secret about her family that Mara can scarcely believe to be true...

The Monster: A Mafia Romance

Author: L.J. Shen

From Wall Street Journal bestselling author L.J. Shen comes a brand new, romantic mafia standalone about the thin line between love and obsession.

"Maybe we were never meant for each other. But that night at the carnival, when you showed me who you were, I figured out who I wanted to be."

The most important thing I'd ever read was scribbled on the door of a portable restroom, engraved into plastic at a carnival on the outskirts of Boston.

Lust lingers, love stays.

Lust is impatient, love waits.

Lust burns, love warms.

Lust destroys, but love? Love kills.

Maybe it was always my destiny to fall in love with a monster.

When other kids stayed awake at night fearing the pointy-toothed beast hiding in their closet, I longed to see mine.

I wanted to feed it, domesticate it, understand it.

Sam and I were only allowed to love each other in the dark.

Once our story unfolded, and the truth came to light, I was the one to cut the cord.

My name is Aisling Fitzpatrick, and I have a confession to make.

Sam Brennan is not the only monster in this story.

Zodiac Academy: The Awakening

Author: Caroline Peckham

I'm a Gemini. Impulsive. Curious. Headstrong. A twin. Heir to a throne I know nothing about. And it turns out, I'm Fae.

But of course there's a catch - all I have to do to claim my birth right is prove that I'm the most powerful supernatural in the whole of Solaria. And sure, technically that's true as I'm the daughter of the Savage King. But the bit they didn't put in the brochure was that every single Fae in this Kingdom would claim my throne if they could.

The school they've sent me to is both dangerous as sh*t and one helluva party. Vampires bite weaker students in the corridors, the Werewolf pack has orgies in the Wailing Wood at every full moon and don't even get me started on the dark and twisted ways the Sirens use their powers on people's emotions, or how my sinfully tempting Cardinal Magic teacher hosts detentions that leave people needing therapy.

Classes are totally interesting if you manage to live through them. And that Gemini star sign I mentioned? It now determines my elemental magic and affects my destiny, so learning astrology is essential if I'm going to beat down my classmates – which is actively encouraged by the way.

My biggest problem is the drool worthy Dragon shifter who has his eyes on my throne. He and his three psycho friends are determined to make my time here hell.

All I've got to do is survive. But fate might have other ideas.

Dammit, why couldn't I have gotten a letter to Hogwarts?

****This is a dark, bully romance – don't go expecting a sweet school for magic with friends around every corner. Fae fight for everything they own and Zodiac Academy is a cutthroat school for students aged 18+ where only the strongest prevail. There's no Dumbledore here to save anyone's ass and Lionel Acrux will give Voldemort a run for his money in the evil dictator category. So hold onto your stardust (broomsticks not required) and get ready for a bumpy ride****

The Relationship Pact : Fake Dating Standalone (Kings of Football)

Author: Adriana Locke

How hard can it be?

That was the question rolling around Larissa Mason's mind just before she asked Hollis Hudson to be her fake boyfriend. It was only supposed to be for five minutes, after all.

Granted, that was also before she felt his hand on the small of her back as he charmed the heck out of her family.

And it was definitely before she saw the football god shirtless. Otherwise, she would've had an idea of just how hard some things could be.

It turns out that pretending to be in love with a crazily handsome, somewhat enigmatic, and absolutely unforgettable tight end (that has an amazing tight end) is easy.

Reminding herself that just because opposites attract doesn't mean they're forever is much harder.

"Never settle for less than the truth," she told him.

A small boy with broken glasses who is clutching a notebook with all his might . . . but who never speaks.

Chase Walker was one of the lucky ones. He was in foster care as a child, but he finally ended up with a family who loved him and cared for him. Now, as a journalist for the local paper, he's moved on and put the past behind him.

JAZZ: I'm a determined dreamer—at least I used to be. I put all my dreams on hold and withdrew every penny from my savings account to pay the debt my ailing father owes to a local gang.

Except, according to the gang's slimy leader, even my life savings won't be enough to pay the enormous debt my dad's accrued. And his leering gaze lets me know exactly how he wants me to pay the balance.

