**Maeve O'Sullivan**

I've taken care of my grandfather for as long as I can remember. He went a little wild when his friends betrayed him, and I've been the one to pick up the pieces. ## **The Billionaire's Accidental Bride (Part One)**

**Author: Paige North**

**Jaden Nash. Hot billionaire, cold businessman, and heartless womanizer. And oh, yeah, my new husband.**

I'm responsible. Practical. Definitely not the kind of girl who marries some guy in Vegas.

An annulment and we can forget it ever happened, right?

Wrong.

Because my new husband? Jaden Nash, the man who touched me like I'd never been touched, the man who kissed me until I was breathless, the man who warned me to stay away from him because he has no heart?

He's a ruthless billionaire businessman, dead set on taking over the only factory in my tiny hometown of Norfolk, Ohio. Pretty much everyone I care about is about to be out of work because of Jaden.

I've married a man who stands for everything I despise, a man whose malice knows no bounds. I hate him, even if my nerve endings thrum with electricity every time he's near.

But then Jaden makes me a deal.

Stay married for forty-eight hours. Let him kiss me and touch me until I all I want is more...

If I do, he'll consider keeping the factory open.

Against my better judgment, I say yes.

And by the end of the two days, it's not the factory I'm worried about. It's my heart...

But when she blows me off, it's anything but funny. It might have been one big act to her, but I've never been more serious in my life.

### **Candace**

I've tried my whole life to stay away from firemen. I moved out of Kings County, I went to drama school, and I set myself up as a children's entertainer. It's the most un-firefighter career I could have chosen.

I swore I'd never date a fireman, and one night of passion isn't going to change that.

## **Prowl**

**Author: Elizabeth Myrva**

**One human heart will save them all.**

For ten years I've listened to my Grandmother's warnings; Don't be too loud, don't stand out, and, most of all, don't be Chosen like my mother had been. To be dressed in white and presented to the beast that prowls the misty forest surrounding our village. To be a sacrifice that protects our people from the beast's wrath for another decade.

My mother's cloak still hangs in the square, preserved as proof of the last sacrifice made. Where once it was white, as they all start, it's now stained with the last of her blood. It's all that was left of her.

My sister, too young to remember when they'd taken my mother away, doesn't take our grandmother's warning to heart as she should. But I have. My entire life, I've behaved and watched over my reckless sister so we can both avoid our mother's fate. Until I'm betrayed.

Fate Chose me, but I'm more than a sacrifice to the beast prowling in the woods. He's more than I ever expected, and he's hungry for more than just my blood.

Prowl is a short story, little red riding hood retelling. It's dark, spicy, and introduces you to the Aphotic World in its beginning.

But when I'm assigned Rancher, I find out that I'm in way over my head.  
I want to help mend his body... he wants to mend my heart.

Dear Reader,  
I love to read MC romances. I've just always enjoyed reading about the tightness of the MC brothers and the way they love their women. I love it so much that I have always wanted to write one. However, being a short story romance author, it seemed impossible to build an in depth storyline like most MC romance series, but I wanted to give it a try. Therefore, I present to you my version of an MC romance. I'm borrowing the term MC Lite from Frankie Love. It is heavy on the motorcycle club sense of family, it has lots of alpha men and the curvy women that love them. However, it is a little lite on the drama and most violence is handled off page. I sincerely hope you like it.  
XX,  
Hope

This is a Steamy, Sweet, Short Story Romance. No Cliffhangers. This is the third story in the Exiled Guardians MC Series. If you love short romances with insta love, hot love scenes, and a sweet story, then this one is for you.

## Yes, Sir (Part One)

**Author: Julia Nash**

**I made a horrible mistake. And now I have to sell my body and soul to fix it...**

I never wanted to be there in the first place, working in Brock Wrentham's mansion, under his watchful, relentless gaze.

And the last thing I ever expected was to mess up so badly that I'd be in his debt and at his mercy.