A ruthless stranger offers to pay my remaining debt. He's a tattooed crimelord, a cold, beautiful animal who regards me with dead eyes. The price for this kindness? Possession. The complete and utter kind.

You're mine, he informs me when I ask him why he did it, leaving me to figure out...

Is he my unexpected savior or my ruthless mistake?

HAN: I learned from a young age that women aren't worth much. They don't stay. They're not loyal. They weaken you, then disappear at the first sign of trouble.

That's why I don't do relationships—especially with good girls who have no place in my criminal underworld.

I should stay away from her. Let her pay me back some other way.

But I can't. She's golden sunshine wrapped in a sexy little package, lighting up all the dark parts of my heart. And when she asks me why I did it, two words rise without thought or reason.

You're mine.

She thinks I'm the mistake, but it's the other way around. I don't do relationships. I don't even let women spend the night. But this one...

USA TODAY BESTSELLING AUTHOR

The Bully (Kingmakers)

Author: Sophie Lark

I Know Her Secret...

Cat is in so much trouble. She did something bad, and I saw.

I'll keep her secret... for a price.

Poor, sweet, timid Cat should never have come to Kingmakers. It's a place for monsters and killers. People like me.

She wandered into the lion's den and now she's mine.

Mine to play with. Mine to torment. Mine to break...

The Lark Notes:

My very first inspiration for Kingmakers was Dean Yenin. I wanted to write a true anti-hero who would need to undergo a very serious change in his character to complete his redemption arc. Dean will make you feel all the things, sometimes against your will. You'll love him and hate him and love him again, and never get him out of your head. – Sophie

"The Bully" is a standalone novel. It's the third installment in the epic dark mafia Kingmakers series – a bully romance, full of dark, twisted enemies-to-lovers conflict. Reader beware, this one is intense.

Reviews from Goodreads:

* * * * * The plotline was fresh, original, and exciting and definitely kept the twists, turns, and surprises coming. The characters were complex, completely polarizing, and full of depth.

And, not only was this a very well-written book overall, but the suspense builds at just the right pace as the mesmerizing story unfolds.

* * * * * What a delight to read a book with such great twists! Truly holds a reader's interest.

This is a dark story because it's a dark subject and many kudos to Willow Rose for tackling it. Especially when you learn that it's based on her own experience! Rape is much more common than we would realize, and I agree with the author that this story needed to be told.

* * * * * *"The women you used, the ones you destroyed, we are still here, and there are many of us. And now, we're coming for you."* - Quote from the book.

Eva Rae is pulled into a dangerous situation once again... An unsavory acquaintance, from a devastating relationship in Eva Rae's past, comes back to haunt Eva Rae when she's contacted regarding an ongoing homicide investigation. Her refusal to assist becomes the catalyst for what follows...

A dark, intense thriller that will leave you in suspense until the very end!

* * * * * Based on a true and painful story of sexual abuse of women by powerful men.

I was totally immersed in this brilliantly written story. Much respect to Willow for her strength and bravery in penning this story.

* * * * * OMG, Willow! I wished we had the option to give you more stars. I would certainly give you much more!

This book hits on a subject that gets swept under the rug more times than we can count and it is really sad that it does!

You all need to read this awesome book. Bravo to you Willow for taking a stand. Thanks for writing such a fantastic book!

* * * * * A riveting tale with the usual plot twists and a surprise ending. A tale that mimics true life all too well. A story that needs to be told.

* * * * * This book is another winner.

The storyline that Willow Rose has developed is engrossing, well-written, and well thought out.

You will be on the edge of your seat with all the twists in this story.

Forgiven: Con (The Four Book 3)

Author: Sloane Kennedy

Con

I have everything I've ever wanted... so why do I still feel like the kid who came from nothing?

Please help him...

Three little words that have haunted me for years.
Three little words that I know I'll take to my grave.

It was supposed to be just another fight. Another few minutes of using my fists and my so-called natural “gift” for fighting to raise the cash I needed to save my little brother's life.

But it *wasn't* just another fight.