The only way out? Submit to ten punishments of Brock's choosing, each one intended to pay off the money I cost him with my colossal screw up.

Yes, the punishments involve me in various states of undress. Doing things with Brock, things I've never done with another man. Things I definitely never imagined myself doing, much less with one of the world's most eligible bachelors.

But I'd be lying if I said I didn't enjoy it. I do enjoy it, more and more each time.

But as I slip further under his spell, I start to wonder who the real Brock Wrentham is, and what he's hiding. Because there's something so terrible in his past, it makes my punishments look like a walk in the park.

I don't know if the fragile trust we've built can ever hope to survive the truth. The truth of who he is, what he's done, and why he wants me to be the one to pay for it all...

**Author: Carly Keene**

**FLORA:**

I return to my hometown for the funeral of my great-aunt Zee, who brought me up.

I've missed Dogwood Falls during the six years that I've been living in Silicon Valley, working for a big tech company.

...and I'll give you three guesses as to who Aunt Zee hired as her contractor.

**EVERETT:**

When my client, and temporary landlady, dies in the middle of a house renovation, I figure that's the end of the job.

The will says if I don't continue to live in the house, I won't get paid.

And my client's only living relative...is my wife.

Flora's the love of my life.

## **Of A Sunday Evening : A Pride & Prejudice Short Story**

**Author: Amy D'Orazio**

*"I declare I do not know a more awful object than Darcy, on particular occasions, and in particular places; at his own house especially, and of a Sunday evening, when he has nothing to do."-- Charles Bingley, Pride & Prejudice, Chapter 10*

FITZWILLIAM DARCY, on a hot summer Sunday afternoon in his house, and still feeling the sting of Elizabeth Bennet's rejection, is surely feeling like an awful object. Driven from his house, eager to escape the tedium and his own thoughts, he encounters Miss Lydia Bennet on the mean streets of London. An elopement is in progress but Darcy soon finds himself called upon to stop it.

IN LAMBTON, Elizabeth Bennet is horrified to learn of her sister's escapade, and even more dismayed to learn that somehow, some way Mr Darcy has become involved in it all. Her feelings having already softened towards him, she finds herself returning to London to find a changed man has been her family's hero.

ONE SUNDAY EVENING soon gives way to another, and sisters must conspire to give the pair the nudge they need to speak to one another. Sunday evenings prove to be not so disagreeable after all!

This *Pride & Prejudice* short story is a sweet, romantic what-if with an earlier reconciliation of Jane Austen's most famous lovers.

WARNING: This book does talk about previous physical abuse from husband. Also, heroine starts relationship while still technically married to her abuser.

Sniper

I once served with her older brother and when she ran into some trouble,  
she came looking for me.

She shows up at the gate to the club begging for my help.

Of course, I'm going to help her - I would never turn away a woman in trouble.

But with her, its more.

I'm going to claim her. Make her mine... and never let her go.

Avery

I've made some mistakes... some that could cost me my life.

So I find Sniper... the one man that my brother trusted more than anyone.

He agrees to help me.

But at what cost?

He's my savior... my warrior.

But this bad boy is not giving me my freedom... he has other plans.

Dear Reader,

I love to read MC romances. I've just always enjoyed reading about the tightness of the MC brothers and the way they love their women. I love it so much that I have always wanted to write one. However, being a short story romance author, it seemed impossible to build an in depth storyline like most MC romance series, but I wanted to give it a try. Therefore, I present to you my version of an MC romance. I'm borrowing the term MC Lite from Frankie Love. It is heavy on the motorcycle club sense of family, it has lots of alpha men and the curvy women that love them. However, it is a little lite on the drama and most violence is handled off page. I sincerely hope you like it.

XX,

Hope

This is a Steamy, Sweet, Short Story Romance. No Cliffhangers. This is the first story in the Exiled Guardians MC Series. If you love short romances with insta love, hot love scenes, and a sweet story, then this one is for you.