Yes, I *had* walked away with the prize money and yes, I *had* saved my brother, but I'd also destroyed not one, but two lives. I'd left my opponent broken on the ground with his eight-year-old brother begging the onlookers around him for help.

Begging *me* for help.

But I'd walked away...

Fifteen years later and that little boy is now a bitter, broken young man standing over his brother's grave; the grave I might as well have put him in. I want nothing more than to help Micah Fox escape the hell his life has become, the life I condemned him to, but he wants nothing to do with me.

But I can't walk away this time.

I won't.

Micah

I'm so close to escaping my ugly little world that I can practically taste it. No way in hell am I letting the man who put me there try to play hero now.

That night was supposed to change my life.

It did.

Just not in any way I could have ever conceived of.

Fifteen years ago, the man known only as Zeus to his fans left my brother a broken man who wanted nothing to do with the world around him. I couldn't save my brother, but I sure as hell can make sure my niece and nephew have a future... the one their father should have had.

Zeus or Con or whatever the hell his name is wants to help me now? Not happening. He might know how to turn on the charm and play to his legions of adoring fans, but he and I both know what kind of monster lurks inside him.

Okay, so what if strange things happen in my belly when he touches me? What if I feel a little stronger when he wraps his arms around me and promises me that everything will be okay?

It's not real.

It can't be.
Because hate is all I have right now. If I let Con take that from me...
Like I said... it can't be real.
I won't let it be.

We danced and laughed our way around Boston and had a night of crazy passion that no woman would ever forget.

That was twelve months ago, and I haven't heard from him—until today.

I started a new job and met the CEO. You can imagine my surprise to see those naughty blue eyes dance with delight when he saw me across the mahogany desk.

But I'm not that carefree girl anymore. My life has changed, I have responsibilities.

I just got an email.

He wants to see me in his office for a private meeting at 8:00 a.m.

Naughty blue eyes have no place in the workplace.

What kind of private meeting does he have in mind?

Please leave your message at the sound of the beep...

Penelope, I know that it's three o'clock in the morning, but I need to get this off my chest.

I can't give you any more advice on landing this other guy, can't tell you another "sexy" thing that you should do, or suggest a new set of filthy words that you should text him late at night.

As your best friend, I've reached my limit, and I can honestly say that he doesn't deserve you.

I'm not saying all of this because I'm fucking jealous, or because he had the audacity to say that he makes more money than me. (I still can't find his name on the Forbes 500 list, and I know damn well that he's renting that Ferrari, but that's a story for a different day.)

He's not who you think he is, and the better man has always been right in front of you...

You have every reason to never give me a chance since you know me better than anyone, and you agree with all the tabloids calling me *The Cocky King of New York*, and the *Untamed Playboy of Manhattan*. But I honestly believe that you're better off with someone else, and I need you to see.

I'm not asking for too much...

I just want you to break up with him, *for me*.

You know the hot neighbor boy you crushed on all your teenage years? Imagine seeing him ten years later and he turns out to be a complete jerk, then you know how I feel.

I signed up for it. Literally. I agreed to the contract that made me the Lords' Lady, a position that requires me to do whatever they want, but only as protection from someone worse. I agreed to be in their beds, on my knees, and punished should I disobey.

I just wasn't expecting punishment like this.

Killian is two-hundred-and-twenty pounds of muscle, brutal physicality, and pure spite. He thinks I don't know that he watches me when I sleep.

Tristian is fair-haired and charming to anyone who doesn't know better. To me, he's the man who seeks to control me, with his cold eyes and possessiveness.

Rath is the dark-eyed tempest who took me into his bed. Even having been subjected to his barbed tongue, he's the first man to ever make me feel safe.

I hadn't realized how much they've worn me down and made me feel complacent, but it turns out they've messed with my head just as much as they abused my body. Despite the awful things they've done to me, they actually made me feel special. Cared for. Protected.

And then I found out it was all a lie.

The way Tristian cares, Killian's vigilant eyes, and worst of all, my contented moments in Rath's bed, were all part of a game.

Can you keep a secret?

■

I grew up sick.■

■

Let me clarify.■

■

I grew up believing that real love stories include a martyr or demand great sacrifice to be worthy.■

■

Because of that, I believed it, because I made myself believe it, and I bred the most masochistic of romantic hearts, which resulted in my illness.■

■

When I lived this story, my own twisted fairy tale, it was unbeknownst to me at the time because I was young and naïve. I gave into temptation and fed the beating beast, which grew thirstier with every slash, every strike, every blow.■

■

Triple Falls wasn't at all what it seemed, nor were the men that swept me under their wing. But in order to keep them, I had to be in on their secrets.■

■

Secrets that cost us everything to keep.■

■

That's the novelty of fiction versus reality. You can't re-live your own love story, because by the time you've realized you're living it, it's over. At least that was the case for me and the men I trusted my foolish heart to.■

■

Looking back, I'm convinced I willed my story into existence due to my illness.■

■

And all were punished.

This trilogy is a gritty, modern day take on Robin Hood. It's an unconventional love story—bad boys/antiheroes—filled with suspense, steam, major twists, a little action, and ALL OF THE FEELS.

A Maiden...

Chosen from birth to usher in a new era, Poppy's life has never been her own. The life of the Maiden is solitary. Never to be touched. Never to be looked upon. Never to be spoken to. Never to experience pleasure. Waiting for the day of her Ascension, she would rather be with the guards, fighting back the evil that took her family, than preparing to be found worthy by the gods. But the choice has never been hers.

A Duty...

The entire kingdom's future rests on Poppy's shoulders, something she's not even quite sure she wants for herself. Because a Maiden has a heart. And a soul. And longing. And when Hawke, a golden-eyed guard honor bound to ensure her Ascension, enters her life, destiny and duty become tangled with desire and need. He incites her anger, makes her question everything she believes in, and tempts her with the forbidden.

A Kingdom...

Forsaken by the gods and feared by mortals, a fallen kingdom is rising once more, determined to take back what they believe is theirs through violence and vengeance. And as the shadow of those cursed draws closer, the line between what is forbidden and what is right becomes blurred. Poppy is not only on the verge of losing her heart and being found unworthy by the gods, but also her life when every blood-soaked thread that holds her world together begins to unravel.

Playing House: A Small Town Brother's Best Friend Romance (The Playboys of Sin Valley Book 1)

Author: Cassie-Ann L. Miller

I only showed up to crash my best friend's sister's wedding. So how did I become the groom?! Oops!

When I charged up those courthouse steps to stop Sera's wedding, I didn't exactly have a plan.

But there's no way I was letting my best friend's little sister marry some no-good tool who doesn't deserve her.

Let's just say things got out of control. Fast.

Now, the wedding is off. And Sera is crushed. And I'm just trying to be a good friend.

"Come stay at my place. Until you're back on your feet."

"Have some tequila. It'll ease the pain."

"And what's a few much-needed orgasms between friends?"

Well, maybe I crossed the line with that last one.

Oh, but it gets worse...

Because we just woke up naked and hungover. And Sera's wearing a big, ugly diamond ring.

On second thought, "oops!" might be an understatement.

I mean--I'm Jason Bellino. Confirmed bachelor. Pro football's ultimate playboy...I don't do relationships.

And she's my complete opposite. A good girl. A rule-follower. The Sweetheart of Sin Valley...She doesn't do no-strings-attached flings.

Talk about 'opposites attract'.

Now, we've got this whole accidental marriage situation going on. Hot damn. I'm completely in over my head.

But married life isn't half-bad, I guess. I could get used to the wall-shaking orgasms, the laughing and bantering together over our breakfast cereal, her cheering me on at my football games.

I should be trying to get rid of her. But more and more, I just want her to stay.

So how do I convince my oopsie-wife to play house with me...forever?

Playing House is a steamy, laugh-out-loud, best friend's sister, accidental marriage small town romance. It is set in small town Iowa and is book one in the Playboys of Sin Valley series.

That's not the only big thing he's got--which I discover the night I finally sneak across the hall to his bedroom and shed my inhibitions right alongside my pajamas. And once we give into each other, we can't stop.

The hayloft. The bed of his truck. The dock by the pond.

Ghost Of A Chance (Wilde Ways Book 6)

Author: Cynthia Eden

How well do you know the lover in your bed?

It was the hottest hookup of her life. When Tess Barrett spent the night in the arms of the too sexy to be real stranger, she knew she was walking on the wild side. Sex with James Smith was the best EVER. How was she supposed to walk away from that? From him? So...she didn't. They planned secret dates. More body-melting hookups. The white-hot sex should have been enough.

So why does she start wanting more?

But they have rules. *She* has rules. No emotions. No ties. She has a past that is dark and twisted, and she's worked hard to become a new person. She's a doctor now. Respected. Controlled. Except...there is no control when she's around James.

A bad guy...might be falling for the good girl.

James can't keep his hands off his sexy little doctor. She's buttoned down for everyone else but goes absolutely wild for him. Sure, she doesn't know his history. Doesn't know that the man she lets touch every inch of her body used to spend his days working for Uncle Sam and doing some seriously dirty deeds. What she doesn't know can't hurt her, right? And if she ever did learn the truth about him, he knew it would terrify his sweet doc right to her core. Terror would make her run. He doesn't want her running. He just wants her in his bed.

But then...something happens. Danger sneaks up on Tess. She needs help—a very particular expertise and protective skill set. She needs someone lethal and strong...and James is just the man for the job. After all, *lethal* is his middle name.

Hello, dangerous times.

When James steps in, Tess doesn't know if she should be grateful or scared to death. Because her gorgeous lover? Turns out he has plenty of mad and dangerous skills. She's been hooking up with a superhero or...maybe a super villain. It's sort of hard to tell the difference.

For the moment, she's going to go with feeling grateful...but as she learns all of his secrets, Tess wonders what will happen next between them. Will they crash and burn? *Burn, baby, burn.* Or maybe, just maybe, they'll actually have a GHOST OF A CHANCE at getting a happily ever after ending.

Author's Note: James Smith is one mad, bad, dangerous guy...but sometimes, bad guys fall hard for good girls. GHOST OF A CHANCE is super hot, charged with lots of feels, and, it's got some pulse-pounding action for you. Dirty words and dirty deeds are dead ahead. Oh, and there's plenty of fun thrown in, too. Mystery, humor, sexy times, and danger—all of my favorite things in a book.

JORDAN

He took me in when I had nowhere else to go.

He doesn't use me, hurt me, or forget about me. He doesn't treat me like I'm nothing, take me for granted, or make me feel unsafe.

He remembers me, laughs with me, and looks at me. He listens to me, protects me, and sees me. I can feel his eyes on me over the breakfast table, and my heart pumps so hard when I hear him pull in the driveway after work.

My sister once told me there are no good men, and if you find one, he's probably unavailable.

Only Pike Lawson isn't the unavailable one.

I am.

As the days go by, though, it's becoming anything but easy. I have to stop my mind from drifting to her and stop holding my breath every time I bump into her in the house. I can't touch her, and I shouldn't want to.

The more I find my path crossing hers, though, the more she's becoming a part of me.

But we're not free to give into this. She's nineteen, and I'm thirty-eight.

And her boyfriend's father.

One unforgettable summer...

When you're an artist, everything has to be perfect.

Or so I thought, until my professor told me my perfection was boring and unoriginal. Studying abroad in Florence has taught me one thing: I know nothing when it comes to what makes art truly beautiful.

So, with my professor's words in my ear, I step outside one evening and decide to say yes to any and everything I'm faced with until the sun rises.

Of course, I didn't expect *him* to show up.

Liam Benson, the broody, sexy, tortured artist from my class who I can't stand. He's got a sour outlook on the world and an ego so big no one could properly stroke it to his satisfaction.

When he finds out what I'm doing, he hijacks my "yes" night.
And after just twelve hours with him, I'm desperate for more.

But Liam is running from more than I could ever understand, and with his heart guarded and mind made up about life, I don't stand a chance.

I convince myself that we can keep it casual.
But walking away from him at the end of the summer is as impossible as painting outside the lines.

I used to think when you're an artist, everything has to be perfect.

Turns out everything has to be painful, and messy, and fleeting.

If only I'd known that before I fell under Liam Benson's spell.
